ROTARY INTERNATIONAL

**ROTARY:  
MAKING A  
DIFFERENCE**

## Clubs will continue to make a difference during 2017-18

**By Ed Irick**

7750 District Governor

**ROTARY: MAKING A DIFFERENCE** is the theme RI President Ian Risely has chosen for 2017-2018. It is going to be a great year, and I am honored and humbled to be your District Governor.

I am so proud to be a part of an organization that for 112 years has been committed to making the world a better place. By working together as people of action, Rotarians have inspired, transformed, and connected to make a real difference in people's lives. With the challenges we face in our communities, country, and around the world, it is more important than ever that we continue Making a Difference.

How does Rotary continue to make a difference? We must focus on strengthening

our clubs, increasing our Humanitarian service, and enhancing our public image and awareness. We cannot be satisfied with the status quo. To that end, I have asked the District committee chairs to be proactive in offering assistance and help. Club committee chairs should not hesitate to contact their District counterparts for advice and assistance.

Rotary is people of action. It is you and I, individuals with ideas coming together to make a difference in the world. We do this through our clubs. Strong, healthy, vibrant clubs are the launching pads for great projects and necessary for success. Strong clubs attract members. We must continue to make membership our number one priority. Rotary is not a service organization.

→ continued on 2

2016-17 Governor Lance Young installed 2017-18 Governor Ed Irick at the Installation and Awards Banquet June 30. At right are Governor Elect Carol Burdette from the Rotary Club of Anderson and Governor Nominee Rob Hanley from the Rotary Club of North Greenville.

**THROUGH JUNE 30, WE ARE UP 9 MEMBERS FOR 2016-17.**  
THE YEAR-END NUMBER MAY STILL CHANGE SLIGHTLY.

## Making a difference—

It is a people organization that exists to serve. We must grow our membership and work to keep our members engaged in Rotary projects. Perfect attendance is commendable, but perfect engagement is essential to a strong club. We know that by working together and channeling our energy and ideas, we can accomplish more than working alone. This is how Rotary makes a difference.

Every time we give to the Foundation, a world of peace and goodwill comes closer to reality. We must continue to support the Foundation to en-

hance our Humanitarian Service.

In addition, we must continue to support the fight to eradicate polio. It is estimated that it will take \$1.5 Billion over the next three years to eradicate polio. Bill Gates recently committed to matching Rotary 2 to 1 up to \$50 million per year for the next three years. That is potentially \$450 million. Rotary needs to raise \$50 Million per year to trigger the full match. It can and will be done, but it will take all of us stepping up to help. Rotary International's new campaign "End Polio Now... Countdown to History" kicks off this year. The new battle cry is ... "Zero Cases!"

Rotary International is also introducing new tools to help clubs enhance their public image and awareness. A new Rotary Club Central will come out in July. My Rotary is being improved to be more user friendly. Thanks to the initiative of PDG Lance, the district will soon rollout a newer, more user friendly website. It will enable clubs

Ed presents the Past District Governor pin to Lance.

to quickly and efficiently gather the information they need. The tools are coming, and we should use them to our advantage to promote Rotary.

I am really looking forward to the coming year as your District Governor. I am eager to begin my club visits and learn first hand how Rotary is making a difference in District 7750.

Let's work together . . . Let's be people of action . . . Let's make a difference . . . and . . . Let's have FUN being Rotarians.

## THE DOUBLE Cs

CONFERENCE AND CONVENTION

Add these dates to your calendar now

Our **ALL CLUB CONFERENCE** will be May 18-20, 2018 in Charleston. It will be a joint conference with District 7680 (Charlotte Area). Mark your calendars now and plan to attend. It is going to be a great conference and trust me: we are going to have FUN.

The **INTERNATIONAL CONVENTION** will be in Toronto, Canada June 23-27, 2018. It is shaping up to be a great one. Registrations are open now. Plan to join thousands of other Rotarians celebrating Rotary: Making a Difference.

**ROTARY:  
MAKING A  
DIFFERENCE**

# Pride and Love—Your Rotary

By John Kimbell

Rotary Club of Greenville Evening  
D7750 Membership Chair

We just celebrated 100 years of the Rotary Foundation and its global impact. What an amazing organization to be a part of. We truly make a difference in the world with our service through time, talent and gifts. I hope you share the pride and love of being a Rotarian. This is a key point to share with our prospects and our friends we can introduce to Rotary. What a winning formula for joining and staying in Rotary as we combine the keys of fellowship, local service and impact among people bonded by Service Above Self, our Four Way Test, and fun.

Consider and share this with others. Our efforts through the Rotary Foundation to advance

world understanding, goodwill and peace has earned the Charity Navigators No. 1 rating among all charities and a 4 Star Rating. Love it, you bet, and it is a key reason for staying engaged with Rotary at both the local and global level.

We are all familiar with our efforts to eradicate polio. Recall

and share these highlights of the Rotary story. Rotary has contributed more than \$1 billion and many thousands of hours to eradication effort. We and our global partners have achieved a 99.9 % reduction in polio cases since our program started in 1985 and ended polio in 122 countries. We will get to a world with ZERO polio.

As we begin a new Rotary year, the call to People of Action is to help grow and strengthen your club. A challenge all Rotarians in District 7750 is to commit to bring one guest per quarter. A great time to start is now and next month – Rotary Membership Month.

*John Kimbell is District Membership Chair in 2017-18 and is a member of Greenville Evening Rotary. His email is [jkimbell46@gmail.com](mailto:jkimbell46@gmail.com).*

## Governor's Meritorious Service Award for 2016-17

## \$300,000 global grant for Haiti goat breeding program in the works

by PDG Tom Faulkner

Rotary Club of Greater Greer

Some of that goats already being raised in Corporant.

Charles Warne through Partners in Agriculture and the Rotary Club of Greenville is pursuing one of the most ambitious Global Grant projects in the recent history of District 7750.

The objective is to create a Goat Breeding Program purchasing goats from the Dominican Republic and distributing these goats to farmers in the vicinity of the LaFontant Vocational School in Corporant, Haiti.

The Dominican Republic breeds a larger variety of goats that can provide Haitian farmers with a larger source of meat than they presently can produce from Haitian goats. The cost projections for the Goat Breeding Project are in the range of \$300,000. This ambitious endeavor will take a number of years to complete and will require the support of not only our Rotary District, but other Rotary Districts with which Charles is negotiating.

The Rotary Club of Greater Greer has decided to be a Sponsor Club for this proposed Global Grant. We have made contributions of more than \$6,000 to the Rotary Foundation this past Rotary year.

PDG Tom Faulkner helped raise some of the matching part of the global grant on a bike ride.

On March 4, I led an effort to

complete a 100-mile-bike ride into the North Carolina mountains as a way to increase our club's ability to reach such a goal even with the relatively small size of our club. We completed the 100 miles to recognize the Rotary Foundation's 100th Anniversary we just celebrated in Atlanta.

It was for me the first time I ever completed a 100-mile-bike ride in a day. I want to thank all of you who contributed financial support as sponsors of our ride. We received \$1,800 in support of the event, all going to the Rotary Foundation.

It is of crucial importance to the success of this Global Grant that as many Rotary clubs in our district as possible consider becoming Sponsoring Clubs of this goat breeding project.

To become a Sponsor Club, the Rotary Club leadership needs to agree to render formal support for the project by recognizing the project. Recognition is simply a matter of notifying Charles Warne and the Greenville Rotary Club of a club's willingness to be a Sponsor Club.

Please invite Charles to speak to your Rotary Club and share the exciting story of the LaFontant Vocational School and the planned Goat Breeding Project. I am confident that like Greater Greer Rotary, you will also decide to become a Sponsor Club. I suggest a decision point for the Rotary year 2017-18 to be September or October basing your club's Foundation giving on funds contributed during the past Rotary year. Once your club becomes a Sponsor, talk to Charles about visiting Corporant, Haiti and see firsthand the amazing work being done in collaboration with our Rotary District!

The Rotary Club of York added three Paul Harris Fellows to the ranks. Amy Hagner a first time Paul Harris Fellow; Grier Sandifer, Paul Harris Fellow +1; and Bob Williams, Paul Harris Fellow +2. 2016-17 president Daniel Harshaw presented the award to each member.

**Rotary**  
YORK 

**York Comprehensive High School**  
**Interact**  
*Sponsored by Rotary Club of York*

The York Rotary Club and York Comprehensive High School Interact students assisted again this spring with the York Electric Co-Operative (YEC) annual membership meeting. This is not only a fund raiser for the local Rotary Club, but a public service activity. Rotary and student Interact members pitched in cooking and preparing 8,000 hot dogs to sell to the YEC membership on the day of their annual meeting.

### JON ADAMS INSTALLED AS GOLDEN CORNER PRESIDENT

Jon Adams, center, receives the Paul Harris Fellow award from outgoing Golden Corner Rotary Club president Don Lesley. Jon was also sworn in as the new president of the Seneca Golden Corner Rotary Club during ceremonies at the Keowee Sailing Club. Pictured from left are Don, John, and John's wife, Cindy. John also received the Paul Porter President's Pin, which formerly belonged to long-time Golden Corner Rotarian Paul Porter and is passed to incoming presidents thanks to the generosity of Paul's widow Judy Porter.

Richard Ledford, president of Our Daily Bread soup kitchen in Seneca, received a banner from immediate past Golden Corner president Don Lesley. Golden Corner obtained a Rotary District 7750 grant that helped Our Daily Bread purchase a new gas stove and food preparation tables. The club also helped Oconee County's Adult Education program provide more than 20 GED scholarships.

Elizabeth Keenen, right, recently described how she built a 16-foot skiff. The detailed presentation to the Golden Corner Rotary Club included photos and diagrams of the sailboat. Pictured with here is Cammie Kaiser, secretary for the Golden Corner Rotary Club.

### Rotary GOLDEN CORNER

Don Lesley, past president of the Golden Corner Rotary Club of Seneca, receives his past president's pin from his wife Cyndi during ceremonies at Keowee Sailing Club. The pin belonged to his father who served Rotary for more than 40 years in northeast Georgia. During Don's year as Golden Corner Rotary Club president, more than 20 GED scholarships were awarded and new equipment for the Our Daily Bread soup kitchen was purchased.

Lorraine Harding, a long time Upstate Realtor and member of the Golden Corner Rotary Club, was recently recognized for 23 years of perfect attendance. Presenting Harding with her pin is Golden Corner Rotary Club past president Don Lesley.

Rotarian and Union YMCA CEO Scott Sandor talked to the Union Rotary Club about three grant programs that the Union YMCA is offering: Livestrong at the YMCA, Diabetes Prevention Program, and Blood Pressure Self-Monitoring.

Rotarian Annie Smith asked Elise Ashby and Vickie Shields to the club to speak about the Ag + Art Tour of Union County. Elise, chair of Union's Ag + Art Tour, is the founder and owner at Open Air Celebrations and is on the board of trustees for the Catawba Farm and Food Coalition. Vickie is the artist coordinator for Ag + Art Tour of Union County and provided information about various artists that will be a part of the event.

John Perry, President, Rotary Club of Spartanburg  
Judy Bynum, Committee member  
Leslie Shealy, Converse College student, Rotary Scholarship recipient  
Evelyn Nanna, USC Upstate student, Rotary Scholarship recipient  
Donette Stewart, Vice Chancellor for Enrollment Services, USC Upstate  
Max Hyde, Chair, Rotary Scholarship Committee

Rachel Dean, a scholarship recipient from Wofford College, is not pictured.

## SPARTANBURG AWARDS SCHOLARSHIPS

The Rotary Club of Spartanburg has awarded three \$2500 scholarships to local students who graduated from high schools in Spartanburg County and currently attend colleges in Spartanburg County. Recipients have demonstrated success inside and outside of the classroom and leadership of peers; they personify the Rotary ideal of 'Service Above Self.'

## North Greenville presents \$7,000 to 10 organizations

The North Greenville Rotary Foundation of the Rotary Club of North Greenville held its annual Awards Luncheon on June 23 at the Poinsett Club in Greenville. Ten organizations received a total of \$7,000 in support of their work in the upstate. The funds come from the club's Raffle Fundraiser.

## SOS THRIFT STORE

Immediate Past President Shanda Jeffries presented SOS Thrift Stores with a check to help that group serve as the "share house" to support non-profit agencies in the Upstate.

## NORTH GREENVILLE

Rotary

Other organizations receiving a Foundation Award this year included Carolina Loving Hounds Rescue, Coins for Alzheimer's Research (CART), Frazee Center, Gateway House, Jefferson Awards Foundation, Meyer Center, and Taylors Free Medical Clinic.

Chartered in 1955, the Rotary Club of North Greenville and its North Greenville Rotary Foundation provide service above self and financial support to its greater Greenville community.

## JUNIOR ACHIEVEMENT

Treasurer Alan Austin recognizes Junior Achievement for their knowledge and skills work with financial literacy in schools throughout the Upstate. Pictured with Alan are Connie Lanzl, President of Junior Achievement of Upstate SC and Susan Spencer, Director of Education and Volunteers at Junior Achievement of Upstate SC. Connie is a member of Greenville Rotary Club and Susan is President of the Pleasantburg club. The club's gift will support JA's mission of teaching students work readiness, entrepreneurship and financial literacy, in partnership with area schools.

## GREENVILLE POLICE DEPARTMENT

President Randy Vogenberg presents a check to the Greenville Police Department for the the Officer Allen Jacobs G.R.E.A.T. summer camp that allows Greenville police and school resource officers to mentor and positively interact with students in the community. Pictured with Randy are GREAT Program Coordinator Yvonne Davis, Officer Michelle Lentz, and Sergeant Ed Irick. Monies were raised through the club's Annual Greenville Christmas Parade Hot Chocolate & Donut Sale, joint fundraising through the year such as the Duck Derby with Greenville Evening Club, along with established funds from the long-standing Club Foundation.

## Mauldin sponsors Four-Way Test essay contest; awards prizes

For the second year, Mauldin Rotary Club sponsored a Four-Way Test essay contest for eighth graders at Mauldin Middle School. Last year, we had around 20 essays submitted by students. The teacher was so impressed that this year she made the essay part of the class requirements and we had 70 essays turned in.

The Mauldin High School Interact Club, sponsored by the Mauldin Club, culled these essays to five for review by the club, an arduous task! These five were then reviewed and graded by the

### MAULDIN

## Rotary

Mauldin Club membership to choose a first, second and third place winner. These winners received gift cards donated by the club totaling \$175. All participants received a free dessert from the Mauldin McDonald's franchise.

The members of the Mauldin club were impressed by the quality of this year's submitted essays, with many noting how remarkable

they were for middle school students. This reflects well on the capabilities of the students, the effectiveness of their teachers and the relatability of the Four-Way Test in the students' lives.

The Mauldin Club is active at all levels in the area's schools providing dictionaries for third graders, the Four-Way Test essay contest for eighth graders and our Interact Club at the high school level.

—Norman Bunn,  
2016-17 President

In celebration of the contributions of the Rotary Partnership for Literacy, the Greenville Literacy Association named a room at the GLA headquarters in honor of the partnership. A plaque with the names of each of the Rotary Clubs who were in the partnership now hangs in the Rotary Partnership for Literacy Media Room.

### LITERACY

## Rotary GREENVILLE AREA CLUBS

## Greenville Literacy names room for Rotary Partnership because—

by Jocelyn Slaughter

Executive director of Greenville Literacy Association

The Rotary Partnership for Literacy was formed three years ago when several Rotary club leaders across 10 clubs in the Greenville area decided to collaborate to make some things happen for the students at Greenville Literacy Association. They saw a need and filled it by

- providing technology in the form of smart boards and other tools.
- providing GED scholarships so that GLA students

could experience success.

- granting Quick Jobs scholarships so that students could blaze a trail on new career pathways in healthcare and manufacturing by co-enrolling with GLA and Greenville Technical College.

Over the three years of the Rotary Partnership for Literacy, GLA has been the beneficiary of \$50,000 towards technology and scholarships. Their work has indeed been impressive and is definitely changing lives.

# D7750 Rotarians gave \$49,000 for Alzheimer's research

by **Steve Black**

Rotary Club of Aiken Sunrise

D7750 CART Chair

Coins For Alzheimer's Research Trust. The blue buckets on the table at your meetings. Where are we as a District and how do we fit in to CART?

This year District 7750 collected \$49,000 for CART. We are one of twenty participating Rotary Districts, covering all of Florida, Georgia, South Carolina, North Carolina along with part of Virginia and Tennessee, who together collected over \$700,000, to be used for cutting edge research grants, during this last Rotary Year. By all measures it has been a record year. For the first time CART issued six research grants in increments from \$50,000 to \$250,000, the largest number in a single year to date.

The grant recipients accept their awards at the Annual CART meeting in Columbia SC where they give presentations on their proposals and the direction of their research. This year, in recognition of the expanding number of participating Districts, for the first time CART held two awards ceremonies, one in Columbia, SC and the second in Orlando, FL.

Since 1996 CART has grown from one Rotarian's idea in Sumter, South Carolina to encompass around 45,000 Rotarians participating at their regular meeting. Each of you make a huge impact when you regularly empty your pockets of change, drop in dollars or send checks in to the CART Fund. As Rotarians, working together, we can make a difference in Alzheimer's Research.

A Project of the Rotary Clubs of North America

## Mail gifts to CART

(Clubs and individuals may send your gifts here.)

# Syria and Congo face outbreaks due to vaccine-derived polio

by **Ryan Hyland and Teresa Schmedding**

Rotary International

Outbreaks of vaccine-derived polio were reported in June in the Democratic Republic of Congo and Syria, according to the World Health Organization.

At least 22 cases were identified in Syria and at least four in Congo. In both countries, health officials are working with the Global Polio Eradication Initiative to respond immediately to the outbreaks with supplementary immunization activities and field investigations. To prevent the virus from spreading further, investigations and immunizations are also being strengthened in neighboring countries.

Vaccine-derived cases are rare, and they differ from wild cases. Here's some information to help you understand these outbreaks:

## WHAT ARE THE TWO KINDS OF POLIO CASES?

Wild cases of polio are caused by poliovirus that is circulating naturally in the environment.

Vaccine-derived polioviruses are extremely rare and exist under specific circumstances. Oral polio vaccine contains live virus that is weakened so that it will prompt the body's immune response without causing paralysis. The vaccine is ingested, and the weakened virus replicates in the child's gut and is then excreted. In areas with poor sanitation, this excreted vaccine virus can spread to other children. This can actually be good because it then immunizes them. When the strain no longer finds susceptible children, it dies out.

The problem occurs in areas of low vaccination coverage. There, such vaccine-derived strains of the virus can continue to circulate as long as they

**Get much more information about the current status of polio at [endpolionow.org](http://endpolionow.org).**

continue to find unvaccinated or otherwise susceptible children. While they continue to circulate, they mutate. Eventually, if they are allowed to circulate long enough — at least 12 months — they can mutate into strains that are strong enough to cause paralysis.

## IS THE VACCINE SAFE?

Yes. The oral polio vaccine has reduced the number of polio cases by 99.9 percent since 1988. The risk posed by wild poliovirus is far greater than the risk of an outbreak caused by circulating vaccine-derived poliovirus. Once wild polioviruses have been eradicated, use of oral vaccine will be stopped.

## ARE VACCINE-DERIVED CASES COMMON?

Polio cases caused by circulating vaccine-derived poliovirus are extremely rare. Wild poliovirus remains the far greater risk. Nevertheless, because of the small risk of vaccine-derived outbreaks, use of oral vaccine will be stopped when wild polioviruses have been eradicated.

## ARE WILD CASES COMMON?

A: Wild poliovirus occurs only in the countries where polio remains endemic: Afghanistan, Nigeria, and Pakistan. Only six cases of polio caused by the wild virus have been reported so far in 2017. That's the lowest number of polio cases in history, with fewer cases reported in fewer areas of fewer countries than ever before.

# Ethics Fellowship one way to take Four-Way Test more seriously

By **PDG Barbara Shayeb-Helou**

Rotary Club of Pleasantburg  
D7750 RAGS and Fellowships Chair

The Ethics Fellowship is for every Rotarian. Blindly reciting the Four-Way Test is not enough. The Ethics Fellowship was established in 2016 by Sergio Levy of Brazil and Marco Kappenberger of American Samoa. I first heard Sergio speak at the Rotary International Assembly in 2005. And what he said has

stayed with me ever since. I was introduced to Marco by a mutual friend and Rotarian who lived in Florida. But he knew Marco as a Missionary in American Samoa, years before. Marco and I physically met at the RICon in Bangkok and we e-mail one another all of the time.

They strongly feel that people need to take the Four-Way Test

more to heart and truly live it. Rotarians at the Atlanta Convention seemed to take joining the Fellowship seriously. We now have 1,300 members in 79 countries.

The Object of Rotary states, "To encourage and foster high ethical standards in business and the professions." Join today for free. Google Ethics Fellowship of Rotarians.

**POLIO CHAMPIONS:** Polio survivor and professional golfer Jack Nicklaus, photo at left. In photo at right, Philanthropist Bill Gates, Rotary International President John Germ, and wrestler and actor John Cena on stage at the Rotary International Convention in Atlanta on June 12.

## NEW YEAR – NEW CAMPAIGN

# From the Atlanta Convention: **COUNTDOWN TO ZERO CASES!**

By **Amelia Nelson**

Rotary Club of Greater Anderson

D7750 Polio Chair

Rotary's "End Polio Now" is changing to **COUNTDOWN TO HISTORY** with a goal of zero cases in 2020. Just think: Polio Eradicated in three years. What a legacy for Rotary and Rotarians.

Rotary's history with Polio goes back 90 years, including the first Foundation Grant in the amount of \$500 going to the March of Dimes. Then in 1979 the first 3-H Grant was given and a contract committing RI and the government of the Philippines to a joint multi-year effort to immunize about six million children against polio at a cost of about US \$760,000 was signed. As a result of this grant, the campaign to eradicate polio worldwide was started and in 1985 the PolioPlus program was started.

So what is PolioPlus? The "PLUS" indicates an addition to the Polio immunization the protection against not only polio, but also diphtheria, measles, whooping cough—all vaccine-preventable diseases.

At the Atlanta convention, RI President John Germ and Bill Gates reaffirmed their com-

mitment to ending the disease by pledging an additional \$1.2 billion to the cause. Rotary alone pledged to raise \$50 million a year for three years. And Bill Gates announced he would match that contribution two-to-one – which is another \$450 million.

Gates said "I think we'd all agree this has been harder than any of us expected", but continued to say that the most important statistic to him is that "16 million people are walking today who would otherwise have been paralyzed by polio."

By the time the world is certified polio-free, Rotary's contributions will exceed US\$1.2 billion to a program that is expected to total approximately US\$10 billion in donor funds enabling the largest public health initiative the world has ever known. More than one million Rotarians worldwide have contributed toward the success of the polio eradication effort to date.

We can't stop now. If we have zero cases in 2017-18, 2018-19 and 2019-20, Rotary and its partners will have eradicated polio from the world. Will you help? Plan your club's polio giving as well as your individual gift now and be a part of the countdown to history.

Click the graphic to go to the **End Polio Now** website for more information about how clubs can help.

## 7750 developing list of polio survivors

Our district would like to know how many Rotarians are polio survivors. Send an email to [Amelia Nelson](#) and let her know you are a survivor. If you are willing to share your story, please include it in your email. We will retract your name from any story that is published if requested. The Polio Survivors Association is now a Rotarian Action Group (RAG) and is leading this effort; you may visit their website and/or join the RAG at <http://rotarypoliosurvivors.org>.
