ROTARY:
MAKING A
DIFFERENCE

FUTURE INTERACTORS AT WORK
Members of the Rotary Club of Indian Land and some of their future Interactors worked together on a trash pick-up. More on page 6.

Near half-way point

Our clubs living up to the theme of making a difference

by DG Ed Irick

We are approaching the half way mark of our Rotary Year 2017-2018. As you know, the theme for this year is **Rotary Making a Difference**. My message to you is that to truly make a difference

we all must strive to make our clubs stronger. As I have visited with clubs in District 7750, I have observed that they all are making a difference and trying to become stronger. All clubs are different, however, and over the years have

developed their own personalities. Now is the time to assess where you club stands and determine what you as individual Rotarians can do strengthen your club and perhaps change its personality. This is a **"Call to Action"** for

I have thoroughly enjoyed visiting 53 of our 54 clubs during the last five months. The final official visit is scheduled for early January 2018.
—DG Ed

Governor's update— *continued from page 1*

you to help Rotary make a difference by making your club stronger.

STRONG CLUBS INCREASE IN MEMBERSHIP. Is your club growing? If not, what can you do about it? There are many proven strategies that are effective in identifying and developing potential members.

First of all, work with your club leadership to see how you can help. **Mark your calendar for Jan. 12, 2018 and attend the District Membership Summit.** You do not have to be the club president, president-elect, or membership chair to attend. You will pick up pointers that will better assure you get a positive answer when you ask someone to be a Rotarian. This training is new, and I guarantee you that you will be a better Rotarian after attending. [Register now.](#) You will not be sorry.

STRONG CLUBS INCREASE HUMANITARIAN SERVICE.

Humanitarian service takes on different forms. It means engaging members in community service projects. It is giving to the Rotary Foundation to support global and local humanitarian service through Global and District Grants. It means raising funds to directly support local projects or organizations. It

means supporting disaster relief funds to aid in recovery from natural disasters. The important thing to note is that strong clubs provide a balance of all these. Don't just raise funds to support local projects; also support the Rotary Foundation. Participate in club service projects. Come up with your own service project and get the club to support it. Enlist the support of several fellow Rotarians to help you. Actively participate.

STRONG CLUBS INCREASE AWARENESS OF ROTARY. This entails not only increasing awareness and knowledge of Rotary to the public but to our fellow members, as well. Better informed more knowledgeable Rotarians understand the need for increasing membership, increasing Humanitarian Support, and raising public awareness of Rotary. We all need to become more knowledgeable of Rotary in order to be better Rotarians and strengthen our clubs.

Take the month of December to assess your club and yourself as a Rotarian, then begin January with a determination to do your part in making your club stronger. Be proud to be a Rotarian! I am.

THIS MONTH'S TRIVIA:

1 The Rotary Club of Chester invited a cow to a meeting. Chester was once known as the "Wonderful Guernsey Center of Dixie," and the Rotary Club began a "calf chain." Thoroughbred calves were given to a select group of boys to raise and exhibit in cattle shows. Each young man was to give the first female born to the animal to the club, which in turn gave it to another boy, thus, perpetuating the project. J.G. Grant's calf grew into a very fine cow and won many prizes. She was brought to the Chester Hotel dining room to show off to the Rotarians. While members of the club ate chicken and dressing, she munched on fragrant, new-mown hay. Money from the sale of this cow enabled Grant to go to college.

2 The first women to join a Rotary club in the state of South Carolina joined the Rotary Club of Clemson-Calhoun. Pam Deal joined the club September 1, 1987 and Donna Patterson joined November 1, 1987. Both are still active Rotarians in the club.

3 The Rotary Club of Fair Play used to raise funds with Cow Patty Bingo. A cow was fenced in a field that was sectioned off into squares. People purchased squares, and the purchaser of the first square to receive a cow patty won the prize. The club no longer raises funds in this manner. Several reasons were given, one of which was that a certain resident of the community alleged that this was a case of cruelty to an animal. Go figure, the cow was doing only what comes naturally.

Strengthen Rotary membership

Rotary's enduring vision and values

by John Kimbell

Rotary Club of Greenville Evening
D7750 Membership Chair
jkimbell46@gmail.com

In the Spring of 1916, Paul Harris wrote to the Rotary Club of Spartanburg when it was chartered: Let us make of Rotary an instrument of cementing friendship and the development of the spirit of service through the length and breadth of the State of South Carolina."

Paul Harris had a vision that has passed the test of time. Over 100 years later, the desire to serve others locally and globally coupled with great friends, fellowship and fun remain the key ingredients for joining and staying in Rotary.

It is very helpful to link the wisdom and vision of leaders to the past, present and future of any organization.

Paul Harris began Rotary by inviting just three others to join him. What a legacy from such a small start!

Q. Read the quotes at right and ask this question: What would he and these other past presidents personally ask you to do?

A. Do the same by inviting three friends you care about to share in this service, friendship, fun and values to grow and strengthen our local clubs for years to come.

MEMBERSHIP THOUGHTS

from former RI presidents

Rotary will have its 113th anniversary on February 23, 2018. We have had some great leaders who ensured we would grow and have impact. Let's imagine a roundtable with a few of them, and what they would say to us today as we seek to grow and strengthen our local Rotary clubs.

From Paul Harris, Founder, President, 1910-12

"The foundation upon which Rotary is built is friendship; on no less firm foundation could it have stood."

"Rotary vision: To harness the great power of friendship to help do the world's work."

"May our happiness increase with our usefulness. What Rotary will be one hundred years hence, none living can imagine. There is nothing impossible to Rotary now."

From Albert S. Adams, President, 1919-20

"Friendship...the craving for which brought Rotary into existence is the thing that will keep Rotary a living, vital force in the world for all time, the very foundation of our organization."

Charles L. Wheeler, President, 1943-44

"The more clubs we have, the more friends we have, and the more friends, the greater our opportunity for service."

Everett W. Hill, President, 1924-25

"Just as Rotary itself can never keep its place unless it is constantly growing, so each individual Rotary club cannot afford to stand still while the stream of life moves onward."

Charles G. Tennent, President, 1957-58, Vocation-Nurseries, Rotary Club of Asheville

"When a tree stops growing — it is ready to die ..A Rotary club is like that: It is moving ahead only when it is growing. When the growing ends, the knife-and fork club begins." Rotary vision: A great forest of living clubs finding fertile soil worldwide.

District 7750 leadership continues to place
MEMBERSHIP DEVELOPMENT as the **TOP** priority.

THE JOINT ALL CLUB CONFERENCE

MAY 18-20, 2018

Districts 7750 and 7680

ROTARY:
MAKING A
DIFFERENCE

Sponsors are needed to help defray the cost of the Conference.

Rotary Club of Greater Anderson donates AEDs to local organizations

The Rotary Club of Greater Anderson last month donated and delivered four Automated External Defibrillators (AEDs) to local organizations in Anderson County. Funding assistance for the devices was received through a Rotary District grant.

An AED is a portable device that checks the heart rhythm and can send an electric shock to the heart to try to restore a normal rhythm. AEDs are used to treat sudden cardiac arrest.

Deliveries were made to Calvary Home for Children, the Anderson District 1 & 2 Career and Technology Center, New Foundations Home for Children and the Anderson Area YMCA.

According to the American Red Cross, an AED is the only effective treatment for restoring a regular heart rhythm during sudden cardiac arrest. The Red Cross believes that all Americans should be within four minutes of an AED and someone trained to use it.

"The Anderson Area YMCA is very appreciative to Rotary for their donation of an additional AED unit to our Y," said Joe Drennon, Chief Executive Officer of the Y. "Our staff has seen firsthand, how invaluable these units can be in a life or death situation where response time is crucial to the person in crisis. Because of the number of members and participants that our organization serves on a daily basis, AEDs are an absolute necessity for our Y in meeting heart-related emergencies," said Drennon.

YMCA Chief Executive Officer Joe Drennon and Wally Weathers, YMCA Operations Director and Wellness Coordinator, display the AED donated by the Rotary Club of Greater Anderson.

Greater Anderson Rotarian Mike Darby presents an AED to Anderson Career and Technology Center Director Hollie Harrell.

Greater Anderson Rotarian David Moore presents an AED to Calvary Home for Children Director Greg Skipper.

Kathy Krob, Senior Director for New Foundations, left and Steve Dean, CEO for New Foundations, right, receive their AED from Greater Anderson Rotarians Julie Tovey and Mike Darby.

Y member can testify to value of AED

Sam Anderson, a member of the Anderson YMCA, knows all too well how important an AED can be. "When I experienced cardiac arrest in 2016 at the Anderson Area YMCA, the Y's excellent staff saved my life with an AED," he said.

Rotary INDIAN LAND

Future Interactors help Indian Land Club pick up trash

The Rotary Club of Indian Land has been working to start an Interact Club at Indian Land High School. Club members and some of the potential Interact students picked up trash together recently. It was the first event that Rotarians and future Interactors worked on together. Indian Land is in northern Lancaster County just outside of Charlotte.

Greenville East plants trees to meet RI president Ian's challenge

On November 11, members of the Rotary Club of Greenville East participated in a tree planting event with TreesGreenville at Travelers Rest High School. Rotary International president Ian Riseley challenged every Rotary club to make a difference this year by planting a tree for each of its members between the start of the Rotary year and Earth Day on April 22, 2018. President Ian said trees remove carbon dioxide and other greenhouse gases from the air, which slows global warming.

LEGISLATIVE UPDATE

South Carolina District One Representative Bill Whitmire, R-Walhalla, recently updated the Golden Corner Rotary Club on work the state legislature has tackled. District One covers the northern two-thirds of Oconee County including Walhalla, Mountain Rest and Salem. Whitmire said when the legislature convenes in January it will address the failed V.C. Summer nuclear power plant's two reactors' construction project in Jenkinsville, S.C. Pictured, from left, are Golden Corner Rotarian Wayne Frady, club president Jon Adams and Rep. Whitmire.

JOINT HEALTH SUBJECT OF PROGRAM

Diana McIntyre, RN, with the NewLife Center for Joint Health at Oconee Memorial Hospital, updated the Golden Corner Rotary Club about the services at NewLife Center which works with Blue Ridge Orthopedics and the Greenville Health System. Pictured with her is Golden Corner Rotarian Kevin Herbert.

MYRTLE BEACH ROTARIAN VISITS

Mark Ousley, left, incoming president of the Rotary Club of Myrtle Beach, presents a club banner to Golden Corner Rotary Club president Jon Adams during Mark's visit to Seneca. Mark was the guest of Golden Corner Rotarian Vic Holley.

TRI-COUNTY TECH FOUNDATION UPDATE

Grayson Kelly, right, executive director of the Tri-County Technical College Foundation, recently updated the Golden Corner Rotary Club on the college's Oconee County campus. Ground was broken July 17 and the \$7.25 million facility is projected to be completed in August, 2018. The campus is part of a unique development that includes the Oconee County Workforce Development Center, a new School District of Oconee County Career Center and Oconee County's Industry and Technology Park. Pictured with Grayson is Golden Corner Rotarian Lorraine Harding.

YOUTH EXCHANGE: Help students in your community explore the world

By Wade Cleveland

D7750 Youth Exchange Chair

864-569-7296

We need American students who want to study abroad, learn a new language, gain insight into themselves and our country, make new friends, and promote peace as true citizens of the world.

And we need YOU to tell them about it.

Rotary operates the largest youth exchange program in the world and annually provides more than 8,000 students the opportunity to travel, learn, and mature. Help spread the word to high school students in your community who may be interested in becoming Rotary Youth Exchange students. Don't let our students miss out because we didn't tell them about this opportunity. And remember: these same students will return as official

We're looking for students, ages 15 to 19, who:

Have demonstrated leadership in their school and community

Are flexible and willing to try new things

Are open to cultural differences

Can serve as ambassadors for our country

If you know such a person, tell that student about Rotary Youth Exchange and invite him/her to contact me directly for more information.

alumni of Rotary and both they and their parents are potential members of your club.

Help promote peace and international understanding through Rotary Youth Exchange!

P.S. Please pass this information on to each of your club members, to school officials, to Interact clubs, and to anyone else who may be able to tell our students about Rotary Youth Exchange.

YEAR-END TAX PLANNING

IRA charitable rollovers, corporate matching could help our Foundation

Need answers about IRA Charitable Rollovers, Corporate Matching, and Stock Gifts?

IRA Charitable Rollovers: This is a tax-wise option to make an annual or major gift. The IRA Charitable Rollover allows donors over 70½ years old to transfer up to \$100,000 annually from their IRA account directly to charity.

Corporate Matching: Donors may be able to double their impact by requesting a matching gift from their employer. [See what employers in your area offer matching gift programs.](#)

Stock Gifts: Help Rotary make an impact and receive tax benefits by making a gift of appreciated securities.

By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$2.2 billion, including over \$985 million in matching funds from the Bill & Melinda Gates Foundation. Rotary's contribution to the Global Polio Eradication Initiative since 1988 accounts for nearly 14% of all contributions through June 2017 and represents approximately 42% of private sector contributions. **Rotary is the leading non-governmental voluntary organization contributor to the GPEI.**

Will you be a **Santa** to someone and save a life?

By **Amelia Nelson**

D7750 Polio Chair

A GLOBAL CELEBRATION

World Polio Day 2017 was a huge success, and we couldn't have done it without you. All over the world, Rotarians came together to bring attention to polio eradication. Rotary clubs registered more than 3,400 World Polio Day

events in 102 countries at endpolio.org. That's twice as many events as last year. More than 650 stories mentioning Rotary's role in polio eradication were published in global and local media outlets. 'Getty Images' told the history of

the polio eradication initiative through a series of photos going back to the early 20th century. Or check out the [World Polio livestream broadcast](#).

CASES AND VACCINES

We are inoculating 400 million children in 60 countries of the world on an annual basis and have the endemic countries down to three. Here is the report as of November 29, 2017, when one new case in Afghanistan occurred: 15 wild polio virus cases reported in 2017.

Afghanistan: One new wild polio virus type 1 (WPV1) case reported, from Muhmand-Dara district, Nangarhar province. The case had onset of paralysis on 5 November. The total number of officially reported WPV1 cases in Afghanistan in 2017 is now eleven. The next round of sub-national

immunization days are planned for the second half of December 2017.

Pakistan: No new WPV1 cases have been reported. The total number of WPV1 cases in 2017 in Pakistan remains five. The next round of sub-national immunization days are planned for the second half of December 2017.

Nigeria: No new cases of wild polio virus type 1 (WPV1) were reported in the past week. No cases have been reported in 2017. The most recent case had onset of paralysis on 21 August 2016 in Monguno Local Government Area, Borno. Nigeria continues to implement an emergency response to the

detected WPV1 strain and circulating vaccine-derived polio virus type 2 (cVDPV2) strains affecting the country (last detected in 2016). The recent Lake Chad Technical Advisory Group (TAG) meeting underlined the importance of improving access to trapped populations in Borno, Nigeria as well as extending surveillance and vaccination to the 178 Nigeria-governed islands within Lake Chad. Detection of polio cases in Nigeria underscores the risk posed by low-level undetected transmission. As part of the emergency response, subnational surveillance continues to be strengthened.

BE A SANTA AND SAVE A LIFE.

We have a long road ahead to eradicate polio and we need your continued support to raise funds, spread awareness, and keep fighting for a polio free future. On average, a child can be fully protected against polio for \$3. Do the math: in addition to the Gates match of 2:1, your donation is matched again this year by a generous Dis-

trict Rotarian for any monies over the District's goal up to \$100,000. Your Santa gift of only \$10 (total \$30) could prevent 10 children from contracting the polio virus. What a return on your investment!

The goal of the PolioPlus program is the global certification of polio eradication. By eradication, the World Health Organization (WHO), the Global Commission on Certification and Rotary mean the interruption of the transmission of all polioviruses.
