## Polio Chair Amelia Nelson receives Americas Regional Polio-Free Service Award

BY DG LANCE YOUNG

Amelia Nelson, a member of the Rotary Club of Greater Anderson and chair of 7750's polio committee, has received the Americas Regional Polio-Free Service Award.

Since Rotary chose polio as its champion cause in 1985, Rotarians who have taken a lead to insure a polio-free world have been recognized for their efforts. In 1996 the Service Award for a Polio-Free World was established. These awards are given out by region as defined by the World Health Organization.

Amelia has done so many things to raise awareness and to raise money for PolioPlus—her hard work is paying off. As of April 21, only five polio cases have

been reported this year—those cases are in Pakistan and Afghanistan. We are continuing to provide drops to more than 400 million children a year in 60 countries to ensure polio will not return those countries.

Over the past three years, Amelia has helped raise \$271,983 in our district to fight polio. With the Bill and Melinda Gates Foundation two to one match of \$543,966, that means a grand total of \$815,949 going to PolioPlus.

All 7750 Rotarians, especially me, are proud of Amelia for her selflessness and her ability to continue to help others. Amelia, is definitely Serving Humanity.

**THROUGH APRIL 30, WE ARE UP 56 MEMBERS FOR 2016-17.**

# STRENGTHEN YOUR CLUB

## COM·PLA·CEN·CY

noun

a feeling of smug or uncritical satisfaction with oneself or one's achievements.

synonyms: smugness, self-satisfaction, self-congratulation, self-regard

### MEMBERSHIP NOTES

## AT YEAR-END, WATCH OUT FOR COMPLACENCY

BY DGE ED IRICK, Rotary Club of Greenville Evening  
District Membership Chair

We have two months left in this Rotary year. Even though membership in the District has increased since July 1, 2016, history shows us that we can expect to see a decline from current levels as we approach the end of the Rotary Year.

Over the past two months, District 7750 declined in net membership. Right now there are 23 clubs that are showing no increase or an increase of one or two members. Six clubs are currently showing a loss of one or two members.

Many clubs will end the year with a net loss in members. Why is this? In large part, it is because they get complacent. Complacency is a Rotary club's biggest membership hurdle. Clubs tend to focus on

getting in new members and then take their eyes off retaining current members.

Now is the time to assess your members to determine if any of them are showing signs of losing interest in the club or experiencing problems outside of Rotary. In many cases, these members can be retained with help and support from the club. Get creative in reengaging and supporting these members. Also, have a plan to replace any expected losses with new members over the next two months.

Be alert. Don't let complacency drive you into a net loss for the year. End the year with a net increase in membership.

## Update - Membership Event Grants – now 18 approved

BY JOHN KIMBELL

The District 7750 Membership Grant aimed at continuing strong growth of clubs in this Rotary year has been approved for 18 Rotary clubs in the District.

Membership development is a top priority to grow the impact of our amazing organization. Financial support is being provided to clubs that execute a specific membership event with a complete set of intentional strategies and strong follow up while meeting the requirements of the program.

There will be many membership

events hosted by clubs in May and June. Nearly 400 guests are expected. This will help many clubs experience a strong year end. Equally important is good momentum going into the 2017-2018 Rotary year with many prospects that need strong follow up and nurturing to come join in the months that follow.

Every current Rotarian can make a difference not only by inviting guests, but also by sharing the value you receive from the fellowship, local service and association with Rotary and

its global impact. You can also help nurture valued prospects by welcoming and engaging them now and in the future.

Articles over the next few months will report on results. This will include useful information to what many clubs discovered as successful practices.

*John Kimbell is a member of the Rotary Club of Greenville Evening and the District Grow Rotary Action Team His email is [jkimbell46@gmail.com](mailto:jkimbell46@gmail.com).*

# STRENGTHEN YOUR CLUB

## PROMOTE YOUR CLUB WITH NEW ROTARY RESOURCES

How do you communicate with your community about your club? Are prospective members hearing about who you are and what you do? If your club is looking to promote its unique culture, events, and service projects, you can [customize a club brochure](#). Edit the content or upload your own photos to make a distinctive promotional pamphlet. With this template, you can:

- Upload your own photos or select from the image options provided.
- Edit the text to include information relevant to your club, such as their club's key projects.
- List dates of your club's annual events.
- Share testimonials from members.

Use the [Discover Rotary](#) presentation and the [Impact Begins With You](#) prospective member brochure to introduce Rotary's values and history, the benefits of membership, and what makes Rotary stand out.

Does your club sponsor an Interact or Rotaract club? You can customize your own [promotional cards for Rotary's programs for young leaders](#) through our Brand Center. This is a great opportunity to show potential members all the ways they can get involved through Rotary.

## Rotary Club Central will be updated in July

Rotary Club Central will provide clubs and districts with a better user experience where pages load faster, navigation is more intuitive, and inputting goals is easier than before. A new, interface will give Rotary Club Central a fresh look and feel. The new tool will present past and current goals in one place through easy-to-read charts and graphs.

Clubs and districts can use Rotary Club Central to set goals, measure impact, view trends, track progress, complete the Rotary Citation, and plan for the future. Rotary Club Central provides clubs and districts with a quantifiable way to begin measuring local and global impact, specifically through tracking membership initiatives, service activities, and Rotary Foundation giving.

## Don't forget the **BRANDING**

BY PDG TERRY WEAVER  
Rotary Club of Greenville

A huge part of a Rotary project is the branding—both during and after the project. Why? Because that's what reminds not only the general public but also Rotarians that we are PEOPLE OF ACTION. A club of people you want to become part of, or stay with.

I saw a recent article in a club bulletin about a work day on a great Rotary project. There were 11 photos of Rotarians (I suppose they were Rotarians) working. Everyone in the photos was wearing a logo t-shirt, and some had logo ball caps. All kinds of logos—colleges, companies, other projects, clothing manufacturers. *None of the logos were Rotary—in 11 photos of a couple dozen Rotarians, not one was wearing a Rotary shirt or hat.*

This is a missed opportunity not only for building public image, but also membership attraction and retention. I hope your next Rotary work day is covered up with a sea of “*Rotarian at Work*” shirts, available in short sleeve or long sleeve.

Polo shirts with club logos and hats are other options. My suggestion? In your next club project, add enough money to the budget to give every Rotarian who shows up a Rotary shirt or hat. That's part of what we do—help others understand that we're PEOPLE OF ACTION.

# MAY IS YOUTH SERVICES MONTH

Thanks to Jack Newby, member of the Rotary Club of Westminster, for chairing our Youth Exchange Committee. Jack and his team organize events around the district that include our inbound and outbound students. Email Jack at [jnewby414@gmail.com](mailto:jnewby414@gmail.com).

Bailey Greer (L) before departing the USA. Sponsored by the Rotary Club of Simpsonville.

## Learning and understanding

BY BAILEY GREER

Outbound to Switzerland

I am currently participating in the Rotary Youth Exchange program in Fribourg, Switzerland where I am actively learning and improving my French. I am sponsored by the Rotary Club of Simpsonville where my father is a Rotarian.

I have had many struggles, but somehow, I have overcome every one of them. One of the most difficult times during my exchange year was at the beginning. When an exchange student arrives in a new country, frequently, they don't know how to speak the language at all or have only taken the language at school. Not understanding when a host family speaks to you can become very frustrating! Putting in the time and effort before an exchange to learn the language is one of the most rewarding actions you can take before you leave to go on this crazy adventurous year.

Two of the most beneficial things about going on the exchange are *learning* and *understanding*. As exchange students, we *learn* a new language but come to *understand* a new culture. We *learn* subjects at school but we come to *understand* the education system and how much they value education in our new country. We *learn* to integrate into our new families and to *understand* how important family is and how each family is different in their own special ways. We *learn* to deal with life's problems far away from our parents, and in doing so we *understand* what it means to be independent and responsible citizens.

I would like to finish by expressing my gratitude to all of the Rotarians all over the world and more specifically to the Rotarians of District 7750 and the Simpsonville Rotary Club. I would also like to thank my host club here in Switzerland when they have welcomed me with open hands and hearts.

**PUTTING IN THE TIME AND EFFORT BEFORE AN EXCHANGE TO LEARN THE LANGUAGE IS ONE OF THE MOST REWARDING ACTIONS YOU CAN TAKE.**

Elisabeth Connor with Exchange Students in District 1850 Germany.

Elisabeth Connor, right, in Germany sponsored by the Rotary Club of Pleasantburg.

## Becoming independent and self-confident

BY ELIZABETH CONNOR  
Outbound to Germany

Over the past nine months, I have experienced many things that most people would only have in their dreams. Thanks to Rotary, I have been given the opportunity to live 4,000 miles away from home and experience a different way of life.

Being a Rotary exchange student in Germany has changed me in many ways. I am surrounded not just by German culture, but also the culture from the other students which has helped me open my mind to see the world in a new perspective.

Living abroad has had its many challenges with the language being one of them. Not being able to communicate exactly how I feel, word for word, is not easy, but you learn along the way and it has helped me make great friendships and has given me a better understanding of others who struggle with learning something new.

The exchange has not only helped me learn to become more independent and self-confident, but it has also taught me to be more caring and patient with others. I have had many great and fun adventures including visiting Amsterdam with my host family, having Rotary sleepovers with all the exchange students from my host Rotary District in Germany and visiting an actual German Christmas market, and so much more.

I can't thank Rotary enough for this experience and I wish everyone could see the world through an exchange student's eyes. Thank you Rotary.

**NOT BEING ABLE TO COMMUNICATE EXACTLY HOW I FEEL IS NOT EASY.**

Jeremy Torres, sponsored by the R/C of North Greenville. Serving at a Rotary event in Paris, France, and speaking to the Rotary Club of Aubergenville, France.

## Learning from the daily lessons of life

BY JEREMY TORRES  
Outbound to France

My Rotary Youth Exchange year has been the most positively influential experience of my life.

At first, I thought it was going to be the most daunting challenge I might ever face. Now it is the one encounter for which I will forever be grateful.

Youth Exchange has shaped the person I am today. I am no longer the same person who left Greenville eight months ago; I am trilingual, multicultural, more responsible, more independent, more malleable, and a more

knowledgeable version of myself.

No matter how long I have been on this adventure, I seem to always find myself surprised by what I am taught through enriching and invaluable daily lessons of life in a different country.

My positive, open-minded attitude towards my exchange has presented me with numerous opportunities that have led to the discovery of many amazing places and beautiful encounters. The people, exchange students and others alike, that I have come across and

created excellent relationships with during my exchange have become life-long members of an extended, international family.

Although the exchange has presented its fair share of challenges and hard times, with a small dose of resiliency one can equally take advantage of what one is taught by these situations, which is equally as valuable.

I want to thank the Rotary Youth Exchange Program for giving me, this fantastic opportunity. Merci Beaucoup.

**FOR THOSE THAT WILL COME AFTER ME, I ONLY HAVE ONE PIECE OF ADVICE, DO IT!**

Caroline McAtee leaving Greenville-Spartanburg Airport, for Burgos, Spain. Eight months later she is sharing an ice cream cone with one of her many new friends. Sponsored by the Rotary Club of Clemson.

## On the rollercoaster of victories and hardships

BY CAROLINE MCATEE  
Outbound to Spain

Last September, I stepped off the plane in Madrid, Spain and into the next chapter of my life. The friends, the language, the experiences, the hard days that made me question what I was doing, the achievements: a roller coaster of victories and hardships, but it is a year that I wouldn't trade for anything. I have come to love this country like my own and this year will forever be in my heart.

Among the things that the new people in my life have taught me, I think the most important one is that loneliness doesn't last forever. When I arrived, I hadn't made friends and spent time with my host family. Within weeks, I was making friends and able to converse with them, thanks to the time spent practicing Spanish before leaving Clemson.

As a result of this year, I am more outgoing, I

have learned valuable life lessons, a language that will serve me for the rest of my life, how to make mistakes and shake off embarrassment, and lastly, that by overcoming struggles I will emerge as a stronger and better person.

My favorite times have been spent with my friends at school and my Spanish High School soccer team. They have been the ones to teach me what it is like growing up in Spain. I am forever grateful for the person they have made me and the friendship gifted to me. However, I must thank Rotary for giving me the opportunity to show the world what I am capable of accomplishing. The life that I have lived this year will make me the person that I am in the years to come. I am grateful.

Jordan Cary sponsored by the Rotary Club of Newberry.

## Learning to get outside your comfort zone

BY JORDAN CARY  
Outbound to Germany

I am 16 years old and I am a Rotary Youth Exchange student in Minden, Germany. Throughout this year, I have had many new experiences, challenges, and lessons learned. One of the most important things I learned early is that things are not always what or how you expect them to be and that not everything you do will always be in your established comfort zone. I found a new inner strength to overcome obstacles that I may have shied away from previously. This exchange has changed me by giving me new challenges to overcome and experiences from which I have become stronger and more capable.

At first I was very homesick and not having studied German it was difficult for me to make friends in school or in sports. I soon bonded with other exchange students and they became my lifeline as I adapted to my host family and new community.

The most fun part of my exchange was traveling with the other exchange students to other areas of Germany and around Europe where we visited most of the country capitals. I have been enriched because of this experience.

Thank you so much Rotary for this fantastic once in a lifetime opportunity!

**THINGS ARE NOT ALWAYS WHAT OR HOW YOU EXPECT THEM TO BE.**

## Rotary-provided AED saves life in Clover

A life was saved at the Clover YMCA because of an AED placed there recently by the Rotary Club of Lake Wylie.

A member suffered a heart attack in the weight room on April 17. This is what YMCA director Linda McCallum reported: He did not have a pulse. He was unconscious. CPR was started. Our AED was used, and he was brought back around. He was taken to Piedmont Hospital in Rock Hill, then transferred to Charlotte for open heart surgery the next morning.

"It looks like we saved a life, thanks to our amazing staff, volunteers and the Lake Wylie Rotary Club," Linda said.

Linda McCallum, Director of Clover School District YMCA, spoke to the Lake Wylie Rotary Club to tell the story of the AED life-saving event at the YMCA. Also pictured is club president Matt Burris.

Coordinator

## Simpsonville plants nine trees in honor of TRF centennial

In honor of the Rotary Foundation's 100th anniversary, the Rotary Club of Simpsonville club planted nine trees along the city park. Club member Nathan McClure donated the trees and the city dug the holes for six dogwood trees and three Japanese magnolia trees.

Each of these trees has beautiful blooms in spring and will be a great sight for all attending the park.

The Simpsonville Club also celebrated the 100th Rotary Foundation Anniversary with a Chili Cook-Off as hosts of the Simpsonville Area Chamber of Commerce Business After Hours. There were over 100 in attendance to help the club celebrate and a great time was had by all. These two ways of celebrating were the club's way of expressing to the community the impact Rotary has had doing good in the world and in our local area.

The beautiful shot of Lake Jocassee is just below the turnaround point on the race. The elevation changes are tough but doable.

Last year's overall winner was a 13-year-old girl. She did not even seem winded. This was not a surprise.

## ROTARY CLUB OF WALHALLA'S 5K RACE WILL HELP A VILLAGE IN HAITI

### A race course so beautiful, you will forget how tough it is

BY STEVE SOKOL  
Rotary Club of Walhalla

Whether you are an accomplished runner, a novice, or simply someone with a generous heart to help others, you don't want to miss the 2<sup>nd</sup> Annual I Battled Bad Creek 5K.

This certified course is set just inside Sumter National Forest where the rolling foothills of the Blue Ridge Mountains provide a quiet, serene backdrop for this worthy fundraising event.

From serious runners to recreational walkers, everyone will enjoy the location and challenge of this course. And the challenging grade of the mountainous terrain provides a great workout for the glutes, lungs, heart, and the soul!

If you just want to walk the course and let your soul enjoy nature at its prettiest, we still welcome you. Many of us will be walking.

The Rotary Club of Walhalla has found this property which surrounds Duke Energy's Bad Creek Hydroelectric Station to be the perfect venue for the event. Nestled above the beautiful Lake

#### When: Saturday, May 20

Registration: \$25 due by May 5 to ensure participants receive a t-shirt. After May 5, registration is \$30.

Awards: Two awards will be given in each class by age and gender.

Complete details and background on the event plus information on the LeTant village, the club's involvement and Haitian history is available at [i-battled-bad-creek.com](http://i-battled-bad-creek.com). Registration forms are available on the event website and in the Café at Oconee Memorial Hospital.

Jocassee, these hills are rich in history and in beauty.

The setting offers a unique experience for participants in this 5K fundraiser [to benefit a small Haitian village in desperate need of basic life-sustaining support](#). The fundraiser was born out of the heart of Jordanie Mertil, a native Haitian member of the Rotary Club of Walhalla.

Jordanie's friends, coworkers at Oconee Memorial Hospital and Rotarian colleagues have rallied behind her efforts to transform lives of the people of LeTant Village in Haiti with donations of clothing and medical supplies as

well as special projects to provide safer housing and clean drinking water.

The I Battled Bad Creek 5K planning committee invites you to join them for this fun event in a magnificent setting all the while supporting this effort to enrich the lives of men, women and children in Haiti.

"We welcome runners of all ages," says Jordanie. "Everyone had such a good time last year and we're looking forward to another great event. More importantly, we're counting on the success of this fundraiser to help us continue the important work being done in Haiti."

We look forward to having you join us at Duke Energy's beautiful Bad Creek site.

Kristy and Tim Garner presented Union President Torance Inman a plaque for Rotary's sponsorship of Dixie Youth Girls for the 2016 year. In return, Torance presented them with a check for the 2017 Dixie Youth Girls sponsorship.

The Rotary Club of Union is proud to announce that Kinsleigh Spencer is our Rotary Youth Leadership Award (RYLA) recipient. Kinsleigh in the top 10% of her junior class at Union County High School and is a member of the Future Farmers of America, National Honor Society, National Thespian Honor Society, Interact, and Drama Department. She is from Jonesville and has a twin sister. (Pictured: Kinsleigh Spencer and Rotarian Mike Cassels)

Above: Madagascar Actors and Ralph Lawson.  
Left: Interact Club Members Logan Berry, Katelyn Petty, Tori Hicks, and Elizabeth Ireton-Interact Advisor.

Members of the Union High School Interact Club ran the Rotary Club of Union's meeting and Ralph Lawson's Drama Department gave the club a sneak peak of the upcoming musical, Madagascar! The Rotary Club of Union hosted its annual Dinner Theater on April 20 at Union County High School.

Rotarian John Knox welcomed Roger Gregory to the club to discuss the concealed weapon permit and laws that are set in place for gun owners. Roger retired from the Union County Sheriff's Office with 32 years of service. In 1996, he became the third SLED Concealed Weapons Permit Instructor (CWP) in South Carolina and remains a SLED Certified CWP Instructor.

Rotarian Greta Bailey welcomed Misti Burr and Sonya Crank, both with the Union County Disabilities & Special Needs. They educated the club about the DSN's Early Intervention Program "As We Grow" and the services they provide.

## Spartanburg continues to support literacy efforts

LITERACY

Rotary  
SPARTANBURG

The Rotary Club of Spartanburg presented a check for \$1,000 to Hub City Writers in recognition of Rotary's commitment to Literacy. President John Perry made the presentation.

## Awards of excellence presented at Pleasantburg

DG Lance presented Susan Spencer and Eric Baker of the Rotary Club of Pleasantburg with the Governor's Awards of Excellence.

Rotary  
PLEASANTBURG

## Mother and son join their husband/father in Aiken Club

District  
Governor  
Lance

Rotary  
AIKEN

Young was in Aiken for the expansion of the Rotary family in an unprecedented way. Rotary Club of Aiken inducted Lessie Price and Dexter Price to the club. The Mother and son duo joined husband and father, William Price as members. Club President Jason Stewart, also pictured, said that this was the first time both parents and a child were all members at the same time in the club's history.

These are some of the Rotarians who attended the dedication of the new Rotary Career Readiness Learning Center, including DG Lance Young, PDGs Becky Faulkner and George Fletcher, and Judith Prince, chair of the 7750 Literacy Committee.

## Greenville club centennial project prepares adults for careers

The Rotary Club of Greenville used \$30,000 from funds raised during its club centennial last year to establish a new career readiness learning center for the Greenville Literacy Association (GLA).

The newly renovated space at the Literacy Center was dedicated as the Rotary Career Readiness Learning Center in a ceremony attended by Rotarians, GLA staffers, volunteers and students, and community members.

"Literacy is a bridge from misery to hope," said Judith Prince, a member of the Greenville club and chair of D7750 Literacy Committee. "The Rotary Club of Green-

ville is committed to partnering hand-in-glove with the Greenville Literacy Association to continue building those bridges from misery to hope."

Basic education and literacy is among Rotary's six areas of focus. Literacy is essential for reducing poverty, helping mothers and children, improving health, encouraging community, economic development and promoting peace, Judith said. She said the new center is the "ideal project to celebrate the club's 100-year anniversary."

Jocelyn Slaughter, GLA executive director, said as a previous

volunteer tutor for low-level students, she has seen that people do fall through the cracks.

"Helping our students helps to lower unemployment, crime, and health issues in Greenville County," said GLA director Jocelyn Slaughter. Since, the Rotary Career Readiness and Learning Center has opened "we've been able to offer an improved learning environment."

## Cheap rooms in Atlanta

The Rotarians On The Internet Fellowship has a few extra rooms for the Atlanta Convention which they will offer to any interested Rotarian. The rooms are at the Ramada Inn Airport. The base rate is \$65/night plus tax, coming to just under \$80. The fact that continental breakfast, Wi-Fi and parking are free makes the rooms much more affordable over downtown. There will be a ROTI 'concierge' on site. If you would like one of these rooms, go to <http://roti.org/roti-in-atlanta/hotel-reservations.html> and follow those instructions. The phone number you call may be answered "Wyndham" as Ramada is part of the Wyndham organization. If you have any questions, email [admin@walhallarotary.org](mailto:admin@walhallarotary.org), or call or text Steve Sokol @ 864-710-6121.

## Golden Corner sponsors Tri-State Relays

Don Lesley, left, president of the Golden Corner Rotary Club, checks in at the table where Cindi Lesley, right, Jenny Perry, center and Shannon Nimmons, are signing up elementary students to compete in the 2017 Tri-State Relays at Seneca High School. The relays drew five high schools from across the Upstate and dozens of elementary students to the refurbished Bobcat Stadium track at Seneca High. Proceeds from the track meet support the Golden Corner Rotary Club's community projects including GED scholarships.

## OCONEE CULTIVATION PROJECT

Mandolin Bright recently updated the Golden Corner Rotary Club on the Oconee Cultivation Project. OCP works with youth through its Cultivateen summer program.

## RECOVERY STATION HELPS WITH ADDICTIVE BEHAVIORS

Mary Cumming, director of The Recovery Station in Seneca, recently updated the Golden Corner Rotary Club about the center's outreach programs to help those with addictive behaviors. Mary, left, is pictured with club member Jessica Deshon.

## Golden Corner hears about pediatric heart surgeries

Jason Smith updated the Golden Corner Rotary Club on his foundation's efforts with pediatric cardiology and the Medical University of South Carolina Children's Hospital. Jason and his wife Susan founded the Emerson Rose Heart Foundation following the death of their daughter, Emerson Rose. The daughter died as an infant after numerous heart surgeries. Last year, the foundation's golf tournament raised more than \$50,000 to support children, families and promote awareness about pediatric cardiology. Pictured from left, are Golden Corner member Jill Dolley, Jason, and club president Don Lesley.

# CART board to award \$700,000 in grants in May

BY BARBARA IVEY, Vice President Operations, CART Fund  
Rotary Club of Fort Mill

The Coins for Alzheimer's Research Trust Fund (CART) will award \$700,000 in Alzheimer's research grants in May. Awards will be made to six researchers from US institutions.

The 2017 grants mark two records for CART. The \$700,000 figure is the highest dollar amount of grants ever awarded by the organization. CART grants are funded by the gifts of Rotarians, starting with donations of coins and cash at weekly Rotary Club meetings.

Since CART's inception in 1995, CART has always put one hundred percent of all donations to research grants. It took four years of donations to fund the first grant of \$100,000 in 1999. Remarkably, the 2017 grants were funded by one year of donations. CART has come a long way.

The second record for the 2017 grants is the number of grants

awarded. Six researchers, with six cutting-edge research projects will

provides financial support for Alzheimer's research projects

## 2017 CART GRANT RECIPIENTS

\$250,000	Christelle Anaclet, University of Massachusetts Medical School
\$150,000	Michael Karin, University of California, San Diego
\$100,000	Tsuneya Ikezu, Boston University School of Medicine
\$75,000	Philip Copenhaver, Oregon Health Science University
\$75,000	Tong Li, Johns Hopkins School of Medicine
\$50,000	Claudio Torres, Drexel University College of Medicine

receive 2017 CART grants. This funding approach allows CART to grow the body of scientific knowledge around Alzheimer's and fill the innovation pipeline moving toward a cure.

The 2017 CART Grants will be awarded at events in May 2017, to be held in Columbia, SC and in Orlando, FL.

The Coins for Alzheimer's Research Trust Fund (cartfund.org) is a project of the Rotary Clubs of North America. CART

that are yet to be supported by extensive preliminary data but have the potential to substantially advance biomedical research.

## Council on Resolutions is new online policy group

Rotary has a new online way to recommend changes to policy and rules. The Council on Resolutions is a separate governing body that will meet online every year. It will review resolutions sent by clubs and districts to the RI Board.

At the 2016 Council on Legislation in April 2016, a new annual

Council on Resolutions was approved. The first one will meet in 2017. The Council on Resolutions is a separate governing body that will meet online every year. It will review resolutions sent by clubs and districts to the RI Board. This leaves the next triennial Council on Legislation in April 2019 to deal

solely with proposed enactments.

Proposed enactments seek to change Rotary's constitutional documents—the RI Constitution, RI Bylaws, and the Standard Rotary Club Constitution. If approved by the COL, enactments become effective July 1 of the following

(continued, page 16)

## Proposing legislation and resolutions

Clubs may submit legislation and resolutions to be considered by the 2019 Council on Legislation and Council on Resolutions. The deadline for submissions to the Council on Legislation is Dec. 31, 2017. The deadline for submitting resolutions to the 2017-18 Council on Resolutions is 30 June 2017.

## Fellowships and Action Groups plan gatherings in Atlanta

BY BARBARA SHAYEB-HELOU, D7750 Fellowships and RAGS Chair  
Rotary Club of North Greenville

This month I want to provide additional information for Atlanta Convention goers concerning Fellowships and RAGS and opportunities for general convention fellowship.

- Rotarians for Peace will meet Wednesday, June 14. Stop by their table to learn the time and location.

- Rotary Water Conference(WASRAG) will be Friday, June 8 at the Global World Congress Center, 8:30-12:30 p.m.

- International Fellowship of Scouting Rotarians (IFSR) will be at booth #2735. Their annual meeting will be Wednesday, June 14 @ 8 a.m. Location to be announced.

- The Rotary Global History

Fellowship, RGHF, will hold a reception Tuesday, June 13, 3-3:30 p.m. in Room #408 with RIPE Ian Riseley. Come meet our next President.

- The Fellowship of Rotarians on the Internet(ROTI) will be at Booth # 2834, Their Official Hotel is the Ramada Plaza Airport Hotel. ROTI will hold a banquet on Sunday, June 10 at the Ramada. Breakout sessions will be held each evening at the hotel. If you are still looking for a hotel room contact the fellowship.

- The Fellowship of Rotary Educators is recruiting members at Booth # 2738 members need not be a current or former educator. An interest in quality education worldwide qualifies you. Visit [www.rotaryeducators.org](http://www.rotaryeducators.org)

[www.rotaryeducators.org](http://www.rotaryeducators.org)

- PDG Fellowship will meet Tuesday June 13 12:30-2 p.m. in Room A406 for their Annual meeting.

- There will be a an All Africa & PDG Fellowship combined Breakfast on Tuesday June 13, at the Omni Hotel ,cost \$35. For reservations- [www.PDGsFellowship.org/atlantaAfrica](http://www.PDGsFellowship.org/atlantaAfrica)

- The Convention Goers Fellowship will hold a dinner Monday, June 12. Reception -6 p.m. & dinner -7 p.m. at Pittypat's Porch (cost & \$68. + tax). [www.eventbee.com/event?eid=103957802](http://www.eventbee.com/event?eid=103957802)

To be continued.

## Resolutions— continued from page 15

Rotary year.

Proposed resolutions express opinions and make recommendations to the Board. They do not seek to amend RI Constitutional Documents but other RI policies, procedures and programs. If approved by the COR, proposed resolutions are referred to the RI Board for consideration.

Every district designates a representative to the Council on Resolutions. PDG Lorraine Angelino has been selected as the representative for District 7750 effective July 1. PDG Terry Weaver is the alternate.

If a club or district is considering proposing a resolution for the 2017 Council on Resolutions,

resolutions must be received by Rotary International on or before June 30, 2017, including the governor's confirmation of endorsement. There are no exceptions to the deadline.

A resolution proposed by a club must be voted on, or endorsed, by the clubs in the district at its district conference, a district legislation meeting, or through a ballot-by-mail, before it can be submitted to Rotary. If you are interested please see the linked document [2017 Council on Resolutions: How to Propose Resolutions](#) for more information on drafting, endorsing, confirming and submitting a resolution.

If you have questions, contact 2014-2016 COL representative Rich Waugh ([rwaugh317@bellsouth.net](mailto:rwaugh317@bellsouth.net)) or 2017-2019 COL representative Lorraine Angelino ([dg2013@rotary7750.org](mailto:dg2013@rotary7750.org)). This is an opportunity for clubs to propose ideas for change that will impact the Rotary world.

On May 4, 1987, the Supreme Court ruled that Rotary Clubs may not exclude women from membership on the basis of gender. Sylvia Whitlock of California was one of the first women in Rotary, even before the court ruled.

# 30 years of women in Rotary

BY FAITH LINE  
Rotary Club of Anderson

Throughout Rotary's first seventy years of history, the debate about women as members was one that came up again and again. Before 1987, women were permitted to attend meetings, give speeches, and receive awards and young women could join Interact or Rotaract, as well as study abroad and participate in the youth exchange program, but they couldn't become members.

Then the Rotary Club of Duarte, California, changed everything. On the club's 25th anniversary in June 1977, the it admitted three women.

The Board of RI terminated the club for admitting women. In June, 1978, the club filed a suit in the California Superior Court against the RI Board decision. The RI Board appealed to the United States Supreme Court in 1986.

On May 4, 1987, the US Supreme Court voted 7-0 that Rotary clubs may not exclude women from membership on the basis of gender.

After the ruling, Rotary issued a policy statement that any Rotary club in the United States can admit qualified women into membership.

Today women make up more than 20% of Rotary's worldwide membership and their contributions have influenced Rotary and their communities around the world. One of the first was Sylvia Whitlock of the Rotary Club of Duarte who was the first woman to serve as a club president. Another was South Carolina's Anne Matthews, member of the Rotary Club of Columbia East, who served as the first female Vice President of Rotary International in 2013-14 during her second year as a member of the RI Board of Directors. Anne also served as trustee of the Rotary Foundation.

As Sylvia says: "The face of Rotary has changed. But Rotary's commitment to service has not changed. That's why we join, because we want to serve."

# POLIO Update – No new cases reported since February

BY AMELIA NELSON

7750 Polio Chair

As of April 20 there have been **NO NEW CASES** of polio reported since Feb. 21. We are still at five cases for the year. Following is a recap of countries at risk:

**Pakistan:** The Technical Advisory Group Consultation on Polio Eradication in Pakistan convened in Islamabad to review current epidemiology and strategies to eradicate remaining strains of transmission for the rest of the year. Pakistan: 2 cases in 2017 with most recent case Feb. 13, 2017.

**Afghanistan:** Most areas of Afghanistan are without polio cases. Transmission is largely limited to small geographical areas in the eastern and southeastern regions of the country. Two districts are of particular importance: Bermel in Paktika province, and Sheegal in Kunar, which together reported 11 of the 13 polio cases in 2016. Afghanistan: 3 cases in 2017 with most recent case Feb. 21, 2017.

**Nigeria:** Nigeria continues to implement emergency outbreak response to the detected WPV1 strain and circulating vaccine-derived poliovirus type 2 strains affecting the country. The response is part of a broader regional

outbreak response, coordinated with neighbouring countries, in particular the Lake Chad sub-region, including northern Cameroon, parts of Central African Republic, Chad and southern Niger. Nigeria: 0 case in 2017 with most recent case Aug. 21, 2016.

**Lake Chad Basin:** The detection of wild poliovirus type 1 and circulating vaccine-derived poliovirus type 2 in Nigeria poses a risk to the neighbouring countries of the Lake Chad basin and hence an outbreak response plan is being implemented as part of the response to the Nigeria outbreak. Emergency outbreak response efforts continue across the Lake Chad basin, together with activities to fill subnational surveillance gaps across the region.

Over the next two weeks, key global meetings will take place to review the global polio epidemiology and examine what additional efforts must be implemented to achieve a lasting polio-free world.

Reports and outcomes of the meetings will be made available on [www.polioeradication.org](http://www.polioeradication.org).

## 7750 UPDATE

Where does our district stand in PolioPlus contributions as of April 20, 2017? In Zone 33, made up of 15 districts, District 7750 is Number One. However, District 7770 (eastern part of the state) is only \$3,000 behind us. Let's keep up the good work and stay on top.

Where does your club stand? Check out the report at the end of the newsletter. If your club has not reached its goal, what will you do to help? Be a fan like Jack Nicklaus and make your donation to free the world of polio.

## Only five new polio cases this year. But—

The elusive goal of polio eradication may finally be within reach. So far this year there have been only five cases of polio globally — three in Afghanistan and two in Pakistan. That's half the number of cases seen last year by this point. And 2016 had the lowest case count in history, at 37 cases. But a number of

problems — funding shortfalls, ongoing difficulty reaching children in conflict zones — continue to pose challenges.

Meanwhile, a shortage of injectable vaccine is creating an unwelcome risk. The oral vaccine no longer covers type 2 polio, one of the three strains, so health officials recommended all kids get at least

one dose of the injectable vaccine. But manufacturers haven't been able to meet demand.

Now, 18 countries thought to be at low risk are home to an increasing number of kids not protected against type 2 and who won't be able receive the injection until 2018. "At the global level, the way we're handling it is really looking at the risks and ensuring that the risk for the world is minimized by allocating the supply where it is most needed," says Michel Zaf-  
fran, WHO's director of polio eradication.

## South Carolina Governor Henry McMaster

### Use Rotary's Four-Way Test for review of regulations

Gov. Henry McMaster signed an executive order April 20 that calls for Cabinet directors to use Rotary's Four-Way Test when considering regulations.

The governor wants to be sure proposed regulations make sense and that reviews of current regulations are posted.

McMaster's told cabinet officials they should apply the Four-Way Test before issuing new regulations to be sure they meet all four standards: true, fair, builds goodwill and is beneficial.

Agencies are already required to review regulations every five years. The new order requires the 17 Cabinet agencies to give the governor's office a copy of the report and post it online.

Governor McMaster is a member of the Rotary Club of Columbia.
