THAT'S A LOT OF DICTIONARIES!

For the past 18 years, the Rotary Club of Pickens has distributed dictionaries to every third grader in the elementary schools in Pickens. The club believes that every child needs a dictionary of their own to serve them at least through elementary and middle school. As children learn writing and dictionary skills in the 3rd grade, this is a perfect opportunity to give students something both personal and useful.

In September 2015, Pickens Rotarians personally delivered 240 dictionaries to 3rd graders at A.R. Lewis, Ambler, Hagood, Holly Springs and Pickens Elementary Schools. It was a positive experience for the children to meet civic-minded adults who care about their education.

They were also excited to receive their very own dictionaries. Upon receiving his dictionary at Holly Springs Elementary, one 3rd grade boy's eyes opened wide and he happily remarked, "My brother got one last year, and now I get one!" What a great legacy for Rotary!

Pictured is Nath Briley, president of the Pickens Rotary Club with third graders at Holly Springs Elementary.

As Andy Capp once said, “It’s doing a little less than average that keeps the average within reach.” Or, as Lewis Grizzard wrote, “Shoot low, boys, they’re riding Shetland Ponies”.

ways to entrench the STATUS QUO

BY DG TERRY WEAVER

There are countless impediments to organizational change and progress, not the least of which are the usually well-meaning “Elder Naysayers.” These are folks who have a vested interest in maintaining the status quo for any of several reasons. First, it’s familiar, comfortable and non-threatening. Second, they understand it. Third, they may fully believe it’s in the organization’s best interest.

Here are 7 classic statements that should activate your “**STATUS QUO RADAR**” and alert you that a few more questions are in order:

We’ve never done it that way before.

We’re not ready for that.

We’re doing all right just as we are.

We tried that one before.

We don’t have the money or manpower to do that.

That’s not really our job.

Something like that can’t work.

How do you get around these “**CONVERSATION STOPPERS**”? Ask some probing questions to get to the real facts, like:

So, why do you think that is (was)?

What do you think happened (or would happen)?

Are we really satisfied with the way things are right now?

What got (or is getting) in the way?

Rather than start a debate, you’re getting a conversation started where hopefully others will take your lead and seriously question the naysayer’s assumptions. It’s usually assumptions that lead to these defenses of the status quo— mostly the assumption that the future will be pretty much like the past. That’s a good assumption if we keep doing the things we’ve always done. Without doing something differently, you can assume you’ll get more of the same results you’ve always gotten.

Let’s do better than status quo.

Be a Gift to the Rotary Foundation

BY DG TERRY WEAVER

The Rotary Foundation is the charity of choice for Pam and me. Why? I like the way the Foundation does business. First, nothing happens with Rotary Foundation funds until a Rotarian and a Rotary Club say, “We have a problem here, we have a solution, and we need some financial help.” We don’t send money to foreign governments. We don’t send money to political or religious causes. We work only through Rotarians and Rotary clubs.

Now, if you’ve gotten to know Rotarians from other clubs, you’ve realized that they have pretty good judgment about what’s needed and what will work in their communities, just like your club does.

That’s why the Foundation returns money every year to the District so we can provide grants to D-7750 clubs with worthy project proposals. This year we granted over \$75,000 to 40 projects within D-7750

The same is true for Global Grants, which are available for our District to direct to other parts of the world, matched 2 to 1 by The Rotary Foundation. Our District makes Global Grants only to Rotary projects where we have a relationship with the local Rotary club. These Rotarians also have pretty good judgment about where the needs are in their communities, so we have no concerns about appropriateness or sustainability of the proposed solutions. They have a vested interest in making sure Global Grant funds are used in the most productive ways possible.

Please consider The Rotary Foundation in your year-end giving plans. You can contribute by check, by credit card through Rotary Direct, or with appreciated securities. Consider the Foundation also in your estate plans, as a Benefactor at an estate pledge of \$1,000 or more, or become a Bequest Society Member at \$10,000 or more.

The Governor’s 10+1 Challenge is still open. For each 10 new members of the Paul Harris Society (\$1,000/year pledge to the Foundation), I’ll kick in \$1,000 of my own money. I’m hoping The Rotary Foundation becomes your charity of choice, as well.

ALL CLUB CONFERENCE FOR DISTRICT 7750
APRIL 22-24, 2016 | GREENVILLE HYATT

PREPARE FOR ALL CLUB CONFERENCE

The event formerly known as District Conference has been redesigned, refocused and rebranded. Going forward, this event will be known as:

All Club Conference for District 7750 Rotarians

The Club Preparation Guide is an overview of how your club can start now getting ready for the All Club Conference, April 22-24, 2016. Step 1 is to identify your club's Conference Advocate. Then, take lots of photos and videos of club activities and projects so you can showcase your club's accomplishments in Rotary Showcase.

These conferences are the main way Rotarians and spouses alike "get" just what a big deal Rotary is.

This event will be both a meaningful Rotary experience and a meaningful life experience for members, spouses and guests

We'll have nationally-known speakers and breakout sessions on topics such as work/life balance, getting more personally out of your Rotary investment, transitioning from success to significance in your life, and how to visualize, set and achieve your life's goals. And, of course, how to help your club be more successful in community awareness, service projects, fundraising and more.

How I realized WHY my husband was addicted to Rotary

BY NANCY STRANGE, GREENVILLE

After we retired from the Army and moved back home to Greenville, Bert joined the Rotary Club of Greenville in November 2002. It didn't take long for Bert to become VERY involved with International Projects Committee work, Roper Mountain Holiday Lights, and service on the Board. Clearly he was excited about Rotary, but I really didn't "get it." I thought it was another excuse for avoiding the "honey-do list" waiting at home.

Then we went to the District Conference held in Augusta in 2006. The light came on! Hearing the top quality speakers talk about all that Rotary does—not just in Greenville, but across the District and around the world – helped me realize why Bert was addicted to Rotary. Since then Bert has gone on to lead the District's 2007 Group Study Exchange team to the Canary Islands and to become President of the Rotary Club of Greenville in 2011-12, and I have become a supportive spouse with a genuine appreciation for all Rotary stands for.

tips to manage your club's

public image

BY BRAD MAJORS | DISTRICT 7750 PUBLIC IMAGE CHAIR | BPMAJORS@GMAIL.COM

The Public Image of your Rotary Club is important for two reasons:

1 It will help you grow membership.

2 It will help you grow financial support for your club and the Rotary Foundation (because you grew membership).

Keep this in mind about managing your Rotary Club's public image: do a few things, do them well and do them consistently. Your club will grow in membership and financial support and be an even greater force for good in your community and the world.

Let me know if the PI Committee can be of service to you.

1 First, you must have a PI Chair, someone who will take responsibility for organizing this effort. Keep in mind, the PI Chair cannot do all of the work. Public image is everyone's business.

2 Have EVERYONE in the club take a picture of the speaker at your next meeting and post it on their personal Facebook page. I do not mean on the club's Facebook page but on the member's own personal page. Think about the reach of those many posts if everyone were to post just once each week to their FB page! Try it.

3 Use LinkedIn to review people's volunteer interests. LinkedIn recently added a section for people to list their community service interests. What a great way to find future Rotarians. Be sure to update your LinkedIn page with your Rotary activities, too.

4 Be sure your club is using the new Rotary logo. The old "wheel" alone is dead. So is the secret handshake. The new logo has the name Rotary right next to the wheel so non-Rotarians can better understand who we are. The new logo is available at <https://brandcenter.rotary.org>

5 Keep your club's Facebook page up to date. That is where some folks might go to learn more about your club. When you post pictures of your club speakers on your personal page, also post them on your club's page. If you have a club website, be sure that is also up to date with your meeting time, etc.

6 Don't forget about having a club brochure. In this day and age of electronic media, having a club brochure is still a good idea so you can put something tangible in a visitor's hands.

WHERE? TD CONVENTION CENTER, GREENVILLE, SC

WHEN? FRIDAY, NOVEMBER 6, 2015

3:30 pm — Seminars on

- Membership
- Rotary Foundation
- Club Public Image & Branding

6:00 pm — Reception

6:45 pm — Dinner and Program

Program: Club Recognition and Awards for 2014-2015 Rotary Foundation support, recognition of new Major Donors, Paul Harris Fellows, Paul Harris Society Members, Benefactors and Bequest Society Members. Update on the Governor's 10+1 Challenge and Polio Eradication.

Register Now This event is a great opportunity for you to engage with Rotarians outside your own club. There will be an upbeat and inspirational message from Mike McGovern, International Polio-Plus chair, celebrating more than 1 year since the last case of live polio virus in Nigeria.

Can't attend? Use the [Register Now](#) link to buy a "virtual meal" — a \$40 contribution to PolioPlus (provides 66 polio vaccinations), using the money you saved by not attending. Many of those attending are also buying a "Virtual Meal" in addition to their own.

Rotarians and spouses, join us for an interesting and inspirational evening. This event will expand Rotarians' understanding of how the Rotary Foundation helps us Be a Gift to the World.

Keynote Speaker: Rotary Foundation Trustee Mike McGovern, a past RI vice president and director, Permanent Fund National Advisor, and recipient of one of the Foundation's highest honors, the Citation for Meritorious Service.

Lance in training

DGE Lance Young, center, was one of 29 District Governors Elect who received training at the Zones 33-34 Leadership Seminar held in Miramar Beach, Florida, Oct. 21-23, just prior to the annual Zone Institute for past district governors. DG Terry Weaver and DGN Ed Irick participated in training as well. PDGs who attended the institute included Barbara Shayeb-Helou, Rich Waugh, Becky Faulkner, Tom Faulkner, Lorraine Angelino, George Fletcher, and Sue Poss.

The Golden Corner Rotary Club of Seneca board met with DG Terry Weaver, District Administrator Pam Weaver, both of Greenville and Assistant District Governor Steve Bahan of the Seneca Rotary Club. The board formulated plans for membership and community projects.

Seated, from left, are Pam Weaver, Terry Weaver and Cammie Kaiser, Golden Corner secretary.

Standing, from left, are Wayne Frady, past president, Golden Corner; Steve Bahan, Jon Adams, president-elect, Golden Corner; Eddie Perry, Golden Corner president; Vic Holley, past president, Golden Corner; Don Lesley, immediate president-elect, Golden Corner and David Williams, past president, Golden Corner.

Pictured, from left, are Wayne Frady, past president, Golden Corner Rotary Club, Pam Weaver, Terry Weaver and Eddie Perry, president of the Golden Corner Rotary Club.

Rotary Youth Leadership Awards (RYLA) graduates Anna Ludlow and Britton Taylor were the guest speakers at the Greenville Evening Club in October. Greenville Evening sponsored these students to attend this program that teaches leadership fundamentals and ethics, communication skills, problem-solving and conflict management and community and global citizenship.

The Interact Club at Clover High School will host the first stop of Rollin' with Rotary in D7750 on Thursday, Nov. 12, around 4 p.m. Club members will meet the Rollin' crew at the local food pantry, where they will be making preparations to bring in and stock canned goods collected by the Boy Scouts. If you're in the area, join the team at the Clover Area Assistance Center, located at 1130 State Hwy 55 E, Clover, from 3:45-5:45. Zone 33 Rotary Coordinator Paula Matthews and Rotary Public Image Coordinator Sue Poss are coordinating this Rollin' with Rotary trip.

Rotarian State Rep. Mike Anthony spoke to the club about the importance of money needing to go back in to our community, our roads, and the ethic code.

Tamara Young introduced Melanie Holcombe to the club. Melanie, Founders Insurance Agent, spoke about the various insurance services that Founders offers.

Rotarian Kristi Woodall and guest Cindy Langley, director of Union County Adult Education, spoke to the club about the five year accreditation, school district goals, and how they measure objectives.

Rotarian John Baarcke welcomed Gerald Moore and Terry Cotney to the club. Terry is the director of 'Freedom and Hope Foundation – Honoring Fallen Heroes' based out of Prosperity, SC. The Foundation is a non-profit benefiting wounded warriors and children with life-threatening diseases. It provides hunting and fishing activities as recreational therapy. The Foundation was part of an Emmy winning report featured on WIS News 10.

We had a special presentation from the Rotary District Governor (Dist 7750) Terry Weaver about the All Club Conference, water projects, and the new Rotary International theme. Rotary International President K.R. Ravindran came up with the new RI Theme: "Be A Gift To The World". One of Rotary's gifts to the world is the "End Polio Now" program. When it was started in 1985, there were 350,000+ cases of polio each year. As of 2015, over 10 million people have avoided getting polio with the help from Rotarians and the "End Polio Now" program. (Pictured: Rotary President Ben Loftis, District Administrator Pam Weaver, District Governor Terry Weaver, Assistant District Governor Buddy Smith)

New Rotarian President Torance Inman presents outgoing Rotarian President Ben Loftis with a clock for his service in the Union Rotary Club. Ben accepted a position as director at the Cherokee County Public Library. The club joins together in wishing him success in all of his future endeavors!

Jazz on the Alley in Seneca

Interact Club students from Seneca High School were recognized during Rotary Day at Jazz on the Alley in Seneca. Seneca Rotary Club president Debbie DuBose and Golden Corner Rotary Club president Eddie Perry, center, join some of the more than 50 Interact Club students from Seneca High who were recently recognized at Jazz on the Alley in Seneca.

Litter-free game night in Powdersville

The Powdersville High School Interact club completed a litter free game project on Friday night, October 16, at their home football game. This project was sponsored by Palmetto Pride which provided t-shirts, banners, gloves and trash bags to conduct the clean-up. The club will also receive a \$250 grant for its effort. It was quite effective and the students did a great job. Ann Ludlow is club president and the high school advisors are Libby Holliday and David Bryant.

A sincere thank you and a challenge for the future

FROM PDG TOM FAULKNER

Now that we have the final numbers for membership and Foundation giving for 2014-15, I want to thank you all for continuing to strive to be the best Rotary District you can be.

You cannot imagine what an honor it is to have served as your District Governor. The memories Becky and I carry with us about our 2014-15 year together will definitely last us for our lifetime. I look forward to seeing you at the Foundation Banquet on November 6 as we celebrate our Foundation achievements and continue to move toward a record year of membership increases and Foundation giving during DG Terry's year.

You will continue to hear this year that membership growth in our District is a critically important emphasis for all clubs, but particularly for clubs that are less than 25 members. DG Terry reminds us that historically the long term future of our smaller clubs that do not break out and grow is very bleak.

MEMBERSHIP

So how did we do with membership growth during the past Rotary year? We set a goal to exceed the membership standard of 2,634 at 2013-14 year end by 100 members. Not only did we not make that goal, but we actually lost 4 members!

Do not lose heart. As you can see from the last five years of membership stats below, this record is the best membership record in the last 12 years other than 2013-14! Con-

gratulations on continuing to move toward reversing the trend of losing effectively a Rotary Club a year. I know intimately how hard many of our clubs worked last year to increase their membership and I particularly want to thank all of the clubs that more than broke even for 2014-15.

Membership growth will continue to be one of our most challenging tasks going forward. Nevertheless, never forget that if your Rotary Club is not mission-driven, you will not succeed in growing your club, much less maintain your present membership level. Make sure that your community recognizes your club as contributing in at least one major way to the community's betterment. Service Above Self is more than an ideal. Its practice ultimately is the primary reason Rotary flourishes.

FOUNDATION

As for Rotary Foundation giving, the combined club goal for the Annual Program Fund was \$319,995. We exceeded this goal, raising \$331,818.10. The table below illustrates how we compared in our giving to each of the last five Rotary years:

What an achievement. The only year that exceeded our Polio Plus total giving was my dear wife's year as District Governor 2010-11. I now must go to my grave ultimately defeated by PDG Becky and her team. Don't despair. We can certainly claim second place in Polio Plus giving over

the period.

Special thanks to our Polio Plus Chair, Greater Anderson Rotary's Amelia Nelson, for an incredible campaign with major support from PDG Barbara Shayeb-Helou. Note that we almost reached 2013-14's record Annual Program Fund (APF) giving and total Rotary Foundation giving, establishing 2014-2015 as the second most successful Rotary Foundation campaign ever for District 7750. We also had a record four Rotary Clubs that became 100% PHF clubs: Batesburg-Leesville, E-Club of the Carolinas, Laurens, and Pleasantburg, our Club of the Year.

Special thanks to our former Foundation Chair Gary Goforth for his consistent and dedicated leadership over the last three years. Congratulations to all our participating Rotarians for your generosity, your caring, and your concern. Remember that it is our Rotary Foundation that makes it possible to serve our communities and the world in unique, grassroots-based ways. Let's continue to break records of Foundation giving in 2015-16 as we approach the 100th anniversary of the Rotary Foundation in 2017.

And don't forget—the core characteristics of a strong Rotary club are fun, fellowship, networking, and service. Continue to make your Rotary club the best that it can be and make you and your Rotary Club a true gift to the world!

Polio news continues to be good; make gift to World's Greatest Meal Nov. 6

BY AMELIA NELSON
7750 POLIO CHAIR

Did you watch the live stream kickoff event presented by Rotary and UNICEF on World Polio Day? How did the Global Eradication Initiative to end polio begin? What is the status of global eradication? What is being done to achieve this goal?

A Rotary six million dollar project in 1979 to vaccinate children in the Philippines was a success. From that the global eradication effort began in 1985 and 25 billion children have received the Salk vaccine and the number of polio cases has fallen so that 99.9 percent of the world is polio free. Rotary has established a blueprint for the next global project – which has already been tested with the outbreak of Ebola.

The Salk vaccine was discovered 60 years ago. Last year there were only 300 cases of polio in the world. We only have two countries not eradicated: Pakistan and Afghanistan. As of October 9, there have been NO cases of polio in Pakistan and only four cases in Afghanistan. Pakistan has initiated emergency centers to obtain and disperse the vaccine. Africa is increasing its surveillance for the next two years to confirm Africa is polio free.

The rest of the good news: Rotary is giving an additional \$40 million to UNICEF to aid in this fight to eradicate polio worldwide AND Bill Gates is going to match Rotarians' gifts to Polio two to one – **YES! 2 to 1!**

Therefore, remember to make your donation to the World's Greatest Meal for polio by November 6th. The Foundation Banquet is our World Polio Day event and district-wide fundraiser for polio. Now all we give will be TRIPLED. Can you make a better investment? Not only does your dollar triple, but you are also saving lives. Please make your tax deductible donation either through the Registration link for the Foundation Banquet or by going to the World's Greatest Meal at <http://wgmeal.com>.

52 of 53 clubs reporting

This is the correct Rotary logo. It, and other approved versions, can be found easily at BRAND CENTER, <https://brandcenter.rotary.org>. You can see it used throughout this newsletter with club names. If your club is still using the old blue and gold logo, please update your materials to the current Rotary branding guidelines.

RAG on human trafficking can make a difference

Last week it was reported that the South Carolina Attorney General's Office had achieved it's first convictions in this state on Human Trafficking. A victim had been forced to commit sexual acts and the life of the victim's two year old child had been threatened. Stories like this go on around the world day after day. To find out what Rotary is doing contact District #7750's Chair of RAGS and Fellowships: PDG Barbara Shayeb-Helou, bsh6890@aol.com.
