Greenwood Rotarian makes significant contribution to PolioPlus

Doug Kauffman, serving his second term as president of the Rotary Club of Greenwood, (pictured with DG Lance) made a \$25,000 contribution to PolioPlus during October. The money will be matched two for one by the Bill and Melinda Gates Foundation. Oct. 24 was World Polio Day.

FLASH: DG Lance will contribute 100 recognition points to every D7750 Rotarian who makes at least an online \$100 contribution to The Rotary Foundation-SHARE during November. The match applies only to contributions made online and applied to SHARE.

World Polio Day celebrated in new way by Aiken club; raises \$3,500

For World Polio Day 2016, the Aiken Rotary Club decided to do something it had never done before: It held a Silent Auction to raise funds for PolioPlus.

Club members donated special events like a 9-course meal, historic tours and various baskets of goodies. Bidding began a half hour before the normal meeting start time and concluded 15 minutes after the speaker finished.

Despite the short time-frame, Rotarians were fast with their pens raising bids on a golf foursome and Model A Ford country drive.

Other bidders were pooling resources to buy the Cocktails and History tour and a breakfast at the Racetrack. In the end even those members who were out bid donated to the cause.

In just an hour and 45 minutes the seven items offered raised more than \$3,500 for PolioPlus. Thanks to the Melinda and Bill Gates Foundation those funds will be matched. Rotarians and their commitment to this Polio eradication effort will be well served by the efforts of every Rotary Club worldwide that participated in World Polio Day.

Aiken Rotarian Fred Andrea, a minister, blesses the silent auction table at the club's polio fundraiser!

Rotarians in Aiken were happy to donate their talents to the Silent Auction raising funds for the Rotary Foundation's World Polio Day. Even happier were the successful bidders, who won great items, tours and special events.

THROUGH OCT. 26, WE ARE UP 48 MEMBERS FOR 2016-17.

PDG Carol Burdette to serve as DG again

PDG Carol Burdette, Rotary Club of Anderson, has been selected to replace Rita Yarbrough of Newberry as the District Governor Nominee. Rita had to step down because of health issues in her family. Carol will follow Ed Irick as governor, serving in the 2019-20 year. She previously served in 2008-09.

MEMBERSHIP NOTES

Two signs of a healthy, vibrant club

BY DGE ED IRICK

Rotary Club of Greenville Evening
District Membership Chair

Two indicators of a healthy, vibrant club are meeting attendance and project participation. A club in which members regularly attend meetings and participate in projects emanates a sense of energy that potential members pick up on.

Members who attend regularly connect with other members and find common interests. They begin to have fun being Rotarians, and

this attracts others. People want to be part of an organization that is energized and fostering the ideal of service. People notice the good Rotary does and want to be a part of it.

When you are asked about Rotary, be prepared to tell your personal Rotary story and about your club.

Library Committee meeting

Family reading time

New books from Alliance Francaise

Your 7750 Haiti library project—A time for Thanksgiving

BY SARAH MANSBACH, haitiliteracy@gmail.com

Rotary Club of Pleasantburg

The involvement of District 7750 Rotarians in the library project in Cange, Haiti, since 2011 has had a tremendous result. Together with our Haitian partners, private donations, the Alliance Française's books, Clemson's refurbished computers, our district Rotary funding and the 28 volunteers who went to Haiti to work on the library, we have created the only rural public library in the Central Plateau.

We want to convey special thanks to the Haiti library's original leader Rotary clubs—Anderson, Easley, Greenville, Mauldin, Newberry, Pleasantburg, Spartanburg, North Spartanburg. We are also grateful to members of the E-Club of the Carolinas who live in Haiti, and members and connections to Haitian Rotarians and to Partners in Literacy Haiti's partners and advisors.

Political differences early this year which disrupted our progress have been resolved in Cange and it is once again safe. During the crisis, the library was viewed as

the only safe space where people could meet.

Students consistently access it today from many, often distant villages. It is a great source of pride to students, teachers, and civic leaders, and our library committee. There were no accessible books for any one in the whole region when we started. We now have 3500 books primarily in French and Haitian Creole and 6 computers tied to the intranet.

Our library is admired as a model. We are being asked to explore partnerships by other Haitian communities and schools to create new libraries in the Central Plateau, and this important work again needs renewed attention so please think of us in your club planning.

In September, Rita Yarbrough and I spent a week in the Central Plateau and Port au Prince area meeting new leaders and new potential partners. To learn more, contact Rita Yarbrough at 803.276.1813, or me, 864.414.0875.

STRENGTHEN YOUR CLUB

UPCYCLE *The Rotarian*

BY JOHN KIMBELL

Upcycling is taking an item that is no longer needed or wanted and giving it new life as something that is either useful or creative. This seemingly basic concept has sparked an exciting revolution beginning in the mid 90's.

Let's look at magazines; there are some very creative ideas for making magazine bowls, coasters, folded paper art, and many more that repurpose it rather than going to recycling at the curb every two weeks.

Consider the continuing value of *The Rotarian* which we receive and enlightens us every month. Those magazines, some 2700 per month in our District 7750, have great value in promoting Rotary on the Membership Development front! You can give it new life and added value aligned with our # 1 Priority of adding new members. Here are some easy to implement suggestions:

Personal Level—Give your issue to a friend or prospect with a handwritten note and invite them to Rotary. Ask them to meet you for coffee or lunch to share what Rotary means to you.

Club Level—Place back copies strategically in office waiting areas where potential prospects will have the opportunity to know about Rotary. Add a cover note about your club, meeting day and time and a contact. Consider locations such as banks, real estate offices, title companies and medical offices, Club Level—Have copies at meetings to give to guests and prospects so they can immediately learn more about Rotary and our impact.

The Rotarian is packed with great stories and inspiration. One very fine example is the August 2016 issue with the lead article, *Reasons to Love Rotary Right Now*. Imagine our prospects internalizing the message and wanting to become a part of an organization that has tackled the eradication of a disease, being connected to people who take action, and the good that comes back from making a difference in the local community. These have a great deal to do with why people join and stay in Rotary.

Several clubs and Rotarians have used this no cost tool to promote Rotary with success. Take action today to do the same personally and in your club.

Several clubs and Rotarians have used this no cost tool to promote Rotary with success. Take action today to do the same personally and in your club.

John Kimbell is a member of E Rotary of the Carolinas. He is a member of the District GRAT and Rotary Leadership Institute Committee. His email is jkimbell46@gmail.com.

Aiken Rotary Club and members of St. Paul's Lutheran Church have joined together to make Rotary Readers a success at East Aiken Elementary School for the Arts.

Rotary Reader program achieves Aiken school district recognition

BY JANE PAGE THOMPSON
Rotary Club of Aiken

The Rotary Club of Aiken is in its 4th year of Rotary Readers, a literacy initiative partnering Rotarians with students at East Aiken Elementary School.

The Aiken County Rotary clubs participate in a school district wide Dictionary project where every 3rd grader in Aiken County receives their very own dictionary. Aiken Rotary Club was so inspired by that project that Joe Shields and Sharon Rogers added a reading program to the Club Literacy agenda 4 years ago and it has grown to 67 Rotarian readers reading weekly to over 200 students.

Beyond the program's success in participation is its results from beginning of the year testing to end of the year testing. The Pre-Kindergarten group entered the year with all students below the reading level by the end of the school year 31% were exceeding their reading targets. At the start of the program in 2012, only 19% of the students in this Title One school were meeting their monthly reading targets and by the end of the 3rd year, 68% of those students were

exceeding those targets. During last years program, the East Aiken students read over 31,000 books.

"These outstanding reading achievements are a result of many hours of hard work by our students and the ongoing dedication and service of our Rotary partners," stated Superintendent Sean Alford.

Aiken Rotary Club has recruited community members from area churches and members' spouses to also be involved in this growing and impactful program; which hopes to not only improve the reading levels of the students, but most importantly continue to build goodwill between the Rotarians and their reading buddies.

South Carolina Senator & Rotarian, Tom Young delivers dictionaries to 3rd graders at St. Mary's School.

Past President, Bill Tucker reads with his Rotary Reader buddies at East Aiken.

Clover Interact helps its sponsoring Rotary clubs with projects —and gives each a check for polio

↑ Clover Interact Club sent members to assist the Lake Wylie Rotary Club with its Adopt A Stream Project on Crowder's Creek Oct. 17. Together the two clubs pulled a full sized pick up truck full of debris out of the stream in a two-hour period.

→ On Saturday, Oct. 22 Clover Interact provided volunteers to assist the Clover Rotary Club with its annual Mummy Shuffle 5K Fun Run. Interact members also ran a "purple pinkie" booth to raise money for Polio Prevention during the event.

Since World Polio Day fell on Oct. 24, the Clover Interact Club chose Tuesday, Oct 25 and Wednesday, Oct. 26 for members to visit both of its sponsoring Rotary clubs—Clover and Lake Wylie—to present giant checks for \$303 each for Polio Prevention. These funds were raised in September by distributing "End Polio Now" stickers at home varsity football games.

Clover High School
Interact
Sponsored by Rotary Clubs
of Lake Wylie and Clover

→ The Pleasantburg Rotary Club had a busy October with two service projects. The Adopt A Highway cleanup on Stone Avenue had a great turnout including our Youth Exchange student from Germany, Justus Junge, and his host family Tracy Tiddy (Club member), husband Jeff, and daughter Sara. Many hands made short work of the trash pickup after an enjoyable breakfast at Tommy's Ham House.

← After an appeal by Harvest Hope Food Bank, Pleasantburg Rotary decided to partner with its two Interact clubs from Southside High School and St. Joseph's Catholic School in a spur of the moment food drive. The club collected a pickup truck of food and recommended items. Harvest Hope was excited to receive the donation at a time of the year when many tend to forget about the year around needs. Donnie Lasenbery and Bill McCann dropped off the donations at Harvest Hope.

Greenville Evening ROCKING the first quarter

BY JESSICA ST. CLAIR SMITH

The Rotary Club of Greenville Evening had a wonderful first quarter and a mighty busy start to the year. Here are some great events we've been privileged to participate in over the last few months:

HABITAT FOR HUMANITY BUILD

Our club participated in a Habitat for Humanity build in West Greenville on September 17. After a brief safety discussion, the sounds of hammers, saws, and voices floated through the air in a cacophony of progress.

By the end of the morning session, the trusses were up, and the plywood box on a slab of concrete had started to look more like what it will eventually become: a house for a family in our community.

With a great turnout of nine members, the morning's project went incredibly quickly and was a lot of fun.

MAULDIN MIRACLE LEAGUE

Our club volunteered with the Mauldin Miracle League on October 15 during one of their Saturday morning games. Members were involved in various ways: helping players around the bases, cheering from the sidelines with pom-poms, and contributing to the fun, relaxed atmosphere of the game.

OTHER NOTABLES:

- Induction of 6 new members
- Blood Drive with The Blood Connection partnering with our friends at the Rotary Club of

Greenville and the Rotary Club of Pleasantburg

- Participation in the Really Big, Really Great, Really Cheap Book Sale
- The knighting of more little Knights at Cashion Elementary
- A great night at Habitat for Humanity's Ruby Slipper Dinner.

Spartanburg dedicates clock to culminate its centennial year

The Rotary Club of Spartanburg dedicated a Rotary Centennial Clock on September 13, with an inscription of the Rotary 4-Way Test at the bottom in recognition of its 100 years as a club. The event was well attended by many in the community. Spartanburg mayor Junie White thanked the club for such a beautiful gift for the downtown area.

The club since its beginning as served its city. Each year, members donate more than \$80,000 and countless hours of community service which includes:

- Piedmont Interstate Science Fair (since 1954). More than 800 students from six counties participated. We send the winner to the nationals.
- Spartanburg Sings: A county

wide chorus brings students from six school districts together for a weekend. .

- Salvation Army: Dozens of our members ring the bell on two weekends in December;
- Rotary Reader: Twice a year dozens of our members read to elementary school children explaining how our occupations require reading;
- International: We provide water filters for a village in Peru;
- \$30,000 + in Youth at Risk grants donated annually to youth serving organizations;
- Scholarships for local students attending local colleges: Three \$2500 Scholarships were given out in 2015

The Four-Way Test surrounds the base of the clock that was erected in honor of the club's 100th anniversary. Spartanburg was chartered April 1, 1916. The marker reads: May this landmark serve as a reminder of the club's dedication to the city of Spartanburg and Rotary International's commitment to Service Above Self, the Object of Rotary and the Four-Way Test.

DG Lance presented the Governor of Excellence awards in Union to President Torance Inman, President Elect/Public Relations Annie Smith, and Membership Chair Glenn Ivey. The criteria of the Governor of Excellence pin is (1) induct a new member (2) organize a service project (3) give to the Foundation.

DG Lance recognized Lynne Burnett for her work as a long time Secretary and Treasurer by presenting her with a Rotary Challenge Coin.

Mike Cassels welcomed Union Carnegie's Library Director, Rieta Drinkwine, to the club. Rieta spoke about the various community projects that the library offers and the fundraising campaign that will help restorations and additions to the library.

Freddie Gault welcomed US Representative Mick Mulvaney to Union. He spoke about how our national debt is a major issue and also entertained the club with some of his stories. Freddie is the District Congressional Liaison for Rep. Mulvaney. Also present was Al Simpson, Rep. Mulvaney's Chief of Staff.

Beth Belue asked Rotarian & USC Union dean John Catalano to speak to the club about the updates at the University of South Carolina Union. John revealed plans for future housing, athletic programs, and the growing enrollment.

Rotary MONEY SMART needed now more than ever

BY BRIAN MCKAY bmckay@sctelcofcu.org

Chair – Greenville Rotary Money Smart

Consider the following facts about American household financial health:

- In July 2016, homeownership in the US dropped to its lowest level since 1965. (Bloomberg)
- 30% of Americans have poor credit – defined as credit scores of below 600. (Experian Study)
- Consumers in the US hold more than \$1.3 Trillion in student loan debt and the average Class of 2016 graduate will carry over \$37,000 when they leave school.
- Perhaps most startling, 46% of Americans could not cover a \$400 emergency expense from savings. (Federal Reserve)

As Rotarians, we have the tools needed to help people improve their financial lives through Money Smart. Money Smart is an FDIC program geared towards basic financial education. The 11-module program details the basics of borrowing, responsible credit card usage, home ownership, and much more.

For the 2016-2017 Rotary year, the Rotary Club of Greenville is taking a unique approach to teaching Money Smart in our community. We are partner-

ing with non-profits in our area to incorporate the program into their ongoing education programs. For instance, beginning in January, Rotarians will be teaching the 11 modules over 22 weeks as a part of Serenity Place's "Life Skills" classes. Serenity Place is a residential treatment center for pregnant women, young mothers, and their preschool-age children. Admittance priority is given to pregnant, intravenous drug users. Residential treatment is intensive, for a minimum of 50 hours per week, and daily life is structured with a focus on parenting and positive family and independent living skills.

Our committee is also in talks with other non-profits including NASHA and Habitat for Humanity of Greenville County.

My sincere thanks to the other members of the Money Smart Committee—Jessica Baker and Brenda McKay—for embracing this new direction and for their tireless work in reaching out to potential partners.

We are excited about the direction of Money Smart and the impact this financial education can have on our local communities.

Senior members

Daniel Harshaw

A decked-out DG visits York

As usual at his visits, DG Lance Young was well-dressed in Rotary embroidery insignia trousers with red Converse All Stars, low top tennis shoes which reflected the current group of District Governors motto as DG All Stars when he visited the Rotary Club of York. Lance informed the group of his focus on growing Rotary clubs with new members and Polio Plus. At the meeting Lance recognized Senior Club members Joe Johnson, Bill Fischer, and Bob Williams. He presented Craig Hazlewood with the Governor's Excellence Award and gave president Daniel Harshaw this year's Rotary flag.

Students earn GED, certification thanks to Rotary scholarships

BY JUDITH PRINCE
District Literacy Chair

Two of the recent GED graduates in Greenville have Rotary to thank for the scholarships that made it possible for them to change their lives.

Every important social issue is impacted by low literacy. Children of parents with low literacy skills have a 72% chance of being at the lowest reading levels themselves. Forty-three percent of adults with the lowest literacy levels live in poverty. Seventy-five percent of state prison inmates did not complete high school or can be classified as low literate.

Rotarians working with local literacy associations are partners in changing lives through literacy. Jermaine Johnson and Magaly Corredor Mitchell have made progress toward a brighter future through literacy because of a partnership between Greenville Literacy Association (GLA) and 10 Rotary Clubs in the Greenville area in the Rotary Partnership for Literacy.

"I made a decision at the early part of last year to make a change in my life from the job that I was on for eleven years to try to better my life for me and my children," said Jermaine Johnson. "Getting my GED was the first and most important step. With that I have also achieved several certifications. Because of this, I have started a

new job making the kind of salary that I have been dreaming of. If you truly want something in life you have to go after it with determination."

Jermaine passed the GED test, and, on September 20, he graduated with a high school equivalency diploma at a ceremony held by GLA. During that ceremony, Jermaine gave special thanks to the

back on and keep riding until we reach our destination."

Jermaine has a new job as a CNC Operator at GE Aviation.

Two years ago, Magaly Corredor Mitchell, a native of Bogota, Colombia, set for herself the goal of improving her English, and integrating herself fully into American society. She enrolled in English as a Second Language classes being

offered by the Greenville Literacy Association. Magaly received a Rotary scholarship from the Rotary Partnership for Literacy to study Medical Interpretation at Quick Jobs for the Future at GTC. The Medical Interpretation course covers the Code of Ethics in Interpretation, medical terminology, and prepares students to become Board Certified. Magaly has been hired to serve as an interpreter in legal cases for a local law firm, and she just completed her third bilingual law firm website translation.

Magaly is now volunteering at a local clinic whose patients need a trained Medical Interpreter.

Steve Hand, Director of Quick Jobs, Greenville Technical College; Jermaine Johnson, CNC Operator for GE Aviation; Magaly Mitchell, Interpreter; Judith Prince, Rotary District 7750 Literacy Chair.

Rotary clubs for making it possible for him to receive a scholarship to take the GED tests and a scholarship to Quick Jobs with a Future to learn to be a CNC Operator.

Jermaine said, "Rotary is the major factor that helped me by putting this great opportunity out there so that those of us who have 'fallen off the wagon' along the way have an option to get

To learn more about how Rotarians can change lives through literacy, contact Judith S. Prince, Literacy Chair, at (864) 561-2577 or jprince@uscupstate.edu.

RI Council on Legislation/Council on Resolution Nomination(s)

Nominations are being accepted until Dec. 31 for the 7750 representative to the next Council on Legislation/Council on Resolutions.

ONE MUST BE A PAST DISTRICT GOVERNOR TO SERVE.

Every three years, Rotarians meet at the COL to review and vote on proposed changes to the legislation that governs Rotary. They consider enactments, which change Rotary's governing documents, and position statements by the RI Board. The COR meets online every year to vote on proposed resolutions, which express opinions and make recommendations to the Board.

Each Rotary district chooses a representative and alternate for a three-year term. These members

represent their districts at all three meetings of the COR and at the COL during their term.

The term of the person elected begins July 1, 2017, and continues through June 30, 2020. The representatives will participate in the 2017, 2018, and 2019 COR and the 2019 COL

The District 7750 Policy Manual defines the COL Nominating Committee as the "Immediate Past Representative to the COL, if available, and the five most recent Past District Governors of District 7750 who are members of a club in the district and who are willing to serve. The chairperson shall be the immediate past representative to the COL."

7750's immediate past COL

representative is PDG Rich Waugh. His e-mail address is: rawaugh317@bellsouth.net

"Each club can submit the name(s) of a Past District Governor(s) for consideration by the Nominating Committee for District Representation to the COL (and COR), The Nominating Committee will make the final selection of the representative to the Council of Legislation/Council on Resolution. No person on this committee may be nominated as the representative or alternate.

The Nominating Committee's selection will be announced at the All Club Conference on Feb. 4, 2017. Nominations are due to PDG Rich Waugh, rawaugh317@bellsouth.net, by Jan. 1, 2017.

Two Interact clubs chartered in October

One Interact club in our district was rechartered and another chartered for the first time in October. The Interact Club of Fox Creek High School is sponsored by the Rotary Club of North Augusta and has been active since 2006. Due to a record-keeping situation, the charter was just re-issued.

The Interact Club of Byrnes High School in Spartanburg is sponsored by the Rotary Club of Spartan West.

Congratulations to these Interact and Rotary clubs for their continued work in their communities.

NOVEMBER IS ROTARY FOUNDATION MONTH

Let's celebrate **100** years; plan something special at your club

(See History of The Rotary Foundation Powerpoint on the Centennial Website)

The Rotary Foundation is a primary source of funding for Rotary's humanitarian activities, from clubs' and districts' local service projects to global initiatives. It also leads Rotary's ongoing effort to eradicate polio worldwide.

Our Foundation is able to achieve its mission through the generous contributions and active participation of Rotarians and friends of Rotary.

In 2016-17, The Rotary Foundation celebrates its 100th anniversary, ending with a celebration at the 2017 convention in Atlanta.

All Rotarians are invited to join in this year of celebration. Clubs can organize centennial events to share our Foundation's many successes with their communities. You can also continue the Foundation's tradition of Doing Good in the World by supporting and participating in global and district grant projects. Or you can honor the Foundation's history by contributing to the Annual Fund, the Endowment Fund, the PolioPlus Fund, or the Rotary Peace Centers.

In 1917, the seeds of the Foundation were planted with a call to action from the Rotary president and a contribution of \$26.50. Today, The Rotary Foundation has \$1 billion in assets and an impressive record of improving millions of lives.

Our Foundation has come a long way from Arch Klumph's speech in 1913 that led to the founding of the Foundation in 1917.

Initially, the fund was "to be made up of contributions from clubs, individuals, estates and other sources." The fund's principal was to remain intact, with only the interest used to further Rotary's goals.

In 1930, the Foundation made its first grant, \$500 to the International Society for Crippled Children, now known as Easter Seals. .

The Foundation's assets grew slowly over its first 30 years. At the end of the 1947-48 Rotary year, it had received only about \$2 million in contributions since 1917. Today, the Foundation's assets stand at more

than \$1 billion. What led to such a remarkable increase in donations?

It began in 1947, when Rotary founder Paul Harris died after a prolonged illness. Rotary established a special fund for the contributions that flooded headquarters as news of Paul's death spread.

In just 18 months, the Foundation received \$1.3 million. Contributions continued to increase over the years, and they first topped \$1 million in a single year in 1965.

The Foundation understands that its capacity to do good in the world relies not only on countless volunteer hours, but also on its contributors. It aims to show its appreciation of donors' generosity by using its funds well and responsibly. It also honors donors with several forms of recognition.

The Foundation's Trustees provide scrupulous oversight, and the global network of volunteers and technical experts who carry out and monitor Foundation grant projects practice the highest ethical standards, ensuring that volunteers' and contributors' investments of time and money are put to good use. This excellent stewardship is recognized by organizations that rate charities; they regularly give The Rotary Foundation high marks for its efficient use of contributions.

Thank you to all the Rotarians and friends of Rotary that have contributed time and money to The Rotary Foundation. The best part about volunteering on Rotary projects is being able to work together to make the world a better place; "Doing Good in the World."

November is Foundation month. Plan a Birthday party, a special service project, a Foundation program, and invite your friends and potential new members. Be sure to send some pictures and an article to your local newspaper telling others how you celebrated Foundation month.

Rotary

Nigeria vaccinates more than 28.8 million children in outbreak response

BY AMELIA NELSON
District Polio Chair

Having just celebrated World Polio Day, it is important to remember how far we have come and how we are fighting the wild polio virus outbreak in Nigeria after it was polio free with no reported cases from July 2014 to August 2016. Although there have been 4 new cases since August 2016, Nigeria feels it has cause to celebrate the success thus far with parades and other events. WHY? To raise awareness and remind us of the need to continue to raise funds for eradicating polio. We must also remember that Rotary's motto is Service Above Self with service to humanity as one of our six areas of focus.

Boniface Igomu, National Program Coordinator, Nigeria National PolioPlus Committee (NNPPC) said: "Currently in Nigeria, efforts to ensure the containment of the cases and prevent further spread of Wild Polio-Virus to other states, includes a robust outbreak response plan developed by the National Emergency Operations Centre. For the nationwide response, 56,363,618 children are to be vaccinated between October and November 2016. In all, about two hundred million doses of polio vaccines are needed to fully implement the outbreak response planned in Nigeria alone."

We also need to understand other factors that may have helped the resurgence of polio in Nigeria. There are difficulties administering the polio vaccine and the living conditions in general. One story taken from the October

2016 PolioStop Newsletter reads:

"Hauwa Alhaji lived near General Hospital in Bama when she gave birth to her daughter Umami. Boko Haram terrorists controlled the town and everything within it, including her food ration. 'There was no food. I ate once in two days,'"

Rotary continues to fundraise and advocate for a polio free world as we work in 60 countries with a population of over 400 million children using 150,000 health workers on a daily basis to END POLIO NOW!

CHALLENGE: For November Foundation Month, would you give at least **\$26.50** to the Foundation-PolioPlus? The amount of \$26.50 was the first contribution to the Foundation in 1917. Since then millions have been given which has transformed millions of lives around the globe.

**END
POLIO
NOW**

District received membership, PI awards at Zone Institute

District 7750 received the Zone 33/34 Membership Award from Past RI Director Robert Hall.

The district also received two public image awards; one for having the second highest number of clubs earn the Zone 33 Public Image Citation and one presented to the Clover Interact Club for having the most Rollin' With Rotary views for a video done a year ago by Josh, a special needs student who is an active member of Interact.

The awards were presented at the Zones 33-34 Institute in Charlotte.

Pictured: DG Lance Young, past director Robert Hall and IPDG Terry Weaver.

ALL-CLUB CONFERENCE FOUNDATION DINNER PRE-PETS Feb. 3-4 Greenville

Rotary Fellowship bring like-minded people together

Rotary Fellowships are groups of like-minded people, their partners and Rotaractors who join together to further vocational and recreational goals with like minded people.

Do you like chess, cooking, drinking beer, bird watching, antiques, cycling, antique autos, dolls, playing checkers, wine tasting, Home Exchange or Italian Culture?

Or are you a lawyer, magician, Honorary Consul, or are you a PDG, photographer or scuba diver? If so, Rotary has a fellowship for you.

Fellowships contribute to world peace and understanding; a primary objective of Rotary. Make new friends, explore new opportunities and enhance your membership in Rotary today.

To learn more, Google Rotary Fellowships and contact me to speak at your club.

2017 ATLANTA CONVENTION

We're having a birthday party and you are invited

BY PDG RICH WAUGH

The Rotary Foundation will be 100 years old in 2017 and Rotarians from around the world will gather to celebrate in Atlanta from June 10 to 14. RIP John Germ would like you and your families to part of that celebration which could be the largest Rotary Convention ever held any time, anywhere!

The plenary sessions will feature world-renown speakers thanking Rotary for 100 years of "Doing Good In The World". We also hope to be able to announce the eradication of Polio in the last two countries of the world.

Some of the Host Committee attractions are:

- A 3K walk/run for peace
- A festive evening of Bluegrass music, Jeans and Bar-B-Que
- The feature film "Gone With The Wind" to be

shown at the Fox Theater

- A "Polio" tour of the Center for Disease Control (CDC)
- A candlelight vigil to end slavery and human trafficking.

The cost of this party is a \$340 registration fee, good until December 15.

So far we have 160 District 7750 Rotarians and partners signed up with 24,000+ attendees registered from around the world. You really need to be there to appreciate the global influence of ROTARY INTERNATIONAL!

For more information log onto: www.rotaryconvention2017.org/video/on-to-atlanta.

Or contact PDG Rich Waugh at 803-640-3171 or rawaugh317@bellsouth.net.
