GETTING A MEMBERSHIP SYSTEM IN PLACE

The Rotary Club of Rock Hill netted about \$10,000 on its first Carolina-Clemson Tailgate Fun'd Raiser. See how they did it on page 3.

POLIO

BY DG TERRY WEAVER

December is Disease Prevention & Treatment month on the Rotary calendar.

Rotary's epic disease prevention project for the past 30 years has been the eradication of polio, which is approaching the finish line. In 2015, only 51 new cases of polio have been reported in the two remaining endemic countries, Pakistan and Afghanistan. Remarkable progress, considering the 350 new cases of polio reported in 2014. Compare that with 1,000 new cases per day in 1985 (350,000 per year), when we took on this challenge.

Pam and I recently returned from a sub-National Immunization Day in Delhi, India, where PolioPlus is continuing to immunize children as "insurance" against a rogue case of polio coming across the border of Pakistan, only 125 miles away. We're available for a program at your club on request.

Beyond polio, your club has community service opportunities in disease prevention, even in a developed country like the USA. Several clubs have relationships with either medical or dental free clinics, where they provide not only financial but also volunteer support. County Extension and 4-H agents do programs to teach kids about healthy habits, and could surely use some volunteer help or provide materials your club could use to run its own programs.

Please explore Disease Prevention and Treatment as a club service opportunity. We sometimes forget that even in our country of cutting-edge health care, many people are underserved or undereducated in the basics of healthy living. You could Be a Gift to someone with limited access to preventive health or dental care.

Does your club have a membership system?

BY DG TERRY WEAVER

A membership system is completely different from a membership drive or membership campaign that runs occasionally when we need to add a few members to a club. It would be a whole lot better to have new members regularly attracted and proposed for membership, and to steadily grow the club over the long term. That requires a membership system— a set of strategies and business processes, executed regularly and consistently, that ensures year-over-year, long term growth of club membership. This system is documented, so that future leadership does not have to re-invent it every year, and so that activities critical to success are not forgotten or skipped over.

What would a membership system look like? It would look like a small number of intentional strategies, executed continuously, that cover each major base of attracting and retaining members, such as:

Lead Flow—This is the #1 cause of weak membership growth – not enough new prospects introduced to Rotary to meet our new member attraction goals. Remember the “10-3-1 Rule”. It takes about 10 new names or referrals to get 3 prospects to a membership event or a meeting, resulting in 1 new member. Yes, it takes about 10 prospects to get a member. Most clubs undershoot that by a factor of 5 (they assume 1 of 2 prospects will become a member; and then get discouraged when that doesn’t work out).

Contact/Qualification—Determine whether a prospect has expressed an interest in community service and is economically able to join Rotary. Things like a club brochure and a “fact sheet” on dues, contribution expectations, etc. help a lot to make sure a prospect fully understands what’s included and expected.

Introduction to Rotary—Where and how we provide a prospect with enough information about Rotary for them to decide whether they’re interested or not. Bring a prospect to a club meeting. Better yet, have a regular event that’s just focused on prospects. That way you have a meaningful amount of time to give an informational overview on Rotary – both your own club and Rotary beyond your club. Many clubs have an event like this once a month, or at least once a quarter.

Followup—Most important: Follow up with candidates the afternoon of or day after the meeting or event. A lot of good prospects are squandered for lack of timely followup, letting the prospect know you enjoyed having him or her at your meeting, that you think they would make a good member, and inviting them to take the next step in deciding whether they’re interested in membership. That might include visiting another club meeting or participating directly in an upcoming service project.

Closing—Sooner or later, you have to “ask for the order”. You may have a member who’s very comfortable with getting commitments – a “yes” or “no” on whether the prospect really plans to join. Perhaps that person is best qualified to make the “ask”. Once a prospect says, “yes”, you’ll need a clear-cut process for sponsors to get a membership application from the prospect, propose for Board approval, advertising to the club and final approval. Many clubs then invoice the proposed member and consider the membership to be “active” upon receiving payment.

Engagement—A process for introducing the member to the club and inducting him or her into membership, with a follow-on process to build the member’s Rotary knowledge – both of the club and of the larger world of Rotary outside the club. Your retention strategy should quickly engage the new member in the club, both in active service on club projects and becoming personally acquainted with club members. One common reason for members leaving a club in the first year or two is, “I never really felt like I had a friend there.” A good retention strategy mitigates early resignations.

Think about your club’s membership system. Are all the pieces in place? Does your membership system regularly produce enough prospects (remember the 10-3-1 Rule) to meet your club’s growth plans? You might find the Intentional Membership Strategy Worksheet helpful in filling in any holes or gaps you find in your system.

Coming together is the beginning. Staying together is progress. Working together is success. It was a total team effort with everyone contributing to the event's success.—Lindsay Walker

Rock Hill's Clemson-Carolina tailgate party raises money for clean water in Honduras

BY LINDSAY W. WALKER

PRESIDENT ELECT, ROTARY CLUB OF ROCK HILL

The Rotary Club of Rock Hill held a Clemson/Carolina Tailgate "Fund Raiser" Nov. 19 at the City Club of Rock Hill to benefit the district's Honduran Water Project.

Our club committed to the project in partnership with the Fort Mill Club and as part of District 7750's focus on clean water in Honduras. We wanted the fundraiser to be a friendly rivalry be-

Click [here](#) for the link to the CN2 News clip about the Tailgate Fund Raiser.

tween Clemson and Carolina alumni and fans by inviting mascots, cheerleaders, former "Gridiron Greats," local football coaches, and families of popular athletes, such as Jadeveon Clowney's family. We were delight-

ed and thrilled by the wonderful support, including two first round draft picks—Donnell Woodford of Clemson and Rick Sanford of Carolina—among other athletes of distinction.

To briefly summarize, we started the event with cocktails and videos on a giant 14-foot screen of previous Clemson/Carolina games. We showed highlights of memorable moments going back several years and footage of some of the players in attendance. Also, we had the Clemson Tiger mascot and four cheerleaders and University of South Carolina's Cocker mascot and three cheerleaders mingling with fellow Rotarians and guests. They posed for photographs, signed autographs, etc. on behalf of their respective university.

The program started with alternating cheerleading by Clemson and Carolina cheerleaders on either side of the podium. Al Steele, member of the Fort Mill club, presented information about the water project. Also during the evening, we had a 50-50 drawing of ticket stubs, live auction by an entertaining professional auctioneer of items including autographed photos of Donnell Woodford of Clemson/Chicago Bears fame, collectible signed baseballs, etc., and door prizes of two autographed footballs signed by former athletes in attendance.

Fundraising amongst the approximately 220 people in attendance consisted of selling entrance tickets, tables, sponsorships, live and silent auction, door prizes, 50/50 Raffle, and 'pick the game score' of the Clemson/Carolina game the Saturday after Thanksgiving.

The menu for the evening included tailgate traditions like hot-dogs, hamburgers, baked beans, and cole slaw.

Total funds raised: \$15,000 | Net after expenses: \$10,000

Rotarian Beth Belue welcomed Michelle James, Mallory McGee, and Dylan Boyd to the club. Michelle, the Assistant Director of CATES Program and Union County Athletic Director, spoke to the club about the different sports programs. Mallory and Dylan, members of the "Crunk Crew," explained what the Crew is and all the spirit they bring to games. (Pictured: Mallory McGee, Michelle James, Beth Belue, Dylan Boyd)

Rotarian Mike Cassels welcomed Coach Shell Dula to the club meeting. In 1990, Coach Dula took the Jackets all the way to state and won the 4A State Football Championship, along with other titles as Union's coach. In 2004 he was inducted into the South Carolina Athletic Coaches Association Hall of Fame. He resides in Greenwood with his wife, Mary, and is the Executive Director of the South Carolina Athletic Coaches Association.

Rotarian Alice Taylor-Colbert welcomed Allan Charles to the club. Allan began his career in higher education at USC Union in 1968 and is now a Distinguished Professor Emeritus of History at USC Union. He is a member of the South Carolina Historical Association, South Carolina Historical Society, Union County Historical Society, and has published many articles and books. He is best known for his book *The Narrative History of Union County* which is for sale at the Union County Museum and USC Union Campus Shop & Bookstore. (Pictured: Alice Taylor-Colbert, Allan Charles, Susan Elkins-Chancellor, USC Palmetto College)

Rotarians and family members from Spartan West helped clean up Camp Mary Elizabeth, a Girl Scout camp in downtown Spartanburg. Work included planting pansies, picking up litter along the creek and road, blowing off leaves, and cleaning ceiling fans and windows in the Lodge. After the work, Girl Scout property staff Lamar Montjoy and Kirby Green cooked burgers and hot dogs for the hungry workers. This workday is one of many ways that Spartan West members give back to our community.

Rotary
PICKENS

ROTARY RIDE TO THE ROCK

Pickens Rotary Club held its 3rd annual Ride to the Rock cycling fundraiser this fall. The ride started in Pickens and challenged riders with choices of 40, 60 and 100K routes that featured beautiful views of Table Rock Mountain with the longest ride climbing Caesar's Head.

The Ride raised \$8,500 to match the club's District Grant that will build a rest stop on Pickens County's new Doodle Trail, a walking/biking trail between Pickens and Easley.

Putting on an event this size requires the support of the entire club and Pickens Rotarians were ready to help. More than 90% of the club's members pitched in to make the event a success. Many local businesses sponsored the event including Platinum sponsor-Blue Ridge Electric, and Gold sponsors-Cannon Memorial Hospital/Anmed, Cornell Dubilier, Great Oaks Dental, and Shortfields Restaurant.

CART researcher wins MacArthur Genius Fellowship

BY BARBARA IVEY, ROTARY CLUB OF LAKE WYLIE
7750 CART CHAIR

When it comes to funding cutting edge Alzheimer's research, The CART Fund has an outstanding record of supporting high-potential research. Recently, Beth Stevens, a 2013 CART Grant Recipient, was awarded a 2015 MacArthur Genius Fellowship. Beth is an Assistant Professor of Neurology, F. M. Kirby Neurobiology Center, Boston Children's Hospital. She researches the "pruning" function of microglial cells or removal of synaptic cells during brain development.

Beth's discoveries indicate that adult neural circuitry is deter-

mined not only by the nerve cells but also by the brain's immune cells. Her work suggests that adult diseases caused by deficient neural architecture (such as autism and schizophrenia) or states of neurodegeneration (such as Alzheimer's or Huntington's disease) may be the result of impaired microglial function and abnormal activation of this pruning pathway.

Alzheimer's is the sixth leading cause of death in the U.S., and the only cause of death in the top 10 that cannot be prevented, cured or slowed. The CART Fund provides financial

support for Alzheimer's research projects that may yet be supported by extensive preliminary data, but have the potential to substantially advance biomedical research.

To learn more about The CART Fund, visit www.cartfund.org and Like our Facebook page <https://www.facebook.com/cartfund>.

Read Beth Stevens MacArthur Fellowship profile here <https://www.macfound.org/fellows/946/>

Rotary

A project of Rotary clubs in North America

Crazy busy Rotary Club of Westminster is just getting started

1 The Rotary Club of Westminster has been crazy busy and we are just getting started. July kicked off with the induction of our officers and our new President Bill Callahan welcoming District Governor Terry Weaver and District Administrator Pam, and Assistant Governor Steve Bahan to our first meeting of the 2015-16 year. Terry spoke passionately about Paul Harris Fellows. It made an impression on several of us and two of our members, Jack Aden and Bob Winchester, were recognized for their 10-year commitment at the Rotary Foundation Banquet on November 6.

2 In August, Freda Mitchell with ScripZone stopped by and spoke about the program and how our participation will benefit our club but more importantly how the money earned will be used to fight illiteracy – Part of the Ripple of One program. Our program coordinator Ginger Hopkins has done a great job and we have raised around \$650 so far this year.

3 From there we welcomed our hosted Taiwanese exchange student for this year Etta Chang, where she introduced herself to the club and gave a brief description of her home and aspirations for the coming year. Brandon Collins, who is now on his year-long exchange experience in Singapore, spoke both in English and Mandarin of how he is looking forward to the adventure. Returning exchange student Morgen Cvetko presented her past year's experiences while in Italy. And also returning was exchange student Lizzie Hagen who spoke of her unforgettable time in Belgium and France.

4 September was Apple Festival Time. This year's Annual Westminster Rotary Club Apple Festival golf tournament at Chickasaw Point Golf Course was the MOST SUCCESSFUL IN OUR HISTORY—86 golfers, more than 45 hole sponsors and we raised \$9,000 for the West-Oak High School Scholarship Fund— more than doubling the success of previous tournaments. THANK YOU again to all who participated, our sponsors, and Chickasaw Point Trails Golf Course for help in making this a wonderful and fun event.

More from Westminster

5 At the same time, we hosted our annual Apple Festival Rotary Luncheon and awarded the Rotary Club Citizen of the Year to Darragh Geist for her tireless efforts and promoting of Safe Harbor of Oconee County.

7 And of course we have had other great speakers over the last few months. From South Carolina Senator Tom Alexander to Ashley Lavender of TerraCycle, from West-Oak Football Coach Josh Pierce to fellow Rotary club member Westminster Police Chief Dean Awalt, from Denise McCormick of Blue Ridge Electric to Randy Keasler and Westminster Baptist Church's work with Ash Tree Recovery and its efforts to help end drug addiction in the area, we are reminded weekly how fortunate we are to have such wonderful and diverse members who bring their passion of service above self in their efforts to help our community.

6 That segued us into October and our "Moonlighting for Safe Harbor Fundraiser" at Chattooga Belle Farms. We hosted Michelle Gilbert, Family Advocate from Safe Harbor on September 29 and she spoke passionately (there wasn't a dry eye in the room) about the mission to provide safe shelter for victims of domestic violence, educating Oconee youth about domestic violence, and the goal to eradicate domestic violence in the Upstate.

Michelle pointed out that South Carolina has the highest percentage of domestic violence in the country and Oconee County has one of the highest rates in the state. So it's all of our responsibility to say these statistics are unacceptable and recognize we all play a role in stopping domestic violence.

To that end, we were blessed with a wonderful evening as for the Safe Harbor fundraiser "Moonlighting for Safe Harbor" where with the help of 140 attendees almost \$5,000 was raised for Safe Harbor to help fund its efforts in providing safe shelter for victims of domestic violence in Oconee County. And again we thank all who participated in the dinner and donated in the silent auction toward this worthy and desperately needed cause.

8 We've inducted four new members so far this year: Sandra Jones, Keith Perkins, Anita Ridley and Kay Moore. And we are just getting started. Keep up with us by visiting our website <http://www.westminsterscotary.org>, like us on Facebook <https://www.facebook.com/westminsterscotary>, and follow us on Twitter at @wsc_rotary.

Greenville EAFK students collect books for flood-ravaged school in Columbia

BY WENDY GREEN

ROTARY CLUB OF GREENVILLE EVENING

The books in the Satchel Ford Elementary School library and several classrooms were ruined by the October flooding in Columbia. In response to the loss of the books, Greenville County's Robert E. Cashion Elementary School's EarlyAct FirstKnight (EAFK) student council decided to collect and donate new and gently used books to Satchel Ford as an EAFK service project. The students collected more than 3,000 books.

Early Act First Knight (EAFK) is a character building program that the Greenville Evening Rotary Club sponsors in three area schools. As part of this program, the EAFK Student Council can choose, plan and facilitate service projects in their community.

At Cashion, faculty sponsor Teresa Knepp talked to the students about the need at the Columbia school. She then had the students discuss with their peers the best way they could help. The students came up with the idea of the book drive, and over the past few weeks they have managed to collect 3,471 books. Books were delivered to Satchel Ford Elementary on Nov. 12 by Teresa and Rotary club members

In addition, Teresa found copies of *101 Dalmatians* in a warehouse. There were enough copies for each child at Cashion to get a brand new book, and enough so that each child could sign a book to be delivered to Satchel Ford Elementary along with all the other books collected.

→Click photo at right to watch movie of Knights.

The Rotary Club of Greenville Evening supports the EarlyAct FirstKnight character and ethics education program at Robert E. Cashion Elementary School in Greenville County. On Nov. 17, the Knights of the Guild presented a Tournament of Champions to the entire school to celebrate and honor the program, during which knights duelled and a worthy Squire was knighted.

Watch the 2015 RYLA video at <https://vimeo.com/131216872>. Or just click above to get to it. Notice at the beginning, the students aren't really sure what to expect and some are not very excited to be there, but by the end of the week they don't want to leave.

Clubs: Start soon thinking about selecting your delegates for RYLA 2016

BY JENNIFER ERWIN, ROTARY CLUB OF ABBEVILLE
7750 RYLA CHAIR

Rotary Youth Leadership Awards (RYLA) is a week-long camp designed for rising high school juniors and seniors to learn how to sharpen their leadership skills and gain self esteem in order to become tomorrow's leaders.

Clubs in District 7750 work with their local high schools' guidance counselors to choose their delegates. The cost for the week at Erskine College is \$400; typically the club will pay \$340 and the student pays the \$60 difference. We believe that if the students contribute, they're more likely to attend and participate. The fee covers all meals, t-shirts, and activities. Each day they have a different schedule of speakers, activities, and some fun mixed in to help them learn specific skills. Former RYLA delegates serve as counselors.

Each year that I've worked with RYLA, I've personally witnessed these young folks go from "I don't know what's going on and really don't want to be here" to "I don't want to go home!" I've seen a shy young lady go from not wanting to speak at all to speaking in front of the entire delegation including Rotarians to tell about the amazing things she learned that week. We have also created Interact groups from the attendees. They've gone back to school and started the club themselves along with help from their sponsoring Rotary club.

Steps to sponsoring a RYLA student for 2016

Clubs wanting to sponsor one or more students should follow these steps:

The RYLA committee recommends you begin working with your schools' guidance counselors in February to identify possible attendees.

Fill out the Fact Sheet and High School Recommendation form on the District website.

Fill out the Participation Form once you have selected your delegate (s) and they have agreed to attend.

Submit your forms to the RYLA committee by mid-April.

All of the RYLA information can be found at http://www.rotary7750.org/district_events.asp#RYLA.

RYLA Facts

RYLA 2015 was our 33rd event.

Mark Peeler of Erskine College directs RYLA with a staff of 13 (all of whom are past RYLA delegates & earn their positions as counselors).

We average 75-80 delegates from across our district at each year's RYLA.

RYLA delegates who subsequently apply to and are accepted as students at Erskine College will receive a \$5,000 per year scholarship.

District 7750's Cange library project

New videos give voice to Cange Community Library's need to expand

BY SARA MANSBACH, ROTARY CLUB OF PLEASANTBURG CHAIR, DISTRICT 7750, CANGE LIBRARY PROJECT

SARAMANSBACH@GMAIL.COM | 864-414-0875

If transformation is to ever come to Haiti, education will be the currency that delivers it. With NO books in homes, classrooms, or schools, our project supports regional education.

Cange Library was begun 4 years ago, and is the only public library in the bureau (county). After 4 years, it has outgrown its space.

To help raise awareness about growing a larger library, the Missions Committee of First Baptist Church

Greenville provided funds for Bootie Cothran to video the need. On these videos, Haitian leaders and youth describe their passion for the project.

Our 55 seats, 3,000 books and eight computers serve 3,900 students and 12,000 adults including teachers. Patrons walk five miles and drive 30 miles to use our services. The Haitian Library Committee has a sincere thirst for learning and a keen awareness of the advantages the library can bring.

Videos and Slideshows

1. Come with us to Cange, Haiti. Photo slideshow: A visual journey to Cange, to the village, and to the library; slides are accompanied by muted choir music from the Cange Episcopal Church. <https://vimeo.com/141214148>

2. Introduction: Sara Mansbach, project advisor, provides an overview of the project. <https://vimeo.com/141216132>

3. Leaders: Three Haitians leaders—a minister in the Central Plateau, a program administrator, and a minister from Cange talk about why the village needs a library. <https://vimeo.com/141319772>

4. Young Adults: An Episcopal internship student and a Cange high school senior assess the need. <https://vimeo.com/141317906>

5. Volunteers: Rotarian Dianne Clarke-Kudless talks about how Rotarians and other volunteers can become involved and contribute to the project. <https://vimeo.com/141318582>

District Administrator Pam Weaver giving polio drops at a National Immunization Day in India in November. What is your club doing to help finish the job of eradicating polio, and helping prevent and/or treat other diseases?

Support Polio Plus Night with Swamp Rabbits Hockey Team

BY PDG TOM FAULKNER

As we continue to work toward the moment when polio will be eradicated, our Polio Plus Chair Amelia Nelson, and our Interact Chair, Jimmy Roach, are teaming up to mix good times with support of the cause.

On Friday, February 19, 2016 at 7 p.m. at the Bon Secours Wellness Arena in Greenville, Rotarians and Interactors will have the opportunity to get discounted tickets to the hockey game between Greenville's Swamp Rabbits and the South Carolina Stingrays. Rotarians will get reserved seats on Center Ice for an \$18 ticket that will not only include the game, but also a special tour of the Swamp Rabbit facilities on Saturday, February 20 at 2pm. Those who have taken this tour have really been impressed not only with the Swamp Rabbits organization and facilities, but also at the operations of the arena that are required to transition to such varied events. The Swamp Rabbit team will return \$4 a ticket back to the District for our Polio Plus campaign. The Gates Foundation will then contribute \$2 for every \$1 the District contributes to the campaign.

All Interact Club members from around the District can buy a ticket for only \$10 in a space reserved especially for them. Similar to the

Rotarians, the Swamp Rabbit team will return a per ticket contribution for the Polio Plus Campaign with the Gates Foundation matching all donations on a 2 to 1 basis.

We are working with Zaxby's and other venues to negotiate a discount for the meal that evening for all of their sales to Rotarians and Interactors who are headed to the hockey game, giving us another possible source of revenue. We want to encourage all of club Presidents and Interact chairs to market this opportunity to meet Interactors across the District and simultaneously support Polio Plus.

The Interactors will be selling 50/50 raffle tickets to the audience. During one of the intermission periods, a raffle ticket will be chosen and the winner will receive half of all of the total ticket sales. Interactors will also sell Chuck-A-Puck tickets. All ticket holders will get a chance to hit the bulls-eye and make big bucks during intermission. The Swamp Rabbit team will pay the Interactors for their efforts and that payment will also be a contribution to Polio Plus.

Interactors will also be painting children's fingers for a dollar to remind us all of similar methods used in countries still battling polio where the fingers of children receiving the polio vaccine are painted to show they have been immunized.

This event is a major opportunity to get more visibility for Rotary, to highlight our Polio Plus campaign, to enjoy our Interactors, and to raise money for our cause. We want to encourage as many Rotarians as possible to come to this Polio Plus District-wide event. Tickets will be available through the Swamp Rabbit website or directly in blocks to individual Rotary Clubs.

December 1 - #GivingTuesday

#GivingTuesday—It's a online movement for charities and individuals to come together for one common purpose: to celebrate and encourage giving. We are encouraged to join with other Rotary Districts on 1 December as Rotary participates in Giving Tuesday and celebrates the good work our District does around the world. We are encouraged to get members and friends of Rotary involved by giving online on 1 December and sharing what inspires each of us to support our Foundation.

The district with the highest number of donors who contribute to The Rotary Foundation online on 1 December 2015 may receive a visit from the Trustee chair, schedule permitting. Make sure donors select a club when making their gift so that our district gets credit!

On Dec. 1 celebrate giving and giving back with Rotary by participating in #GivingTuesday. Last year, our Foundation raised over \$100,000 on #GivingTuesday to fund sustainable, life changing projects. With your support on December 1st we can transform even more lives this year.

How can you participate?

Give to The Rotary Foundation on 1 December at www.rotary.org/give and encourage your friends (Rotarians and non-Rotarians) to give through posting on your Facebook page.

2015-16 Grant Preparation Schedule for District 7750 Clubs

49 of 54 clubs reporting

This is the correct Rotary logo. It, and other approved versions, can be found easily at BRAND CENTER, <https://brandcenter.rotary.org>. You can see it used throughout this newsletter with club names. If your club is still using the old blue and gold logo, please update your materials to the current Rotary branding guidelines.

JANUARY NEWSLETTER

Deadline

Dec. 27

Membership Champions (new members and their sponsors in October)

New Member	Club	Sponsor	Classification
Arbogast, Sarah (SARAH)	Greenville Rotaract		
Barton, Libby (LIBBY)	Fort Mill	Susan Fuller	
Bierwiler, Shelley (SHELLEY)	Pleasantburg		Recreation Executive
Butler, Veronia (VERONIA)	Greenville Rotaract		
Cann, Joseph L (JODY)	Greater Anderson	E. Alex Turner III	Forester/Land Broker
Cantrell, Furman (FURMAN)	E-Club of the Carolinas	Mike Emily	Healthcare Consultant
Carey, Mary E. (LIZ)	Anderson	Faith A. Line	Marketing/PR
Chippis, Marie Flores (MARIE FLORES)	E-Club of the Carolinas	Dianne Clarke-Kudless	Non-profit organization
Coffey, Meghan A (MEG)	Greenville Evening	Ann H. Golden	
d'Entremont, Rachel L. (RACHEL)	Aiken	Phillip Merry	Security Services
Dixon, Chris (CHRIS)	Walhalla	Walter O Torres	Wealth Management
Dodson, Renee F. (RENEE)	Spartanburg	Kelly Turner Harvey	Accounting Services - Tax
Dulin, Mike (MIKE)	Clinton	Gene Simmons	
Edgecomb, Mary E. (MARY)	Rock Hill	Rachel Rion Ouellette	Retired Oncologist
Fender, Tim (TIM)	Emerald City	Robert Elester Brown	Manufacturing
Fulcher, Carol Anne (CAROL)	Aiken	Carolyn Emanuel-McClain	Urban Renewal
Funderburk, Dwight E II (DWIGHT)	Greenwood	John H. Welborn	
Hicklin, David (DAVID)	Fort Mill		Banking
Hultquist, Mathew J. (MAT)	Greenville	Connie Lanzl, Stanton Horne	Accounting
Kriegshauser, Samantha (SAMANTHA)	Fort Mill	Trudie Heemsoth, Connie Howard	
Manske, Kristin M (KRISTIN)	Greenwood	Angelle La Borde	
Manske, Kristin M (KRISTIN)	Greenwood	Angelle La Borde	
McGuire, Matthew (MATT)	Newberry	Willie Morris	Banking
McSwain, Leslie A (LESLIE)	Blacksburg		
Miller, Carmen (CARMEN)	Fort Mill	Michele Branning	
Mokris, Brad (BRAD)	Fort Mill	Susan fuller	
Myers, Ronald G. (RONNIE)	Fountain Inn	Emanuel Sullivan	
Redmond, Charles H. (BO)	Lake Wylie		
Shealy, Courtney (COURTNEY)	Batesburg-Leesville	Lori Shumpert	Business Account Rep
Shuflata, Maryruth (MARYRUTH)	Spartan West	Sharon Teague	Retired
Snyder, Jeff B. (JEFF)	Fountain Inn	Eddie Case	
Thomas, Kyle (KYLE)	Seneca		
Tovey, Julie C. (JULIE)	Greater Anderson	Kathryn Y. Smith	Non Profit
Townsend, John (JOHN)	Greenville Evening	Mark Xu	
Underwood, Stephen David (STEPHEN)	Seneca	Marvin Gray	
Williams, Jacquelyn (JACKIE)	E-Club of the Carolinas	Dianne Clarke-Kudless	
Wilson, Daniel Keith (DANNY)	Aiken	Jennifer Ann Hart	Religion-proteatantism
Young, Sara (SARA)	Aiken Sunrise	Dennis E. Orwat	Rehabilitation-Career Exploration
