Be a Gift to the World

BY DG TERRY WEAVER

Thanks so much to so many for your incredible service to your communities and the world this past year. District 7750 has certainly been a Gift to the World, touching billions of people with our efforts. While this year's theme will be retired in only a month, let's remember to Be a Gift to the World for years to come.

We were reminded of the global reach of Rotary at the International Convention in Seoul, South Korea. 42,000 Rotarians from over 100 countries gathered to celebrate the accomplishments of their clubs, each one doing good in their corner of the world, just as all of our clubs do. It was an extraordinary opportunity to join leaders, exchange ideas and make plans to take action upon returning home.

Pam and I have thoroughly enjoyed this year as your District Governor team, and are really impressed with the way D-7750 clubs have responded to the challenges set forth this year. Many clubs have shown that they can grow membership, reversing their historical declines, and are on their way to creating a membership growth culture—a belief that a healthy Rotary club maintains or grows membership every year. We have several clubs that have consistently grown for the past decade, even including the Great Recession years of 2009 2010. Many clubs have proven this year that they, too, can consistently grow, despite folklore to the contrary.

I'm also overwhelmed by the generosity of our 80 new Paul Harris Society

members in response to the Governor's 10+1 Challenge, each pledging \$1,000 a year to The Rotary Foundation. Your commitment going forward will provide a significant boost to our capacity for doing good in the world (and in South Carolina) through both District and Global Grants.

Let's not forget the Gift of Polio Eradication to the World. The 1,000 new polio cases per day when we started this battle 30 years ago have been reduced to only 16 cases of polio so far this year. The end is in sight—it's only a matter of which of the next couple of years will mark the last case of polio in the human race.

I thank you for the honor and the privilege of serving as your Governor this year, and for your extraordinary accomplishments, club by club, of being a gift to your communities and to the world.

It's also a great feeling to have a line-up of outstanding Rotarians following me as Governor. Lance Young has been going full bore for a year in preparation for his term, and Ed Irick and Rita Yarbrough are ramping up their preparations for oncoming years. We're indeed fortunate as a District to have such commitment in these leaders of the future.

As Robert Jarvik said, "Leaders are visionaries with a poorly developed sense of fear, and no concept of the odds against them. They make the impossible happen." Rotarians are the kinds of leaders that make the impossible happen, and I'm thankful to be among so many of them.

Leadership is shown in many different ways. One way comes from those serving in our military, helping keep peace in our world.

SOUTH CAROLINIAN GUARDS FREEDOM IN KOREA BY DG TERRY WEAVER

In yet another incredible experience we wouldn't have had were it not for Rotary, Pam and I visited the Demilitarized Zone (DMZ) between North and South Korea while there for the Rotary International Convention. The DMZ is a two-mile wide, mined "no man's land" that stretches across the entire peninsula, the center of which is the border between the two countries.

We stepped over the border into North Korea within the DMZ, which is guarded by a UN peacekeeping force. The country is still technically at war, despite an uneasy "peace" in the form of a cease fire with a nuclear armed country led by an unstable dictator just 30 miles from Seoul, the capital of South Korea. Imagine our surprise upon learning that our host for the DMZ visit, part of the UN peacekeeping force, was US Army Specialist Timothy Monroe, a graduate of Mauldin High School!

As Americans born during the Korean War, we were largely unaware of the hostile invasion in 1950 by North Korea (supported and encouraged by Communist regimes in the former USSR and China) of South Korea, one of the then poorest countries in the world. Three years of war ensued, during which tens of thou-

sands were orphaned and the country was reduced to rubble. Assisted greatly by the US military and other UN allies from around the world, the North Koreans were pushed back to the current boundary between the still communist North and the Republic of (South) Korea. Rotary, of course, played a major role in relief efforts and the 60 year process of rebuilding the country.

Rotarians on the trip to Seoul were astounded by the country the South Koreans have built in only 60 years, under the system of democracy and freedom that they fought to preserve. Their culture, economy, infrastructure, and technology have all come together to create a truly impressive, clean, safe and vibrant country. Yet like ours, there's plenty left for Rotary to do for those least able to help themselves. And, like ourselves, South Korean Rotarians have also been a Gift to the World by helping clubs in other countries through global grants from The Rotary Foundation.

Were it not for Rotary, Pam and I would have had no reason to visit this remarkable country and be reminded once again that freedom has a price and Rotary has a place in the peace and conflict resolution process.

An American from Mauldin and a soldier from South Korea watch over an uneasy peace on their respective sides of the DMZ between North and South Korea.

Spartanburg celebrates its centennial

The Rotary Club of Spartanburg celebrated its 100th year as a club with a party at the Piedmont Club April 19. The club donated a standing Centennial Clock to the city for display in a prominent downtown location as a gift to the city in recognition of the club's centennial.

Golden Corner barbecue raises money for community service

The Golden Corner Rotary Club of Seneca served award-winning barbecue, hot dogs and hamburgers at SenecaFest, featuring legendary The Temptations and Dennis Edwards. Members include, from left, Louis Holleman, Jenny Perry, Steve Rushton, president Eddie Perry, Cammie Kaiser, Neal Nimmons, Vic Holley and Don Lesley. Funds raised support the clubs school Backpack Food Program, scholarships for adults taking the GED and sending two Seneca High students to Rotary Youth Leadership Academy every year.

Books from Aiken Sunrise help summer reading program

The Aiken Sunrise Rotary Club donates books to East Aiken Elementary School of the Arts. The books support the school's summer reading program by putting books in the hands of the students for reading throughout the summer. Pictured from the left: Jan Kirkland, Rotarian; Melanie Starks, Media Specialist; Lisa Fallaw, Principal; Isabella Reesor, student; Renee Staggs, Rotarian; PDG Rich Waugh, Rotarian.

York Rotary has new Paul Harris Fellow

Daniel Harshaw (left) was recognized by York Rotary Club President Grier Sandifer as the latest Paul Harris Fellow at the May 5 club meeting.

Mauldin Rotary packs meals for Stop Hunger Now

BY JANICE HOLCOMBE, MAULDIN ROTARY CLUB

Each Tuesday at noon, Mauldin Rotarians and their guests gather for lunch at the Mauldin Cultural Center and hear from agencies around our area who are making a difference in the lives of others, putting "Service above Self".

We were very interested when we recently heard from Ray Buchanan, the co-founder of "STOP HUNGER NOW." His vision: to end hunger in his lifetime by providing food and life saving aid to

the world's most vulnerable and by creating a global commitment to mobilize the necessary resources.

Around the world, 870 million people lack adequate food and more than 25,000 die each day from hunger-related illnesses. Undernourishment kills more people every year than malaria, tuberculosis and AIDS combined!

So Stop Hunger Now's Meal Packaging Program became very interesting to our Mauldin Rotarians and we set out to organize

our community to participate in a "meal-packing" day!

Our club's efforts in concert with the Mauldin High School Interact Club secured volunteers from the Mauldin Police and Fire Departments, the Mauldin City staff and many area churches.

On Saturday, April 16, the supplies arrived at the Mauldin Cultural Center for our volunteers to begin the packing project!

We had 67 volunteers who

> next page

Mauldin— continued from previous page

shared their Saturday morning to come and convert the bulk supplies to highly nutritious meals using rice, soy protein, dried vegetables, flavoring and essential vitamins and minerals. Each package provides a reasonable serving for 6 and is easy to transport, store and distribute to those in greatest need, and it is easy to prepare, needed only water and heat.

Our volunteers packaged a total of 10,800 meals in less than 1-12 hours at a cost of a little over \$3,100. That money was raised through our Mauldin Rotary Club annual golf tournament. (This year on 9/20).

The Mauldin Cultural Center was transformed that day to a total meal packaging facility. The pictures we captured of young people working hand-in-hand with our City Police Officers; the families who brought along their small children and helped them stand on chairs to put the products into the bags; the Rotarians of all ages

working alongside the church volunteers and city staff was such a powerful image of how a thriving community works together to focus on the needs of others.

Stop Hunger Now has packaged and distributed more than 225 million meals to 73 countries since its founding in 1998! For each donation received, 87.9% goes toward the feeding the hungry around the world.

Fighting hunger is not just about feeding people; fighting hunger is about transforming lives and changing the systems that created it!

The Mauldin Rotary Club has already scheduled our day to package meals next year, Saturday, April 1, 2017! Mark your calendars NOW and join us. You will enjoy the time of fellowship and fun, and enjoy knowing you have made a difference in the life of the hungry in our world!

SALVATION ARMY

Union Rotary President Torance Inman introduced Captain Donald Marvels to the club. Captain Marvels from Salvation Army spoke to the club about the various programs that the Salvation Army does in Union County.

RYLA DELEGATES

The Rotary Club of Union was proud to recognize Mariana Glenn-Toland and Macy Scarborough at the club meeting this week. Mariana, a junior at the high school, is our Rotary Youth Leadership Award (RYLA) recipient. Macy, a graduating senior at the high school, was awarded a Rotary Scholarship which she will use at the College of Charleston.

MEALS ON WHEELS

Rotarian Lynn Mornane introduced Kathy and Jim Stepp to the club. Both, Kathy and Jim, are retired school teachers and are heavily active with the Union Meals on Wheels. The volunteer organization delivers 1 hot meal per day, 5 days a week to Union county residents. In 2015, 17,859 meals were served in Union County.

BUSTED UNTIL CHRISTMAS

Rev. Louis Miller introduced Daniel O'Shields and Robert Grady to talk about their book, Busted Until Christmas. It is about the Buffalo, Union-Carolina Railroad and the people.

Lake Wylie installs three Little Free Libraries

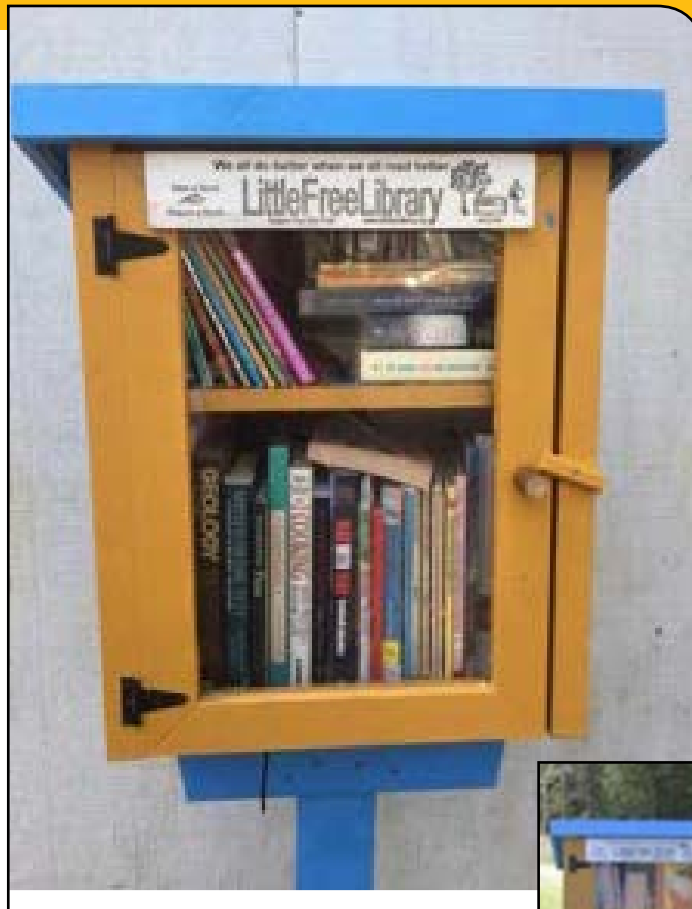

BY CHAD BORDEAUX

The Little Free Library project enabled the Lake Wylie Rotary Club to impact early childhood literacy in areas of our community with need.

The club installed three Little Free Libraries within our community with the goal of impacting early childhood literacy. The libraries are wooden boxes where individuals can take a book.

We focused the locations in areas of greatest need, primarily where low income children (and adults) would have easy access to them. Rotarians painted and installed the libraries and our club members are responsible for doing book drives and keeping them stocked with books.

In theory, individuals take books, read them, and then return them; however the book outflow is expected to be greater than the inflow. Therefore, the club also works to keep the books stocked. At the writing of this, our libraries have been operational less than a week; however, we expect to impact at least 500 individuals annually through these three locations.

Lake Wylie Rotarians stand by two of the Little Free Libraries they installed.

Abbeville Interact helps with Special Olympics

The Abbeville High School Interact Club held its 2nd annual Special Olympics at the high school on Friday, May 13. Last year they had 14 participants and this year there were 33! It was a beautiful day and there were many activities that the athletes could choose to participate in and be awarded medals and trophies. The Interact Club and many other students and faculty members volunteered and made this a very special event that the attendees and the athletes enjoyed tremendously! One of the highlights of their event was as they came onto the school grounds, they were escorted by motorcycles and police cars and fire trucks! The club expects to continue this event every year as it is something that these students look forward to.

Union recognizes its Rotary Scholars

During May, the Rotary Club of Union recognized its Rotary Scholars. University of South Carolina Union Financial Aid Director Bobby Holcombe told the recipients that without tests, there are not testimonies. He explained that there will be many decisions and tests that they will come across during life. Bobby ended by saying, "My hope is that as you complete each chapter regardless of the outcome, you will have learned something positive that you can make your testimony in life. People will be watching and you may touch lives without knowing or intending to. Without a test there is no testimony."

Bobby Holcombe

9TH GRADE ROTARY SCHOLARS - Makayla Dyer, Union County High School; Benjamin Stone, Union County High School; Makayla Grady, Union County High School; Jada Jones, Union County High School; Delaney Duckett, Union County High School; and Tashure Lott, Union Christian Day School.

10TH GRADE ROTARY SCHOLARS - Keely Messer, Union Christian Day School; Ashton Cody, Union County High School; Madison Fowler, Union County High School; Katelyn Petty, Union County High School; and Anthony Esposito, Union County High School.

11TH GRADE ROTARY SCHOLARS - Jacob Sanders, Union County High School; Brooke Smith, Union County High School; Kasie Roark, Union County High School; Lyra Mercado, Union County High School; and Lori Hart, Union Christian Day School.

12th GRADE ROTARY SCHOLARS - Payton Martin, Union County High School; Morgan Pittman, Union County High School; Tyler Heatherly, Union Christian Day School; Cara Phillips, Union County High School; and Reid Bailey, Union County High School.

Grants of \$600,000 made for Alzheimer's research

BY BARBARA IVEY, D7750 CART CHAIR

What could be more hopeful than a meeting held the week of Mother's Day where grants of \$600,000 were made for Alzheimer's Research?

Hope for a cure for Alzheimer's disease brought record-setting donations to Coins for Alzheimer's Research Trust this year. The \$600,000 was awarded in five grants for innovative Alzheimer's research studies (another new record) at the May 2 meeting of the CART board.

Each research study brings us closer to the cure for Alzheimer's disease.

The best thing about hope is that it is contagious. RI Director Robert Hall and his wife Charlene joined leaders from 15 supporting Rotary districts.

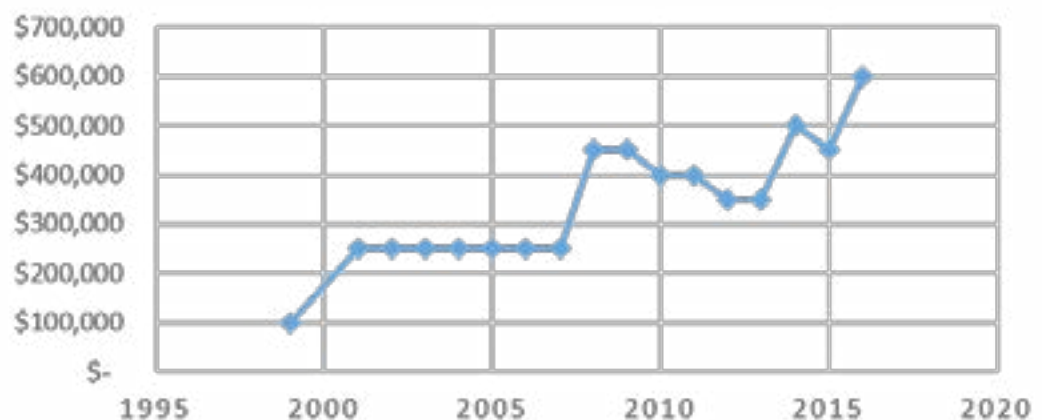

Attendees welcomed the news that four Rotary districts have recently joined CART thanks to outreach by Executive Director Bill Shillito and D7750 PDG Gary Goforth. CART now represents

19 Districts in this effort to cure Alzheimer's disease.

In attendance from D7750: DG Terry Weaver; DGE Lance Young; DGN Ed Irick and Carol; DGND Rita Yarbrough and M.C.; PDG Bruce Baker; PDG Gary Goforth; D7750 CART Chair / CART VP Operations, Barbara Ivey; D7750 CART Committee Steve Black; and PDG / CART VP of Grants Jim Puryear and Joan.

Still time for clubs to meet (and exceed) their polio giving goals

BY AMELIA NELSON
D7750 POLIO CHAIR

Is your club one of the clubs that has not met its 2015-16 PolioPlus goal? You still have time to make a contribution to the Rotary Foundation-PolioPlus but you need to send in your contribution by June 25th. So, why contribute?

Doing Good in the World. Almost every applicable country has made the switch from the trivalent to the bivalent polio vaccine, a necessary step in the strategic endgame for combatting polio, now that the Type 2 wild polio virus has been eradicated.

AND, other than eradicating polio from the two remaining countries of Afghanistan and Pakistan, Poliovirus cancer treatment by Duke researchers receives 'breakthrough' status from FDA. A poliovirus cancer treatment designed by Duke medical researchers was awarded breakthrough therapy status by the Food and Drug Administration to speed up its approval for market use.

The FDA's recognition follows [Phase 1 clinical trials](#) of the therapy, which have been occurring since 2012 and are held at Duke's Preston Robert Tisch Brain Tumor Center. Medical researchers have found a 20 percent three-year survival rate in patients with glioblastoma—a particularly aggressive form of brain cancer—who received the poliovirus therapy, compared to a historical 4% survival rate. Darell Bigner, director of the Preston Robert Tisch Brain Tumor Center, said that the team of researchers will meet with the FDA within 60 days to discuss the next steps for future trials, and that they hope to expand the trials to several hundred patients.

These are just two reasons to contribute to PolioPlus. Polio has made so much progress and it's great to know you've been a part of RI's goal to eradicate it. There are still 10 clubs who have not contributed to PolioPlus – won't you make a contribution – either as a club or as an individual member? **THANKS!**

BIKE-A-THON

How about a ride for the 100th anniversary of the Rotary Foundation?

BY PDG TOM FAULKNER

As we approach the 100th anniversary of the Rotary Foundation, as your Immediate Past Governor, I would like to challenge you either to contribute \$1,000 or raise at least \$1,000 for the Rotary Foundation either before the end of this Rotary year or at the beginning of DGE Lance's year.

The challenge includes a 100-mile bicycle ride beginning at North Greenville University; going to Saluda, NC; to Flat Rock, NC; on through the Dupont Forest to Cedar Mountain, NC; down Caesar's Head; across US 25 on SC 11; and finally back to SC 253 ending at Verne Smith Park on Lake Robinson. This is not a race.

I am issuing an individual challenge to you all. I have

established the route on Ride with GPS. You can download the program on your Android or i-phone and depending on your membership level can be given audio instructions as to where to turn to complete your ride. The ride is 100 miles with elevation changes of 7,183 feet.

You are welcome to accept the challenge and take the ride at any time. The route is listed as "Rotary Foundation 100th Year." Needless to say, I need the summer to prepare and plan to schedule some practice rides over the next three months. My plan is to make the ride at 7am on Saturday, October 8. You are welcome to join me.

As in the past, contributions raised from my individual ride will match Rotary DDF dollars in

support of our work in Corporant, Haiti, under the leadership of Charles and Gillaine Warne and Partners in Agriculture.

Please give serious consideration to this challenge or come up with your own idea. Let's see if we can finish DG Terry's year with a final push for Foundation contributions and give the beginning of DGE Lance's year a boost for the Rotary Foundation!

I welcome your feedback, ideas, and support of this pursuit as we prepare to celebrate an incredible moment in the history of Rotary, the 100th anniversary of the Rotary Foundation. I also hope to see you all in Atlanta for the Rotary International Convention in June of 2017 for a celebration you will not soon forget.

2015-16 Zone 33 Rotary Public Image Citation for Rotary Clubs

It's not too late to qualify

Several clubs in D7750 have earned the Zone 33 Rotary Public Image Citation this year. It's still not too late for others to qualify. There are two requirements: have a club public image plan and a club brochure. Two other optional activities must also be completed. Clubs have until June 30 to complete the requirements and until July 15 to submit their completed form. Click to download a copy of the citation requirements.

The 2016-17 RI theme.
