Rotary Opens Opportunities

“Rotary is not just a club that you join. It is an invitation to endless opportunities. It opens opportunities to serve in a project as big and historic as End Polio Now and also in a small community project, where you just plant a tree.

“And it opens opportunities for you to live a richer, more meaningful life, with friends around the world, based on our core values.

“As Rotarians, we are very blessed to take on leadership roles at this wonderful moment for our organization. Everything we do opens another opportunity for someone, somewhere.

“Therefore, the theme for our year is: *Rotary Opens Opportunities.*”

Dear District Governor-elect,

I ask the 2020-21 governors to share the following key messages with clubs at their visits:

1. The district will be actively at work creating new, innovative club models and will need your support. In addition, you can also help us expand our reach by creating a satellite club and by forming a community-based Rotaract club.
2. Every club should host at least one strategic meeting each year at which you ask: What should our club be like in five years and what steps should we take to help achieve that vision? What value do we bring our members? Select someone to lead that effort.
3. Select new members carefully. Make sure that they are a good fit with your club and that your club meets their expectations. Engage them and take care of them. There is no wrong age to become a Rotarian.
4. Continue your club's efforts to end polio by donating to End Polio Now and by hosting a World Polio Day event in October. We must fulfill the promise that we made to the children of this world.

Warmest regards,

A handwritten signature in black ink, appearing to read "Knaack".

President, Rotary International 2020-2021

2020 -2021 Rotary Vision, Priorities and Objectives

Our Shared Rotary Vision, Priorities and Objectives

Vision: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Mission: We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Motto: Service Above Self

Rotary Key priorities and objectives:

Increase our impact - Rotary strives to change the lives of others for the better. Our members invest volunteer and financial resources in a broad range of service activities; we will do a better job of measuring the results and outcomes of our work. We'll focus our programs and produce evidence of lasting impact so that Rotary can continue to attract members, partners, and donors.

Related objectives:

- Eradicate polio and leverage the legacy
- Focus our programs and offerings
- Improve our ability to achieve and measure impact

Expand our reach - People are seeking ways to make a difference in the world and connect with others. How do we help them find what they're looking for in

Rotary? By creating unique opportunities for more people and organizations to get involved. Clubs will always be important. But to extend our global reach, we'll expand our current structure with innovative models that welcome more participants into Rotary and give them meaningful ways to unite and take action.

Related objectives:

- Grow and diversify our membership and participation
- Create new channels into Rotary
- Increase Rotary's openness and appeal
- Build awareness of our impact and brand

Enhance participant engagement - Because we recognize the challenges our clubs face in today's changing world, Rotary will support our clubs' efforts to deliver an experience that engages and retains members. When we help clubs focus on the experience and value they give their members, we give Rotarians and other participants the opportunity to serve together, connect with one another, and have a more satisfying experience with Rotary.

Related objectives:

- Support clubs to better engage their members
- Develop a participant-centered approach to deliver value
- Offer new opportunities for personal and professional connection
- Provide leadership development and skills training

Increase our ability to adapt - To achieve our vision and keep pace with changing global trends, our structure and culture must evolve. We'll ensure that our operating and governance structures are efficient, flexible, and effective in delivering services to all of our participants.

Related objectives

- Build a culture of research, innovation, and willingness to take risks
- Streamline governance, structure and processes
- Review governance to foster more diverse perspectives in decision-making

District Grant Priorities

The District Grants committee has put a great deal of thought and consideration into allocating our available funds among a growing number of grant applications. Needless to say, we are not able to fully fund all the requests. The total of clubs' grant eligibility far exceeds the total available funding.

There are several reasons why funding may range from 100% of the grant request to 0%, with several partial funding levels in between. In general, grants that likely won't be fully funded fall into one or more of these categories:

- **Small number of beneficiaries** -- In some cases only a handful of people receiving benefit from the grant. Preference is given to projects that benefit larger numbers of people.
- **Limited or no Rotarian involvement** -- One of the success factors in attracting and retaining members is doing service projects together. Preference is given to projects that engage and involve multiple Rotarians.
- **Limited sustainability** -- Preference is given to projects that have a lasting impact, without need for ongoing maintenance and support. Projects with a 1-time impact that must be funded again and again receive limited, if any funding.
- **Projects funding other organizations** -- It is our intent to have significant impact on projects developed and conceived by Rotary clubs and executed by Rotarians. Projects where our funding becomes part of the general operating funds of another organization are generally not heavily funded, if at all.
- **Projects with limited Rotary branding** -- Part of our Public Image, leading to attracting and retaining members, comes from the Rotary brand being prominent during and after the project is completed. Projects where our brand gets "lost" or is overshadowed by another organization receive limited funding.
- **Unclear mission or intent** -- Funding is minimal for grants where the purpose or intent of the funding is not clear to the committee, such as "everyday programs" usually funded as a club operating expense.
- **Outside D-7750 Geography** -- District grants are intended for use inside the geography of D-7750. Projects outside the District are generally not funded.

As you build your grant applications, please consider these guidelines. Please note also that the committee is able to consider only the information, data, and facts supplied in the grant application itself. We are not able to fund situations where the need or the benefit is not well understood by the committee. Contact me if you have questions

Sincerely,

Bill Harley

Connect Through Service Projects

- The top two reasons people join Rotary are to give back to their local community and to connect with friends. A successful service project can do both!
- By working together, Rotary members and the community develop lasting friendships as your club makes a real difference in the world.
- Identify an issue that takes advantage of your members' skills, builds effective networks, and involves community members as partners.
- Talk to your community partners about their needs. Seek advice from others. Make sure your project is meaningful and addresses a genuine need. Be open to suggestions from your partners.
- When your Rotary club takes action, you'll engage your club's members and show your community how Rotary creates positive change.

The Rotary Citation for 2020-21 is substantially different in concept and process from prior Citations. It is not expected that there will be an "achievement guide" or "how-to" page on the Rotary.org website. This guide should provide a quick understanding of how to qualify for the Rotary Citation in 2020-21. Here are the important things to know:

- This Citation has **no fixed or minimum achievement criteria**.
- To qualify, your club must set and achieve its **own goals** in **13** of 25 Goal Categories (half of the categories).
You may select categories important to you and set your target level of achievement in each.
- Achievements in each category must be entered by the club in Rotary Club Central, except for Membership, Annual Fund and PolioPlus contributions which will be updated from Rotary.org data in real time.
- Set a goal in each of at least 13 categories - more categories if you wish (you only need to accomplish 13).
- Enter your club's accomplishments in Rotary Club Central by **June 30, 2021**. When you've achieved your goals in at least 13 categories you qualify for the Citation. **Important:** If you're counting on a Membership achievement, your membership must be sustained through June 30, 2021. A late termination or two sometimes trips clubs up.

----- Goal Entry Process -----

1. Start at Rotary.org/ClubCentral
2. Log in. If you're unable to log in, you may need to Create an Account in My Rotary - use the "REGISTER FOR AN ACCOUNT" button, follow the prompts and watch for a confirming email.
3. Click Goal Center on the left navigator:
4. Change the year at the top to 2020-21. You may need to click the "All" tab on the right. An editable list of all 25 available Goal Categories will open.
5. Check the Select Goal box for those you intend to pursue. Remember - you can choose as many Categories as you wish, of which you must achieve 13.
6. Note the **"Show goal details and history"** link - that provides data for prior years that will be helpful in arriving at realistic and achievable goals:

7. You do not have to enter all goals at once - take your time, click  before leaving.
8. Likewise, you can enter your achievements the same place, at any time prior to June 30, 2021.
9. Goals should be entered by July 1, 2020.

If you have questions, please contact your District Governor or Assistant Governor.

Find Your Passion in Rotary

The purpose of the Rotary Leadership Institute (RLI) is to strengthen your club and strengthen your life. Rotary provides an opportunity for all of us to provide service to our community and throughout the world (Service Above Self). With that service comes a learning experience in the areas of leadership, team building, planning, marketing, communication and organization. RLI provides an opportunity to enrich that learning through sharing experiences and ideas with other Rotarians throughout the region.

The RLI Program

The Zone 33 Rotary Leadership Institute conducts over 25 events each year in the states of Delaware, Maryland, North Carolina, South Carolina, Tennessee, Virginia, West Virginia, and The District of Columbia. The program consists of the separate sessions, Part I, Part II, and Part III. Attendees progress through the three part on separate days and complete the program at their own pace.

Each session is highly interactive and, therefore, contains a minimum of lecturing and provides lots of opportunity for participants to share their experience and ideas. The sessions are led by Rotary leaders who have been trained in the facilitation techniques that maximize the learning experience. A general list of subjects is shown below.

Special RLI at All Club Conference in Asheville

There will be a special RLI Part I at the All Club Conference in Asheville on Friday, May 8, beginning at 11:30 a.m. This will be a **great** way for Rotarians to start the RLI experience.

Want your Rotary Club to learn more about the value of RLI? District RLI Chair Renee Stubbs is eager to speak to your Rotary Club. Contact her at rcstubbs@att.net or 864-313-1193. We plan to have three RLI events in 2020-21 in District 7750. And, if an area wants to host an RLI, all they have to do is secure a location and plan food, and we will organize the rest! They will have to guarantee at least 20 participants. RLI reimburses for the location cost and food.

District Governor Official Visit

Purpose of the visit:

- To allow the District Governor to communicate directly with all Rotarians in the district and answer questions about Rotary International and District 7750.
- To listen to club leadership and gain a better understanding of their club.
- To encourage Vibrant Rotary Clubs through membership group and member engagement.

Preparation for the visit:

- The Assistant Governor for the area will work with the club leadership to confirm the meeting and any special arrangements.
- The District Governor **is the program** for the Official Club Visit. Please do not schedule another program to take place for their visit. Please allow 30 minutes for the Governor's Program.
- Communicate any special plans you have to the Governor and AG to make sure it fits in with her other plans.
- DG Beth will meet with the board of each club to discuss the club plan, membership, Foundation, what's going well, areas that need extra attention. For lunch clubs, this special Board meeting will take place 90 minutes before the start of the Club meeting unless special arrangements have been made. For breakfast clubs, the special board meeting can take place the night before or after the club meeting.

Introduction of the District Governor and the meeting:

- Biographical information will be provided to the Club President and Assistant Governor in advance of the meeting. The Assistant Governor will handle the introduction of the District Governor unless other arrangements have been made.
- It is customary that the Rotary Club members stand when the District Governor is introduced and when she has completed her presentation. This form of respect is shown because the District Governor is acting as the official representative of Rotary International President Holger Knaack.
- Presentations of Paul Harris Fellowships, inductions of new members and other honors for Club members are especially appropriate during the District Governor's Visit. Celebrate your Club's successes!

Recognition of the District Governor:

- Personal Gifts are strongly discouraged. If a Club wants to make a gift, please consider a donation to The Rotary Foundation, PolioPlus, CART, or a Back-to-School Booster Gift to a school in your community (such as books, dictionaries, school supplies, backpacks, etc.)
