

**District 7750**  
**Grant Application Procedures**

Rotary Clubs in District 7750 can find their maximum District Grant eligibility in the following table. Please remember that the deadline for submission of District Grant applications by clubs is April 30, 2025. Clubs should start planning their District Grant applications very soon.

**Late applications may not be accepted.** The amount of funding available per club typically ranges from \$800 to \$4,000. The applying club must provide a dollar-for-dollar match for whatever total grant amount is applied for.

The amount of District Grant funding that can be applied for is determined by a Rotary Club's total contributions to the Annual Fund of The Rotary Foundation in 2023-24. A club cannot receive a grant higher than 65% of its contribution to the Annual Fund. The following table describes the maximum grant amounts at the different total contribution levels. **Maximum Eligibility is not a guarantee that a Rotary Club will receive that amount. District Grant funding ultimately depends on the funds available to the District Grants Committee.**
