Rotary's search for peace—starting right here in 7750

BY PDG SUE H. POSS, D7750 Newsletter Editor
Rotary E-Club of the Carolinas

How fortuitous it seems that February is Rotary's designated month to emphasize peace and conflict resolution just as our country and communities seem to be caught up in un-peaceful times, and conflict resolution is needed as much as ever.

Conflict and violence have displaced 65 million people during the past year. In the U.S. people are at odds politically, resulting sometimes in violence, often in heated conversations and disagreements. Facebook is full of opinions and I have seen numerous people threaten to unfriend someone with whom they disagree.

Almost since its beginning, in 1914 Rotary began to take a stand for peace by resolving to establish a Peace Conference, and in 1921 by incorporating peace building into our constitution and bylaws. Later, in 1940, at an International Convention in Havana, Cuba, Rotary drafted

a resolution on basic human rights which subsequently became the framework for the United Nations Universal Declaration for Human Rights.

And speaking of the U.N., in April 1945, Rotary was actively involved in the finalizing of the charter of the United Nations in San Francisco, providing 11 official observers to the US delegation alone and 49 total participants from several countries.

More recently, we established six Peace Centers scattered around the world to train 100 peace fellows every year to go back to their towns and work for peace.

Those are some major examples of what Rotary and Rotarians have done to promote peace. But if we had the time and space, we could fill this newsletter with the things, big and small, of what

(continued, next page)

IPDG Terry receives Foundation award

Immediate past governor Terry Weaver received the Rotary Foundation Citation for Meritorious Service from DG Lance Young.

Terry had an outstanding year as D-7750 governor and was recognized for his accomplishments at a recent Greenville Rotary Club meeting.

The Citation for Meritorious Service recognizes individual Rotarians who have demonstrated outstanding active service to The Rotary Foundation for more than one year. Examples of eligible service include:

- Service on Foundation committees at the club, district, or international level
- Participation in Foundation grants or programs
- Support of Ambassadorial Scholars, Rotary Peace Fellows, Group Study Exchange teams, or vocational training teams.

Financial contributions to the Foundation, however notable, are not relevant considerations for this award.

THROUGH JAN. 31, WE ARE UP 65 MEMBERS FOR 2016-17.

Rotary Peace Centers

Peter Kyle, chair of Rotary's Peace Centers Committee, spoke a few days ago about Rotary's involvement in peace and about its Peace Fellow program. This is about a 20-minute video of his remarks. Click the graphic to play. Peter is a past governor from Washington, DC, in Zone 33.

Make peace possible— (continued from page 1)

Rotarians and Rotary clubs in District 7750 have done to work for peace, not necessarily in far away places but right in our towns, neighborhoods and schools.

Here are a few thoughts on what you or your club might do:

EDUCATE YOURSELF.

- Look for resources such as those found on the [Rotarian Action Group for Peace](#), and in other places on the Rotary website.
- Hold a peace symposium or conference, such as the Rotary Club of Greenville did last year at Furman University.
- Attend the Peace Conference that will be held on June 9-10 in Atlanta, just prior to the start of the International Convention.

LOOK FOR WAYS TO HELP WITH CONFLICT RESOLUTION IN YOUR TOWN. EXAMPLES:

- Bullying in your local school. Contact the school to see how your club can help. Can your Interact or Rotaract club

host a workshop to teach students to get along better? Or can you work with younger students to teach them how to work through conflict? The EarlyAct/First Knight program that some of our clubs are sponsoring in elementary and middle schools is a good example of teaching the kind of behavior I am talking about.

- Law Enforcement: Can you provide a scholarship for an officer to get additional training in dealing with gangs in schools or resolving conflicts before they escalate into violence?
- Protecting domestic violence survivors and their families. Rotarians might address this issue by helping a shelter provide food, clothing, legal advocacy, and counseling to victims.

A few years ago when the Rotary Foundation was restructured, peace and conflict resolution was one of the six areas of focus that was identified. When I was in San Diego in

mid-January attending a meeting that ran concurrently with the International Assembly to train incoming district governors, I heard several senior Rotary leaders broach the subject of revising the areas of focus. **PEACE** would be the primary focus and the other areas would fall under that: Peace leads to better maternal and child health. Peace leads to clean water and better sanitation. Peace leads to economic development. Peace leads to disease prevention and cures. Peace leads to better education and literacy.

Peace does and can make change possible, lives better, communities stronger, countries more stable, the world united. It will even help us eradicate polio.

It starts where we are.

What will your club do to make peace possible. E-mail me: pdgsue-poss@gmail.com

STRENGTHEN YOUR CLUB

INTENTIONAL STRATEGIES—How is your follow up?

BY JOHN KIMBELL, GRAT MEMBER
Rotary Club of Greenville Evening

As we continue the emphasis on Priority #1, adding members and growing your Rotary club, a very key question is, **HOW IS YOUR FOLLOW UP?**

To be successful, this is a critical component of a comprehensive and documented Intentional Strategy. This is also covered in a separate article this month by DGE Ed Irick.

This is a good time to revisit the Grow Rotary Action Team (GRAT) principles centered on what is known as the 10-3-1 Rule. This is valid in business and in Rotary. It was described in the *D7750 December 2016* newsletter. Recall that you need 10 suspects to develop 3 qualified prospects in order to secure 1 new client/member. What is equally important, actually critical, is the duration of time for prospects to be converted to member status. The extensive research found that new clients came over the course of three years—with 60% the first year, 30% a year later, and 10% in the third year.

Also recall that the GRAT resources include a *Who Do You Know* for club assembly to generate the pipeline of suspects and prospects. A club assembly with 25 Rotarians present should bang out 100 suspects in 30 minutes, and the top 3 per member may be very well qualified prospects. Check out the *Intentional Strategies Workbook*, an excellent source for your club's strategy development...

Leads are the lifeblood of any business AND any

membership driven organization such as Rotary. Converting leads and prospects to engaged Rotarians is what it takes to thrive and continue to build strong Rotary clubs. By managing your leads in a systematic and structured way, you can increase both the number of leads you generate and how many of those leads you convert.

So, effective Intentional Strategies needs a strong follow up and lead management component. Called by another term, it's a "nurture journey" with prospects that will pay big dividends in results.

I worked in sales and marketing in two careers including the insurance industry not long ago where this research originated. As a former club Membership Chair, the club's experience and results tracked very closely with these principles.

This is not rocket science, but rather an effective and disciplined way to approach membership development that actually works when done right. So, take action to keep growing, strengthening and sustaining the great work of your Rotary club.

John Kimbell is a member of Greenville Evening Rotary. He is a member of the District Grow Rotary Action Team and serves as faculty in the Rotary Leadership Institute. He will be GRAT and District Membership Chair in 2017-18. His email is jkimbell46@gmail.com.

**ROTARY:
MAKING A
DIFFERENCE**

2017-18 theme

RI President-elect Ian H.S. Riseley urged incoming district leaders to seek gender and age parity and protect the environment in announcing the 2017-18 presidential theme Rotary: Making a Difference. "We know that we can do more together than we could ever do alone. I ask you to keep that spirit of teamwork and cooperation always in your minds and to take it back with you to your districts."

Rotarian connection helps save American young man in Samoa

“That’s my power. That is your power”

PDG Barbara Shayeb, a member of the Rotary Club of Pleasantburg, says it is important for every Rotarian to take responsibility for others. She had that opportunity recently when a grandmother in Atlanta called her for advice on how she could help her grandson in Samoa.

The grandson, 22, was in Pago Pago, American Samoa, working for Teach America. He had developed an infection, his face was swollen and he was having trouble breathing. He needed medical help, but there was no public transportation to get him to a medical facility.

Even though it was late at night, Barbara got to work on her

computer and found the contact information for two Rotarians in Pago Pago. She emailed them both and within half an hour one of them, an attorney, had responded.

By the next morning, Barbara got word that the Rotarians had gotten the young man to a hospital and booked him on a flight to the United States in a few days. The young man is home and well now. However when he arrived, the local hospital treated him and sent him home to stay in isolation in his room until his infection was gone.

“The point of this is that each Rotarian needs to take responsibility. That is what we do,” Barbara said. “We make

life easier for others. We serve others! Service above self. You don’t do it when it is comfortable for you; you just do it. We are a service organization. Forget the fact that you are tired and have your pajamas on. If you are lucky, there will be good responsible and caring people on the other end who will take responsibility and follow through.”

“My friend Vivian and her grandson were served well by a man none of us knew,” Barbara said. “What he did, he did for strangers. He never heard of any of us. But he believed my e-mail that identified me as a Rotarian. That’s my power. That is your power.”

First blood drawn

Our first donor for Rotary Has Heart blood drive in D-7750 is PDG Lorraine Angelino. Thank you Lorraine for participating.

To help our local communities become more aware of what Rotary is doing, DG Lance would like the 53 clubs in D-7750 to host a blood drive during January or February in their communities for the 2017 Rotary Has Heart Zone 33 project. Alternatively, Rotarians may go to their local blood bank to donate.

See last month’s newsletter for details.

Bringing vocational service to life

As part of Rotary's guiding principles and the Avenues of Service, Vocational Service calls on Rotarians to empower others by using their unique skills and expertise to address community needs and help others discover new vocational opportunities and interests. January was Rotary's Vocational Service Month, but any time possible it would be good to reflect on how your club implements the concept of Vocational Service. Here are some examples of Rotarians using their expertise to meet their community's needs:

For the past decade, the Rotary Club of Newport Beach Sunrise,

California, has supported a local career center. Club members have been trained to facilitate a series of workshops designed to help adults re-enter the workforce after experiencing trauma or tragedy in their personal and professional lives. Members coach center attendees on applying for jobs, interview skills, business culture and etiquette, body language in the business environment, setting goals, and dressing for success. The final phase of the initiative is a day of building self-esteem and includes a graduation, new business attire, haircuts, manicures, and massages for the participants.

The Rotary Club of Madras Industrial City, Tamil Nadu, India, held a career guidance workshop for its Interact club to help students discover their interests. The district vocational service chair arranged a half-day interactive session for students to form career goals and plan for their future vocations. A special workshop was conducted for girls, and the project benefited more than 200 students.

In Nigeria, the Rotary Club of Port Harcourt Airfield, Rivers State, joined with a local organization to host a free training program for impoverished people on making handicrafts such as beads and soap, baking sweets, and repairing computers. At the end of the training, 13 participants received grants to start their own businesses.

Stories about vocational service can inspire club and district service projects. Post your club's vocational service project on [Rotary Showcase](#) and join the conversation in My Rotary's Vocational Service discussion group.

All-Club Conference speaker featured in January Rotarian

Speaking of vocational service, Kathryn Smith, member of the Rotary Club of Greater Anderson, used her writing talents to publish a book on Marguerite Alice "Missy" LeHand, FDR's private secretary. (See September 2016 D7750 newsletter)

Her efforts were recognized when The Rotarian Magazine featured her in its January issue. Kathryn will speak at the All-Club conference Feb. 3-4 in Greenville.

Inman inducts four new members at January meeting

BY CATHY MCMILLAN

Rotary Club of Inman

We had a great meeting Tuesday, Jan. 10, at Inman House of Pizza. We inducted four new members to the Inman Rotary Club and they join a club that has a rich history in the Town of Inman. We look forward to their contributions to the club, the community, and the world through Rotary.

New members inducted are: Shelley Brown, Principal, Mabry Middle School; Jeremy Caudle, City Administrator of Inman; Clint Settle, Farm Bureau Insurance of Inman; and Chris White, First Citizens Bank of Inman.

Our speaker that day was Chapman High School head football coach Mark Hodge, of the 3A SC High School Football State Champion Chapman Panthers.

Mark spoke to Rotarians about his vision for the football program at Chapman High School. He praised the community support and the leadership of the school and district. He talked about the successful programs and coaches he studied and tried to incorporate into his program but stated that every community and school is different and the players are different so the program must fit the school. Coach Hodge praised the coaches who assist in the program and emphasized the high expectations for the players but also the desire to make them good parents, fathers, husbands, employees and citizens.

Clover Interact raises money for clean water in Honduras

The Interact Club at Clover High School raised \$1,100 during five days in late January at its Second Annual Bake Sale for Honduras. The money will be used to pay for an on site water filtration and sanitary bathrooms and a hand-washing station at a rural school in poverty stricken areas of Honduras. Over 100 of our members participated by either bringing in baked goods and/or working during their lunch periods selling the baked goods.

This is a photo from the school Clover Interact helped get clean water last year.

Thanks to gift, Greenwood Rotary sponsors and builds Habitat House

During 2016-2017, the Rotary Club of Greenwood partnered with Greenwood Habitat for Humanity to support the building of what is named the "Greenwood Rotary Habitat House."

Greenwood Rotary donated \$35,000 to Greenwood Habitat for Humanity to serve as the major donors for the new Habitat house. A family charitable trust had donated the \$35,000 to the club. The members of the club also donated 150 hours of labor in the building of the house.

The occupants of the new home are Chrissy Wiles and her two children, Levi and Colton. The Dedication Service of the Greenwood Rotary Habitat House was December 18, 2016.

Fifteen Rotarians worked on the house.

PDG Lorraine Angelino with Foreign Exchange student, Clement Gibon of France,

Richard Whiting

New homeowner Chrissy Wiles with Greenwood Rotarians Bob Bentley, Vice President Watson Dorn, and President Doug Kauffmann. Bob and Watson served the most Rotarian volunteer hours toward constructing the house.

Union Rotary helps fund trip for local students to attend inauguration

A group of Union County High School Interact and advanced placement U. S. history students attended the inauguration of our 45th U.S. President. The Rotary Club of Union donated money towards their trip. After the Inaugural Parade, they met with Avery Hyatt from Pauline SC. Avery attended RYLA when he was in high school and he now attends the Citadel. He is a member of the Summerall Guards and participated in the Presidential Inauguration.

(Pictured top: Interact students before departing for Washington DC Right: Some of the Interact students with Avery Hyatt, center, and other members of the Citadel's Summerall Guards.

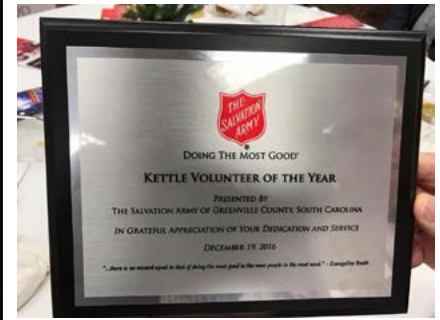

Ola Jean Kelly, Executive Director of Union County Historical Society, spoke to the Union Club. The museum is located on the first floor of the restored Flynn Office Building on Main Street in Union and is filled with rich history of Union County. She is pictured with Rotarian Frank Hart.

Union County Supervisor and Rotarian Frank Hart gave the club an update about the hospital, roads that have been paved, workforce development, the Union County Tuition Scholarship for The University of South Carolina Union and Spartanburg Community College, and many other topics concerning Union County.

Rotarian Robert Guess welcomed Jordan Marsh to the club. Jordan is Vice President and COO of the South Carolina Alliance to Fix Our Roads. Jordan said the General Assembly passed a road funding bill during the past legislative session. that secured over \$200 million in recurring revenues and leveraging more than \$2 billion bonds for highway capacity and bridge projects over 10 years.

Kettle Volunteer of the Year
Plaque

Rotarian Alecia Brewster and
family "Ring the Bell."

Greenville Breakfast Rotary recognized by Salvation Army

BY DAVID BRENNER

Rotary Club of Greenville Breakfast

For more than 23 years, the members of the Greenville Breakfast Rotary Club have been serving the Greenville community by ringing the bell for the Salvation Army during their Annual Kettle Campaign.

Christmas 2016 the Rotarians were ringing the bell every Saturday between Thanksgiving and Christmas from 10 a.m. until 8 p.m. at Sam's in Greenville. That equates to well over 100 hours of service to our community.

The members divided up (often in teams of 2) each Saturday into 2 hours shifts with every member of the club participating. On any given Saturday, you would find Rotarians with Santa hats, Rotarians with their dog, Rotarians and their families, and even Rotarians singing and playing the guitar as they rang the bell to encourage donations to the Salvation Army.

PDGs Becky and Tom Faulk-

ner serenaded Sam's customers with Christmas carols as they rang the bell.

At the Salvation Army's annual Christmas Appreciation Breakfast, Greenville Breakfast was recognized as the Kettle Volunteer of the Year. Several members of the Club were on hand to receive the award. The Rotarians were recognized by Major Costas, Area Commander, as having participated in the Kettle Campaign every year since at least 1993.

Greenville Breakfast Rotarians look forward to participating in the Salvation Army's Kettle Campaign each year. It's fun, you get to interact with people as they come and go, and you get to wish everybody a Merry Christmas.

A lot of people will give their kids the change to put into the

kettle and then we let the kids ring the bell. It is great fun, a wonderful way to celebrate Christmas, and we are helping the Salvation Army continue the great work they do throughout our community. Greenville Breakfast Rotarians look forward to ringing the bell for another 23 or more years.

GBRC Rotarians presented Kettle Volunteer
of the Year Plaque

Preparing everyday for the worst day ever

BY ANN CRANDALL

E-Club of the Carolinas

In the aftermath of Hurricane Matthew, Rotarians stood up to the challenge to serve others.

In 2016 two District 7750 Rotary Clubs funded two ShelterBoxes—Rotary E-Club of the Carolina's and Rotary Club of Inman. Thanks to Inman's president Karen Bush and E-Club's president Ben Smith.

After Hurricane Matthew the E-Club pledged \$700 through individual donations and the club made up the difference.

Karen presented the Inman club with the opportunity to donate to ShelterBox. Thank you to both of these generous clubs in our district.

ShelterBox is an international

disaster relief charity that provides immediate emergency shelter and other lifesaving aid to survivors of disaster or humanitarian crisis.

ShelterBox is a Project Partner of Rotary International and typically works in collaboration with many other international partners to coordinate each response effort. The work of ShelterBox is made possible through the ongoing contributions from individuals, foundations and corporations.

ShelterBox responds to a new disaster every two weeks, on average. The most common global disaster is flooding. Conflict is second.

You can help by donating to make a difference in the lives of disaster survivors. I am a ShelterBox Ambassador and would like to present ShelterBox to your club. You can call me @ 828 894 0401.

—Ann Crandall
ShelterBox Ambassador

BOX

We are off to a record-breaking year in 7750 for giving to the Rotary Foundation

BY PDG LORRAINE ANGELINO
District Foundation Chair

Congratulations and thank you to all the Rotary Clubs in District 7750 for a record-breaking first six months for 2016-2017. We are not only breaking our own records, but we are also leading the way for Zone 33 in some categories.

FOUNDATION GIVING

JULY 1, 2016-DECEMBER 31, 2016

\$86,852	Individual gifts to polio, the highest amount in Zone 33
\$43,772	District Designated Funds contributed to polio
\$130,857	Total contributions to Polio, the highest amount in Zone 33
\$457,530	Total amount now available for polio including the Rotary Foundation World Fund match and the 2:1 Bill and Melinda Gates Foundation match
\$232,729	Contributions to the Annual Programs Fund-Share, 11.1% higher than December 31, 2015
\$37,025	Contributions for the Endowment Fund, highest amount ever in one year

WHAT CAN WE DO IN THE NEXT SIX MONTHS TO KEEP ON TRACK?

1 We have two clubs that have not made contributions to the Annual Fund-SHARE. We hope to be 100% in February after the two clubs send in their contributions.

2 We have nine clubs that have not made contributions to Polio. We hope to be 100% after applying the money from the hockey game and the Silent Auction at District Conference. Remember the person donating the item to the Silent Auction and the person winning the item will split the amount 50/50 and the contribution will go to their Foundation account for Polio.

3 1,490 out of 2,658 members or 56.06% in the District have contributed to Annual Fund-SHARE. Let's make this 100% by the end of June.

4 612 out of 2,658 members or 23.02% in the District have contributed \$100 or more to AF-SHARE. Let's make this 100% by the end of June.

5 52 members of the District have contributed \$1,000 or more to AF-SHARE or Polio making them Paul Harris Society (PHS) eligible. We currently have 115 PHS members. If everyone that is currently a PHS member contributes at least \$1,000 that will be \$115,000. It would be great to add at least 20 PHS members during the last six months of this year. PDG Rich Waugh is the person leading this initiative.

6 We have added two Bequest Society members this year. To be a member, you can make a contribution of \$10,000 to the Endowment Fund now or you can leave it as a legacy to Rotary. DGN Carol Burdette is the person leading this initiative. She may be calling on you in the next six months.

7 We have seven new Benefactors. These members have agreed to contribute \$1,000 to the Endowment Fund now or can leave it to Rotary in their will. Some say this is \$1,000 you will never miss. DGN Carol is also leading this initiative.

Celebrate the centennial anniversary of the Rotary Foundation by planting 265 trees in 7750 during March

each tree, a new life

In honor of the 100th Anniversary of the Rotary Foundation, we want to remember our first donation of \$26.50 that has grown, like the trees, to over a billion dollars. By planting 265 trees in D-7750 during March 2017 we can honor this mark in Rotary Foundation history.

- Form tree committee
- Do we want to team with another club?
- Club time and money participation

- How many trees?
- What size trees?
- Where should we plant?
- Who do we ask for help?

INTENTIONAL STRATEGIES to raise money for polio

1 There is still time to get items into the Silent Auction at the All Clubs Conference. The person donating the item to the Silent Auction and the person winning the item will split the amount 50/50 and the contribution will go to their Foundation account for Polio.

2 Have a special meeting around February 23, which is "World Rotary Day" and celebrate the founding of Rotary on February 23, 1905. Let club members know ahead of time that it is going to be a special meeting and contributions for Polio will be taken up during the meeting. Put envelopes on the table and give polio pins or small gifts to those who make a donation. Or give raffle tickets to those who contribute and give away something. If the club or an individuals has points to contribute, offer a match to donors. .

3 April 19 is Paul Harris' birthday. This is another good time to have a Foundation program. Ask 3 or 4 members of the club to tell what The Rotary Foundation means to them. Ask a Paul Harris Society member, someone who has gone on an International trip to visit a Global Grant, has a passion for a District Grant, and/or a Bequest Society member to tell their Rotary Foundation story. Have available brochures from The Rotary Foundation so that if anyone would like to be a Paul Harris Society member, Bequest Society member, or a Benefactor that they can sign up at the meeting or take home to talk over with their spouse.

4 With Polio you can also have a fundraiser in the community with proceeds going to Polio. Some clubs do this as a Golf Tournament, a 5K Run, day at the Ball Park, Ice Hockey game, etc. Make sure to have information on Polio available and your club brochure should you find some potential members.

2016-17 District 7750 Rotary Foundation Giving

through 1/27/2017 | 57.8% of year complete

Annual Fund Goal	\$ 402,563 (53 of 53 – 100%)

York recognizes Paul Harris Fellows

The Rotary Club of York is an example of why our Rotary Foundation giving is so good. The club has had a barrage of Paul Harris Fellows to kick off 2017.

Al Johnson was presented his PHF pin by President Daniel Harshaw. This is Al's second PHF recognition. During the same meeting, Robert Winkler reached his fourth PHF level.

Pamela DelLabarre received her first PHF recognition at the January 19 meeting. Joe Johnson, who sponsored her when she joined Rotary, presented her PHF. Pam will become club president on July 1.

**Barbecue the blues
with Greenville Breakfast**

The Rotary Club of Greenville Breakfast is hosting a fundraising event Friday, February 24 to warm up every Rotarian's winter. Titled **ROTARY'S BARBECUE THE BLUES**, the event will be held at Mac Arnold's Blues Restaurant and feature Dr. Mac Arnold's Plate Full O' Blues band. Tickets are \$30/person and include music and food. Tickets are available by contacting Brad Majors at bpmajors@gmail.com.

Rotary Voices

Check out **ROTARY VOICES**, the official blog of Rotary International. This blog features stories by and about Rotary members, Rotary program alumni, and the people with which we partner and work.
