SEPTEMBER: Basic Education and Literacy Month
OCTOBER: Economic and Community Development Month

7750

ROTARY INTERNATIONAL

**ROTARY:
MAKING A
DIFFERENCE**

DG Ed made honorary member of Clover Interact

The Clover High School Interact Club officers visited Lake Wylie Rotary Club Aug. 29 to greet District Governor Ed Irick. Ed was inducted as an “honorary member” of the Interact Club. Interact members were excited to hear from the DG about new initiatives from Rotary for 2017/18 such as the world-wide tree planting project. Club members say they can’t wait to partner with our two sponsoring Rotary clubs (Clover and Lake Wylie) and get started.

Pictured from left to right are Lake Wylie Rotary Club president Michael Hurst, Interact club vice president Dakota Peters, Interact club Secretary Angelica Jeanty, Interact Club President Payton Jubenville, Interact club board of director member Grayson Janus, and District Governor Ed Irick.

Clover High School

Interact

*Sponsored by Rotary Club of Clover
and Rotary Club of Lake Wylie*

September is Basic Education and Literacy month for Rotary.

Goal for month: Get at least one mentor volunteer for a local literacy center from every club.

More from District Literacy Chair Brian Glenney on page 2.

7750 literacy goals for 2017-18

- 1** At least one volunteer from every club will become a tutor, mentor, or a resource for their local literacy center.
- 2** Every club will sponsor at least one need/student at their local literacy center every year.
- 3** Create at least one long-term partnership between local clubs and a local literacy organization modeled on the partnership between Greenville area Rotary clubs and the Greenville Literacy Association.

As people of action, let's work to improve the low literacy rate

By **Brian Glenney**

D7750 Literacy Chair

From the mountains of Tamassee-Salem to the orange-soaked land of Clemson to the peaches of Gaffney to the horse country of Aiken, we as Rotarians have a responsibility to better our communities by giving our time, talent, and resources to those in most need.

More than 36 million Americans cannot read, write, or do basic math above a third grade level. Forty-three percent of adults with the lowest levels of literacy live in poverty. Low literacy costs the United States \$225 billion a year economically from non-productivity, crime, and loss of tax revenue.

Locally the numbers are also staggering. In Greenville alone there are approximately 14,000 adults that are not fluent in English and low-literacy costs the area nearly \$795.9 million a year in lost revenue.

One thing I have quickly grown to respect and love about Rotary is that we are people of action. We do important things and we do important things well. Let us push forward in 2017-2018 and continue to do important things to help improve literacy throughout our local neighborhoods.

I have three major goals for literacy within our district that can be attained with consistent effort and would immediately make a positive influence on our communities.

One, have at least one volunteer from every club that will become a tutor, mentor, or a resource for their local literacy center. We need to be the leaders in our communities at reaching down and actively pulling people up from low literacy.

Mentors are desperately needed to help give encouragement and guidance to those that are embarking on the sometimes frightening journey to improving themselves. Many adults with low-literacy have low-literacy because they have never had the support of someone telling them that they are valuable and are capable of achieving better things. A mentor may be the first person in their lives that believes in

them and speaks hope into their hearts.

Please join me in committing to speaking about this need at every meeting in September and soliciting members to commit to be a mentor or a resource at your local literacy center for at least a year or longer. Imagine how many lives will be touched by this simple action and this will help set the tone for the year.

Two, have every club sponsor at least one need/student at their local literacy center every year. GED for instance in Greenville cost around \$150. This seemingly slow cost can be an almost insurmountable obstacle for those in poverty. We can help.

Third and most ambitiously, create at least one long-term partnership between local clubs and a local

Brian Glenney
Rotary Club of Simpsonville
District 7750 Literacy Chair
brian.glenney@gmail.com
864.243.6503

Meet our Literacy Chair

My name is Brian Glenney and I am serving as the District Literacy Chair for Rotary for the 2017-2018 year.

I am a baby member at Simpsonville Rotary, having joined early this year so I will be leaning heavily upon the wisdom and experience of many of you as I step forward into the role.

I am gratefully indebted to last year's literacy chair, Judith Prince, Rotary Club of Greenville and Ann Sternal, member of Rotary Club of Simpsonville, who have been and will continue to be an indispensable source of help and guidance. I know I can never come close to fill the shoes of Judith, but I do promise to work with dedication, purpose, and enthusiasm.

literacy organization modeled on the partnership between Greenville area Rotary clubs and the Greenville Literacy Association (GLA). Rotary clubs have donated \$50,000 dollars over the course of three years to GLA in an amazing display of what we can do with cooperation and joint effort.

Why not do this for Spartanburg, or Anderson, or North Augusta and Aiken, or Rock Hill? I know each club has its own goals and would ask that you seek to add as many of the district goals as possible. Many of you are much more experienced than I and so I welcome any questions, concerns, and encouragement that you may be able to muster. I am here to serve and to be as available as you desire.

THIS MONTH'S TRIVIA:

1 The E-Club of the Carolinas draws its membership from across the country and around the world. It members hail from SC, NC, PA, NE, FL, VA, WI, CA, Thailand, India, Costa Rica, and Haiti. It is truly an international club. It also happens to have 4 PDGs as members. This is more than any other club in the district.

2 The Rotary Club of North Greenville was chartered in 1955. Rotary International President, Herbert J. Taylor, presided at its charting ceremony. Taylor was the author of the Four-Way Test.

3 The Rotary Club of Greenville is the oldest club in the state. It was organized in 1916. It has sponsored 14 clubs throughout its history. The first was the Rotary Club of Spartanburg in 1917 and the last was the Greenville Evening Club in 2003. It recently organized and sponsored Woodlands, the first satellite club in the District.

TO DONATE

Clubs and Rotarians in D7750 who want to donate to Rotary's efforts to provide relief to those impacted by Hurricane Harvey may send contributions to:

**Rotary 7750 Charities, Inc.
P.O. Box 9092
Greenville, SC 29604 USA**

Mark your check with the notation: "Hurricane Harvey." The funds will be disbursed to Rotary districts in Texas.

Rotary response to Hurricane Harvey

By DG Ed Irick

Our prayers go out to those affected by the devastation of Hurricane Harvey. Our Rotary hearts tell us that we must do what we can to help those who are currently suffering and assist in long-term recovery from this natural disaster.

As **People of Action**, our District's leadership is developing a measured and deliberate plan of action to be executed through Rotary channels. This plan will address needs assessed by Rotarians on the ground in the affected areas and where we can do the most good. You can be sure that District 7750 will make a difference in helping those impacted by this powerful storm.

As people of action, let's strengthen our membership to do more

By DG Ed Irick

I continue to enjoy my visits to the clubs in the District and meeting the many Rotarians who are truly **People of Action** and who exemplify Service Above Self. All of us recognize that we can do more by working together than we can by working alone. We can also do more with more members. This is why membership is our number one priority.

One challenge for many clubs is diversity of membership. Most people agree that stronger, healthier, and

more vibrant clubs reflect the demographics of their communities. A club that focuses on being more representative of its community benefits from fresh ideas, has more energy, and develops different and new perspectives of service. These clubs are more attractive to potential members. Take a step outside your club and look back into it. Does your club mirror its community? Think in terms of ethnic, gender and age diversity. What do you see?

MEMBERSHIP RECRUITMENT

Don't squander your leads

By PDG Terry Weaver

Rotary Club of Greenville

Zone 33 Assistant Membership Coordinator

The only thing worse than not having a pipeline of potential Rotarians is squandering those that you have. It's one of the most common failings of not only businesses but also Rotary clubs.

What do I mean by "squandering"? I mean not having a central, institutional place where we record at least the names, mobile phone numbers and email addresses of people who may have an interest in Rotary. People who may be Rotarians, but just haven't realized it yet. Absent an institutional prospect management platform (one that everyone in the organization uses) people cook up their own, using things ranging from Google sheets to personal spreadsheets to notebook paper, cocktail napkins and (the worst) human memory.

So how could you create your storage place? By using a tool you're already familiar with—the District and Club Database (DACdb). While originally intended to track active members, DACdb also has several non-member categories, such as Guest, Potential Member and Proposed Member.

Implementation is easy—just notify club leaders, the club Secretary and Membership Committee that your club is now getting serious about intentional membership growth strategies and that tracking and nurturing prospects is one of those intentional strategies. Then start using the **Guest** and **Potential Member** types immediately, including sweeping up and entering those that members have been tracking with schemes of their own.

One caution: Be **sure** to **first** change the Member Type (when Add a New Member) to one of these non-member types. It defaults to Active, which, if saved, will result in sending a New Member add to Rotary International. Using any of the non-member types, such as Guest, Potential or Proposed sends nothing to RI until you switch them to **Active**.

How to use the leads you track in DaCdb

1

Ask guests at your meetings to give you, at a minimum, their

Name

Email Address

Mobile Phone Number

2

Ask also (a check box on your sign-in sheet or guest registration card), "Would you have an interest in more information about Rotary?"

3

Enter those who don't in DACdb (add a member) using the Guest member type. You can later upgrade them to a Potential Member if they express more interest.

4

Enter those who do in DACdb (add a member) using the Potential Member type

5

Enter anyone who a member registers for an upcoming Membership Event as a Potential Member.

6

Send a reminder PMail from DACdb a couple of days before your Membership Event to those registered

7

Drip Marketing — This is a free way to put your club's "brand" in front of these prospects on a regular basis (once or twice a month). Pmail your club newsletter or bulletins to at least the Potential Members and Proposed Members (upgraded from Potential Members when a signed membership proposal is received).

8

Volunteer & Event Invitations — When your club has a project that needs either volunteer manpower or non-member attendance or participation, send that message (similar to the one you're sending your members) to all those member types.

9

Regular follow-up — Guests and Potential Members appear on the "Other Members" tab in the My Club view of DACdb. That gives potential sponsors, club leaders and the Membership Committee a quick and easy means of checking in with prospects by phone or email to see where they are in their decision-making timeline.

Strengthen Rotary membership

Rotary: Built to last

By John Kimbell

Rotary Club of Greenville Evening
D7750 Membership Chair
jkimbell46@gmail.com

Built To Last was one of the most influential and bestselling business books ever. Written in the mid 1990s, it helped turn co-author Jim Collins into a management rock star. And although some of its followers faltered, those who have captured the vision have done quite well in turbulent and changing times.

There are many *Built To Last* principles that have great relevancy to Rotary today. Here are the best for application to Rotary:

1. Exceptional performance is achievable by virtually anyone with a little common sense and whose heart and soul are in the right place.
2. It's not simply balancing between preserving a tightly held core ideology and stimulating vigorous change and movement; it's both to the extreme.
3. Preserve the core. And stimulate progress, To be built to last, you have to be built for change.
4. Try a lot of stuff and keep what works (D7750 Grow Rotary best practices do just that.)

Rotary clearly has heart and soul in everything we do following our motto of Service Above Self, and in our Four Way Test. The impact of our local and global service is amazing. It's up to us to sustain it at the club level. Think about it. Is Rotary *Built to Last*? Where will be in 10 years without consistent growth and strengthening not only our own club, but our personal responsibility to help it grow. All of us who are members of a Rotary Club know Rotary is a good thing.

Our District 7750 leadership continues to place membership development as the top priority. It's not

CALLS TO ACTION

Share regularly with friends, colleagues and neighbors what Rotary means to you, the difference you make, and the value you get back through service, friendship, being a part of global impact and fun.

Be in touch with your club leadership and the goals, programs and actions to grow your club.

Support and encourage club leadership as well as embrace the changes they see as a key to strengthen the club. This includes the flexibility provided to clubs last year on many fronts, all aimed at growing and sustaining Rotary.

The goal is to build true Rotarians who have great pride and satisfaction and are highly motivated to participate and make a difference.

just about the numbers. It's about having healthy growing clubs that increase impact in the community. Infusion of new members and talent coupled with retaining members enable service, fundraising and giving to the work of The Rotary Foundation to prosper.

Rotary at the club and global level can fulfill our desire to touch others and make a difference. Invite people you care about to share the great experience and value.

District 7750 leadership continues to place MEMBERSHIP DEVELOPMENT as the TOP priority.

Riley Johnson, center, an Atlantic Coast Conference (ACC) football official who calls Seneca home, recently updated the Golden Corner Rotary Club about rule changes for the upcoming college football season. Riley noted the most interesting change will be the effect of the 15-yard penalty for coaches who come onto the field to question an official's call. Pictured with Riley are Golden Corner Rotary Club president Jon Adams, left, and club member Seneca Fire Chief Jan Oliver.

Skip Still, a volunteer with Outdoor Dream Foundation, spoke to the Golden Corner Rotary Club, about the foundation. Still is retired from the South Carolina Department of Natural Resources. The foundation grants the wishes of children with life-threatening illnesses who want to enjoy an outdoor adventure. Please see outdoordream.org for more information. Still, left, is pictured with Golden Corner Rotary Club past president Don Lesley.

Rotary GOLDEN CORNER

Golden Corner hears from pilot who flew in Iraq

Former United States Air Force pilot John Romano, who flew a B-52 more than 36 hours non-stop from Louisiana to Iraq as part of the top secret Operation Senior Surprise that launched Desert Storm in January 1991, recently spoke to the Golden Corner Rotary Club. The mission required at least four mid-air refuelings and set records for military operations. Romano now flies the Boeing 767 for Delta Air Lines. Pictured from left are Romano, Golden Corner Rotarian Jill Dolly and Steve Rushton, club president-elect.

Rotary Leadership Institute (RLI) Schedule for Fall 2017

by PDG Lorraine Angelino

Are you a President, President-Elect, or President-Nominee? The number one thing you can do to prepare for your year as president is to attend RLI as soon as possible. RLI will give you ideas on what you might want to do during your year as president. You will also learn more about Rotary, The Foundation, Membership, Leadership, Public Image, and Beyond the Club. I think the best part is networking with other Rotarians and exchanging ideas.

Are you new to Rotary? Do you want to learn more about Rotary? This program is a perfect way to get oriented with Rotary and network with other Rotarians.

Are you a graduate of Rotary Leadership Institute? Please let others in your club know about RLI and select at least two members from your club to send through all 3 sessions of RLI during 2017-2018 year.

Are you a Rotaract member? You are welcome to attend RLI. In fact, we have had several Rotaract members attend in the past.

To register go to www.rli33.org.

Some ideas to think about when putting your RLI schedule together for this year.

You may register for any classes offered by Mid-Atlantic RLI or any other RLI division. Some members from the District have attended RLI in Au-

gusta, GA in the Sunshine division www.rlitraining.org. If you attend RLI in the Sunshine division please notify district RLI Chair Bert Strange (bertstrange@yahoo.com) or PDG Lorraine Angelino (dg2013@rotary7750.org) so we can get your class recorded.

You can only register for one class at a time. If you want to register for all three classes at the same time you will need to contact Bert. The cost is \$95 per class. Only one class can be taken per day.

Fall Schedule

Friday, Sept. 8	Sanford, NC	Parts I, II Only
Friday, Sept. 15	Stoneville, NC	Part I Only
Saturday, Sept. 16	Hendersonville, NC	Part I Only
Saturday, Sept. 23	Greenville, NC	
Saturday, Sept. 30	Durham, NC	
Saturday, Sept. 30	Myrtle Beach, SC	
Saturday, Sept. 30	Cullowhee, NC	Part I Only
Saturday, Oct. 7	Charlotte, NC	
Saturday, Oct. 14	Duncan, SC	
Saturday, Oct. 28	Shallotte, NC	Part I Only
Saturday, Oct. 28	Valdese, NC	Part I Only
Saturday, Nov. 18	Asheville, NC	

****Special Note – Four for the price of three. - If your club sends four members to the same location then \$95 will be reimbursed to the club after the session has been completed.****

Rotary
PLEASANTBURG

Pleasantburg' helps with Really Big Book Sale

The Really Big Book Sale drew really big volunteer support from the Rotary Club of Pleasantburg. Club volunteers set up books on table displays and served all three days of the Greenville Literacy's major fundraising event in early August.

Aiken Sunrise Rotary was in action at local festival

Members of the Aiken Sunrise Rotary Club were on the streets putting Rotary into action for the First Annual Peaches & Cream Festival in Downtown Aiken. A fundraiser for Second Baptist Church's Educational Outreach Mission, the festival was free to the public and offered music, games, vendors and food for attendees.

Aiken Sunrise not only served as an organizing partner, but their membership recruitment tent was a hot spot to be during the event. The Saturday festival ran

from 10am to 2pm, but the Rotary volunteers were there at sunrise to meet the vendors and set-up power supply for the entertainment and Rural Health Bus. They aided Public Safety in clearing the area by removing cars from the street and setting up audience chairs. The Bouncy houses and other games were popular, but the various baked goods with a peachy

theme were the real draw.

Aiken Sunrise showed the Aiken community what it means to put Service above Self. The First Annual Peaches & Cream Festival was a huge success in no small part to their efforts. Vendors have already asked to come back for next year and peach themed desserts are now a trending topic in the local buzz.

RIDE TO THE ROCK

By Linda Cassell
Rotary Club of Pickens

The Pickens Rotary Club will host the Ride to the Rock cycling event on On Sept. 16. The ride begins in Pickens and offers riders three routes from which to choose: 40k, 60K, and 100K rides.

The rides will leave from the Pickens Amphitheater on Main Street in Pickens and travel north to Highway 11 with beautiful views of Table Rock Mountain. The Metric Century (100K) also climbs Caesars Head before returning to Pickens. The rides are fully supported with a Support and Gear vehicle and rest stops.

This year we will have a beer garden and music. All riders will receive a complimentary post ride meal.

All funds raised from Ride to the Rock will go to fund Pickens Rotary projects.

RIDE TO THE ROCK

presented by
PICKENS ROTARY CLUB

proceeds benefit the
DOLE

Join us for a cycling adventure to
PUMPKINTOWN • TABLE ROCK • CAESARS HEAD
40k, 60k & 100k rides
9AM • September 16TH
114 W. Main Street, Pickens, SC

The rides leave Pickens traveling north to the Cherokee Foothills Scenic Highway 11 with beautiful views of Table Rock Mountain and Caesars Head before returning to Pickens. This year we will have a beer garden with live music. All riders will receive a complimentary post-ride meal from 11:30am - 2pm. A complimentary t-shirt will be given to all pre-registered riders.

COST PER RIDER: \$40
Early Bird: \$35 before September 1st

Human trafficking Rotary Action Group offers ways to ID potential victims

by PDG Barbara Shayeb-Helou
7750 Chair RAGS and Fellowships
bsh6890@aol.com
864-640-8579

The Rotary Action Group Against Slavery was founded in Great Britain and if you read their material you will note a distinct British flavor to the material. In the United States modern day slavery is called Human Trafficking (HT) This group reports that each of us is responsible for monitoring HT. The people being trafficked are usually hidden in plain sight.

They have been found in hotels, nursing homes, construction sites, railway stations, nail salons, agricultural settings during harvests and planting, factories, car washes and airports.

Your Rotary Club can create awareness on this very relevant issue. In fact this is a perfect program for an Interact or Rotaract group to adopt.

Use the National Hotline: 1-888-373-7888 or phone local police, if you see something to report. Don't be afraid to report, because we never know for sure. If you see something that looks suspicious, say something. You may save a life.

As an example an Air Alaska flight attendant Sheila spotted a poorly dressed fourteen year old

girl with a very well dressed older man on a flight. The child gave her a note that said " help me." Sheila alerted the pilot, who radioed law enforcement in the city of their arrival. Law enforcement met them at arrival. The young girl had been missing for two months. She was flown back to her home city , re-united with her parents and placed in therapy.

A happy ending to a very sad story. It would not have happened unless someone hadn't spoken up. Sometimes we have to risk embarrassing ourselves to help another. Isn't that what Rotary is about.

Endangered species RAG

I am looking for Rotary talent who are going to Toronto and belong to the Action Group RAGES (ENDANGERED SPECIES). We will need folks who can volunteer to work two hour shifts between 9 a.m. and 6 p.m. June 23-27, 2018. You pick the day & time. Contact me at the above e-mail address if you are willing to help us out and you just love beautiful animals. In fact if you don't already belong, you have time now to join and help me out. Go to the Rotary website for RAGES.

Here are a few ways to identify possible victims of Human Trafficking

IS THE PERSON ACCOMPANYING THEM CONTROLLING OR THREATENING THEM?

IS THE SUBJECT ACTING WITHDRAWN OR SUBMISSIVE?

DOES THE SUBJECT GIVE VAGUE OR INCONSISTENT EXPLANATIONS FOR WHERE THEY LIVE OR WORK?

DOES THE SUBJECT APPEAR TO BE MALNOURISHED?

DOES THE SUBJECT HAVE VISIBLE BRUISES?

IS THE SUBJECT NEVER LEFT ALONE?

DOES THE SUBJECT SEEM TEARFUL AND DISPLAY DISTRESS.

DOES THE SUBJECT LACK IDENTIFICATION, LICENSE, BIRTH CERTIFICATE OR PASSPORT?

DOES THE SUBJECT APPEAR TO NOT HANDLE THEIR OWN FINANCES?

District Designated Funds (DDF) summary 2017-18

OPEN GLOBAL GRANTS ALREADY FUNDED BY THE ROTARY FOUNDATION		DDF needed
GG1416839	Olanchito, Honduras water project (Gary Goforth)	\$17,636

How to make a contribution to a Global Grant

So your club wants to sponsor a water project or other Global Grant?

- 1** Have a Fundraiser – You may want to start with step 2 before step 1.
 - a. The first step is to have a fundraiser or have club members donate toward the sponsorship.
- 2** Contact Gary Goforth, Global Grant Chair - dg2011@rotary7750.org
 - a. Learn what opportunities are available through District 7750
 - b. Determine what your club would like to sponsor.
 - c. If you find a new project that you would like to sponsor, talk with Gary. He can research the project to make sure the project is credible and communication is possible with the host club.
 - d. Gary can also give suggestions on how to write the Global Grant or connect you with someone else that can help.
- 3** Make the contribution to The Rotary Foundation
 - a. First – Do not send your money to another club! Very important! You want your club to get credit for the contribution.
 - b. Fill out the paperwork using the contribution form under Reports on DaCdb. Make sure to use your Club Name & Number so you get credit. Make sure to select AF-SHARE so District 7750 will receive District Designated Funds (DDF).
 - i. Suggestion: Do not make the contribution at the club level. Make contributions in the names of club members. .
 1. Club members who make contributions should get credit for their contributions.
 2. If money is from a fundraiser and cannot be directly connected to a club member then consider dividing the money amongst all members or honor several members by contributing the money raised to someone who has done something special or maybe someone that is close to becoming a major donor.
 - c. Once the contribution form is filled out, mail the form and check to The Rotary Foundation.

The Rotary Foundation
14280 Collections Center Drive
Chicago, IL 60693-0142
- 4** Notify Gary Goforth, Global Grants Chair – dg2011@rotary7750.org
 - a. Let Gary know the contribution has been made and the amount.
 - b. Gary can then notify the project leader, District Governor, District Foundation Chair
- 5** Notify the Project Leader
 - ab. This could be done by Gary Goforth or the club
- 6** Keep in touch with the Project Leader to understand when the Global Grant is submitted and approved.
- 7** Make plans to visit the Global Grant site and invite other club members. Keep club members informed of the progress of the project.
- 8** Be proud to be a Rotarian and let others know what you are doing.
 - a. Write article for District Newsletter, local newspaper, and Rotary Showcase.

World Polio Day is October 24

Find resources to help you promote World Polio Day at the End Polio Now website. <https://www.endpolio.org/world-polio-day>

Polio Eradication Countdown to History

Week Ending 8/5/17

Pakistan: Last reported case was July 2017

Afghanistan: Last reported case was June 2017

Nigeria: No cases since August 2016

One Day, One Focus, Ending Polio

Get ready for the 5th annual World Polio Day event, this year co-hosted with the Bill & Melinda Gates Foundation. There will be a live stream from the Gates Foundation headquarters in Seattle, Washington to bring together thousands of viewers around the world. There will be celebrities and experts

participating sharing the progress on the road to polio eradication.

Check the district's speakers' list for someone to give a program on polio to your club, or contact District Polio Chair Amelia Nelson at amelianelson007@gmail.com.
