ROTARY INTERNATIONAL

2014-15 Rotary Foundation major funding drive commences by DG TOM FAULKNER

November is Rotary Foundation month. It is the beginning of the largest Rotary Foundation fund raising campaign in the history of Rotary District 7750.

Our seminar series on Friday, Nov. 7 beginning at 3pm includes training by our top Zone leaders in membership, Rotary Foundation, and public image. This training is followed by a reception and a Rotary Banquet. Keynote speakers from El Salvador will challenge us and help us celebrate the amazing work we are doing in that country, in Honduras, Haiti, Guatemala, and throughout the world,

We are about to wipe polio off the face of the earth in 2018. If you have not signed up to hear Chema Argueta and Nathan Weller on Nov. 7, go to our website and register online through the District calendar asap. This is the beginning of a major District effort to beat the incredible Foundation giving record set by PDG Lorraine and team last Rotary year. With the total reorganization of the Rotary Foundation, our District stands at a crossroads. Half of every dollar you give to the Foundation is returned three years later to our District. Half of that amount is used to fund creative projects in our local communities. The other half is matched with Global Grant dollars from the Rotary Foundation to do good work in Haiti, El Salvador, Honduras, and Guatemala.

We have a Rotary Foundation that is given a four star rating by Charity Navigator and is considered one of the top Foundations in the world. Other Districts are so impressed with our work that they are beginning to contribute their dollars to our projects.

In five years, the District Governor will be able to say that every dollar given to the Foundation will be utilized to transform our local communities or targeted communities in developing countries.

Applications for district grants for 2015-16 will be accepted beginning Nov. 1. The application and the grant eligibility by club are available online and on page 5.

Kick off our major Foundation emphasis at the Banquet Nov. 7...

Come to our Rotary Foundation Banquet Nov. 7 and experience the hope that pervades our work in El Salvador, Haiti, Honduras, Guatemala and other developing countries.

Our Banquet will kick off major club activities and efforts to increase the number of

• Paul Harris Fellows,

• Paul Harris Society members (at least \$1,000 a year to the Foundation),

• Major Donors (contribution of at least \$10,000 to the Foundation),

• and Bequest Society (contribution of at least \$10,000 to the Endowment Fund through your will).

We shall join hands with our Interactors and Rotaractors and raise as much money as we can for Polio Plus, receiving a match of \$2 from the Gates Foundation for every dollar we contribute.

We will conclude our emphasis with a Birthday Party on Feb. 21. See page 15.

I ask you and your club to schedule your primary Foundation fundraising effort to be completed prior to that date when we shall celebrate the biggest Rotary Birthday Party this District has ever experienced.

John Germ, the President-Nominee of Rotary International and the International Chairman of the Polio Plus Campaign, will be our keynote speaker.

I ask you and your club to purchase at least one table of eight (\$50 a person) and join us at the Spartanburg Marriott at Renaissance Park at 299 N. Church Street to celebrate the 110th birthday of Rotary International beginning at 5:30pm on Saturday, February 21.

It will be one huge celebration of your Foundation fundraising achievements, particularly our Polio Plus accomplishments. Don't delay. You can sign up for the Party the week after the Foundation Banquet. Sign up as soon as you can.

Lead the way to carry out your planned fundraising activities and brainstorm other activities in concert with our Interact and Rotaract Clubs. Your leadership team will do all we can to support you.

And don't forget to give thoughtful consideration to increasing your personal giving to these wonderful programs.

President-Nominee John Germ will be waiting on February 21 to congratulate you and celebrate yours and our success.

Then we shall begin a two year journey to Atlanta in 2017 culminating in the 100th year anniversary of our Rotary Foundation. Let's start now to double our efforts and our Foundation contributions by that time, thereby doubling the impact we now make in our local communities and throughout the world.—Tom

Join a January or March 2015 library work team to Cange, Haiti

BY SARA MANSBACH

It's a trip that not only changes the library but the Rotarian as well. To date, 19 volunteers from South Carolina and Virginia have spent a total of 59 days in Haiti working in the Cange Library.

During his Library Work Team visit, Patrick Gee of the Rotary Club of Mauldin talked to a Bon Sauveur First Grade Class in the Cange Library, modeled book sharing with 4 teachers, and discussed brain development with community leaders..

Our January and March visits will focus on 1) orienting the new librarian, 2) adding the Dewey Decimal System to the current library collection, 3) planning the development of a new book collection for both adults and children and 4) having teacher workshops on library use with dialogue on their specific needs for the collection. Contact Rita Yarbrough, Newberry Rotary, a 3-time work team member for details about these trips at ritayarbrough@ bellsouth.net or 803-271-3602.

Approximate cost: \$1,500 for airfare, room and board for 7-10 days. Ask Rita to send you to the Partners in Literacy Haiti Work Trip Travel Guide. It covers a wide variety of information about your health, safety, and the visit experience.

To get ready

To prepare for the trip, see links to more information http://www.haitiliteracy.org/get_involved. htm. There you will find this information:

- "Become a Work Team Member"
- Partners in Literacy Haiti (PILH) Work Team Travel Guidelines (pdf)

Jose "Chema" Argueta and Nathan Weller will talk about our Global Grant and current issues in El Salvador

NATHAN WELLER—Program and Policy Director, EcoViva: Nathan has been involved with rural development initiatives in Latin America for more than five years, specializing in local capacity building to solve environmental problems. He completed his Master's degree in International Environmental Policy at the Monterey Institute of International Studies, during which time he worked in the Bay of Jiquilisco with communities to integrate climate change adaptation measures into community-led conservation. Currently as EcoViva's Program and Policy Director, he works closely with local leadership in the Bay of Jiquilisco to formulate and enable management plans and protections in the internationally-recognized protected area. Nathan has also overseen forest management projects for the United States Forest Service, and has also directed wetland conservation on agriculture lands in Central California.

Due to the generosity of anonymous donors from the Pickens Rotary Club, we have the special opportunity to have two outstanding leaders who are immersed in the challenges of the rural countryside in El Salvador. We are excited not only of the timeliness of these leaders' visit with us, but also for the opportunity to recognize firsthand what our Rotary Foundation in concert with some of our lead Rotary Clubs are doing to transform these rural villages into places of self sufficiency and hope.— DG Tom Faulkner

JOSE "CHEMA" ARGUETA

- Fisheries Expert and Community Educator, Mangrove Association:

Heralding from a fishing family with deep ties to communities in the Bay of Jiquilisco, Chema has a vast local knowledge of fisheries issues and local livelihoods in El Salvador's largest coastal protected area. He garnered a scholarship through USAID to attend Mt. Hood Community College in Oregon, where he received an Associate's Degree in Natural Resource Management, and has been trained in El Salvador and Japan on fisheries management issues. Apart from managing the training and coordination of resource guards and establishment of best management practices Chema also manages coastal development projects in his community Isla Mendez. He also helps facilitate EcoViva's Community Empowerment Tours Program.

Club Eligibility for 2015-16 Rotary District Grants

Is your club planning to submit an application for a District Grant in the 2015-16 year? Do you need a primer in Rotary Foundation information? If so please make plans to attend Foundation training on Friday, November 7, 2014 at the TD Convention Center in Greenville.

PDG Gary Goforth will provide an update on district and global grants, and PDG Lorraine Angelino will provide some Foundation 101 training during both breakout sessions at 3 PM and 4:30 PM.

Based on foundation giving in the 2013-14 year, we have determined eligibility and the maximum grant amount for each club for 2015-16 district grants. Please carefully review the information for your club and come learn more about the district grant process.

District 7750 group tours Warm Springs

The historic roots of the fight to vanquish polio were explored on October 18 by a group of Rotarians from District 7750 led by District PolioPlus Chair Amelia Nelson and Roosevelt historian Kathryn Smith, both members of the Rotary Club of Greater Anderson.

The group visited Warm Springs, Georgia, where Franklin Delano Roosevelt established the Georgia Warm Springs Foundation for the rehabilitation of polio patients in 1926.

Their trip included visits to the

Polio Wall of Fame at Georgia Hall, the chapel, the grounds and then on to the Little White House and museum and the historic treatment pool.

The group had lunch at the Bulloch House, famous for its Southern cooking, saw the breathtaking overlook at FDR's favorite picnic spot, Dowdell's Knob on Pine Mountain, and concluded with ice cream at the Hotel Warm Springs.

"Many people do not know that FDR also established the March of Dimes, which funded the research that resulted in the first successful polio vaccines in 1955," said Kathryn. "Even if he were not known for his presidency, he would be known for this accomplishment."

Kathryn is writing the biography of FDR's personal secretary Missy LeHand, who helped him establish the treatment center at Warm Springs. It will be published by Touchstone Books, a division of Simon & Schuster, in 2016.

Powdersville Interact joins host Rotary club to bring miracle to special needs kids

These are members of the Powdersville Interact Club, sponsored by the Greenville Evening Rotary Club. The President is Justine Polomski, a senior, and the faculty sponsor is Libby Holliday, a social studies teacher (pictured far left). Many of the students attended the Miracle League softball day for special needs children in Mauldin with the Greenville Evening Club a few weeks ago and had a fun time. They are also working on a program at their school called English for Speakers of Other Languages where they learn about other cultures from students who attend English speaking schools and help students from those other countries learn about them. The Interactors are also holding a food drive in the coming months for the Piedmont Emergency Relief Center (PERC). And, they will be working with the Duck Derby in May. They also learned about the Rotary Youth Exchange Program and our district's water projects in Honduras. —DGN Lance Young, member of the Greenville Evening Rotary Club

Greenville East meets with its Interact Club

The Rotary Club of Greenville East met on Oct. 28 with the Interact Club at J.L. Mann Academy in Greenville, a club they have sponsored for several years. The Interact Club has several service projects scheduled this year.

Stephen Yacobi, president of the Rotary Club of Greenville East, talked to the Interact students about the value of Rotary and why he wanted to be and stays a member of the Rotary Club of Greenville East.

Chick-fil-A biscuits and juice provided to the Interactors by Greenville East Rotary was a crowdpleaser at the Oct. 28 meeting.

The Interact students were fascinated that Greenville East club member Vernon McCurry, who retired from IBM in 1986, is the grandfather of a friend of one of their teachers!

RCORH DAY OF REMEMBRANCE

Rock Hill Rotary "Day of Remembrance"

The Rotary Club of Rock Hill held a special public service recognizing local First Responders on September 11.

The musical highlight of this Rotary Day was the Presentation of the Colors by the Piedmont Medical Center EMS Honor Guard, including a bagpiper playing "Amazing Grace."

Paul Harris Fellow awards were presented to the Rock Hill Fire Department, Police Department, and EMS Chiefs, as well as the retired EMS Director. District Governor Tom Faulkner presented Paul Harris Fellows and Multiple Fellows to 10 Rock Hill Rotarians.

Ronnie Faulkner, who also serves as the Club Secretary, was recognized as a Major Donor to the Rotary Foundation. Faulkner is the first Major Donor in the history of our club, which was established in 1919. All together, there are now 38 Paul Harris Fellows in the Rock Hill Rotary Club. September 11, 2014

September 11, 2001 is a date that bonds all of us together in a most significant way. It was a time of traumatic events and losses which will forever be engraved in our hearts and minds. We must never forget, as well, the many heroes who stepped forth without a second thought.

The Congress of the United States has designated September 11th as Patriot Day and National Day of Service and Remembrance. The Rotary Club of Rock Hill also wants to honor our local First Responders for their service to the community.

The motto of Rotary International is "Service Above Self."

Get Ready for Brazil

Are you planning to attend the June 6-9, 2015 Rotary International Convention in São Paulo, Brazil? The discounted early registration fee expires on December 15. In addition to the convention, there are a number of fabulous events, just for Rotarians, planned for the convention. The photo at left shows one of those Rotarian-only events in Sydney. Please remember that you will also need a visa to enter Brazil. There are a number of companies that supply Visas. I have used Travisa, brazil.travisa.com, in the past. The total cost for a Visitor Visa will be somewhere around \$235. It generally takes 2-3 weeks to process a visa request.—PDG Becky Faulkner

Youth Exchange: Thank you and meet my district...

BY MORGEN CVETKO

I wouldn't be here today if it wasn't for Rotary. I'm forever in debt and grateful. I would surely not be here if it wasn't for Myles Golden. He helped me and mother with the application at the last second. Now Vicki... if you don't know Vicki, I suggest meeting her. She is one of the most amazing people I've ever met. She is fun, out-going, and just someone you like to be around. Vicki, thank you for everything you've done for me, and fun weekends in Charleston! [editor's note: Vicki Tatum is the Rotary Youth Exchange Chair for D7770 in the low country of South Carolina] Jack and Mary Newby, where to begin. I will never be able to thank you two enough. You have helped me so much through this process. I'm so thankful that you are in district 7750, because I don't think I would have made it this far without y'all. I know I can always count on you to be there for me. Thank you, thank you, thank you for everything.

Youth Exchange: The adventures of a first-ime flyer

I am Lizzie Hagen, and I am a Carolina Girl living in Comines, Belgium. I have been selected as a Rotary Youth Exchange Student from District 7750 to Rotary District 1620 in Belgium for 2014-2015.

It was almost exactly one year ago that I began investigating the Rotary Youth Exchange Program. It is absolutely astounding to me that I am in Belgium.

I would call the process of flying for the first time

painless at the airport. Though we requested from the travel agency to use the Charlotte airport, Atlanta gave us no trouble on Saturday morning. Both of my parents were able to wait with me at the gate until it was time to go, though I suspect my mother being completely decked out in pink warrior ribbons memorabilia had an influence.

This was the beginning of the Elizabeth-Trio in Belgium. It turns out I was not the only Elizabeth flying from Atlanta to Brussels. I met a Rotary Youth

Lizzie Hagen (center) sponsored by the Westminster Rotary Club meeting her new host family in Belgium.

her exchange in Spain. Both students were named Elizabeth! I am incredibly thankful for Belgian-Elizabeth and Tennessee-Elizabeth for guiding me through my first time

Exchange Student from Tennessee

going to Belgium with the Belgian student her family hosted. She was

going to stay with a Belgian family

for three weeks before beginning

through customs. We left for our various destinations after finding our respective families.

I am amazed at how small the world can be. I've met a Rotarian that has visited his brother in Greenville, South Carolina, and several that have visited Charleston, However, I am very thankful for the kindness of people like Natalie who take advantage of proximity in order to give me an experience I will never forget.

Membership Figures show us down a little, but we can keep up the momentum

Net membership for the district shows a plus 15, congratulations to those clubs that have shown an increase since the beginning of this

Rotary year. The information is taken from the Attendance Report in DaCdb, so if your club's

new member information is not current in this system, we cannot know if Babette Sabia new members Memberhip Chair have been added. bsabia@aol.com Among the

803-547-0280 clubs that have new members areClemson-Calhoun, E-club of the

Carolinas, Emerald City, Fort Mill, Greenville Breakfast, Greenwood, Indian Land,** Laurens, North Spartanburg, Rock Hill, Simpsonville, Spartanburg, Twin City of Batesburg-Leesville, Winnsboro and York. Many of these are up one member and several show net two.

**I mention Indian Land because it is my home club; therefore, I know we inducted three new members last month and received a transferee in from North Carolina. We also inducted two new members at the Governor's official visit.

It is important that new members get reported into DaCdb as quickly as possible. A suggestion for one way to help get them into the system is to put their data in when they have been proposed. Then, when they are approved and inducted, the Club Secretary need only change the status from "Proposed" to "Active."

Although Vocational Service month was last month, we are provided a perfect opportunity, regardless of theme for the month, to do some recruiting of folks in our community that may be overlooked as potential members. How many clubs have their Chief of Police as a member, or their Fire Chief, for example? An examination of the classifications of your club's members can help your Membership Committees to focus on approaching those classifications/vocations that are not yet members. A few more examples could be clergy, veterinarians, or other medical professionals. And, what about managers of local restaurants - whether they be family-owned or "chain" establishments?

You will be hearing more from the District Membership Committee in the future. We strive to help clubs with their membership goals, which in turn will help our District to grow. Also, there will be a Membership breakout at the upcoming Foundation event on November 7 - more details in other parts of this newsletter..

Let's continue the momentum begun in the last Rotary year and have an even greater percentage of new members.

Mark Your Calendars! for Conference 2015

The annual Rotary District 7750 conference will be May 1-3, 2015. The conference committee has been hard at work; and this is sure to be a great conference for the entire family. The Embassy Suites in Greenville, is a fabulous in-town resort with lots of amenities. Your suite cost (\$149 per night) includes both a daily cooked-to-order breakfast for the entire family and a nightly reception with complimentary snacks and drinks. You don't want to miss it! Mark your calendars now.

Why do we need to end polio?

No child anywhere in the world will have to suffer from this crippling disease.

Reaching all children with the polio vaccine leads the way to reaching them with other life-saving resources.

Until polio is stopped, children everywhere are at risk.

Achieving a polio-free world will prove what's possible when the global community comes together to improve children's lives.

The more you know...RLI is a good membership retention tool

BY IPDG LORRAINE ANGELINO

The number one thing a president, president-elect, or president-nominee can do to prepare for your year of leadership is to attend RLI as soon as possible. RLI will give you ideas on what you might want to do during your year as President. You will also learn more about Rotary, The Foundation, Membership, Leadership, Public Image, and Beyond the Club.

I think the best part is networking with other Rotarians and exchanging ideas. Are you new to Rotary? Do you want to learn more about Rotary? This program is a perfect way to get oriented with Rotary and network with other Rotarians.

Are you a graduate of Rotary Leadership Institute? Please let others in your club know about RLI and select at least two members from your club to send through all 3 sessions of RLI during 2014-2015 year.

Are you a Rotaract member? You are welcome to attend RLI. In fact, we have had several Rotaract members attend in the past.

Some ideas to think about when putting your RLI schedule together for this year. You may register for any classes offered by RLI 33 or any other RLI division. Some members from the District have attended RLI in Augusta, GA in the Sunshine division. If you want to attend RLI in Augusta, GA please let PDG George Fletcher (gfletcher@newcarolina.org) or PDG Lorraine Angelino (dg2013@rotary7750.org) know so we can get your class recorded.

You can only register for one class at a time. If you want to register for all three classes at once, contact George. Consider carpooling with other members in your club or a neighboring club. Carpooling is fun and you get to network and get to know each other. Several great projects were developed during the ride back from RLI.

Find out from your club Treasurer to see if your club will cover the cost for you to attend RLI. The cost is \$95 per class. Only one class can be taken per day. Come to RLI and have some FUN.

Time to think about RYLA 2015

BY JENNIFER ERWIN DISTRICT 7750 RYLA CHAIR JENNERWIN72@YAHOO.COM

I have heard from several clubs in our district regarding how many delegates they plan to send to RYLA in the summer of 2015. I'm already excited about the prospect of the new Rotaract club at Erskine College being involved in the activities of the week. We've had our delegates speak at the Abbeville Rotary Club and they sang a song they created there to help remember our 4-way test.

I encourage each of your clubs who had young people there last year to invite them to your club to speak to you about what they learned there and sing the song for you.

If you haven't already emailed me your club's intention to sponsor someone this year, please get that to me before November 30. I will be working on some plans for the participants and will need to order some items for them and would like to have a ballpark figure of how many to expect.

Expect great things from these students. We are making an impact in their lives and their futures! Thank you for all you and your clubs do to make a difference and show what "Service Above Self" really means.

Laurens Duck Race provides weekend food for 32 weeks to 40 children in need

The Laurens Rotary Club has been presenting the Rotary Duck Race fundraiser for more than 10 years. This year the benefactor was the Backpack program. The Rotarians pack 40 bags each week for 32 weeks. The packs are distributed to EB Morse Elementary School to be given to less fortunate children who need food for the weekend. The fundraiser had net proceeds in excess of \$6,500. The club receive matching funds from the District for this program. The balance of the proceeds will be allocated to support our current youth exchange student from Italy.

Enter your goals in Rotary Club Central

We need your club Foundation and Membership Goals submitted to Rotary Club Central (www.rotary.org to My Rotary)! Club with goals are much more likely to improve their membership and foundation statistics, so please take a few minutes and enter your club's goals for the 2014-15 year. If you need assistance in entering this information, contact District Foundation Chair DRFC Gary Goforth (dg2011@rotary7750.org), District membership Chair Babette Sabia, **bsabia@aol.com** or District Public Image Chair Lorraine Angelino, dg2013@ rotary7750.org.

Hear RI presidentelect Ravi Ravindran in Asheville

Our district Rotarians ares invited to a dinner on Wednesday night, Nov. 19, in Asheville, NC, where president-elect Ravi Ravindran will speak.

The dinner is organized in connection with the Zones 33-34 Institute that will start the next day and is a celebration of the 100th anniversary of Rotary in Western North Carolina.

It will be held at the Marriott Renaissance in Asheville beginning with a reception at 5:30 p.m; dinner at 7 p.m. The cost is \$40 per person.

Log in to the district database to register. If you are unable to do that, contact PDG George Fletcher at gfletcher@newcarolina.org for assistance.

Approximately 450 people are already registered.
