Governor's message by District Governor Lance Young

Serving humanity through people, pride, passion

I am proud and honored to represent you in 2016-2017 year as your District Governor, and I am truly excited to lead our district in taking the next steps to better our communities at home and abroad, to increase our membership, and to improve the diversity in our clubs.

I am counting on you to join me to build on the Rotary International Theme of *Rotarians Serving Humanity* by adding the mantra for our district of... **through People, Pride and Passion**:

People are the life blood of any organization. All of us want to be a part of something bigger than ourselves, and Rotary gives us that opportunity. We need to increase the force of Rotarians in our district to grow and sustain the work we do. I ask that each of you go the extra step and tell a friend,

colleague or neighbor about Rotary and invite them to visit your club. Explain to them what Rotary and your club does to serve humanity. Every club has something good going on ... it is up to each of us to tell the story and grow the force who can serve humanity.

Let's all express our **Pride** in being a Rotarian. We can exhibit pride in simple ways such as wearing the Rotarian pin, shirt or hat; I am constantly amazed at the number of people who ask me about Rotary after seeing my pin. We can also take pride by telling others about the numerous Rotary projects in the United States, Honduras, Haiti and other countries where we are helping people live a better life, such as the active role District 7750 plays in the clean water projects in Honduras. I am

confident, as I am sure you are in also expressing pride in Rotary's internationally acclaimed efforts to eradicate Polio, in our support of students through RYLA and Peace Scholars, and in our efforts to increase literary at home and abroad. It is up to us to tell the story with pride in Rotary.

Passion is thankfully overflowing in Rotary. From the camaraderie at club meetings to the exuberance I witness at Rotary events, Rotarians are passionate about what we do. For me, this goes back to our fundamentals, and I encourage you to reflect on our 4-way test and how this propels us to do better in the world by being the very best that we can be. Rotarian's passion is part of our identity; it exemplifies who we are. Each of us has passion in Rotary ... include your passion when you tell your Rotary story.

As your District Governor, I ask you to join President John Germ's All Star Team and ask each of you to tell your Rotary story with pride and passion so we can grow the number of people - Rotarians - who can serve humanity to combat the hopelessness of poverty, to bring clean water and health options to all and to increase educational and growth opportunities both locally and abroad. We are a District with great means, and most notably we are a district of Rotarians with stories to tell with great pride and passion.

2015-16 Governor Terry Weaver presented the 2015-16 Club of the Year award to the Rotary Club of Aiken. President Joe Lewis was on hand to accept this prestigious recognition, awarded in part for the club's continued steady growth over the past 13 years..

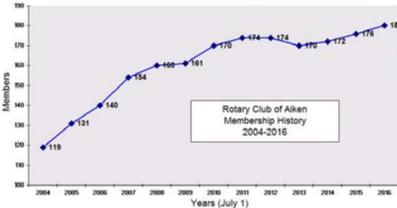

Club of the year: Aiken

Membership just keeps on ticking upward

The 2015-16 Club of the Year award went to the Rotary Club of Aiken, led by President Joe Lewis.

It's a D-7750 tradition for the Governor to select an overall "Club of the Year," considering countless variables. While any one of a half dozen clubs could have been chosen, this year's award recognizes a club that hasn't recently had a lot of visibility in the District, yet it has years of exemplary Sustainability, Community Service, Rotary Foundation support and has hands-down the longest-running Membership Growth track record in the District.

Among its many accomplishments, the 2015-16 the Aiken Rotary Club has grown itself from 119 members to 180 members over the past 13 years, in-

This graph shows the steady membership cluding this year, with only ONE year of membership decline along at the end of June had 180 active members.

in the district. It's not the fastest growing club in the District. It's simply the only consistently growing large club in the District.

the way. It's not the biggest club

Gillaine Warne Awarded Rotary's Spouse/ Partner Service Award

Recognized by Rotary International for decades of personal humanitarian service, Gillaine Warne received the Rotary Spouse/Partner Service Award, presented by DG Terry Weaver at the Awards and Installation Banquet. Gillaine has never waited on anyone to ask her to help. She simply saw a problem and did what Rotarians do—- Join Leaders, Exchange Ideas, Take Action.

Hired to teach English in Haiti, she quickly recognized the extensive malnutrition among children. She was astonished to see that while people were starving, nobody was growing anything. That was in 1999. She has since established programs to:

- Teach farming to Haitians of the Central Plateau
- Grow and process peanuts into a highly caloric and high-protein food product for children
- Build and staff a vocational school, teaching construction, carpentry and computer skills

Gillaine spends roughly 50% of her year in Haiti, managing several hundred acres of agricultural operations, as well as a vocational school for post-high school students. Our congratulations to Gillaine for this well-deserved award, and our thanks to her Rotarian husband, Greenville Rotary Club past president Charles Warne for his support of her efforts.

to Rotary

Day, Week

or Month in

your club.

WHAT

Bring a Friend Emphasis

WHEN

August 2016

WHERE

HOW

All clubs in Zones 33 and 34

Encourage your members to bring a friend or friends to a meeting or meetings during August.

Publicize the event weekly in all meetings during July and ensure your Facebook or website contains publicity for the event.

Promote the event in newsletters encouraging participation.

Create an event on Facebook with an invite list. (Don't call it a meeting—call it Bring A Friend Breakfast, Lunch, Dinner or Social).

Consider a special 'Bring a Friend' social event on an appropriate evening and if you prefer, make it a multi-club event. If organizing a Social, ensure members are encouraged to attend by making it a make up meeting, or make it your regular meeting for the week.

If your budget/meal format allows, provide guest meals free of charge, rather than asking the member to pay. (Member does not pay for guest.) Or if it is a social event, perhaps provide appetizers and have a cash bar.

TIPS TO CONSIDER ABOUT YOUR EVENT:

- Plan an appropriate inspiring speaker/program, such as
 - A member telling "My Rotary Story."
 - A speaker talking about a Foundation project or someone discussing benefits of Rotary membership, perhaps someone from the zone or district level.
 - A local celebrity or motivational speaker.
 - Club presentation covering milestones, projects and community involvement.

- Emphasize fellowship opportunities.
- Have time for questions about Rotary and your club.
- Have a club brochure available.
- Prepare membership application forms, and have them available.
- Prepare a list of who attended with emails and phone numbers. Send follow up email, and keep the prospective members in the loop. Re-Invite by calling, if appropriate.
- Keep those who attended engaged with your club.

GETTING READY FOR MEMBERSHIP MONTH

Ask WHO is Rotary? not WHAT is Rotary?

BY JOHN KIMBELL, E-Club of the Carolinas

August is Membership Month and is billed as a time to celebrate the good we do in our community and around the world. How do you and your club celebrate? Pause a few moments and ask yourself: What does Rotary mean to you?

Just think about our impact..... Globally, we as Rotarians have pushed polio to the brink of eradication, delivered clean water to those in need, provided scholarships to the next generation of peacemakers, and continued to do good in the world. Locally we make a big ongoing difference in our communities with projects and causes that resonate with you and your fellow club members.

Our District 7750 leadership has put strong emphasis on membership development with successful results. DG Lance Young has membership development as his top priority in 2016-17. We have an opportunity to tell our Rotary story every day and share how service makes us

feel and drives our passion.

We often hear and answer the question "What is Rotary?" Consider the alternative WHO IS ROTARY? as you share your story, maybe even a special Rotary Moment, as you invite others to share your experience. The narrative shifts to people and personalizes it.

I have used this approach since 2012 as a Rotarian, as a Membership Chairman and at RLI as a Discussion Leader. Based on my experience, it is powerful

SO WHO IS ROTARY?

Like Minded Men & Women Bonded by Values & Caring Driven by Service Above Self Bonded by Four Way Test Investing Time, Talent & Treasure **Enjoying Great Relationships** Living our Four Way Test in Workplace & Community Sharing Vision of a Better World

and adds perspective as you share your passion and your positive experience with reference to Rotarians.

Give it a try and use it as the District promotes "Bring a Friend to Rotary" in August, our designated Membership Month.

One of the real values of Rotary is how we share what works best, best practices and learning from each other. Help is nearby. In addition, District 7750 has a comprehensive program, Grow Rotary Action Team (GRAT), available with hands on guidance for your President and club.

John Kimbell is a member of the E-Club of the Carolinas, having relocated from Florida in 2015. He is a member of the District *GRAT* and Rotary Leadership Institute Committee. His email is jkimbell46@ amail.com.

Younger Rotarians offer suggestions on meeting today's Rotary club challenges

WHAT IT WAS:

Atlanta GA

2016 Southland Young Professional Summit June 9 – 11, Georgia Tech Campus

BY TAMMIE COLLINS

Rotary Club of Greater Anderson

More than 100 Rotarians and Rotaractors, representing Zones 33 & 34, came together to look at ways of engaging more Young Professionals.

We discussed why we joined, why we stay, what challenges our clubs face and possible solutions.

WHY DID YOU JOIN ROTARY?

Top answers: Service, Leadership, Networking and Professional Development.

WHY HAVE YOU STAYED?

Top reasons: Personal Relationships between Rotarians, Leadership, Community Service (both Local and International), Cross-Generational Leaders and Immediate Fulfillment.

COMMON CHALLENGES

Branding and awareness

Diversity

Cost

Retention

Traditional thinking

SOME OF THE SUGGESTIONS

Talk about Rotary and invite media to your events.

Keep social media current and active.

Change from thinking "Diversity" to "Inclusion"; celebrate what we have in common rather than our differences.

Plan meetings and group activities that are fun and engaging. Invite spouses /family members to participate in projects.

Survey members frequently to gauge interests.

After identifying challenges, the group used a speed-dating format that allowed all participants to offer solutions.

WHAT IT WILL LEAD TO: With so many creative and talented young Rotarians working together to keep Rotary strong and growing, you can be assured that the future of Rotary is in very good hands.

RYL Rotary Youth Leadership Awards

RYLA

Experience helped Caitlan learn what it means to serve

BY CAITLIN RUMPLE

J.L. Mann High School, Greenville

I can say with the utmost sincerity that RYLA was one of the best weeks of my life, if not THE best week. I am so grateful that I was blessed with the opportunity to attend a camp that showed us what it meant to serve others and how much of a difference you can make in your community.

This camp helped me realize what my strengths and weaknesses were as a leader and how to work efficiently and cooperatively with others while still having an amazing time. The bonds that I have made with the other delegates at RYLA, especially those in my small group, will be life long connections.

When I was dropped off on Sunday, I was extremely nervous and reluctant to participate in the games with people I had never met. But within the first 30 minutes, we were playing a game and I was cradled in a stranger's arms. Immediately, I could tell that RYLA was not like anything else I had ever been to before.

Still somewhat nervous on Monday morning, I was fearful that I wouldn't make any close friends; I could have never had been more wrong. When the time came on Satur-

day to say goodbye to everyone, I

Charles Carlisle was recognized for his many contributions to the Abbeville Rotary Club and the community.

50 years of perfect attendance in Rotary

Abbeville Rotarian, charter member Charles Carlisle recognized

BY HENRY E. GREEN

Charles Carlisle of Due West had a nickname when he was vice president for business and finance at Erskine College.

Students called him "Cash Carlisle", as retired Erskine administrator Lee Logan told Abbeville Rotarians recently.

The memory was one of many shared at a Rotary meeting held at the Founders Room in the Erskine dining hall Thursday, May 12, as Abbeville Rotarians gathered to honor Charles, a charter member of the club who has accumulated more than 50 years of perfect club attendance.

In short, he led by serving, which, Rotarians will tell you, is the Rotary ideal

Charles, who is in his nineties and who was accompanied by his wife Jean, was recognized for his service to Erskine and to the Associate Reformed Presbyterian Church, as well as to Rotary.

The recognition came by way of a number of speakers, each of whom praised Charles for his contributions to the Abbeville County community.

There were a number of visitors Thursday, including former Erskine president Randy Ruble and his wife Molly, Assistant District Governor Andrew Hodges, and District Governor Nominee Rita Yarborough. Rotary club president Tombo Hite set the tone when he noted, "Had it not been for Charles Carlisle, this club would not be here. We are very grateful for the years of service Charles has given to this club."

Retired Erskine professor Jim Gettys said that Charles came to Erskine from Newberry, but his roots go all the way back to Scotland, and its Presbyterian heritage.

"Charles has served the ARP Church at every level," he said.

Charles has served as an ARP moderator, and was a creator of what was then the Due West Retirement Center (now the Renaissance).

"Where the rubber meets the road he really excels," he said.

Charles prays the "most eloquent, most spiritual prayers", and he and Jean work hard to serve the ARP Church

In so doing, they emulate Jesus. "That's following in the Master's footsteps," Jim said.

Charles is, in addition to his business acumen, one of Abbeville County's premier historians, said retired Erskine administrator Lee Logan.

"Charles is a wealth of knowledge," said Lee.

Charles was an expert in the "very complicated" nuances of college

finances.

And then there was the celebration of his 50 years of perfect Rotary attendance.

Rotary allows you to "make up" at another club if you miss a meeting at the home club, and Charles "made up" at some very interesting places, from Canada to Bermuda.

And yes, he was one of the charter members of the Abbeville Rotary Club, established in 1963.

Charles has served the club as president, treasurer, and editor of the club bulletin.

Charles has not missed a Rotary awards night or a Christmas party, said his most recent position was as club chaplain.

Abbeville Rotary Club past president Jennifer Erwin said that the club's first president Gus Metze was unable to attend but sent a letter praising Carlisle for his service.

Tombo presented Charles at the close of the program with a clock, and Charles responded," "I certainly appreciate the Abbeville Rotary Club.

"I have enjoyed every minute of it."

Promoting LITERACY

BY JUDITH PRINCE, D7750 LITERACY RESOURCE CHAIR jprince@uscupstate.edu

One of the six areas of focus of Rotary is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. Literacy is a foundation for other Rotary areas of focus because literacy is essential for reducing poverty, improving health, encouraging community and economic devel-

opment, and promoting peace.

As Rotary District 7750 Literacy Chair, I want to work with club literacy chairs to restore literacy as a priority both within our Rotary clubs and in the communities we serve. Even though illiteracy has been overshadowed in recent years by the economy and the war on terror, it remains a serious problem in the world, in the U.S., in South Carolina, and in our communities.

There are two goals which all Rotary Clubs in District 7750 should pursue this year:

Increase knowledge and awareness of literacy in our Rotary Clubs and in our communities

The lack of visibility about illiteracy keeps Rotary Clubs from investing in solutions to this problem and prevents adults from seeking help. I hope all Rotary Clubs will be working together to change the dialogue in our clubs and in the community about literacy

September 2016 is Rotary International
Basic Education and Literacy Month. Rotary
Clubs should plan a program during September to help Rotarians understand how it feels
not to be able to read or to be able to read at all or at
a fourth or fifth grade level. If there is a literacy volunteer in your club, share a story about the work that

volunteer does with your local paper. Work with your local literacy association to identify someone who is working on a GED and ask them to share their experiences with your Rotary Club.

2 Partner with existing literacy programs in your community and with other Rotary Clubs to increase

literacy By working together, clubs can have a greater impact on literacy in their communities. Ten Rotary Clubs in the Greater Greenville area are collaborating to support the work of the Greenville Literacy Association (GLA). The Rotary Partnership for Literacy provides funding for GED scholarships, Smart Boards to assure interactive instruction, computer seats so students can learn GED content independently, and scholarships for Quick

Jobs training. Quick Jobs Scholarships enable ESL/GED students to work toward ESL certification or GED credits while pursuing training in job skills from the Quick Jobs for the Future Program at Greenville Technical College.

Even as we begin a new Rotary year, plan to submit a district grant application that supports a literacy proj-

ect for your community. Twenty percent of District 7750 grant funds were used to support literacy projects this year, and we want to grow that number.

Staggering ILLITERACY statistics:

- Globally, there are 775 million adults who lack literacy skills, which translates into one in every five people on the planet.
- 236 million American adults need literacy help; 14% of the population can't read.
- South Carolina has the 13th highest rate of functional illiteracy in the United States.
- There are about 50,000 adults in Greenville County alone without a high school diploma or a GED. Do you know about literacy in your county?

IDEAS to help

Many project ideas are provided in the publication, Rotary Promotes Literacy, at http://www.clubrunner.ca/Data/7870/2936/HTML/69728/601en.pdf. Programs that support persistence of adult learners in earning a GED or completing ESL certification are needed. Successful literacy programs require a long-term commitment.

Clemson-Calhoun honors local elementary scholars who faced hardship but still succeeded

The Clemson Calhoun Rotary Club honored six local elementary school students May 27 with the Rotary Most Improved Scholastic Award.

The following students were honored:

Ralph Smith, a 5^{th} grader at Townville Elementary;

Aidan Dawson, a 5th grader at Six Mile Elementary;

Taylor Lewis, a 5th grader at Pendleton Elementary;

Brennan Smith, a 5th grader at Mt. Lebanon Elementary;

Sienna Smith, a 4^{th} grader at Mt. Lebanon Elementary; and

Brayden Cullen, a $3^{\rm rd}$ frader at La France Elementary.

The award is given to students who have endured a personal hardship during the school year but yet managed to keep up with their school work and make excellent grades. Each student was chosen by their grade level teachers and/or the principal.

In honor of their success, each student was given a certificate and \$50. The Clemson Calhoun Rotary Club gave \$25 and it was matched by Donna Patterson, a member of the club. The students, their parents, grandparents, teachers, and school administor were treated to lunch at Pixie & Bills Restaurant. Roy Stoddard, the mayor of the town of Six Mile, also joined them.

"We are very proud of our students and wish them all the success in the world," said outgoing Clemson-Calhoun president Frank Cox.

Essential changes for clubs and districts

2016 Council on Legislation These are some of the most significiant enactments from the 2016 Council on Legislation. Click here to download the entire document as a PDF.

Rotary International compiled this summary of the most significant changes that were made at the 2016 Council on Legislation. Clubs should pay particular attention to those that could have the most impact on them, such as attendance rules and meeting requirements. Making changes to your club bylaws based on what will work best for your club and is now allowed by official RI policy could be one way to strengthen your club this year.

ATTENDANCE

Ability to change rules. Clubs may relax or tighten attendance requirements and termination policies for non-attendance. However, clubs are still expected to forward attendance reports to the governor. Any club that wishes to continue adhering to the traditional attendance requirements may do so.

Rule of 85. Rotarians can be excused from attendance if the combined total of their years of membership in one or more clubs plus their age equals at least 85, with their years of membership totaling at least 20.

CLUB BOARD

Treasurer. A club treasurer is now a permanent member of the club board. (16-02)

Board meeting minutes. Written minutes should be prepared for all club board meetings and be made available to members within 60 days of that meeting.

CLUB FINANCES

Admission fees. New members can be admitted without paying admission fees. However, clubs may also choose to retain these fees, and they have the flexibility to add admission or other fees to their bylaws.

Club dues increased. To address both financial challenges and the need to improve service to clubs, RI semiannual dues were increased by \$4 for each of the next three years — to \$30 per half year in 2017-2018, \$32 per half year in 2018-2019, and \$34 per half year in 2019-2020.

CLUB MEETINGS

Ability to change meeting schedules. Clubs can now vary their meeting days and times, and can cancel meetings, as long as they meet at least twice a month. However, any club that wishes to adhere to the tradi-

tional requirements regarding meetings and cancellations may do so.

Canceling a meeting. Clubs can cancel a meeting if it falls during a week that includes a holiday.

In-person and online meeting participation.Clubs can have in-person meetings, online meetings, allow online participation for an in-person meeting, or switch between any of these formats.

DISTRICT LEADERSHIP

Vice governors. Having a vice governor is no longer mandatory. This role replaces the governor in case of that person's inability to perform their duties.

E-CLUBS

E-clubs and Rotary clubs. The distinction between traditional clubs and e-clubs was eliminated. While references to e-clubs have been removed from Rotary's constitutional documents, e-clubs may continue to name and promote themselves as Rotary clubs that meet exclusively or primarily on-line.

MEMBERSHIP

Rules and qualifications. Clubs may determine their own rules or requirements for transferring members, dual membership, and honorary members. They're also free to continue following the traditional provisions for these members. The only mandatory qualifications for membership are that Rotarians must be adults who have demonstrated good character, integrity and leadership; have a good reputation in their business, profession and community; and are willing to serve in their community and around the world.

New membership types. Clubs may offer associate, corporate, family, or other membership types. Clubs offering these additional types would report these members to Rotary as "active" for purposes of inclusion on the club invoice. Other financial obligations (club dues, meal costs, etc.), attendance requirements, and service expectations for these members are determined by the club. However, only active members may be considered for office and count in determining a club's voting strength.

2015-16 polio giving outsanding, now time to celebrate our centennial with big push

BY AMELIA NELSON D7750 Polio Chair

I want to thank all the clubs that worked hard to reach their PolioPlus goal in 2016-16. On June 27, these were the leading clubs:

TOP THREE PER CAPITA

Clover \$103.75 Laurens \$103.27 Pleasantburg \$100.19

TOP THREE TOTAL GIVING

Laurens \$5,060
Greenville \$5,023
Pleasantburg \$4,108
OUTSTANDING! And our
total district giving with Gates
Foundation match is \$375,000 or
vaccines for 2.25 million children.

It was a good year in Rotary's endeavor to eradicate polio. As of the end of April, there have been only 17 cases reported in Afghanistan (6) and Pakistan (11) with the latest cases in May

and April respectively. This is in comparison to 74 cases this time last year. We are making progress,

But it is essential that we keep giving to PolioPlus—not only to eradicate polio in these two remaining countries, but also to keep those declared Polio FREE countries free. Read more at www. polioeradication.org.

This Rotary year is the Foundation's 100th birthday. I would like District 7750 clubs to make the following New (Rotary) Year Resolutions (challenges):

- Every club will begin planning a special event or project to celebrate the Foundation's 100th birthday
- Every club will make a polio contribution.
 - Every club will strengthen

Rotarians' knowledge, engagement, and financial support of The Rotary Foundation-PolioPlus

■ Enhance the image and awareness of the Foundation's achievements, particularly the success of PolioPlus and its 100-year record of Doing Good in the World. Let me know your plans and/or ideas at amelianelson007@gmail.com.

We are [this close]. Be proud to be a part of history.

GETTING THE PLAQUE

Immediate past governor Terry Weaver led us to a very successful 2015-16 and gets the plaque to prove it from 2016-17 governor Lance Young.

ANOTHER AWARD WINNER

It should come as no surprise to anybody in 7750 that District Administrator (and Governor's Spouse) Pam Weaver was presented the "I couldn't have done it without you" Award. Both Terry and Pam are all smiles—because of the great year they shared together or because it's over?.

Some of the winners of the 2015-16 Presidential Citation.

Exchange of the Governor's Home Club Banner: Don Koonce, 2015-16 president of the Greenville Club, and Wendy Green, 2016-17 president of Greenville Evening.

Mateel Jones of the Greenville **Evening Club** was MC for the night.

DGN Rita Yarbrough, member of the Newberry Rotary Club, with her husband M.C., member of the E-Club of the Carolinas,

Summary of District Grants for 2016-2017

This is the correct Rotary logo. It, and other approved versions, can be found easily at BRAND CENTER, https://brandcenter.rotary.org. You can see it used throughout this newsletter with club names. If your club is still using the old blue and gold logo, please update your materials to the current Rotary branding guidelines.

Golden Corner Rotary Club of Seneca secretary Cammie Kaiser pins a gold plaque on the club's banner. The club was recognized at the June 23 awards banquet for its contributions to the community and Rotary during 2015-2016.
