District Governor
Lance Young convenes
Aiken Rotary Club
meeting.

THE ROTARY FOUNDATION

After you plan your Bring a Friend event to boost your membership, start thinking about how you can promote our Rotary Foundation's centennial in your club and your community.

August is BRING A FRIEND Month

Clubs in Zones 33 and 34 are encouraged to organize an event (a regular meeting or something special) this month that will encourage members to bring a friend to Rotary. Following is a list of suggestions to make your Bring a Friend event a success.

- Publicize the event at all meetings and ensure your Facebook or website contains publicity for the event. Promote the event in your club bulletins.
- Create an event on Facebook with an invite list. (Don't call it a meeting—call it Bring A Friend Breakfast, Lunch, Dinner or Social).
- Consider a special 'Bring a Friend' social event and if you prefer, make it a multi-club event. If organizing a social, ensure members are encouraged to attend by making it a make up meeting, or make it your regular meeting for the week.
- If your budget/meal format allows, provide guest meals free of charge, rather than asking the member to pay. (Member does not pay for guest.) Or if it is a social event, perhaps provide appetizers and have a cash bar.
- Provide an invitation card for each member to give to their guest. Make sure you have the dates, time and location of your club meeting. Let them know that they should invite only ONE or TWO guests and that all club members will do it.
- You need accountability of the members/guests. Make sure the member tells the membership chair who is coming with a name, phone number and e-mail address. The

membership chair/committee can e-mail or call the guest prior to the meeting as a welcome and reminder.

IDEAS TO MAKE YOUR EVENT RELEVANT

Have a member share their Rotary story. Schedule a Foundation or Membership speaker from District or Zone. Invite a local celebrity or motivational speaker. Talk about the milestones, projects and/or community involvement of your club. Emphasize the fellowship opportunities by making the event itself a fellowship/networking opportunity. Give the attendees a chance to ask questions about Rotary and your club.

- Have your membership committee follow up with a phone call to guests who attended. Answer questions and let the guests know how much the club appreciated their attendance.
- Have a club brochure and/or directory available for your friends to take home.
- Prepare membership application forms, and have them available.
- Have someone at the door to welcome all guests.

STRENGTHEN YOUR CLUB

STRENGTHEN YOUR CLUB

From the 2016 Council on Legislation

New membership types. Clubs may offer associate, **corporate**, family, or other membership types. Clubs offering these additional types would report these members to Rotary as “active” for purposes of inclusion on the club invoice. Other financial obligations (club dues, meal costs, etc.), attendance requirements, and service expectations for these members are determined by the club. However, only active members may be considered for office and count in determining a club’s voting strength. (16-36)

Using corporate memberships to acquire quality members

BY DAVE KNAPP

Rotary Club of Simpsonville

864-757-9652 | DaveK@epgvl.com

Simpsonville Rotary Club has implemented a procedure that has the potential of gaining new, as yet untapped sources, for new members. The program involves identifying corporations that would like to be active in Rotary, but here-to-fore have been overlooked for a variety of reasons.

While this program is in its infancy, it has already yielded four new members for the Simpsonville club—in just one month—with two other corporations also expressing interest in it.

We have adopted a procedure that we think will work for us. [Click here to download the details](#). We spent a lot of time discussing this at our Board Meetings and, while we realize it is not perfect (yet), it seems to work for us. The dollar amounts are probably a subject each individual club will want to seriously consider. We think they may be a bit high, but it is easier to reduce the price than it is to increase it.

HIGHLIGHTS OF SIMPSONVILLE’S PLAN

1. The Corporate Membership Program will allow a corporation or establishment in the club’s area to become a member of the Rotary club through an established membership approval process, and to appoint up to four (one primary and up to three Designees) as the individuals attending club meetings, serving on projects, voting on club matters, serving as club officers, on club committees, and so on.
2. The attendance requirement for all Corporate Members is the same as an Active R-85 member.
3. Each Designee will be listed as an official member of the Rotary club and will be noted in the roster that they are Designees of the named Eligible Corporation.
4. For the purpose of general meetings and club matters, Designee voting will be the same as any other regular member. As official members of the Rotary club, members would apply toward RI election voting.
5. All Designees are eligible to serve on club Committees and on the Board. Only the Primary Corporate Member is eligible to serve as a Club Officer.
6. The financial obligations of an Eligible Corporation shall be:
 - A \$150 initiation fee will be charged to establish the Corporate Membership.
 - Each Primary Corporate Member will pay full club dues of \$185 per quarter which covers District dues; Club meals; RI dues; The Rotarian Magazine; Miscellaneous RI charges
 - Each Designee will pay dues of \$100 per quarter which covers District dues; RI dues; The Rotarian Magazine; Miscellaneous RI charges.
 - The Primary Corporate Member will pay for every lunch, as a regular club member. If the Primary Corporate Member is in attendance at a given meeting, each Designee who also attends will pay for their meal.

STRENGTHEN YOUR CLUB

Rotary Moments: Sow seeds and harvest

BY JOHN KIMBELL, E-Club of the Carolinas

What is your special Rotary Moment that cemented your engagement as a true Rotarian living the Four-Way Test in your daily life and motivated to do good in your community? It's personal and unique to you, and can be very powerful as you share it with potential new members by inviting them to your club. August is membership month with emphasis on "Bring a Friend" to Rotary. This is a great time to take action by sowing a few seeds with those who will benefit from becoming a Rotarian and strengthen your club. Wearing your Rotary pin every day prompts many to ask about Rotary.

There is no formula for the pathway to a Rotary Moment. It can be fellowship at meetings and service projects with great people. It can be great heartfelt feelings and self-satisfaction from your service. There are abundant

opportunities in all Rotary Avenues of Service which tee up those special moments that change lives and you.

The seeds of my Rotary Moment and passion for Rotary began when I heard a great talk by past RI Director John Smarge, a member of the Rotary Club of Naples, FL. John's talk addressed the challenges of membership development. His inspiration led me to find how I use my talents in Rotary.

Yes, inspiring leaders can and do help create that moment. Such an opportunity presents itself when District Governor Lance Young visits your club. His passion for Rotary and theme are inspirational and contagious.

Rotary moments and passion also occur by participating in The Rotary Leadership Institute. The stated objective is to "Find Your

Passion in Rotary." There are many program and course offerings scheduled. For more information, check it out at <http://www.rli33.org/>.

Just think of the impact of 2,700 Rotarians in District 7750 sowing seeds with friends, colleagues, and others. A harvest with high quality prospects beginning this late summer and fall would help every club's health and impact. And, you don't have to be sick to get better.

John Kimbell is a member of E Rotary of the Carolinas. He is a member of the District GRAT and Rotary Leadership Institute Committee. His email is jkimbell46@gmail.com.

VOCATIONAL Service: Using Career Day effectively

BY JOAN BURKET, Rotary Club of Greenville
7750 Chair of Vocational Service
joan.burket@scansource.com

Ever wondered what you wanted to do when you left high school? Many students don't. Too overwhelming. Too far away. Too scary!

The Career Day offered by the Rotary Club of Greenville allows students to meet an expert in the trade that they are considering.

This day is good for the student as well as the Rotarian Expert. The student gets free, valuable information directly from the expert. The Rotarian gets to share his/her expertise with an interested student.

Win. Win.

We have a great relationship with the school district, which chooses which students come to the event (lasting from 11:30 until around 3). Students attend our regular club meeting where they have lunch and listen to a guest speaker. After the club meeting, each student meets with someone from their chosen career field. They can stay in the meeting room for tabletop discussions or meet the Rotarian back at their place of business for a tour or shadowing of their job.

Let me know if you'd like to discuss how to incorporate this into your meeting.

STRENGTHEN YOUR CLUB

August is membership month in Rotary.

Remember to organize a **BRING A FRIEND to Rotary Day, Week or Month in your club.**

Bring a friend to Rotary but stay focused on membership all year

BY DGE ED IRICK

Rotary Cub of Greenville Evening
District Membership Chair

Wouldn't it be great this year if every club increased its membership? It can be done. Now is the time to set the stage for growth. To be successful, every club should focus on RECRUITING, ENGAGING, and RETAINING members. It takes intentional efforts in each area to achieve growth. It is also important to know that every member of the club has an important role in growing the club.

The district grew its membership by 28 members this past Rotary Year. This growth was the greatest in 13 years and one of the few years in which there was an actual increase. However, only 24 of 53 clubs increased membership. Nine clubs experienced zero growth and 20 clubs lost members. Some clubs experienced an increase in membership only to drop into the negative growth

column at the end of the year. We can do better than this.

A vibrant club is focused on its membership all year long. New members are continuously identified and attracted to Rotary, then immediately engaged in meaningful club activities along with the current members. Members who are enjoying being a Rotarian are most likely to remain in the club and invite others to join.

August is Membership Month. The theme is Bring a Friend to Rotary. Hopefully your club has scheduled a specific meeting and is employing intentional strategies to introduce potential new members to Rotary. You have a role to play. Please let your membership chair know that you want to do your part in growing Rotary.

WE'RE ROTARY. THERE'S NO LIMIT TO WHAT WE CAN DO. Click the photo to watch a new Rotary video that can be used for membership recruitment and retention. Show it at one your meetings.

It's no wonder the Clover Interact Club is the largest in the Carolinas. With dedication like this, the students get things done.

Officers' retreat Clover Interact Club is having a PEACHY SUMMER!

The officers of the Clover Interact Club just completed a 3-day leadership retreat to prepare new leaders for the coming school year, while planning and organizing their major service projects for 2016-17.

Highlights of the retreat involved attending dinner and a movie at the new drive in movie theater in Kings Mountain, and picking peaches at a local orchard to donate to God's Kitchen, Clover Area Assistance Center, our CHS office staff, and the Clover Police Department.

The retreat finale took place at Camp Cherokee as the officers took on their new zipline canopy tour. Everyone had a great time, made new friendships, and is now prepared for a big year of service to our community when school begins in August.

Jimmy Roach is a member of the Clover Rotary Club and also a teacher at the high school. He oversees much of the work the club does for its communities.

Burris and other officers installed at Lake Wylie

Outgoing president Ed Lindsey passed the gavel to 2016-17 president Matthew Burris at a special installation meeting of the Rotary Club of Lake Wylie. Matthew, 29, has selected his new officers and committee chairs. He will be tasked with increasing membership membership and chairing this year's fundraiser, Wylie Lakefest, to be held Sept. 17 at the Red Fez Club.

Officers installed were Michael Hurst, President Elect; Chad Bordeaux, Past President, Past Assistant Governor and this year's Rotarian of the Year, Treasurer. Edward Lukowski will be Club Secretary and Bob Stigers

is Sergeant at Arms and Public Relations Chair. At Large board members will be Past President and Chairman Ed Lindsay, Janet Gaglione and new club member David Redding.

Also at the meeting the club recognized Edward Lukowski as a Paul Harris Fellow and Chad Bordeaux as a Paul Harris Fellow plus 3. Edward received a Rotary pin with one sapphire and Chad received a Rotary pin with three sapphires in honor of their recognition.

Club member Chad Bordeaux has served as an Assistant Governor for District 7750 for the past three years. Past president Mary Sieck took over that role beginning July 1.

Foundation

Earn a Governor's Award of Excellence Pin by:

1. Participating in a Service Project
 2. Giving to the Rotary Foundation (recommend \$26.50 or more)
 3. Sponsoring a new member into your club
- Do all three to earn the pin.

Click the photo to hear about chaos or community, a program presented at the Rotary Club of Rock Hill.

Rock Hill program: "Chaos or Community"

Children's author Kimberly P. Johnson was the speaker for the Rotary Club of Rock Hill on Thursday, July 14. Her topic was "Chaos or Community." It touched on current events as well as the history of the "Friendship Nine," civil rights protestors in the 1960s whose convictions were vacated in 2015.

Kimberly received a Paul Harris Fellow for her work in literacy. Kimberly visits schools throughout the U.S. speaking to children and adults about literacy and writing.

Details of the Friendship Nine are available online at <http://friendship9.org>. Johnson's website is <http://www.simplycreativeworks.com>,

UPCOMING Events of interest to 7750 Rotarians

| | | |
|------------|---|--------------|
| Sept. 17 | RLI | Myrtle Beach |
| Oct. 7 | RLI | Charlotte |
| Oct. 13-16 | Zones 33-34 Institute | Charlotte |
| Oct. 29 | RLI | Duncan |
| Feb. 3-4 | All-Club Conference, Foundation Dinner, Training Seminars, Pre-PETS | Greenville |

Rotarians in the Greenville area who like to read may want to consider volunteering for Read Up Greenville, a celebration of young adult and middle grades books and authors. The event is Aug. 6 at The Peace Center. Email volunteer@readupgreenville.com to learn how you can help at this festival. Go to www.readupgreenville.com for more information.

Busy?! Makeup at (or join) the Rotary eClub of the Carolinas

BY JIM DODMEAD

The Rotary eClub of the Carolinas makes it possible for people who can't attend traditional meetings to be a part of Rotary.

Past President eClub president R. Patrick Stewart wrote: "The past two and a half years in the eClub has been an amazing journey. Each year we have seen our membership grow and change in ways very unique to the nature of an electronic club... Membership was from a variety of friends in District 7750. For the most part, these were folks who wanted to continue their humanitarian efforts with Rotary International-

al but who found themselves in situations that struggled with attendance requirements of a traditional Rotary club. As a full time consultant who travels 250 days a year, I was in such a situation. The ability to attend a meeting anytime and from anywhere made it possible for my continued Rotary engagement."

Likewise in my job, I have had much difficulty maintaining my attendance goals at a traditional club. Many times, I am in isolated locations and simply cannot make up at local clubs. While it is very gratifying to go to these

other clubs, attendance can cause problems in today's hectic environment.

Making up at the District 7750 eClub Of the Carolinas is as simple as navigating to <http://wp-o.rotaryeclubcarolinas.org/meeting/> and creating an account.

Login and attend the meeting. (Next time, you will only have to login and attend the meeting.)

There is no charge, but we would appreciate a donation to help with club operations.

24/7/365. Simple, easy, convenient: Rotary eClub of the Carolinas.

Message from short-term summer Youth Exchange students

Lydia Swofford is 17 and will be a senior at Greenville Academy. She was sponsored by the Rotary Club of Pleasantburg. Lydia and her short-term match, Romane Bonnard from Paris, France, are in the middle of their exchange. They have been together for two weeks and were asked to comment about their experience thus far.

LYDIA: “When I first came to France in early July 2016, I was worried about how things might go, as any exchange student would be. Will my host family like me? Will I be able to understand their French? How do I navigate a foreign airport? Of course, all my worrying was unnecessary. My host family is amazing and I met a very nice girl on the airplane who helped me through customs. I’ve found that if I don’t understand something, whether it be a word or a phrase, people are more than happy to help. And so, I thank Rotary for matching me with this wonderful family and making this life-changing exchange possible”

ROMANE: “At the beginning, I was worried about not matching with Lydia. I wondered if my English would be good enough to understand her and her family. But, as soon as we met the first day, we fit well and we have done many fun things together. I am so excited to have this experience and can’t wait to visit Greenville in August (2016) and stay with her family. Thank you, Rotary.”

Rotary
YOUTH EXCHANGE 

KYLIE AND MG

They liked their exchange so much last year that they did it again this summer.

Last year's summer Youth Exchange students send report (they liked their experience so much, they repeated it in 2016)

Kylie Wallace

Kylie Wallace is a senior at Seneca High School in Seneca. This is her account of her short-term exchange experience with MG Nasi from Turin, Italy, during the summer of 2015. Kylie was sponsored by the Rotary Club of Seneca. Their bond is so strong they repeated the exchange in 2016.

I applied to RYE in 2015 because I wanted to travel and be part of the culture I was visiting instead of just a tourist. I wasn't quite sure what to expect. It took a few days for me to adjust and feel comfortable enough to open up more with my exchange family. They have such a big family and I was intimidated by the new culture and family routines. MG and I became closer as we got deeper into the exchange and experienced more together.

Throughout the two months she was here (she extended her stay after the first month was coming to an end) my friends, family, and I showed her many things around South Carolina. She also was able to attend school and became close with many people.

Today I am still very close to MG and my Italian family. This summer (2016) I went to visit them again in Italy for a month and MG came back to stay for a month. I now have friends not only

in the United States but also in Italy and throughout Europe. I have another family on a different continent.

As a result of my exchange, my view of the world has completely changed. I am now so much more aware of the rest of the world. There are so many people, so many cultures, so many countries, but they are all intertwined in some way so that one event may ripple out and affect everyone. I have learned to appreciate my own home and culture while still being able to learn from another culture and appreciate ways of life other than my own.

My exchange has also taught me that although the language you speak may differ from that of another person, you might still think in exactly the same way or enjoy the exact same things. I've learned that language is not such a big barrier and that each culture can learn something from another.

Maria Giulia (MG) Nasi

MG is from Turin, Italy, Rotary D2031. She is 17. English is her second language. This is her account of the short-term Rotary Youth Exchange experience with Kylie Wallace from Seneca in 2015 and repeated as friends in 2016.

My parents were very excited to have Kylie at our house: they made many plans for her. They weren't really worried about her coming or my staying with her in South Carolina because they got to know Kylie's parents by email and Skype before the exchange began. Kylie stayed only 3 weeks and then we both left Italy together so I can see the USA.

I was really excited to see her house, to meet her family and her friends. In the USA we became even closer. I went to the beach with her family, did many things with her friends. I got to attend some classes at her high school which helped me to meet new

people and make many friends.

At the end of the exchange, we weren't strangers anymore. We were sisters and best friends. Today we have a very strong relationship, we know everything about each other. Our friendship is so strong that Kylie returned to Italy this past May (2016) and now I am back in the USA for a second summer.

This year was even better than last year because we weren't exchange students but we were friends who went to visit each other. We both have a very good relationship with our foreign families: we don't call each other's parents with their given names, we call them "mom" and "dad". We are part of

the family. Each of us has two families, one in Italy and one in the USA.

During my two months in the US as an exchange student, I went to many Rotary meetings and to some parties. I got the chance to meet exchange students from all over the world. I am friends with all of them and we still talk and chat via the Internet. I am making plans to visit them and they will come to visit me.

This experience helped me to open my mind about different cultures and different ways of living. Thanks to Rotary, and the relationships I have made with the other exchange students, I am connected to the world.

Wayne Wallace, left, welcomed Jeff Fellers to the club. Jeff is Union County Clemson Extension Office's Area Extension Agent for Cherokee, Newberry, Spartanburg, and Union counties. He assists in conducting the 4H Forestry Clinic and training the state 4H Forestry Team. Jeff has also set up an aquaponic/hydroponic system at the Union office for demonstrations and hands on learning.

Rotarian Annie Smith, right, pinned new Rotarian Greta Bailey during her induction.

Rotarians William Jeter and Letha King were recognized as Paul Harris Fellows.

Club member and Union County Supervisor Frank Hart spoke to the club about the Local Option Sales Tax, the investment and job benefits that will come from the collections.

The Rotary Club of Union financially supported these organizations in its community recently: Union County YMCA, Union County Crime Stoppers, and Union County Meals on Wheels. Pictured from left: Scott Sandor (YMCA), Perry Haney (Crime Stoppers), James Stepp & Lynn Mornane (Meals on Wheels).

Union County High School football coach and athletic director Bradley Adams spoke about his goals and how he plans to make the team successful on and off the field.

The following Rotarians were recognized as Paul Harris Fellows Plus: Pete Diamaduros (+2), Torance Inman (+1), Glenn Ivey (+1), John Baarcke (+1).

Rotary
UNION

2016-17 OFFICERS: Union Club installed their new officers for the 2016-2017 year. From left: Scott Sandor, Director of Fundraising; Buddy Smith, Director of Rotary Foundation; Lynn Mornane, Co-Director of Membership; Glenn Ivey, Co-Director of Membership; Evans Crocker, Sergeant at Arms; Lynne Burnett, Secretary/Treasurer; John Knox, President-Nominee; Annie Smith, President Elect & Director of Public Relations; Torance Inman, President; Robbie Littlejohn - Director of Club Administration.

2016-2017 District Grant Schedule FOR DISTRICT 7750 CLUBS

| | |
|----------------|--|
| August 2016 | Anticipated Distribution of District Grants |
| March 31, 2017 | Deadline for completion of District Grants and filing of final reports |
| April 30, 2017 | Deadline for submitting 2017-18 District Grant Applications |

D7750 has goals set to help finish the job with polio

BY AMELIA NELSON, Rotary Club of Greater Anderson
District Polio Chair

Rotary undertook the challenge of eradicating polio worldwide in the 80s and now we are on the HOME STRETCH.

There are only two countries remaining to be declared polio free, Afghanistan and Pakistan.

Zone 33 Polio Coordinator Rocky Jacobs recently attended a Rotary world polio seminar and gave this report:

“We are now holding surveillance and testing operations along with periodic needed immunization days in approximately 60 countries with a target population of over 400,000 children under the age of 5. Twenty of those countries require heavy monitoring. We are doing very well in Afghanistan and Pakistan and we are hopeful we will have our last active case in those two countries in the next

several months.”

But, as you know, immunization and testing programs will continue for a minimum of three years before a country can be certified polio free by the World Health Organization.

These programs cost money. It is estimated the cost will be \$5.5 billion. And where does the money come from? Rotary’s partners (WHO, CDC, UNICEF and Gates Foundation) and nation states from around the world.

Good news: \$4.2 billion has been raised.

Sad news: we still need \$1.3 billion.

So what is Rotary’s commitment? The Foundation Trustees have committed to \$45 million to be raised for the Foundation’s 100th birthday. In District 7750,

clubs are challenged and encouraged to contribute at least

\$2,650 to PolioPlus in honor of the Centennial year.

The District’s first PolioPlus project will be for each member to donate the cost of a meal to PolioPlus for World Polio Day on October 24. More information will be coming but please consider either giving up a meal to donate that money or enjoy your meal and match the cost by giving to PolioPlus.

Update: 100th anniversary Rotary Foundation bike ride

BY PDG TOM FAULKNER

In June, I shared with you that a 100-mile bike ride is now posted as “Rotary Foundation 100th Year.” on the Ride With GPS website. I encouraged each of you to consider making the ride whenever you wanted to try it or to join me at **7am on October 8** to make the ride. I challenged each of you to contribute or raise at least \$1,000 for the Rotary Foundation in support of your ride.

In preparation for the ride, I shall be doing a 50-mile round trip ride from the Verne Smith Park parking lot to Saluda, NC, at **7am on Saturday, August 20**. This is effectively the first portion of the 100 mile ride. We will stop for brunch at the Sunshine Bakery in Saluda at the halfway point.

At **8am on Saturday, September 10**, I shall be starting the remaining 75-mile stretch beginning at

the Sunshine Bakery in Saluda, NC and finishing the test run at Verne Smith Park. If any of you would like to join me, please call so we can make arrangements to leave your car at Verne Smith Park and to drive you to Saluda for the start of the ride.

For those of you considering this commitment, remember to do at least four practice rides of increasing distance prior to trying the entire 100 mile ride.

I hope that you can either try this idea for Rotary Foundation fundraising or come up with your own plans in conjunction with your individual club to create fundraisers for the Foundation.

Let’s make DG Lance’s year a record setter for Rotary Foundation giving.

THE ROTARY FOUNDATION

The Rotary Foundation 101

FROM DISTRICT FOUNDATION CHAIR LORRAINE ANGELINO

The mission of The Rotary Foundation is to enable Rotary members to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotary members and friends of the Foundation who share its vision of a better world. This support is essential to make possible projects, funded with Foundation grants that bring sustainable improvement to communities in need.

Rotary's top philanthropic priority is Polio eradication. Another priority is Peace Fellowships.

Rotary Foundation grants support Rotarians' efforts to change lives and serve communities. There are two types of grants: District Grants and Global Grants.

All projects, scholars, and vocational training teams funded by global grants work toward specific goals in one or more of the Foundation's six areas of focus: Peace and conflict prevention/resolution, Disease prevention and treatment, Water

and sanitation, Maternal and child health, Basic education and literacy, and Economic and community development.

FOUNDATION FUNDING

Annual Fund-SHARE is the primary source of funding for a broad range of local and international Rotary Foundation activities.

Endowment Fund ensures the long-term viability of the Foundation's grants and programs. Spendable earnings from this endowed fund also enable the Foundation to expand existing activities and occasionally underwrite new ones like the Rotary Peace Centers.

This month I wrote an article that explains The Rotary Foundation at a high level. Each month I will take one topic and give you more information. The majority of the information can be found in The Rotary Foundation Reference Guide - 219-EN-(1015). These Guides are available on shop.rotary.org for \$3 each or you can download the Reference Guides.

Fellowship motorcycle ride brought Rotarians to our area**BY JIM DODMEAD****E-CLUB OF THE CAROLINAS**

The International Fellowship of Motorcycling Rotarians (IFMR) held its Southern Ride in our backyard.

The IFMR North America, Southeastern Director Carlton Pernell conducted this year's summer event in Highlands, NC. IFMR members from as far away as Michigan and Canada attended the event.

On Friday the group was able to ride "The Gauntlet" in northern Georgia, with fellowship at lunch and at the hotel. On Saturday, they toured North and South Carolina roads, with a visit to Nantahala National Park to see the waterfalls, followed by lunch on the shores of Lake Toxaway, NC.

In attendance was a Rotary eClub of the Carolinas founding member, Rotarian Mike Emily and his beautiful Gold Wing trike. Mike has now moved back to the Emerald City club.

Following the International Conference in Atlanta next year, there will be an IFMR ride with global participation, so stay tuned for more details. Information on IFMR North America can be found at <http://www.ifmr-na.org/> or IFMR international at <http://ifmr.org/> Follow us on Facebook at www.facebook.com/rotacyclist.ifmrna
