August: Membership and Extension Month
September: Basic Education and Literacy Month

**ROTARY:
MAKING A
DIFFERENCE**

Let's have FUN being Rotarians

As I travel around the District visiting clubs, my message is that every club should be stronger at the end of this Rotary Year than it is now.

I talk about why membership is our number one priority. I speak to the fact that for a club to be stronger it must increase and enhance its humanitarian service, and it must enhance the club's and Rotary's Public Image.

Every club thus far recognizes that membership is its number one priority and understands that membership, humanitarian service, and public image are critically important pieces that go together to strengthen a club. That is the easy part. The tough part is working together to make it happen. I am confident that you will be able to do just that to make your clubs stronger.

I also talk about having FUN being a Rotarian. So let's have some

FUN and learn some little known facts about our clubs. After every visit I walk away with a little piece of trivia about the club. Sometimes it is a mostly forgotten fact about the club that many of its current members do not know.

You provide me the club trivia and I will have it printed in the newsletter for all to see. You can send it to me via email now or wait until I visit your club to give it to me.

I also overheard a conversation in which two members were discussing which club sponsored their club. Each thought it was a different club. Let me know what club sponsored your club. I will put together a District 7750 family tree.

Hopefully, you will have FUN learning about your club and the others clubs of the district. Send me your club trivia.

Let's make our clubs stronger and have FUN being Rotarians.

THIS MONTH'S TRIVIA:

1 The Rotary clubs of Anderson and Simpsonville each have a serving member who is over 100 years old or will turn 100 this year. If you have a member over or about to turn 100 years old, let me know.

2 The Rotary Club of Simpsonville's first president was Dick Riley who later became the Governor of South Carolina and then the U.S. Secretary of Education.

3 The Rotary Club of Golden Strip Sunrise was Club of the Year when Sue Poss was governor in 1999-2000.

MEMBERSHIP MONTH IS A GOOD TIME TO ASSESS How strong is your club?

Assess your club regularly to learn what works and what doesn't. Do your members reflect the range of professions and cultures in your community? Are you achieving your club's goals? What qualities make your club attractive to new members? Use the [Membership Satisfaction Survey](#) to identify your members' needs. Find more ideas for evaluating your club in [Strengthening Your Membership: Creating Your Membership Development Plan](#).

RYLA 2017 prepares 76 high school students to be leaders

By Pete Crandall
D7750 RYLA Chair

District 7750 conducted its 38th annual RYLA camp June 4-10.

Seventy-six rising high school sophomores, juniors, and seniors from across the District attended this week long event at Erskine College in Due West.

The majority of the delegates are Interact Club members, and those who weren't expressed interest in starting Interact clubs in their high schools.

The week was chocked full of exciting speakers, programs and projects all designed to help these young leaders develop and improve their leadership

skills. They also developed a community service project and presented it to the entire group.

For those clubs who always support RYLA, thank you. I'm sure you value the benefits derived from this program. For those clubs new to RYLA, or perhaps not supporting this great program, we encourage you to look into it and budget to send attendees next June.

To all the clubs that sent delegates, if you haven't yet, schedule them back to your club to make a presentation. Even if you didn't send a student and would like one to speak at your club, contact me for help in finding one near you.

THIS YEAR'S RYLA SPEAKERS INCLUDED:

| |
|--|
| Lance Young / DG 7750 |
| Mark Peeler / VP Athletics Erskine College |
| Frank Lee / VP Smith Pharmaceuticals / Spartanburg |
| Travis Agnew / Rocky Creek Baptist Church |

Rotary membership month in August

Say it loud and proud

By John Kimbell

Rotary Club of Greenville Evening
D7750 Membership Chair

August is Membership Month, which means it's time to celebrate your Rotary club, your members, and the good you do in your community and around the world. And most importantly SHARE the experience by inviting a friend or colleague to come to your club, and join in the great values and benefits of Rotary.

The primary values for joining and staying include:

1 The Opportunity to Serve: Rotary is an organization of committed people. Its business is mankind. Its product is service. This is the #1 reason for becoming and staying a Rotarian; the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. Membership in a Rotary club makes one a **better community citizen**. The average Rotary club consists of the most active citizens of any community.

2 Friendship: In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is a key reason why Rotary began in 1905, and is the # 2 reason for joining and staying

3 Citizenship in the World: Every Rotarian wears a pin that says "Rotary International." Our global impact is amazing and is the #3 reason why we remain in Rotary. This means instant friends in both one's own community and in the world community.

4 The Development of Ethics: Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

5 Fun: Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

I was a first timer at the International Convention in Atlanta. What amazed me most was the ease of meeting and making new friends from every place on the planet as we are bonded by common goals and values. Just think, every race, religion, culture and citizens from over the globe coming together to do good in the world. That is a badge of honor, great pride, and is a gift when we invite others to come share it.

Be a person of action; do your part to strengthen, grow and sustain your club.

John Kimbell is District Membership Chair and s a member of Greenville Evening Rotary. His email is jkimbell46@gmail.com.

Resources to help you bring a fresh approach to your club

Give your members a meaningful Rotary experience by offering them opportunities to make a positive difference and connect with others. They'll make valuable friendships and feel good about Rotary and the work we're doing to make the world a better place. Find ideas to help your club take a fresh approach with these resources. Click the resource to go to it.

Golden Corner updated on economic development

Janet Hartman, third from left, recently updated the Golden Corner Rotary Club on the Oconee County Economic Alliance's promotional and marketing efforts. Pictured from left, are Daja Dial, marketing representative with the Economic Alliance; Jessica Deshon, Golden Corner Rotary; Hartman and Don Lesley, past-president, Golden Corner Rotary Club. Hartman's update included new signage for many of Oconee County's parks and county gateways.

SALVATION ARMY OFFICER JOINS GOLDEN CORNER

Major Grady Pearson with the Salvation Army of Oconee County is welcomed as the newest member of the Golden Corner Rotary Club by president Jon Adams, left.

GOLDEN CORNER RECOGNIZED FOR FUNDING 20 GEDS

The Golden Corner Rotary Club was recently recognized by District 7750v for the club's work during fiscal year 2016-2017. The club was instrumental in funding more than 20 GED scholarships through the Oconee Adult Education program and purchasing new equipment for Our Daily Bread soup kitchen in Seneca. The club received a silver placard for its club banner. Pictured are outgoing club president Don Lesley, left, and new president Jon Adams.

HEALTHCARE OUTREACH

Heather Goss with the Mountain Lakes Access Health program at Oconee Memorial Hospital recently updated the Golden Corner Rotary Club on the program's healthcare outreach efforts including the free dental clinic. Pictured with Heather is club president Jon Adams.

STATE ISSUES

Rotarian and SC House Representative Mike Anthony discussed the gas tax, retirement system, targeted projects and roads with the club.

Union installs new board of directors/officers

Rotary Club of Union announces 2017-2018 Board of Directors. Pictured (L-R): Charles 'Buddy' Smith (Rotary Foundation), Scott Sandor (Fundraising), Wayne Wallace (Service Projects), Robbie Littlejohn (Club Administration), Glenn Ivey (Membership), Lynne Burnett (Secretary/Treasurer), Lynn Mornane (President-Elect), Annie Smith (President). Not pictured: Bill Roach (Public Relations).

UNION'S INTERACT SCHOLARSHIP RECIPIENT

Marianna Glenn-Toland, left, is presented a \$500 scholarship check from Rotarian Mike Cassels, Interact Club sponsor. Marianna is the Union club's Rotary Interact Scholarship recipient. She will attend College of Charleston in the fall.

ANNIE SMITH UNION CLUB PRESIDENT 2017-18

Outgoing president Torance Inman passes the gavel to incoming president Annie Smith.

UNION LEARNS ABOUT CHAPLAIN SERVICES

Eddie Wilson introduced Stephen Lemons to the club. Stephen is the Director of Spiritual Care and Clinical Pastoral Education at Caromont Regional in Gastonia, NC and spoke about various chaplain services. He has been pastor of Mt. Tabor and Lockhart Presbyterian Churches for 17 years. He is also an Adjunct Professor at the University of South Carolina Union.

This article appeared in the Fort Mill Times and was contributed by the school district. It is a good example of community partnerships.

Fort Mill Rotary Club grant pays for students' summer reading

BY JENNY OVERMAN

Fort Mill Times

Thanks to a grant from the Fort Mill Rotary Club, students in the Fort Mill School District Lunch and Learn program each took home a bag filled with books.

Students chose 15 books at their reading level during a Rotary meeting, where tables were filled with books to choose from.

"The most important thing is they maintain their reading level during the summer," said Casey Czapl, Lunch and Learn program leader. "We don't want that 'summer slide' to happen."

Summer reading loss, or "summer slide," can happen when students have limited access to books, such as in the summertime

Fort Mill Rotarians Karl Runge reads with a summer Lunch and Learn program member. A club grant provided 15 books to each student in the program. Photo provided by the Fort Mill School District.

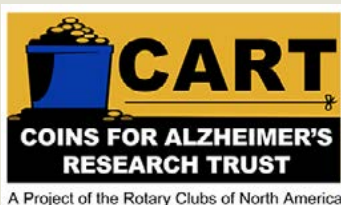

when students aren't in school. Summer slide can cause students to fall between one and four reading levels behind other students. The club's grant helps combat that.

"Ensuring students' academic success is important to us as a club, as well as to me personally, and we were excited for the opportunity to provide these books to students," said Michele Branning, club president.

The summer Lunch and Learn program is a four-week program

that provides low income, at-risk students with breakfast and lunch, a backpack filled with nutritional foods to take home each week, and educational programs. Last summer, 98 percent of students in the Lunch and Learn program maintained their reading level. The majority of students increased their reading levels by one to two levels.

The Fort Mill Rotary Club handed out more than \$68,000 in grants this year, including the Lunch and Learn program.

Rotary Club of North Greenville kicks off \$50,000 fundraising project

Rotarians get first chance to buy tickets

by Shanda Jeffries

Past President, Rotary Club of North Greenville

The Rotary Club of North Greenville has spent more than 60 years doing good in Greenville, but we want to do more. Last year, club leaders took a major step forward and chose not to hold the club's regular annual raffle. Instead, leaders spent the year doing research and carefully crafting a plan, and are pleased to kick off SUPER RAFFLE.

Super Raffle is a year-long raffle where ticketholders get the chance to win a prize every week. One ticket is good for multiple drawings throughout the year. Prizes vary, but all of them are awarded by advertisers and have a retail value of \$300 or more. Ticketholders might win a Yeti cooler, or a complete set of legal documents including a will and powers of attorney; it just depends on what is drawn that week. Tickets cost \$50 each, and there will only be 1000 tickets sold.

Advertisers for Super Raffle

agree to provide an item with a retail value of \$300 or more, in exchange for several perks offered by the club.

As the club's past president, I look forward to speaking to area clubs to provide more detail about the project. We have worked really hard on this and are very excited about the potential it brings. Our club fundraiser has always been the most effective way for us to achieve Rotary's motto of Service Above Self. With Super Raffle, we can take that to the next level.

As an added bonus, this project will help us bring more visitors to club meetings, because each week we will be hosting an advertiser and a prize winner as guests and taking their picture. We will also be getting the word out about our club. Thanks to some help from the *Greenville Journal*. I am really proud of our club for putting this whole thing together, and I cannot wait to see what we are going to accomplish with the proceeds. We are really going to make a difference in the world.

HOW YOU CAN BE A PART OF THE RAFFLE

A waiting list for ticketholders has been created.

Rotarians will have the option to purchase tickets before they are made available to the general public.

Cost is \$50 per ticket. One ticket is good for the entire year and for multiple drawings.

There will only be 1000 tickets sold.

The raffle itself will begin the first Friday in January of 2018.

Tickets will not be sold after Christmas 2017.

To get your name on the waitlist and reserve your tickets in advance, email Shanda Jeffries at shanda.rotaryofnorth-greenville@gmail.com and put the words "Super Raffle Ticket" in the subject line.

PAUL HARRIS FELLOWS IN YORK

The York Rotary Club has added two additional Paul Harris Fellows to the list. Presenting a certificate and Paul Harris pin as first time fellows is long time Rotarian and multiple Paul Harris Fellow, Joe Johnson. Shirley Harris, left photo, receives her recognition and Shari Thayne, right photo, receives her pin and certificate.

ROTARY ACTION GROUP AGAINST SLAVERY

Particularly pertinent right now as we heard about incident in Texas

By **Amelia Nelson**

Rotary Club of Greater Anderson

With the incident in Texas concerning the truck hauling humans, it is a good time to bring attention to the Rotary Action Group Against Slavery (RAGAS). This action group focuses on child slavery and human trafficking—which is slavery. Millions of vulnerable people are held captive illegally and exploited to make profit.

Tracy Bowie, a Rotarian in the Anderson Rotary Club who is employed by Foothills Alliance, has been researching human trafficking in our area. Foothills' big fundraiser is in November. [Tracy is asking all of Rotary clubs in our service area to support the event financially and also to sell tickets to a luncheon.](#) Nationally recognized author, speaker, and survivor Barbara Amaya will be the keynote speaker for the luncheon on Nov. 8 at Bleckley Station in Anderson. Tracy is also seeking one person to consider joining

the Tri-County Human Trafficking Taskforce that she is creating.

This is an opportunity for our area to jump on board and do something great around trafficking. As we bring awareness to our District, please let me know if you are already a member of RAGAS or if you are interested in joining. I would like to see a committee formed to fight human trafficking through awareness, prevention, and/or providing individualized services for survivors.

Get engaged now.

FOR FUNDRAISER INFO:

Amelia Email:

amelianelson007@gmail.com

Tracy Bowie Email: tracy.bowie@foothillsalliance.org

Visit the website at www.ragas.org online for more info.

Contact Amelia if you want to know more about RAGAS.

Owori remembered for speaking to first meeting of Ethics Fellowship

By **PDG Barbara Shayeb-Helou,**

bsh6890@aol.com

District 7750 Fellowship Chair

I want to quote Eddie Bender, who was a founder of the Rotary Global History Fellowship.

“Rotarians learn from each other. We learn from men and women who care enough to build a better world. What better teachers are there then our predecessors in Rotary. Read their stories, read their accomplishments. You will be convinced, and a convinced leader becomes an extraordinary convincer. The farther forward you are likely to see progress.”

Google RGHF and join, then you can scan their more than 4,000 pages of Rotary records and history. If you join I will come present you with a

RGHF pin at a club meeting.

The Rotary Action Group for Peace (RAGFP) helps Rotarians by offering connectivity, guidance, resources and support to help clubs move forward and complete Peace Projects. They support projects in Rotary's six area of focus:

Your Interact or Rotaract Club could do great things with these challenges. Young people are not afraid to use their imaginations and not afraid to make mistakes,

At this time in Rotary's history as we mourn the loss of President-Elect Sam Owori, we need to look forward and carry on in his memory.

RIPE Sam spoke to the first meeting of the Rotary Fellowship on Ethics. He cited the importance of Ethics and the Four Way Test becoming criteria for each Rotarian. This Fellowship encourages us to sponsorship Middle School or High School Speech Contests on Ethics.

I can help you plan a speech contest. The club must plan a monetary award for the Winner and gift of some kind for two runner ups. It can work and lead to a strong public image for the club with articles and photos in the local newspaper.

Rotary's 6 areas of focus

PEACE and CONFLICT RESOLUTION

DISEASE PREVENTION & TREATMENT

WATER and SANITATION

MATERNAL and CHILD HEALTH

BASIC EDUCATION and LITERACY

ECONOMIC and COMMUNITY DEVELOPMENT

Rotary on Pins Fellowship: Engage Rotary through pins

by PDG Lorraine Angelino

Rotary Club of Emerald City

The Pins on Rotary Fellowship was recognized by Rotary International on April 29, 2016. The goal of the Fellowship is to Engage Rotary through pins.

As a charter member of the Pins on Rotary Fellowship, I want to introduce others in District 7750 to the Fellowship. If you like collecting and trading pins, this is the Fellowship for you. At the recent Rotary International convention in Atlanta we had a great time at our booth in the House of Friendship. We had people from all over the world stopping by to trade pins on our trading board and even get some free pins that were donated by Rotarians that had extras lying around the house. The Fellowship has been especially active amongst the youth, Interactors, Rotaractors, and Rotary Youth Exchange students.

I met so many Rotarians that were interested in trading pins. I got some very interesting pins and I gave away several pins I had brought with me. I regret I had not brought more pins with me. Also, on display at the booth were different members' collections. I was proud that I had two of my shadow boxes on display.

I met the Founder of the Pins on Rotary Fellowship, Ed Book, at the booth. Ed and I became instant friends and look forward to trading pins with him in the future.

I dedicate this article in memory of PDG Robert Hanson, a true collector of Rotary pins and a member of Pin Pals many years ago. A special thank you to his wife, Fran Hanson, for donating his pins to my collection.

To join Pins on Rotary Fellowship & other info

Go to the Pins on Rotary Fellowship page on Facebook

Like the page

Click on Send Message

Send your Name, District 7750, and Club Name.

We are also have the beginnings of a website www.RotaryonPinsFellowship.com. If you have any questions please let me know. If you have pins you would like to giveaway please let me know.

Email: dg2013@rotary7750.org

Phone: 864-554-0598

Anyone who has Rotary pins they no longer want, let me know and I will arrange to come get them or meet you at an event. PDGs, if you have theme pins you no longer want or need I would be happy to get them as well. I want to have a booth in the House of Friendship at the next District Conference where I plan on setting up a pin exchange and/or possibly a pin giveaway.

Polio Update: GOOD NEWS – BAD NEWS – BETTER NEWS

By Amelia Nelson

D7750 Polio Chair

Rotary Club of Greater Anderson \

GOOD NEWS

District 7750's Polio giving in 2016-17 was the highest since 2010-11 with the total amount of \$221,144.2, and 2,658 members in the district.

In 2010-11 the total was \$146,696 and 2,830 members in the district. Many thanks to Mark and Rosemary Makulinski (Rotary Club of the Foothills) for their matching contribution of \$13,226.44, which is the amount raised over the goal.

Congratulations to all members of District 7750. We were the No.1 District in Zone 33, which is comprised of 15 districts. We beat District 7770 (eastern SC) for the first time in a long time. District 7770 is usually number one but they were number 3 (\$217,062) with District 7570 (western VA and northeastern TN at \$218,181) coming in second place. The total PolioPlus contribution for Zone 33 was \$1.8 million. [See chart on the next page.](#)

BAD NEWS

As you probably know, PolioPlus' new campaign is a three-year countdown to zero cases. This means no new cases reported for 36 months, counting from the last reported case of July 19 when one new wild poliovirus type 1 case

was reported in Afghanistan. With most of Afghanistan polio-free, efforts are focused on continuing to strengthen operations, in close coordination with Pakistan, to address remaining low-level transmission in the common reservoir area of the Quetta-Kandahar transmission corridor.

There are still reports of vaccine-derived polio in Syria. Four new cases of circulating vaccine-derived poliovirus type 2 were reported in late July, all from Mayadeen district. The total number of cVDPV2 cases is now 27.

Confirmation of additional cases is not unexpected at this time. Security issues have impacted delivery on some zones in Syria but several vaccination campaigns against polio and other vaccine-preventable diseases did occur.

BETTER NEWS

Although this news is not what we hoped for as we begin our new campaign with our partners to get to zero cases in the world, this should make us stronger and more determined to eradicate polio.

To date, 122 nations around the world have benefited from PolioPlus grants for polio immunization and eradication efforts.

Also, from the launch of the Global Polio Eradication Initiative in 1988, more than 15 million

[Click the graphic to go to the End Polio Now website for more information about how clubs can help.](#)

people, mainly in the developing world, who would otherwise have been paralyzed, are walking because they have been immunized against polio. More than 650,000 paralytic cases of polio are now prevented each year by the efforts of governments in the developed

and developing world and the core partnership of the World Health Organization (WHO), Rotary International, the United Nations Children's Fund (UNICEF), the United States Centers for Disease Control and Prevention (CDC), the Bill & Melinda Gates Foundation, and the overseas development agencies of donor nations.

Please continue your contributions, both individually and as clubs to Rotary's PolioPlus campaign so that Rotary can reach its \$50 million goal over the next three years.

Zone 33 Polio Summary for 2016-17

D7750 leads way in polio giving among 15 districts

Zone 33 includes 15 districts in Delaware, Maryland, Washington DC, West Virginia, Virginia, part of Tennessee, North Carolina and South Carolina.

By PDG Rocky Jacobs

Zone 33 Polio Coordinator

We had our best June ever and in the Centennial year of our Rotary Foundation, you did something we have never done before as a Zone—we crossed the \$2 million plateau in our District Designated Funds (DDF) transfers and our club and district contributions.

We had a DDF goal of \$539,494. We didn't make that goal, but we came close and every district transferred a significant amount of its DDF allocation. Nine of our 15 districts transferred 20% of their allocation and 8 of those 9 districts transferred more than 20% of their allocation for a cumulative transfer of \$486,937.

Our club and district contribution goal was \$1 million. We blew way by that goal with \$1,514,316 in club and district contributions. Congratulations to our three highest contributing districts: D7750 (western South Carolina), D7570 (western Virginia) and D7770 (eastern South Carolina). Each of them had a combined total over \$200,000.

| | |
|--|----------------|
| Average club contribution to polio in Zone 33 | \$1,929.13 |
| Average district contribution with DDF transfer included | \$133,420.00 |
| Total polio contributions from all sources in Zone 33 | \$2,001,304.00 |

Amelia Nelson, member of the Rotary Club of Greater Anderson, has chaired our polio effort for several years. Thanks to her leadership in helping to put 7750 at the top of our zone.

7750 developing list of polio survivors

Our district would like to know how many Rotarians are polio survivors. Send an email to [Amelia Nelson](#) and let her know you are a survivor. If you are willing to share your story, please include it in your email. We will retract your name from any story that is published if requested.

Zone 33 PolioPlus District Report

July 15, 2017 (Interim Rotary year 2016-17)
