Ending the year on a high note

BY DG TOM FAULKNER

It is amazing to me that another wonderful Rotary year of service is about to come to a close. I have so many of you to thank for making this year a year of excitement, fun, and achievement.

Our Rotary District is richly blessed with Rotary Clubs that share unique cultures based on their location and the personalities of their members. However, there is one common theme throughout our District. Service Above Self is a motto that continues to inspire us all.

We are a proud international community service organization who are making major differences both in our local communities and throughout the world. We are on the verge of wiping polio off the face of the earth.

I hope that as many of you as possible can register and attend the District Governor Installation at the Thornblade Club in Greer, beginning at 6pm with a reception on Friday, June 26. It will not only be a time to celebrate the beginning of

Terry Weaver's year as District Governor. It will also be a time when your Assistant Governors and I have the opportunity to recognize the achievements of all of our Rotary Clubs in the areas of membership growth, foundation giving, club community activities, and public relations. All of you have contributed in various ways to make this District an exemplary and high achieving District. Please be sure to celebrate with us.

I am drawn to an important point that DGE Terry has continued to emphasize over the last six months. At the end of the day, Rotary International is first and foremost about service. Not service done due to some sense of obligation. Rather Service Above Self, a calling to see beyond our own self interest to the interests and challenges of both our local communities and to the developing world.

As I step down as your District Governor and do what I can to support Terry in the coming year, I hope to

5 steps to fixing performance problems

BY DISTRICT GOVERNOR ELECT TERRY WEAVER

As your club does an assessment of itself (highly recommended), you may find some shortfalls in the key performance areas of a Rotary club:

- Membership growth (our lifeblood)
- Growth in Rotary Foundation contributions (our financial support structure)
- Expansion and relevance of service projects (our core purpose)
- Sustainability of future leadership (our future)

What could you do about that?

1. Symptoms – Ask, “What’s getting in the way?” Just what’s keeping us from excelling at any one (or more) performance area(s)? Be sure you ask it that way – don’t ask more difficult questions like, “What’s the problem here?” or “What do we need to do about it?”
2. Root Cause Analysis – Toyota teaches us, “Ask WHY 5 times.” Don’t take the first thing that pops up in conversation. Probe that a little bit. Get some

data. Make data-driven decisions on the root cause of the performance problem

3. Intentional Strategies – Lay out an intentional, **complete** strategy for fixing the problem. Ask “If we really did that, all the way, would it likely solve our problem?”
4. The Goal – What would “good” look like? If we executed our intentional strategy, what could we expect to accomplish in 90 days? 6 months? By July 1?
5. The Dashboard – How will we track our progress, and report to the membership **every week** on how we’re doing?

If your club is serious about improving, take these 5 steps. You’ll be astonished at how your members respond. They want the club to be successful. They want someone figuring out where and why it’s not. They want someone charting a course for improvement.

Give this a try. Take a serious shot at determining what needs fixing in your Rotary club. Take a serious shot at getting that fixed. You will be remembered for the outcome.

Next month—Data-Based Decision Making

Tom’s column— continued from page 1

continue to preach how important growing a culture of service can be to South Carolina. Whatever our political persuasion, whatever our faith, whatever our profession, we need to bring together members of service clubs, churches, and community organizations and make our cities, counties and towns models of community service that can not only impact our state, but also can set an example for other communities to follow.

Christian Smith and Hilary Davidson, two sociologists from the University of Notre Dame, recently wrote a book entitled *The Paradox of Generosity*. The book summarizes findings of a large scale study of American practices of generosity. Shockingly, only 2.7% of Americans give 10% or more of their income to charity. Eighty-six percent give less than 2% of their income to charity. This reluctance to give stands in sharp contrast to the rest of the study’s findings. Generous Americans are happier. They live longer. They experience less stress. Thankfully, Rotary can be an important part of this culture of generosity that rewards not only those who serve, but also gifts the communities they serve with sensitivity, compassion, and hope.

Remember: Rotary stands for fun, fellowship, networking and service. I hope whenever you hear the song “Celebrate” by Kool and the Gang, you will remember this wonderful Rotary year we have had together and continue to strive with me to build a world of peace and hope.

WESTMINSTER SCHOLARSHIPS

Peggy Moore, past president of the Rotary Club of Westminster, relates the history of the Dewey Bowen Scholarship Fund established by her late Rotarian father Dewey Bowen (pictured), to help students from the West-Oak area further their education. Dewey grew up as a poor farmer in the area, worked very hard to become successful, and then gave back to the community through Rotary. See the next page for more information about the scholarships awarded in Westminster.

At banquet sponsored by Westminster and Fair Play Rotary Clubs

40 students inducted into Interact; Scholars and Youth Exchange students recognized

BY JACK NEWBY, DISTRICT YOUTH EXCHANGE CHAIR

Interact, Rotary Scholars, and Youth Exchange were the focus of a banquet held May 7 at a packed church fellowship hall. The Rotary clubs of Westminster and Fair Play sponsored the event.

Forty students who were completing their freshman year were inducted into the West-Oak Interact Club (sponsored by Westminster and Fair Play Rotary clubs); numerous scholars were recognized, and a youth exchange student from Belgium spoke briefly about his year living in Westminster.

Keynote speaker for the night was Mark Davis, who grew up in a family of local beef cattle farmers & educators in Westminster & Oakway communities. He is a West-Oak High School graduate, where he was president of the Interact Club and Student Body President.

Mark is also a former Rotary Ambassadorial Scholar and GSE team member. He is a past member of the Rotary Club of Greenville East, and a club in Singapore, where he has worked for the past eight years.

Mark urged the Rotary Scholars (the top 3 students from grades 6-12) and the students being inducted into Interact to seek out local Rotarians to help them achieve their goals in life. He credited PDG Sue Poss and Rotarian Fred Stutsman (deceased) with opening up international opportunities for him that greatly impacted his life. He urged these top students to pursue the many scholarships and fellowships available through Rotary. He highlighted Rotary's Youth Programs including RYLA, Youth Exchange, and Interact as being some of the ways to become involved in Rotary.

SPARTANBURG AWARDS \$30,000 TO 10 ORGANIZATIONS FOR "YOUTH AT RISK" PROGRAMS

Rotary
SPARTANBURG

Each year, Spartanburg Rotary Club ask for grant proposals for youth at risk projects. Each nonprofit organization is asked to present not only the scope of project, but a detailed analysis of the organization. This year, a committee of Spartanburg Rotary members reviewed proposals from 14 organizations. The club succeeded in funding 71% of the requests with \$30,000. The club's goal is to fund worthy projects by nonprofits that show the most potential for impacting Spartanburg youth at risk. Pictured above are representatives of the recipient organizations. Below is a chart showing which organizations were funded and how the funds will be used.

BY JENNIFER ERWIN,
7750 RYLA CHAIR

I'm Happy to report this year we have the largest group of delegates we have had in several years.

Thank you to all of you who have sponsored delegates.

Please know that your contribution to these young men & women's lives is much more than the money your club used to send them.

Looking forward to meeting those of you who said you'd join us that Thursday, June 11, for lunch.

Mark Peeler, on the staff of Erskine College, is our RYLA coordinator.

POWERSVILLE INTERACT HELPS WITH HONDURAS WATER PROJECT

The Powersville High School Interact Club presented a check to DGN Lance Young (far right) for a future Honduras Water Project. President Justine lead the students in raising the money at a fundraiser in April and were super thrilled to present a check for \$247 to help out. The faculty sponsor is Libby Holliday (far left) who has done an outstanding job this year. The Interact Club is sponsored by the Greenville Evening Club. The students also helped out with the Duck Derby in May. This is one of their highlights in the spring.

Each year, the Spartan West Rotary Club selects four Dorman High School students who have excelled in their studies to receive scholarship recipients. Pictured at the students selected this year. Lindsley and Ny'Asia are active Interact members and Brandon and Logan are former members.

2015 Duck Derby: 7100 ducks float down the Reedy River

BY WENDY GREEN, ROTARY CLUB OF GREENVILLE EVENING

The members of the Rotary Club of Greenville Evening were able to attend some of the District Conference activities, but on Saturday morning, May 2, many of them were in Falls Park in downtown Greenville before the sun came up.

Ninety-five percent of the members worked the Reedy River Duck Derby event, and all of our new members were there.

The final numbers are not in yet, but I can tell you this much.

- There were more than 7100 ducks that went down the falls. That means over 7100 duck adoptions.
- We had 16 Duck Adoption Teams

(DATs) this year including the Powdersville High School Interact Club, the Early Act First Knight (EAFK) Service Clubs from Powdersville Middle School and Cashion Elementary School, the Greenville Rotaract Club and three Rotary Clubs (Greenville, Mauldin and Greenville East). We are grateful for all the support of our DATs.

- The Duck Adoption Teams were responsible for 2047 adoptions. The teams earned money for their

organizations with each adoption for which they were credited.

The day was filled with excitement, music, dancing, hula-hooping and of course the duck race. We had some great entertainment from The Flying Saucers, the Powdersville Middle School Jazz Band, vocalist Rachel Barker and Kelly Jo and Buffalo.

Diane Lee and Jamarcus Gaston, from WSPA, shared the Master of Ceremony duties from the Main Stage. Gordon Dill and Laura Thomas, also from WSPA, called the race and announced the prize winners.

Thanks to all of you who "quacked" with us!

Union club recognizes students at Rotary Scholar Day

Many wonderful students from Union County High School and Union County Day School were recognized at Rotary Scholar Day on May 12 at the Union Rotary Club. Rotarian Robbie Littlejohn welcomed Ronnie and Linda Lybrand to the club. Linda spoke to the students about the importance of education and following dreams. Linda's husband, Ronnie, performed the National Anthem.

Scott Coffer, Investigator at the Union County Sheriff's Office, discussed crime prevention and the importance of knowing your surroundings, being cautious, and staying safe. Pictured are club president Lewis Jeter, Scott, and Rotarian Tal Wilkins.

Carrol Caldwell, pastor at Padgett's Creek Baptist Church in Union, has been a member of the Shrine Club and the Masons for many years. He is extremely passionate about the assistance they give to the Shriner's Hospital. During the month of April, 65 children from Union County received services at the Shriners Hospital in Greenville. Since 1922 over 1 million children have received services from Shriners Hospital in the country. It costs an average of \$23 million dollars per year to operate the Shriners Hospital in Greenville. Carroll is shown with Rotarian Neil Howell.

ABBEVILLE INTERACT AND SPECIAL OLYMPICS

Abbeville High School Interact club organized and operated Abbeville's first Special Olympics event and it was a HUGE success. The kids and their sponsors did this all by themselves and to see them with the athletes was awesome. There were 14 participants and it was held on the Abbeville High School football field. There were several competitions and these are the pictures of the winners and their 'buddies'. Thank you so much!—Jennifer Ervin, Abbeville Rotary Club

eClub of Carolinas meets with eClub of the Caribbean

The Rotary eClub of the Carolinas and the Rotary eClub of the Caribbean held their first joint meeting on Saturday, May 23. In attendance were presidents Patrick Stewart (Carolinas) & Amarylis Davila (Caribbean), and five PDGs; Gary Goforth from Fort Myers, FL, D7750; Lorraine Angelino from Greenwood, D7750; Bill Boyd from Costa Rica, D7750; Diana White, St. Thomas, Virgin Islands, D7020, Art MacQueen from Daytona Beach, D6970; and Marcy Ullum from Miami, D6990. Haresh L. Ramchandani from Jamaica, the DGN for D7020, also participated.

In total 23 Rotarians from Ethiopia, United Kingdom, Canada, Costa Rica, Barbados, Jamaica, St. Croix, St. Thomas, St. John, California, Florida, and South Carolina participated in the meeting. Individual breakout sessions were held to discuss Rotary related topics and a final discussion was held to summarize the results. Excellent discussions were held, new friends made, and Rotarian John (from St. John) was even able to smoke a cigar during the meeting with no complaints from any of the attendees! All concerned felt that this was an excellent way to extend the reach of a Rotary club, and it is expected that this type of meeting will become much more common in the future. The Rotary eClub of the Carolinas can be found at <http://www.rotaryclubcarolinas.org/> for makeups or fellowship.

Register NOW for D-7750 Awards & Installation Banquet

Make your plans now to attend the D-7750 Awards & Installation Gala at the Thornblade Club on June 26. Go to www.Rotary7750.org/ Register, log in, and scroll down the calendar to the event.

This event is both a celebration of D-7750 club accomplishments for 2014-2015, and the kickoff of the 2015-2016 Rotary year.

Your club may expect to receive some awards in recognition of its accomplishments this Rotary year, and you'll want to be on hand for that, as well as installation of club Presidents, Officers, Committee Chairs and Board members.

See you at the Gala!

Partners in Literacy Haiti

Cange Library | Bibliothèque de Cange

Our Rotary library in Cange set up temporary shop in Canaan during an Artisan Festival May 18, Haitian Flag Day. Canaan is near the Partners in Health External clinic in the Cange Complex.

Marie Flore organized this event with the Committee of Culture for the Complexe de Cange which she leads. The event was called "Foire Touristique," when for two days people from all over the Central Plateau came to buy arts, local foods, and to know more about our tourist sites.

The idea to outreach the library came from Marie. It was an occasion to show the library to others in the central plateau. For the first time I saw parents come with children and decide to read together. We received readers all day long. I think next year this activity will be so great if we find sponsors to support it. The population appreciated the activity.

Children in Thai slum enjoy treats, thanks to eClub project

Restart Life, a Rotary project sponsored through Rotary eClub of the Carolinas, organized a treat for the Cambodian kids living in the slum area construction sites located in Pattaya, Thailand.

The kids got pizza, ice cream, cold drinks and bags with goodies to take home. These gifts were sponsored by the staff and friends from Flipinvert, a Thailand investment company.

A local environmental hero from Hawaii, Gerry "Koto" Rasmus had introduced Restart Life to the most needy children.

After seeing the living conditions of the kids in Green Pattaya, a Rotary project has been scheduled to a general cleaning in the next few weeks. The event will be coordinated with Pattaya Animal Coalition who will vaccinate the dogs and animals in the camp.

Thank you from outgoing district Foundation Chair Gary Goforth

BY GARY GOFORTH, E-CLUB OF THE CAROLINAS

I have enjoyed serving as your District Rotary Foundation Chair (DRFC) since July 2012 and appreciate everyone's support of our district and The Rotary Foundation. We have done very well during the transition to the new Foundation model, and I am very pleased that we have been able to make this transition smoothly. We have had every district and global grant approved to date.

Our clubs have developed fantastic district grant projects to benefit their local and international communities. We have allocated the maximum 50% of our District Designated Funds (DDF) for district grants (approximately \$70,000 annually) so that more clubs could participate and larger projects could be funded.

Our Global Grants have been utilized to make a huge impact in Haiti, Honduras, and El Salvador with water/sanitation and agricultural projects. We expect to continue sponsoring global grants to these communities well-known to our district Rotarians and to work on some new global grant projects in Guatemala.

Please support your new DRFC, PDG Lorraine Angelino, as she continues to bring her passion for The Rotary Foundation to our district and four districts in Zone 33 as our Assistant Regional Rotary Foundation Chair (AARFC) beginning in July 2015.

While we should strive to meet DGE Terry Weaver and Zone 33 Foundation goals, remember that we should ultimately donate generously to our foundation to support the thousands of less fortunate people in our world. I have led over 50 medical mission teams throughout the world over the past 20 years, and most team members tell me that the rewards of giving are far more than what was given. Let's continue to do good in the world through our Rotary Foundation!

ZONE 33 PUBLIC IMAGE CITATION FOR ROTARY CLUBS

It's not too late to earn the Public Image citation

**BY PDG LORRAINE ANGELINO
DISTRICT PUBLIC IMAGE CHAIR**

It's not too late to earn the Zone 33 Public Image Citation. Complete the three required activities below and two of the optional ones. Notify PDG Sue Poss, the Zone 33 Rotary Public Image Coordinator, by July 15 that you have met the requirements. Email: pdgsueposs@gmail.com.

REQUIRED ACTIVITIES (MUST COMPLETE ALL THREE ACTIVITIES):

1. Organize a Rotary Day event that results in significant media coverage that engages your members and offers the opportunity to promote your club and The Rotary Foundation. Submit a report of your event with examples of media coverage to your District Public Image Chair.
2. Develop a club Public Relations plan and submit it to your District Public Image Chair.
3. Define your club's signature activity (the one you'd like your club to be known for in the community) and promote it to the public.

ADDITIONAL ACTIVITIES (MUST COMPLETE AT LEAST TWO ACTIVITIES):

1. Gain media coverage of an action oriented service project or fundraiser.
2. Establish a club website, or enhance your club's existing site, using the current Voice and Visual Identity Guidelines.
3. Start or update an electronic club newsletter, using the current Voice and Visual Identity Guidelines. Publicize it to non-Rotarians and the local media.
4. Use social networking to publicize your club's activities, enhance Public Image and recruit prospective members.
5. Hold at least one fellowship, networking or collaborative event that is open to the public. Use the opportunity to introduce non-Rotarians to Rotary.
6. Have at least one media person as a member of your club.
7. Post at least one project in Rotary Showcase.

Download a copy of the Citation.

Emerald City awards the 2015 Vegetable Grower of the Year

The Emerald City Rotary club had breakfast at the Greenwood Farmer's Market with local growers. This is an annual event that is very special for both groups.

The best part of the meeting is presenting the Vegetable Grower of the Year Award. This year the award went to Ellis "Bo" Parks. Parks has been a regular farmer at the Greenwood Farmer's Market for 6 years. He grew up on a farm in Saluda County, south of Ninety Six and still makes his home on family land on Highway 178, six miles south of Epworth with his wife Faye.

Having gardened and farmed growing up it was only natural when he retired that he increased his gardening efforts into crops for others at the Greenwood Farmer's market. He grows a variety of vegetables including several types of beans, okra, squash, tomato, and peppers. He has a productive vineyard of Muscatine grapes too.

Parks' favorite crop has to be his family heirloom watermelons that have been passed down through his family for generations. The melon seeds originally came from Georgia when his grandparents moved to Saluda. Each year he saves seeds for his next crop of delicious watermelons for the next year.

Congratulations Bo Parker for being selected as the 2015 Vegetable Grower of the Year Award.

End Polio Now — Being tacky raised \$644 for polio

BY AMELIA NELSON, DISTRICT POLIO CHAIR

What a way to start the District Conference. Luau night and Tacky Hawaiian Shirt contest at the District Conference was a hilarious success.

Jeff Updike from Fort Mill Rotary started the fun at the registration desk and PDG Gary Goforth of the Eclub just had to compete. I joined in as well. Then DG Tom Faulkner had the grand idea to challenge women to dance with him and urged Mary

Ann McBride of Greater Anderson Rotary Club to challenge the men to dance with her. Of course their dance challenge included a donation to the Polio contest. So to give them all competition, Ronnie Ferguson, guest of Karen Culley from Pickens Rotary Club, joined the contest.

Well, I guess being first to sign up paid off as Jeff won the contest by raising \$196. PDG Gary was not far

behind with \$177.

Thank you all for being good sports — having fun —and raising a total of \$644 for End Polio Now. District 7750 is Lighting Up Rotary. Thank you, PDG Becky Faulkner and committee for coming up with this contest idea.

Dancing with heroes brings in \$109,000 for eight charities

BY JUSTIN SHORE

Dancing for Our Heroes is an annual event sponsored by the Rotary Club of Greater Anderson. This year marked the ninth year and included the participation of eight local charities: Anderson Free Clinic, Anderson Interfaith Ministries, Cancer Association of Anderson, Foothills Alliance, Friends of the Anderson County Museum, Meals on Wheels of Anderson, Shalom House Ministries, and the United Way of Anderson County.

Dancing for Our Heroes IX was headed up by Jeanie Campbell, along with her committee members Theresa O'Rourke Taylor and Justin Shore.

This year, through our wonderful sponsors and hard work of the dancers' fundraising, the event brought in more than \$109,000. Each charity keeps the fundraising amounts collected by their dancers, and then the net proceeds from the event (including sponsorships and ticket sales) are divided equally among the participating charities.

On May 28, each charity attended our Rotary club meeting and received their portions of the proceeds from the event.

Next year's Dancing for Our Heroes will take place on April 15, 2016.

These are three upper class members of the Interact Club of West-Oak: Hannah Williams, Taylor Kirby, and Megan Williams. They helped serve the food to 200 students and parents who attended the induction of 40 new Interact members and the presentation of scholarships to numerous students. (Related article on page 3)

**CLEMSON HEARS ABOUT INNOVATION CENTER**

Charles Watt was a recent guest speaker at the Clemson Rotary Club. He talked about The Watt Family Innovation Center that is being built on the Clemson University campus. This \$54 million dollar building will be an intellectual building that uses advanced interactive visualization systems and virtual connectivity as learning tools to inspire students and faculty. The Center will encourage Clemson and selected partners to expedite the transition of students' ideas and concepts to the marketplace. For more information about the Watt Family Innovation Center, visit www.clemson.edu/watt.

Tim Wayman, Rotary Scholar and West-Oak High School Interact member, receives his award from West-Oak principal Kurt Kreuzeberger. Related article page 3.
