

## Water Project Dedication Trip Copan Ruinas and Marcala, Honduras March 3-11, 2017

Join Al Steele, District 7750 Water Resource Coordinator, for an enlightening trip to Honduras. You'll see the work your Rotary Foundation is doing in remote villages to bring clean water to hundreds of families.

Our trip will include the dedication of Rotary water projects in two mountain villages, and site visits to projects under construction and being proposed. Tour Copan Ruinas, the hub of Mayan civilization in 400 AD. Visit Rotarians in both Copan Ruinas and Marcala. Enjoy the beach in the Caribbean resort town of Tela.

You will come away with a keen appreciation of Rotary's work in Central America, and able to lead your club in sponsoring future projects.

"I believe you were  
sent by God"
