District Governor  
Nominee  
Designate, to  
serve the district  
in 2019-2020.

## Greenville Swamp Rabbits hockey game for polio is Jan. 15

By **Tim Rankin**

**Swamp Rabbit Director of Corporate Partnership  
Rotary Club of Greenville Evening**

The Swamp Rabbit Hockey team joins D7750 to raise money for Polio-Plus. The game (vs Tulsa) will be on Sunday, Jan. 15 at 3 p.m.

Here is how you sign up to purchase the tickets for the polio fundraiser. **In order for the Polio Fund to receive \$5 per ticket sold, the ticket must be purchased through this link:** <https://www.swamprabbits.com/shop/rotary/>

The Swamp Rabbits are extending

a one-hour skate with players after the game for any ticket purchasers using the link above. There is a \$3 fee for skate rental but no fee to skate. This is open to children and adults. All seats will be together in section 119 of the Bon Secours Wellness Arena in Greenville.

I am counting on you to bring your family and join me on Sunday, Jan. 15 for the game.

## Questions?

Contact Tim at

## Two-day All Club Conference first weekend in February

Now that the New Year is here, register for the District 7750 All Club Conference Feb. 3-4 at the Marriott in Greenville.

This year's two day event will have great speakers including the great grandson of Sir Winston Churchill, Jonathan Sandys, and Kathryn Smith, Author of *The Gatekeeper: Missy LeHand, FDR, and the Untold Story of*

*the Partnership That Defined a Presidency.*

**In addition we will enjoy the Foundation dinner, the Governor's Banquet, a silent auction and informative breakout sessions** which will help you in both Rotary and your personal/professional life.

Remember, all Presidents-nominee and Presidents-

Elect, Pre-PETS training will be done at this conference.

For more information and to register, visit <http://www.rotary7750.org/Conference2017.html>.

To get up-to-date information about the 2017 All Club Conference, follow us on Facebook.

[Click here](#) to donate silent auction items to benefit PolioPlus.

**THROUGH DEC. 30, WE ARE UP 69 MEMBERS FOR 2016-17.**

# Conduct a blood drive in your community in first two months of 2017

To help our local communities become more aware of what Rotary is doing, we would like the 53 clubs in D-7750 to host a blood drive in their community for the 2017 Rotary Has Heart Zone 33 project.

**THE PLAN:** One club or several clubs in an area set up a blood drive with a bloodmobile or commit donors to donate at blood donation center.

**WHEN:** January or February.

**WHERE:** The most convenient place for members, friends and neighbors to donate.

**WHY:** Because one pint of blood can help save the lives of three people. An adult has 10 pints of blood and can donate every 56 days, platelets every 7 days and plasma every 28 days...Because Rotarians are service oriented, giving back to their communities and around the world.

**HOW:** Form a committee to 1. Find out who collects blood in your area. 2. Contact the donation center and explain that you are interested in sponsoring a blood drive and would like to speak with a representative.

**FIND OUT:** How many donors are needed for a bloodmobile to come to a location. What dates are available? Are there walk-in times at their donation centers? Please have the requirements explained.

**IMPORTANT FOR THE COMMITTEE:** If your club is small, ask another club or several clubs to help make the blood drive successful. Recruit family members, local business associates, neighbors, church friends, the mail carrier, even high school students (must be 17 and weigh 110 pounds).

## TO BE SUCCESSFUL:

1. Reach out to the local newspapers, print flyers, contact radio and TV stations. Get the word out and who to contact for sign ups.
2. Get the sign ups. (the commitment!). Get more than needed, because someone might not be able to donate that day.
3. Send or call donor to remind them. Ask them to drink plenty of water and eat a hearty meal before donating.
4. If possible, be on site for the donations. You are the cheering squad! Thank the donor, maybe give them a little thank you token for their donation.
5. If the donor cannot donate on the scheduled date, perhaps an appointment at the donation center would work better.
6. Have Rotary signage with your club's name and the Rotary Has Heart logo in multiple places. at the site so donors know Rotary is responsible.

# STRENGTHEN YOUR CLUB

## Exit interview or membership engagement?

BY JOHN KIMBELL

This month's feature article in *The Rotarian*, Exit Interview, with UN Secretary General Ban Ki-moon is a good read with a leader whose priorities are aligned with Rotary and our impact. This is a very positive exit interview.

But what about Rotary club exit interviews? They can be informative, even helpful, when members leave a club, but is there a better alternative? Simply put, YES! Take action with a membership engagement interview or survey as a means to tuning in to all members and strengthening the club. Vibrant clubs perform well with intentional growth strategies. So strengthening the local club is essential.

Why not ask the member engagement questions long before you ask the exit interview questions?

There are a lot of resources available to chart a course for moving from good to great and assuring a stronger more vibrant club. One excellent publication is *Be a Vibrant Club*, 245EN-A(414). It covers best practices and a blue print for action by leadership and members.

As we begin 2017, a great resolution is to be intentional and proactive about engaging members and strengthening your local Rotary club. It is a lot more fun, and guess what? It builds good will and better friendships, is beneficial and fair to all concerned. And it's the Truth.

### Example question alternatives

Here's a sample from 18 questions from each type of interview:

Exit	What was most satisfying about your Rotary membership? , or
Engagement	What is most satisfying about your Rotary membership?
Exit	Did this club help you fulfill your service goals? , or
Engagement	What are your service goals and how can we help you meet those?
Exit	What would you improve to make our club better? , or
Engagement	How can we make our club better?

The entire side by side comparison of 18 questions can be found at: [www.rotary6950.org/docs/membership/RotaryMemberExitInterviewQuestions.pdf](http://www.rotary6950.org/docs/membership/RotaryMemberExitInterviewQuestions.pdf)

*John Kimbell is a member of Greenville Evening Rotary. He is a member of the District Grow Rotary Action Team and serves as faculty in the Rotary Leadership Institute. His email is [jkimbell46@gmail.com](mailto:jkimbell46@gmail.com).*

The Rotary Club of Spartanburg enjoyed its annual holiday party at the Piedmont Club.

# STRENGTHEN YOUR CLUB

## MEMBERSHIP NOTES

### WHAT IS ROTARY?

BY DGE ED IRICK

Rotary Cub of Greenville Evening  
District Membership Chair

Have you ever been asked, "What is Rotary?" Your answer just may be the one thing that drives the questioner to want to learn more. It is incumbent upon each of us to provide an answer that potentially leads to an individual joining Rotary.

A worksheet prepared by RI provides some examples of answers and, also, a format to help prepare your own answer. [Click here:](#) What is Rotary and scroll down to What Will You Say When You're Asked, What is Rotary? Take a few minutes to organize your thoughts and prepare an answer. You will find this time well spent and who knows you may even snag a new member or two for Rotary.

## Corporate membership and new membership types

Are you interested in offering new membership types in your club? Robert Fisher, of the Rotary Club of Melbourne, Victoria, Australia, recently described his experience with corporate memberships. [Learn how](#) his club applied this new flexibility to increase membership.

Here's what clubs need to know about corporate memberships and other new membership types:

- Clubs are free to offer alternative memberships of any kind. For corporate memberships, clubs count individuals as members, not the corporations that sponsor them.
- If corporate members pay RI dues, they will be included in their club's official membership count and receive all the benefits that other active, dues-paying members enjoy.
- Clubs can have special policies for these members' other financial obligations (club and district dues, meal costs, etc.), attendance requirements, or service expectations, as long as the club bylaws reflect these policies.

Learn more about new options for [club flexibility](#).

## Lance helps celebrate Columbia's 100th

Rotary International president John Germ waves to the crowd at the the 100th anniversary of the Rotary Club of Columbia on on Dec. 9. Germ was the keynote speaker. Also pictured is 7770 DG Sandee Brooks, standing just behind Lance. The Columbia Rotary Club was sponsored by the Rotary Club of Greenville, which celebrated its 100th birthday earlier this year..

The ribbon cutting on the Doodle Trail, 9/13/16.

*THE DOODLE TRAIL is a 7.5 mile rails-to-trails partnership between the City of Easley and the City of Pickens. It opened Memorial Day Weekend 2015. The multi-use trail is open from dawn to dusk for biking, walking, running and rollerblading.*

## 2 Rotary clubs + 1 shared vision = **ROTARY REST STOP** on the DOODLE TRAIL

BY CATHY GOLSON, Assistant Governor &  
LINDA CASSELL, District Treasurer

What happens when two Rotarians sit together at a District Conference?

Several years ago District Treasurer Linda Cassell from Pickens Rotary Club and Jonathan Strange, 2014-15 president of the Easley club were sitting together at the District Conference in Dillard, Georgia. They discussed how wonderful it would be to do a joint club project. They discussed the Doodle Trail but thought it was too far in the future.

After the conference, they learned that the cities of Pickens and Easley were moving quickly and hoped to complete the trail in the spring of 2015.

Linda and Jonathan decided a rest stop near the middle of the trail would be a great idea. Both cities

agreed and locations were researched.

A location was found on property that was owned by Alice Manufacturing. The company agreed to give a recreational easement to build the park. Now serious planning began.

Both Pickens and Easley clubs applied for District Grants. The grant criteria was "to promote health and wellness in your community."

Both clubs received their grants which meant they had to match the grant money dollar for dollar. Easley raised their money from several projects. Pickens raised their match money by hosting the 2015 "Ride to the Rock."

Easley president Lucas Durham donated this rock and had it engraved with the Rotary emblem to mark the Rotary rest stop. With him is District Treasurer Linda Cassell, member of the Pickens club.

**Rotary**  
PICKENS, EASLEY 

More, next page

## Rotary rest stop—

The 2016 Ride to the Rock funds will be used for further enhancements to the Doodle Trail.

Once the clubs had funding, a committee was formed with members from both Pickens and Easley clubs. The committee **worked to** arrange the needed materials, contractors and volunteers.

Blake Sanders with Alta Planning and Design drafted the master plan for the rest stop.

Larry Martin and Alice Manufacturing gave the easement.

The cities of Pickens and Easley laid the culvert, provided materials for the fencing and hauled trash from the site.

Once the concrete was finished, Easley president Lucas Durham, owner of Landscape Perceptions, brought his equipment to

Kiosk map of trail at the Rotary Park

prepare the ground for the Rotarian Work Day. Twenty Rotarians laid pine needles, planted the trees, installed the benches and put up the fence.

Jamie Gravely and the Pickens Recreation Department loaned a water tank to keep the trees watered and alive through this past hot summer.

Linda and husband Milledge Cassell trucked this water tank back and forth to hand water these

Sign of both clubs participating.

trees.

Rotarians John McKenzie assembled the benches, Bruce Evilsizor and Milledge Cassell built the kiosk, and Phil Greer stained the kiosk.

The Ribbon Cutting in September was a memorable event with dignitaries, Rotarians, Mayors, & residents attending. Past Senator Larry Martin announced, "Our communities are blessed with the presence of Rotary Clubs."

## Ducks reign at Greenville Christmas Parade

BY REBECCA EVANS, Membership Chair  
Rotary Club of Greenville Evening

The Greenville Evening Rotary participated in the Greenville Poinsettia Christmas Parade on Saturday, Dec. 3. It was a chilly night with rain in the forecast but at County Square where the marching bands, dancers, dogs with lighted vests, roller skaters, small floats, large floats and even larger floats there was an air of expectancy.

As dusk began to settle in, the lights on the floats were turned on and the sound checks were made of the Christmas CDs and the bands were tuning up.

This year our theme was, "Santa's Favorite Duck Elves". We had a float with a yellow skirt and lighted garland, lighted Christmas tree with yellow duck swags, beauti-

fully wrapped packages of all sizes with Rotary wheels on some. Two large yellow plush ducks wearing their elf hats sat in the back of the float.

Our marching team was wearing red/green elf tunics, elf hats, carrying bells and the best part... wearing Orange Duck Feet over their shoes. It was wonderfully hilarious. Most of the adults and children along the parade route, pointed and clapped and some quacked.

Our club is known for the Reedy River Duck Derby so ducks are our thing. Of course, Shades, our really big duck mascot, was received with great hoots and hollers. We all waved and rang the bells and had the best time.

All too soon we were at the end of the parade route and drops of rain were beginning to fall. Just in time we were off to our cars for the drive home hoping the magic would last the whole month of December.

### Laurens brings holiday cheer to Head Start kids

The Laurens Rotary Club brought some holiday cheer to the kindergartens at Gleams Head Start as they read "The Night Before Christmas." Laurens Rotarians Pictured from left to right: James Yarbrough, Patricia Craine, Edith Davis, Amanda Munyan, Herb Adams, and Phillip Bettete

### Laurens collects magazines for nursing home

The Laurens Rotary Club implemented a community service project to collect and distribute used magazines to a nursing home in the area. They donated 183 magazines to the residents of National Health Care in Laurens. Pictured is Nikki Stone from the activities department of NHC and club president-elect Jaselyn Jennings.

### New members at Golden Corner

Don Lesley, left, president of the Rotary Club of Seneca Golden Corner, recently led the induction of two new club members. Carrol Carlisle, right, executive director of Keowee Place on Rochester Highway, and Tim Tompkins, community and care director of Keowee Place, are the club's newest members. Pictured, from left, are Don, Jon Adams, the new members' sponsor, Tim and Carroll.

## Union takes on DG challenge to organize service project:

### LITTLE FREE LIBRARY

DG Lance Young challenged Rotarians to take on his Governor of Excellence Award and many Rotarians took him up on the task. A Rotarian must induct a new member, organize a service project and give to the Rotary Foundation in order to be presented the award.

President-Elect/Public Relations Director for the Rotary Club of Union, Annie Smith decided her community service project would be to build a Little Free Library next to the gazebo at USC Union where she works. USC Union is in the process of improving their campus with landscaping, student housing, a Student Center Courtyard, and Patron's Park. The gazebo has recently been renovated with a new roof, additional entrances and sidewalks, and is used by the public during the week.

Smith states that she asked her boyfriend, Ken Branham, to help her build the Little Free Library because she wanted it to last and look amazing...plus she didn't want to lose any fingers to the table saw. "Ken is incredible when it comes to building whatever. He built our chicken coop at home and it is like the Taj Mahal of all coops. We both hope that many people in the community will use and share books through this little library."

The Little Free Library's motto is "Take a Book, Return a Book". It belongs to everyone in the public and offers a way to share good books and inspire reading. (Pictured: Annie Smith and Ken Branham)

The Rotary Club of Union inducted two new members during December. Bill Graham pinned Sean Pantin, owner of Tire & Auto Service Center, and Wayne Wallace pinned Tucker Mabry, Union branch manager at Founders Federal Credit Union, during their induction by New Member Chair Glenn Ivey. (Pictured: Bill Graham, Sean Patin, Tucker Mabry, Wayne Wallace, Glenn Ivey)

Rotarian John Gregory introduced Lori Dochterman (Advisor to the ASB JBD) and members of Arthur State Bank Junior Board of Directors to the club. The JBD talked about their fund raising projects and their community service project SPARK (Share & PRomote Acts of Random Kindness). They encouraged everyone to make an impact in the lives of others by a simple gesture of kindness each day. (Pictured: John Gregory, Bryan Good, Jack James, Lori Dochterman)

## CART recipient has review published in *Science* journal

The November 25, 2016, issue of the journal *Science* explores the bodies' internal timepieces that drive daily rhythms and influence health (circadian rhythms). Featured Reviews focus on the impact of circadian rhythms and sleep cycles on fitness, metabolism, the immune system, and neurodegeneration, what *Science* calls "circadian physiology".

The impact of circadian rhythms on the degeneration of brain neurons in Alzheimer's disease is the specialty of Erik Musiek, Washington University in St. Louis School of Medicine. Erick received a 2015 CART Grant for his research on how certain components of the circadian clock are malfunctioning in Alzheimer's

disease, and how this might contribute to the disease process.

Continuing this line of inquiry, Erik co-authored the review in this issue that links circadian rhythms to neurodegeneration. "Mechanisms linking circadian clocks, sleep, and neurodegeneration," explores potential cellular and molecular mechanisms linking circadian dysfunction and sleep loss to neurodegenerative diseases, with a focus on Alzheimer's disease. The Review finds that the circadian clock and sleep can influence a number of key processes involved in neurodegeneration, suggesting that these systems might be manipulated to promote healthy brain aging.

### CART donations

Send your club's CART donations to:

District 7750 CART Fund  
c/o Steve Black  
P.O. Box 1564  
Aiken, SC 29802

AMIKids White Pines Executive Director Steven Crisp provided insight to the Union Rotary Club on how AMIKids helps troubled boys ages 13-18 turn their lives around. Two of the AMIKids gave their inspirational testimony to the club.

Union Rotarian Bill Graham welcomed Barbara Rippy, an active member and supporter of Union. She told many stories about her life, Union, and the people in Union to the club. She is a true ambassador of Union County and proud supporter of local organizations. Barbara and her husband, Bobby, married in 1955. They purchased Smith's Drug Store on Main Street in Union during the summer of 1969. They became active supporters of Union through the years by sponsoring Dixie Youth baseball teams for children and contributing to civic and church organizations. The Rippys owned and operated the drug store for 34 years before retiring

# Rotary

## GREENVILLE EVENING

Greenville Evening members packed more than 1,300 meals for Meals on Wheels of Greenville.

## Greenville Evening busy during last two months of 2016

BY JESSICA ST. CLAIR SMITH

Rotary Club of Greenville Evening

The Greenville Evening club has had a tremendous November and December. Club members have been working hard to secure donations of time, talent, and treasure for the Duck Derby coming in May. In addition to that, here are a few of our activities in the community:

### STOMPER'S BIRTHDAY PARTY

Shades, our Duck Derby mascot, and several members of the club were on hand to celebrate the birthday of Stomper, the Swamp Rabbit Hockey Team's new rabbit mascot. Shades joined a large gang of mascots from the Greenville area to help welcome Stomper to Greenville.

### DICTIONARY PROJECT

Dictionaries were hand-delivered to 3<sup>rd</sup> graders at Cashion Elementary School.

### TOYS FOR TOTS

The Rise Guys from Planet Rocks radio 93.3FM hosted a Toys for Tots event in celebration of the Marine Corps birthday ahead of Christmas. This year, Shades was out hanging with several members of our club as well as his Marine friends to wave to passing cars and thank people for their donations.

### AFTER THANKSGIVING POLIO FUNDRAISER

President Wendy Green and member AJ Koontz hosted an After Thanksgiving Polio Fundraiser.

Members got together to socialize and contribute to Polio Plus as a way of practicing the giving part of Thanksgiving. A total of \$675 was raised during the drop-in event.

### MEALS ON WHEELS VOLUNTEER DAY

Members volunteered at Meals on Wheels Greenville and helped to pack more than 1300 meals. Members worked the line and socialized together while packing chicken, greens, rice, and rolls in take-out containers for drivers to deliver.

Shades and some members of the Rotary Club of Greenville Evening collect Toys for Tots. Shades is the name of the Duck Derby mascot.

# Honduras 2017

Al Steele, District 7750 Water Projects Coordinator, has organized a Honduras water project trip for March 3-11. Besides an informative visit to the Copan Ruins, the hub of ancient Mayan culture, the group will visit several clean water projects funded by D-7750 and The Rotary Foundation. You will see projects under construction and completed, and meet the children whose lives will be much more healthy as a result.

The \$1500 trip includes airfare, ground transportation, hotel and most meals. [Click](#) for details on the trip and reservation information. Act now, seats are limited.

## Donor Advised Funds are flexible for individual & family accounts

Not only are Donor Advised Funds great for clubs and districts (see last month's newsletter), they are also useful tools to couples and individuals, offering benefits similar to a family foundation, without the burdens of administering one.

Past District Governor Wally Brown (Sugar House Rotary Club of Salt Lake City, Utah) and his wife Patricia met at Brigham Young University and have shared their lives for 58 years. They also share a love for Rotary.

Thanks to their Rotary Donor Advised Fund, the Browns continue to support their many mutual charitable interests including Rotary initiatives such as the eradication of polio, global grants, and The Dictionary Project of District 5420, which Wally spearheaded during his year as District Governor.

"When I became District Governor, I decided to retire and sell my dental practice. We suddenly had a chunk of money and, after talking with our advisors, we decided the Donor Advised Fund would fulfill our charitable goals

and offer us attractive tax savings at the same time."

Because they choose to give through the Donor Advised Fund, the Browns are able to easily support their favorite Rotary programs while also making gifts to the other charities they hold dear. Wally and Pat have used their Donor Advised Fund to make gifts to their alma mater, their church, and other charities such as the Wheelchair Foundation and Choice Humanitarian.

Wally says their Donor Advised Fund has been a simple and satisfying way for them to give. "The Donor Advised Fund is a great planning tool that has helped us increase our gifting considerably. Rotary has broadened our lives so much, and we are blessed to be able to support the Foundation."

With an individual or family Donor Advised fund, you receive the same tax advantages of a family foundation with no start-up costs, excise taxes, or mandatory 5% distributions. In fact, you may deduct a higher percentage of your

adjusted gross income.

Let Rotary take care of the details. All you have to do is decide how and when to recommend distributions to qualified charities.

Each July, your account will make a \$250 transfer to Rotary's Annual Fund. This transfer and any other grants you recommend to The Rotary Foundation are eligible for appropriate individual recognition.

After your lifetime, half of the amount left in the account (or more, if you choose) will go to Rotary's Endowment. The principal of your endowment gift will be invested and a portion of the returns will be used to provide ongoing support for projects around the world in perpetuity.

The portion of the account that is not transferred to the Endowment can be directed to another qualified charity you recommend. If the account has a balance of \$150,000 or more before the transfer to the Endowment, the account can continue with your children named as your successors.

## District congratulated for polio efforts so far this year

BY AMELIA NELSON

7750 Polio Chair

Rotary Club of Greater Anderson

Thank you to all the Polio donors who gave in 2016. We are now at our half-way point for reaching Gov. Lance's goal for our district. A gift to End Polio Now: Make History Today Campaign may be the gift of life to a child.

YEAR-TO-DATE 2016
Jan 1 - Dec 26, 2016
35WPV 3cVDPV

YEAR-TO-DATE 2015
Jan 1 - Dec 26, 2015
70WPV 24cVPDV

- Summary of newly-reported viruses week December 20, 2016: from Pakistan – one new wild poliovirus type 1 (WPV1) case, and confirmation of a circulating vaccine-derived poliovirus type 2 (cVDPV2). Meticulous preparations are underway through the national and provincial Emergency Operations Centers (EOCs) and District Polio Control Rooms for high quality implementation of January and February 2017 immunization campaigns, seen as critical to the country's polio eradication effort.
- No new cases of wild poliovirus type 1 (WPV1) were reported in the past week for Nigeria. The total number of WPV1 cases for 2016 remains four. The most recent case had onset of paralysis on 21 August, from Monguno Local Government Area (LGA), Borno.
- No new wild poliovirus type 1 (WPV1) cases were reported in the past week in Afghanistan. The total number of WPV1 cases for 2016 remains 12. The most recent case had onset of paralysis on 12 October, from Bermal district, Paktika province. Half of the country's cases this year are from Bermal district.

Rotarians have given \$59,831 (or \$22.51 per capita) and the District DDF of \$43,772 for a grand total of \$103,603. Then, considering the District match and the Gates Foundation match, the total is \$442,125. And remember, in addition to the standard matches, our District is being matched up to \$100,000 for any amount OVER our goal. What a way to increase your investment and save lives.

Our District has set an example for Zone 33 clubs and has been recognized as No. 2 out of 15 Districts. Our Zone 33 Coordinator, Rocky Jacobs reports: "Congratulations to SC District 7750 for leading the way in club contribution average. . . of \$1,139.40 per club at this point in the Rotary year. I bet they will get to the club goal set by President Germ of \$2,650 this Rotary year."

That should make each of you proud. Let's keep up the good work and double our efforts in 2017 to meet the goal of \$2,650 per club!

Again, thank you for your continued dedication to helping end polio. Our October "Skip A Meal" fundraiser was a success. Without you, Rotary could not meet its commitment to the Gates Foundation or to the eradication of polio worldwide.

CLICK THE GRAPHIC TO GO TO THE END POLIO NOW WEBSITE FOR MORE INFORMATION ABOUT HOW CLUBS CAN HELP.

## Two polio fundraising opportunities for 2017

For 2017, we have two ways to raise funds for yourself and help your club reach its goal.

1. **Sunday, January 15 at 3:00 p.m.** is the Swamp Rabbit Hockey Game fundraiser for our district Interactors. They have worked hard to put this together, so let's give them our support by purchasing a ticket on-line at <https://www.swamprabbits.com/shop/rotary/>. By purchasing on-line, \$5 of each ticket sold will go to PolioPlus. A hockey game is a great family outing—for young and old. And as a bonus, a **1 hour skate with**

**players after the game** is offered for any ticket purchasers using the link above. There is only a \$3 fee for skate rental for children or adults.

2. **February 3-4 is our 3 in 1 All Club Conference/Pre-Pets and Foundation Event** where the silent auction funds will go to PolioPlus. Half of the winning bid will be credited to you and half will be credited to the donor. We are asking each club to donate at least one item. Watch for the link to enter an item for the silent auction.

## Rotary's commitment to a healthier world

BY PDG BARBARA SHAYEB-HELOU  
Rotary Club of Pleasantburg  
[bsh6890@aol.com](mailto:bsh6890@aol.com)

Rotary members are committed to building a healthier world. One way we do that is through our Rotary Action Groups (RAGs).

Fifteen of the 26 RAGs help clubs carry out community development and humanitarian projects. RAGs also help with disease prevention and treatment. We just celebrated December which is Disease Prevention and treatment month.

These are three examples of RAGs that are committed through their members to fight disease.

### 1. Rotarians for Family Health and AIDs Prevention.

They help Clubs and Districts plan and implement large scale projects. Their signature project is Family Health Days which takes place in four African countries and in India. This project provides free examinations and counselling to low income people.

### 2. Food Plant Solutions Rotary Action Group

They focus on addressing malnutrition, hunger and issues of food scarcity. This self-sustaining solution can enable people of limited means to feed themselves and their families.

### 3. Rotary Action Group for Diabetes

This group helps clubs and districts with projects focused on diabetes education, identification and treatment, especially among children in developing countries, while raising awareness of the disease throughout the Rotary World.

Contact me for a presentation on these and other Fellowships and RAGs.

thank you!

Dear Rotarian family:

Thank you so much for the e-mails, letters, cards, phone calls and beautiful flowers for my Mom's funeral. She was 95 and lived a good life and did not suffer at the end of her life.

Your thoughts and prayers of condolence were a great comfort to me as I was grieving my Mother's death.

Forever grateful,

Lance
