ROTARY INTERNATIONAL

**ROTARY:
MAKING A
DIFFERENCE**

Hurricane response gives clear message that

Rotary can and does make a difference

by DG Ed Irick

The recent hurricanes Harvey, Irma, and Maria forced reality upon us. We watched in real time the destructive force of these storms and the suffering inflicted upon fellow human beings. It was real to us, also, from the standpoint that these storms struck the US, its territories, and island nations close to us.

Watching this made us instinctively want to reach out and help those in need. Rotarians in District 7750 immediately began answering the call for help by collecting supplies in conjunction with other organizations and donating funds to Rotary Disaster Relief Funds specifically set up to help those in the affected areas. This is a perfect example of Rotary Making a Difference.

Everyday around the world people experience natural disasters and live in deplorable conditions without the basic needs for life that we take for granted.

These conditions often do not get press coverage like hurricanes hitting the US. They are not as obvious to us, but there is still something we can do to help. We can donate to The Rotary Foundation. Everyday our

foundation is supporting positive, lasting change in communities around the world. Communities are getting access to clean water and sanitation facilities, disease is being prevented, maternal and child care is being provided to areas where it previously did not exist, the impoverished are being provided with more decent and productive work, basic education and literacy is being provided, and Rotary Peace initiatives are changing the lives of people in

conflict stricken areas. These are more examples of Rotary Making a Difference, and we can be a part of it.

Remember, every time we support disaster relief and give to The Rotary Foundation a world of peace and goodwill comes closer to reality.

EARTHQUAKE

HURRICANE

Two powerful earthquakes hit Mexico, destroying buildings and highways, and killing hundreds of people. Hurricanes Harvey, Irma and Maria have caused billions of dollars in damage.

Rotary club members continue to work on the ground to bring relief in their communities.

Rotary's partner, ShelterBox, is providing support to families displaced by the storms.

If you have questions about how you can help, contact relief@rotary.org. To see how clubs are helping, go to Rotary Ideas.

There are numerous ways that Rotarians and Rotary clubs can contribute to hurricane relief and recovery efforts. We will highlight two here:

TO DONATE through D7750

Clubs and Rotarians in D7750 who want to donate to Rotary's efforts to provide relief to those impacted by Hurricane Harvey, Irma and Maria may send contributions to:

**District 7750 Rotary Charities Fund
P.O. Box 9092
Greenville, SC 29604 USA**

Mark your check with the notation: "Hurricane Relief." The funds will then be disbursed to Rotary districts in need.

Rotary Donor Advised Funds

President Elect Barry Rassin of Nassau, Bahamas in our paired Zone 34 created the Hurricane Emergency Relief Donor Advised Fund (No. 296) to collect funds for all Rotary clubs and districts affected by hurricanes in the Caribbean and southeastern United States. This includes Puerto Rico. All Rotary clubs in those areas can apply for funds from the DAF advisory committee of Rotarian leaders and anyone may contribute to the fund.

There have also been funds set up specifically for Puerto Rico (No. 614); to help those affected by Hurricane Harvey (No. 608) and the Mexican Earthquakes (No. 613). These funds also have advisory committees who will evaluate projects from Rotary clubs and disburse funds. Please note: donations to these accounts will not receive TRF recognition.

Strengthen Rotary membership

Start your engines: Rotary is revving up

By John Kimbell

Rotary Club of Greenville Evening

The District 7750 Membership Grant # 2 is in full swing in October. It is just one way for many clubs to grow at a very important time – the Rotary second quarter before the holidays and the new calendar year. It is also essential to cover the reality of attrition typical at year end. All Rotary Club Presidents have membership goals for growth and strengthening the club. Those goals consider losses which are critical in strengthening the club.

There are 21 clubs with approved grants covering membership events, most of which are in October. Nearly 400 guests are expected. These clubs are poised for a boost in membership in the weeks and months ahead. However, it's not automatic. The keys lie in effective prospect management and strong follow up immediately and well beyond. Momentum going into 2018 is essential.

Growing Rotary now and the long term in all clubs is a top priority to sustain and grow our local and global impact with service and Making a Difference. The District funding supports clubs that execute a specific membership event with a complete set of intentional strategies and strong follow up while meeting the requirements of the program.

All district membership resources with best practices and strategies are available to all clubs and members on the district website. This includes the Recipe for a Successful Membership Event. It includes essential tips on prospect management and follow up.

Do you know your club's membership goals? If not ask your club President to share them with you. And ask what you can personally do best to help grow and strengthen the club. I say "personally" because the clubs that grow consistently every year have all members engaged in membership development. Each club member should easily generate 2-3 qualified prospects with all the contact information.

The challenge is to be a Person of Action. Speak with your club's Membership Chair and find out what actions you can take. At a minimum, take personal responsibility to share your positive Rotary experience with others. Invite them to events, meetings and service projects. Focus on who you want to have share Rotary's great fellowship, service impact and fun. Those are the reasons people join Rotary. Coupled with our global impact through The Rotary Foundation, these are the reasons people stay in Rotary.

THIS MONTH'S TRIVIA:

1 The Rotary Club of Abbeville has sponsored and conducted its Annual Rotary Bowl for more than 50 years.

2 The Rotary Club of Newberry was chartered in April 1920 and immediately started the process of sponsoring a Boy Scout Troop. Boy Scout Troop 1 was chartered in 1921. The club has sponsored the troop for the past 96 years.

3 Back in the days when members were expected to attend every meeting, the Rotary Club of Twin City Batesburg Leesville would stake a live goat out in the front yard of a member who missed several meetings in a row. The goat would remain in the Rotarian's yard until someone else missed enough meetings to earn the goat.

**District 7750 leadership continues to place
MEMBERSHIP DEVELOPMENT as the TOP priority.**

Inman contributes money for ShelterBox to help displaced families in Mexico

By Ann Crandall, Shelter Box Ambassador, D7750

828 894 0401

The members of Inman Rotary Club donated \$1,000 to benefit SHELTERBOX USA, a humanitarian relief charity that assists survivors of disasters and humanitarian crises around the globe.

The Inman Rotary Clubs \$1,000 donation will support a ShelterBox containing this aid to help a family displaced by the recent hurricanes and the earthquakes in Mexico. ShelterBox provides humanitarian aid and emergency shelter an other supplies, such as, water filters, stoves, blankets, tents, and tools to help families rebuild their lives after losing their homes in a disaster.

You never know when the next disaster might strike. With generous donations like the Inman Rotary Club's support of ShelterBox as a Rotary Partner, we can continue to provide shelter, warmth and dignity to disaster survivors.

For more info on ShelterBox go to www.shelterboxusa.org.

The York Rotary Club presented a \$200 check in support of the York Comprehensive High School Athletic Department at the September 14 meeting. Athletic Director Joey Moore accepted the check and expressed appreciation to the York Rotary Club for their continued support of all athletic programs at YCHS.

Fort Mill club has a birthday party one month, and sends care packages to troops to the next

BY MICHELLE BRANNING
Rotary Club of Fort Mill

For the month of July, the Fort Mill Rotary Club collected birthday party items. At the end of the month a birthday party packing party ensued. So, what is a Birthday Party in a Bag you might ask.....

Cake Mix and frosting, candles to blow out, balloons to add excitement, streamers to decorate with, a gift bag to place that special treasure in. Now do you get the idea?

65 was a magical number. We packed 65 individual Birthday Parties in a Bag. The best part of this story, we delivered these party bags to the Fort Mill Care Center where some families are still dependent on their services.

Families in need can obtain a birthday party bag to ease the stress of a family member having a birthday and they have no idea

how they will make it a special occasion.

The very day of delivery, there were new families signing up for services.

There were tears of joy and relief as the Fort Mill Rotary Club had taken a big burden off their shoulders.

For the month of August, the Fort Mill Rotary Club collected care package items to send to our troops who are deployed. We carefully and tightly packed all kinds of care items into 21 postage boxes for shipping overseas.

Trail Mix, jerky, chapstick, baby wipes, toothpaste and brushes, toiletries collected from

traveling, playing cards, wordpuzzles, cheese and peanut butter crackers, and of course the favorite...dip!

It was our hope that these care packages arrived to our deployed troops in Afghanistan with the Task Force Southwest in Helmand Province around 9/11.....the whole reason they are deployed.

Fort Mill Rotary Club is proud to practice Service Above Self the core values of being a Rotarian. Each month we will have a similar service project for our local community. It's so nice to see such a little effort can make such a BIG impact for others.

GOLDEN CORNER UPDATED ON TAMASSEE DAR SCHOOL

Jason Eller, right, chief development officer for the Tamassee DAR School, updated the Golden Corner Rotary Club on the school's services and activities. In 1914, the South Carolina Daughters of the American Revolution voted to establish the school that was later founded in 1919. The Tamassee DAR School is a non-profit children's home and family service organization that provides year-round services to more than 65 children in a residential program, 60 children in an After Care Program and more than 50 children in an on-campus day care facility. For more information about the school, call (864) 944-1390 or visit the website at www.Tdarschool.org. Pictured left is Golden Corner Rotary Club member and DAR school supporter Doug Wilson.

Renee Pfister, with Right At Home In Home Care and Assistance, center, updated the Golden Corner Rotary Club on the lifestyle choices involved in healthy aging. Pictured, from left are Tim Tompkins with the Golden Corner Rotary Club, Pfister and Golden Corner Rotary Club president Jon Adams. Follow the Golden Corner Rotary Club's activities on Facebook. The club meets at 7:15 a.m. every Wednesday at Seneca Family Restaurant on U.S. 123 Bypass. For more information, call (864) 882-8395.

St. Joseph's Interact growing in its second year

By Susan Spencer

Rotary Club of Pleasantburg

The St. Joseph's Catholic School (SJCS) Interact Club was founded at the beginning of the 2015-2016 school year by the Rotary Club of Pleasantburg.

In the two short years since its beginning, the SJCS Interact Club has established a commendable record of growth, community service and international service. During the 2015-16 school year, the club grew to 22 members and in the 2016-17 school year membership grew to 25.

In its first year, the club established a community service relationship with the Adam's Mill YMCA that continued through the 2016 – 2017 school year.

In both years they also volunteered to help the Rotary Club

of Pleasantburg with its biggest fundraiser, Spring Sing.

The SJCS Interact Club successfully performed an international project by raising more than \$1,000 for a food bank in Haiti; \$1,207 for Heifer International to support sustainable farming and ranching; and \$900 for flood relief in Peru.

They asked for and they received support from the Pleasantburg Club, which contributed matching funds up to \$500 for their Peru project. They also participated with Pleasantburg in a food drive for Harvest Hope.

Club members participate in many community service activities that are sponsored by other organizations, both at SJCS and in the community. Examples include: participation in the "St. Joseph the Worker Day," a school-wide day dedicated to community service,

a Senior Senate sponsored trip to Tampa, FL to volunteer for Habitat for Humanity and to volunteer in food kitchens that feed the needy, helping disabled children learn to play, volunteering for Home Works America- Greenville, numerous mentoring and teaching volunteering efforts ranging from mentoring middle school kids to teaching dance and arts and crafts, volunteering for various food drives including Stop Hunger Now just to name a few.

In 2016-17 the SJCS Interact Club received the Presidential Citation for Interact from Rotary International under the leadership of three rising juniors who attended the 2015 RYLA: Breanna Anderson, Paul Minerva and Elizabeth Armstrong. Breanna was elected to be the first president of the club.

The current club president, Emily Garceau, is a rising junior, an honor student and a 2017 RYLA delegate. Two other club members, Jadin Nassif and Maria Clark are also 2017 RYLA delegates. Additionally, Alexandra Masters, a 2016 RYLA delegate, was invited back to be a counsellor for the 2017 RYLA.

Front row: Elizabeth Armstrong, Breanna Anderson, Kathleen Brown, Alexandria Masters. Back row: Paul Minerva, John McAfee (Pleasantburg Rotary President when the club was formed), Bill McCann *(Pleasantburg Rotary president when SJCS Interact Club earned its Presidential Citation), Sam Cumby, Travis Garceau and Bob Grazio (Pleasantburg Rotary Club).

Fellowships/RAGS/United Nations and hurricane relief

As I write this, the annual United Nations meeting is taking place in New York City. Rotary has had a 69-year relationship with this organization and was involved with writing the original UN Charter. We were the role models to show how important it was to be fair to all concerned.

Traditionally the Rotary day at the United Nations is celebrated in New York the first Saturday in November. However, this year for the first time it will be held in Geneva, Switzerland on Nov. 11. That makes a great reason to go to Switzerland for a MAKE-UP.

The Rotary Action Group for Peace meets monthly (not July & August) at 777 UN Plaza (10th floor) for breakfast. Plan a trip to NYC around one of these meetings. To verify the date of the next meeting e-mail: executivedirector@nyrotary.org. Normally they highlight a noted international speaker at each meeting.

Along those lines RIP Ian Risely will have a Peace Summit February 10 in Vancouver. Google Rotary Peace Summit.

These days we are all aware of racial intolerance and the anger it brings out in people. Actually diversity strengthens Rotary clubs. Think of the numerous ethnicities in our country and how well we get along. It is the American way.

Unfortunately it is not that way in every country. With Rotary's basic values we thrive on diversity and mutual tolerance. If you have attended a Rotary International Convention, you understand what I mean.

Tolerance was expressed a few years ago in countries like Nigeria, Afghanistan and Pakistan when Rotary convinced Leadership that their children needed Polio immunization. Fighting stopped for a designated amount of time and children were immunized. That is the power of Rotary!

For those of you who have joined the Rotary Action Group for Slavery, please note *The Wall Street Journal*, Sep. 20, 2017, page B5. "Internet Immunity at Risk In Sex-Trafficking Debate". A Senate Committee is urging Internet companies to help forge legislation to combat on-line sex trafficking. That's what we Rotarians have been talking about. It seems like someone heard us finally. Keep your eyes on the press to see what evolves

Greenville clubs have plan to meet President Ian's request for planting trees

Clubs in the Greenville area, led by Dave Wood from the Rotary Club of Greenville East, are pulling together their plans to plant the trees requested by President Ian Riseley.

"I've never met President Ian and I suspect he doesn't know Dave from the Greenville East Rotary Club," Dave said. "Regardless, two weeks ago our paths crossed when I volunteered to head up our local initiative to meet his challenge."

Dave emailed presidents of Fountain Inn, Greater Greer, Greenville, Greenville East, Greenville Evening, North Greenville, Greenville Breakfast, Pleasantburg, Simpsonville, Mauldin and Golden Strip Sunrise to solicit volunteers to collaborate on this project and to meet the Greenville area responsibility of planting 560 trees, one for each member of the named clubs.

"Thanks to the wonderful networking capabilities of Randy Vogenberg, president of North Greenville club, we've also been able to pull together contacts with the Greenville City Parks and Zoo, the US Forestry Service as well as a private not for profit organization, Trees Greenville," Dave said. "The plan is to use these organizations to help us reach our target. The Forestry service has agreed to donate up to 10,000 saplings, the Parks and Zoo have both agreed to research their needs and provide opportunities for some "FREE" labor"

Dave expects the trees to be planted this fall and winter.

World Polio Day is October 24

Get ready for Rotary's 5th annual World Polio Day event on Oct. 24, co-hosted with the Bill & Melinda Gates Foundation.

We will stream live from Gates Foundation headquarters in Seattle, Washington to bring together more than 50,000 viewers around the world. Join us as global health experts and celebrities share our progress on the road to polio eradication. Plan a club get together for the viewing and count your dimes.

Find resources to help you promote World Polio Day at the End Polio Now website.

<https://www.endpolio.org/world-polio-day>

Today, thanks to Rotary's mission and the \$2.2 billion in funding to date, that no child anywhere should suffer from this completely preventable disease, just 2 countries, namely Afghanistan and Pakistan have reported only 11 cases for 2017. With a further \$1.2 billion pledged by global leaders, and Rotary's commitment, the total eradication of polio is now so close and within sight. What a phenomenal achievement and benefit to the world!

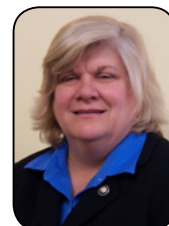

2017-2018 District Grant Schedule

dg2013@rotary7750.org

Money is needed to support our effort to eradicate polio, because if it isn't completely eradicated, the possibility of it returning to the United States is not out of question. Only one disease has been eradicated: smallpox. Rotary is so close to eradicating the second disease – Polio. WILL YOU HELP?

Rotary's involvement with polio since 1979

Rotary International's effort to eradicate polio began in 1979, with a multiyear 3-H grant to immunize 6 million children in the Philippines.

In 1987-88 RI challenged Rotarians to raise \$120 million to help fight polio; Rotarians raised \$247 million.

Rotary's early efforts set the stage for the formation of the Global Polio Eradication Initiative (GPEI) in 1988. The GPEI's original members were Rotary, the World Health Organization (WHO), the U.S. Centers for Disease Control and Prevention (CDC), and UNICEF.

In 2005 Bill and Melinda Gates Foundation joined the

1894 First U.S. polio epidemic. The United States has been free of the wild poliovirus since 1979.

GPEI and offered to contribute \$355 million if Rotary raised \$200 million. We did and the Gates Foundation has matched every Rotary dollar two to one since.

At that start of PolioPlus, 350,000 children were afflicted by polio every year. Today, that number has been reduced by 99.9 percent, and polio is endemic in only three countries — Nigeria, Afghanistan and Pakistan.

WHY CONTINUE OUR INITIATIVE?

Despite its successes, the GPEI faces challenges in delivering vaccine to the three remaining polio-endemic countries. Afghanistan, Nigeria, and Pakistan all have weak health infrastructures, which makes neighboring polio-free countries vulnerable to migration of the virus. Eliminating the last 1 percent of polio cases requires new strategies, such as securing political support from national, regional, and local leaders.

Established in 1990, the

global polio laboratory network has 146 accredited labs for detecting and tracking the incidence of poliovirus around the world. Stool samples from areas with suspected cases of the disease are sent to these labs to test for the poliovirus and to determine the origin of detected virus poliovirus – either wild or vaccine-derived. Incidences of wild poliovirus are referred to one of seven global specialized laboratories in order to monitor the movement of the disease.

YOUR CHALLENGE

- 1** Between now and Oct. 24 have a meal with a group (maybe even at your club meeting);
- 2** Declare that the meal is now "the world's greatest meal to help end polio";
- 3** Have everyone put some money on the table;
- 4** Count the money, tell your club what you raised and give to the club treasurer to send to the Rotary Foundation-PolioPlus;
- 5** Report your "collection" to Polio District Chair amelianelson007@gmail.com ;
- 6** Your "collection" will be matched 2 to 1 by the Gates Foundation.

YOUR REWARD:

- 1** You will have saved the lives of several children (one vaccine costs \$.66);
- 2** You will receive credit toward your Paul Harris Fellow as well as a tax write-off;
- 3** The Rotarian in each area with the highest dollars raised will receive 100 points towards a Paul Harris Fellow – AND the Rotarian raising the most dollars will receive 200 points. Get your family/children involved as well.

The total for the District will be registered on The World's Greatest Meal (WGM) website. Since its inception five years ago, 72 countries have participated in WGM and \$6 million has been raised for polio.

It is STILL our fight. Our COUNTDOWN is ZERO cases in THREE years. Will you be a part of the Countdown to History?

Afghani child with his new Speaking Book that explains verbally in his language about polio.

Hilton Head Rotary's SPEAKING BOOKS impact Polio vaccinations; new book released for World Polio Day

An initiative that was first promoted and introduced by the Rotary Club of Hilton Head and then supported and funded by Rotary International's Polio Plus Partners, Sir Emeka Ofori in Nigeria, and UNICEF, the Speaking Book for Polio Education was created specifically to inform populations at risk about the absolute importance of vaccination.

Delivered just in time for World Polio Day, Polio Plus Partners funded 7,000 Speaking Books "Grandpa Knows Best; A Story of Polio" with 16 pages of easy to understand text, illustrations and a sound track recorded in Dari and Pashto are being distributed by UNICEF health workers as well as Rotary volunteers to reach the most vulnerable population with critical life saving messages.

And now, direct from UNICEF Kabul Afghanistan the Hilton Head office of Speaking Books received this email: "Please find attached some images of children

enjoying the Speaking Books during our polio campaign in Jalalabad yesterday. The children loved the books, and most importantly, it created a sense of excitement and encouraged them to come out of their homes to be vaccinated."

This latest delivery of Speaking Books funded by Rotary and partners in support of the End Polio Now campaign follows on from the great success of the distribution of 5,000 to Pakistan, A Story of Health, and a further 15,000 "Yes to Health, No to Polio" for Nigeria. With each Speaking Book reaching multiple users, UNICEF estimates they will be seen, heard and understood by well over a million+ low literacy and vulnerable people.

For further information, please contact Brian Julius in Hilton Head, bj@speakingbooks.com or 1-843-298-1017. For clubs in 7750 looking for a specific World Polio Day project, this could be it.
