ROTARY INTERNATIONAL

ROTARY:
MAKING A
DIFFERENCE

THE JOINT ALL CLUB CONFERENCE IT'S NEXT MONTH! MAY 18-20

Rotary

Districts 7750 and 7680

Video Preview: [Click here](#)

ROTARY:
MAKING A
DIFFERENCE

Our joint conference is a great opportunity to meet and visit with Immediate past RI President John Germ and RI Director Elect David Stovall.

You will also become much more informed about the current issues of human trafficking and the opioid crisis from South Carolina Attorney General Alan Wilson. Business consultant Peter Chatel will speak about leadership.

Best of all, we can learn from clubs in our district as they showcase their significant activities that may benefit your club.

Charleston's famous 17 South Band and Travis Allison Band will be providing a wide repertoire of live evening musical entertainment

to have everyone on the dance floor.

Free time on Saturday afternoon is for tours, cruises, shopping, etc. to savor the ambience of one of America's oldest historic cities. [Click](#) to reserve your choice of tours and/or for shuttles to downtown Charleston.

The conference will be held at the Charleston Convention Center, with hotel accommodations at immediately adjacent [Embassy Suites](#) Charleston Airport.

[Register now](#) to enjoy a weekend of enlightenment, fun, and camaraderie with your Rotarian friends. The registration page includes a link to discounted hotel reservations to be made separately and individually at

Embassy Suites with overflow at adjacent Hilton Garden Inn and/or The DoubleTree.

To register, log in, click on Calendar, scroll to May 18-20 Joint All Club Conference.

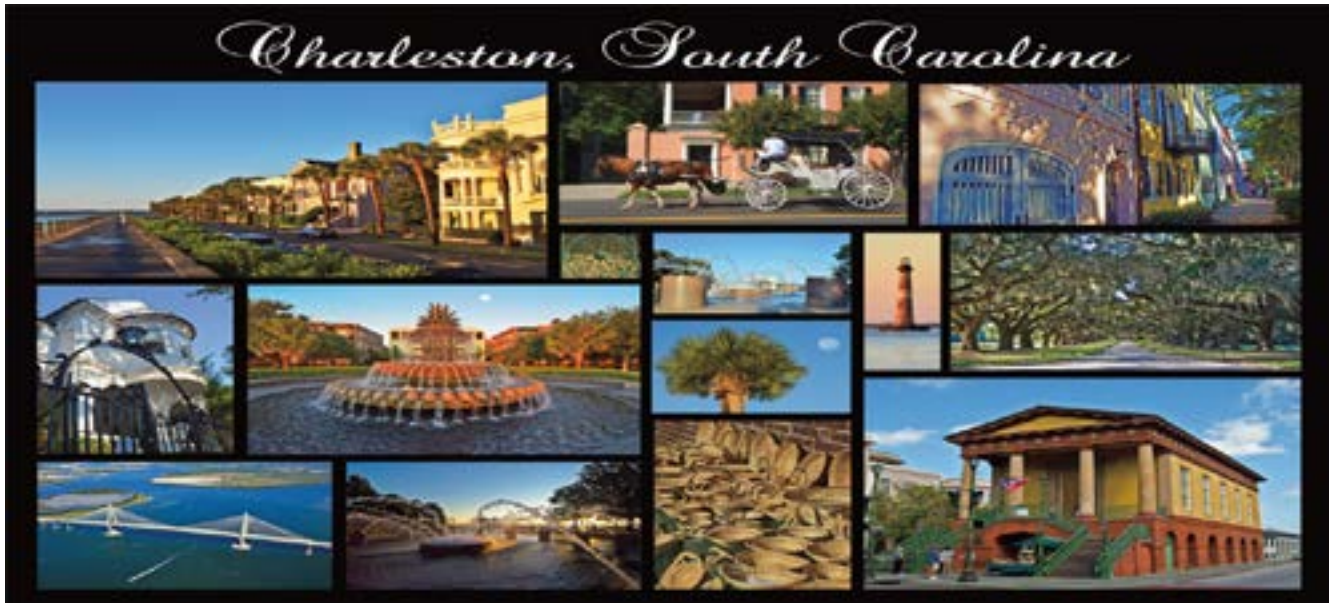

We look forward to your joining us in Charleston May 18-20. Your attendance and active participation are key to making our Joint All Club Conference a roaring success and one to be remembered. All of us will have a fun, interesting time with Rotarian friends old and new, as well as the opportunity to enjoy the southern charm and beauty of historic Charleston.

Don't miss it.

More about the conference

SPONSORS ARE STILL NEEDED TO DEFRAY THE COST OF THE CONFERENCE.

CLICK HERE FOR A SPONSORSHIP FORM.

Our AGs are working with Club Presidents to encourage Sponsorships from individual clubs and members' businesses, as well as corporate sponsorships. Sponsorships are needed to help defray some of the costs for our Joint All Club District Conference.

SILENT AUCTION WILL BENEFIT CART.

AG Frank Cox and AG Rebecca Melton are co-chairing "Silent Auction," and all clubs are strongly encouraged to generously donate items to raise funds for CART. CARTS Executive Director Bill Shillito will be joining us. Click here for information and forms www.rotary7750.org/silentauction.

HOUSE OF FRIENDSHIP WILL SHOW CLUB ACCOMPLISHMENTS

CLICK FOR A SPACE REQUEST FORM.

Bob Schavey is chairing our District's House of Friendship to promote and showcase each of your club's accomplishments this past year. Get your display ready now.

Join your fellow 7750 and 7680 Rotarians in Charleston!

MEMBERSHIP DEVELOPMENT

WHY DO MEMBERS JOIN AND STAY IN ROTARY?

Let's review why people join and why they stay. It is the central point of conversation to be highlighted and explored with people you care about and want to have share the Rotary experience.

JOIN	STAY
Impact My Community – 35.5 %	Increases to over 36% for staying
Friends and Fellowship – 30.0 %	Increases significantly to over 38% for staying
Impact Globally – 8.2 %	Wow; global impact rates almost 15%

Who Is Rotary? (Revisited)

By John Kimball

Rotary E-Club of the Carolinas

7750 Membership Chair

jkimbell46@gmail.com

We have begun Rotary's 114th year of service. Paul Harris and three others first met on February 23, 1905.

So you and I are a part of an amazing organization that has and continues to Make a Difference in our local communities and globally. Just think about the total impact of our service. What does that mean to you? And who do you want to join you in your club to grow and sustain it?

On this page are some significant talking points that will help you as you engage potential members in a dialogue about your own experience. Keep it simple by sharing your pride and what Rotary means to you.

ROTARIANS ARE ...

Like Minded Men & Women

Bonded by Values & Caring

Driven by Service Above Self

Bonded by Four Way Test

Investing Time, Talent & Treasure

Enjoying Great Relationships

Living our Four Way Test in Workplace & Community

Sharing Vision of a Better World

Consider this powerful perspective as you share your passion and your positive experience with prospective members.

DROP THESE NAMES OF SOME PROMINENT ROTARIANS

Just think about the many Rotarians over the years who built Rotary. Let's look at just a few truly great people who chose to be in Rotary:

Neil Armstrong, Winston Churchill, Thomas Edison, Harlan Sanders, and Sam Walton

US presidents Franklin D. Roosevelt, Woodrow Wilson, John F. Kennedy, Gerald R. Ford

Joyce Hall, Founder of Hallmark Cards

Charles H. Mayo, co-founder of the Mayo Clinic

Orville Wright, Co-Inventor of the first successful airplane

ONE WAY TO INCREASE MEMBERSHIP

Corporate Memberships — MYTHS AND REALITIES

By PDG Terry Weaver

Rotary Club of Greenville

The 2016 Council on Legislation, Rotary's "Congress," opened many new opportunities for clubs to make their own rules about alternative membership types, sadly without many guidelines. In this article we'll explore what Corporate memberships are, and more importantly, what they are not.

WHAT CORPORATE MEMBERSHIPS ARE NOT

Corporate memberships are not a "company" membership, where it's an open seat in the Company's name for whomever is in the office that day to come to a Rotary meeting. Rotary is still about individual qualification, networking, relationships, and, per the Object of Rotary, "The development of acquaintance as an opportunity for service." That means even as a corporate member, it's still a membership for a person who should expect to benefit from the high-quality network that a Rotary club represents.

WHAT CORPORATE MEMBERSHIPS ARE

The basic concept is that there's a "lead" or "senior" member from the company who becomes the "Corporate Active" member. There may also be others from the company who become "Active-Associate" members. Each of these is a real person and a fully-qualified Rotarian, not just whomever happens to be in the office the day Rotary meets.

Most clubs make allowances for the Associate members, realizing that they may not attend regularly or may attend in the place of the Corporate member. Such allowances include treating attendance the same way R-85 members are treated -- helps club attendance when they attend, but doesn't hurt when they don't. That's the way Corporate Active and Associate members are treated in DACdb Attendance and En-

gagement modules.

Secondly, many clubs pre-bill for meals, which is usually the way Corporate Active members are treated. Associates, however, may not be required to pre-pay for meals and are usually allowed to eat the meal prepaid by the Corporate member if he/she is not in attendance that day. They can, of course pay for meals at the door as most clubs do for R-85 members, if the Corporate Active is in attendance.

This is a big deal, in that meals are usually at least 2/3 the annual cost of a Rotary membership. Not pre-billing meals slashes the sticker price of Rotary for the Associate members.

Most importantly, all these members are part of Rotary, are on Rotary International's books as Active members and pay both RI and District Dues. Clubs may handle their own component of dues differently. Some clubs add a club dues "premium" for the Corporate Active and then reduce the club dues component for the Associate. For a club whose typical dues (excluding meals) are, say, \$175/year, the Corporate Active rate might be \$200/year and the Associate rate might be \$150 per year, still leaving some headroom above RI and District dues.

In a situation where the Corporate member's job turns over to someone else, your club might be flexible enough to allow the successor to assume the remainder of the year's prepaid dues and meals for the successor as a new member. You might also waive initiation fees on such a person. This could be an "exception" made by the Board and not necessarily a "policy" applying to all situations.

To implement a Corporate Member program or any other alternative membership type you need to adjust your Bylaws to accommodate it.

Union Club president Annie Smith and membership chair Glenn Ivey present a plaque of recognition to Tucker Mabry and Suzanne Smith, club member designees from Founders Federal Credit Union in Union.

Founders Federal Credit Union is the first corporate membership sponsor of the Union Rotary Club

By Anna Brown

Rotary Club of Union

Founders Federal Credit Union is the first corporate member of the Rotary Club of Union.

"Thank you very much for stepping up to the plate," said Glenn Ivey, membership chairman for the Union Rotary Club told the Founders members president. "This gets us off to a good start."

The Corporate Membership Sponsor program is offered to businesses for designees to join the club with flexible attendance. The program will allow a corporation or industry with 5 or more full time employees in the club's area to become a member of the Rotary club through an established membership approval process, and to appoint up to three designees as the individuals attending club meetings, serving on projects, voting on club matters, serving as club officers, on club committees, etc.

"This program is an excellent way for businesses to make an impact in their community and network over lunch, while at the same time being a member of a worldwide organization," said Annie Smith, president of the Rotary Club.

The business's financial obligation will be

the initiation fee of \$75 to establish the Corporate Membership. For two designees, the dues are \$400 per quarter, and three designees it is \$550 per quarter. Dues will cover the District dues, Club meals, Rotary International dues, Rotarian magazine, and miscellaneous Rotary international charges.

Each year, the Rotary Club of Union hosts two major fundraisers: Dinner Theater at Union High School in March/April and the Low Country Boil in

October. The club also sponsors the Union High School's Interact Club and USC Union's Rotaract Club.

"This is an opportunity for multiple people from one organization to participate in the precepts of Rotary," Glenn said. "It gets together friends and

business associates, problem solvers, etc. to make a positive and lasting change in our Union community. The basic idea of Rotary is service above self. We use this as our motto. Each Rotarian is expected to be an example of this ideal. Furthermore, we use and advocate the Four Way Test as an operation principle in the things we do, think or say."

If a business is interested in joining the club, please email rotaryclubofunion@gmail.com.

Deadline for May newsletter is April 25

With a quarter to go in year, we have much we can accomplish

By DG Ed Irick

Rotary Club of Greenville Evening

It is a busy time in District 7750. There are a few things going on across the District to which I want to call your attention.

MEMBERSHIP

Do you as a Rotarian know that **membership is the number one priority** for the district? Rotary is a membership organization that exists to serve. Every Rotarian is a de facto member of his or her club's membership committee. When I joined Rotary in 2003, only 10% of Rotarians had ever asked someone to join Rotary. Today that number is 5%. Please do your part to raise this percentage by introducing people to Rotary and asking them to join. Help your club reach and maintain its membership goal.

PLANT A TREE

Many clubs have taken RIP Ian Riseley's challenge to plant a tree for every club member. Please

take the time to read the April edition of the Rotarian Magazine to learn more about the importance of trees and how clubs around the world have taken on tree planting projects. If your club has not participated in a tree planting project, there is still time.

POLIO

The eradication of polio is Rotary International's signature project. As you know the catch phrase is "Zero Cases - Countdown to History". Rotary is striving towards, a polio free world, a historical event. Aside from our personal donations to PolioPlus, the various areas of the District are organizing Pints for Polio events. Some of these are held at local craft breweries and some are held at ice cream establishments. These events are another great opportunity for Rotarians to get together to socialize and network while, at the same time, raising funds for PolioPlus. Look for an event in

your area.

CONFERENCE

The Joint All Club Conference, May 18-20, is fast approaching. This is a great opportunity to make new friends, exchange ideas and information, and lay the groundwork for development of future joint projects between our District and District 7680. It will be a great Rotary experience and one you won't want to miss. Register now and join us in Charleston.

INVOLVEMENT

As always, there are many ways in which you can get involved in Rotary that will expand your knowledge and appreciation of Rotary. Look for ways you can help your club achieve its goals and don't forget to have FUN being a Rotarian.

Thank you for all you are doing for Rotary and your club. I hope that you, like me, are proud to be a Rotarian.

Greater Anderson Rotary Club President Jeanie Campbell, Sara Hoff, and Rotary member Tammie Collins.

American Pickers crew member Sara Hoff visits Rotary Club of Greater Anderson

by April Cameron

Rotary Club of Greater Anderson

Sara Hoff, a camera operator for The History Channel's antiquing show, American Pickers, spoke to the Greater Anderson Club recently.

Sara lives in the Seneca area and has served as a director, producer and camera operator on a variety of television shows and documentaries including The First 48, Swamp Wars, Dallas Swat and Blackfish.

Pleasantburg picks up trash...

The Rotary Club of Pleasantburg cleaned up Stone Avenue in Greenville through the Adopt-A-Highway program. At left are Travis Seward, youth exchange student from Spain Alvaro Ruiz, and Wade Cleveland. Below are Donnie Lasenbery, Bill McCann, Larry Lee and Henry Dupre.

...and supports afterschool education program

The Rotary Club of Pleasantburg donated \$2000 to W. O. K. E.—Working on Knowledge and Excellence—an after school program that provides students with academic enrichment and opportunities to develop life skills and interests through various activities including dance, organized sports and technology. Receiving the check from club president Susan Spencer, right are Judy Outlaw, Josh Patterson, and Chameka Duncan.

ROTARY FELLOWSHIPS

Women's various roles in Rotary through the years

By Barbara Shayeb-Helou

7750 Fellowships Chair, bsh6890@aol.com
Rotary Club of The Foothills

The Rotary Global History Fellowship has assembled a comprehensive history of the how people like me were able to become Rotarians. I urge you to join this Fellowship whether you are a man or woman to become knowledge-

able about our history.

In 1911 the RC of Duluth and in 1912 the RC of Belfast, Ireland had Woman's Clubs separate from a main Rotary Club. In 1921 at the Rotary International Convention In Edinburgh, legislation was adopted concerning women. (Guess we needed to learn our place.) Woman adopted the Inner Wheel

Club which still operates today in some States and Nations. These women have carried out numerous-service projects and raised funds for scholarships.

For further insight into this topic and many others topics that we tend to take for granted; join the RGHF. Go to RGHF.org.

Greenville East recognizes first responders at annual pancake breakfast

By Katie Sarbacker

Rotary Club of Greenville East

At its annual St. Patrick's Day Pancake Breakfast March 17, the Rotary Club of Greenville East honored Greenville County first responders. It was a wonderful morning of food and fellowship with first responders.

Frazer Center and Nichol-town Missionary Baptist Church children were special guests. They enjoyed interacting with the first responders and the several apparatuses on display.

Nachman Norwood & Parrott Investment Group was the lead sponsor for the event. Other sponsors were City Range Steakhouse & Grill, Spinx, and Transworld Business Advisors. We could not have done this event without you.

Members of the J.L. Mann High School Student Council and Interact clubs joined Rotary club members in serving the pancakes.

The Southside High School JROTC color guard presented the colors at the beginning of the program to honor leaders in our community.

↑ York recognizes students of the month from three schools

York Rotary heard from our first group of schools in York School District One who recognized the Student-of-the-Month from each of three schools. The schools recognizing their students were Hunter Street Elem., Floyd D. Johnson Technology Center and York Middle School respectively. Each principal introduced their selected student with a short bio of the student and why he or she was selected. Those personal aspects were work ethics, politeness, perseverance, helpfulness, and extra curricular participation. Pictured are the students with their principals.

YORK INVITES GUESTS TO ANNUAL GATHERING

Last month the York Rotary Club enjoyed an informal gathering with members and guests. This is an annual event that is enjoyed by all. These are some of the guests who attended.

16 organizations; \$78,000 helped by Fort Mill Rotary

With nearly 75 people in attendance, the Fort Mill Rotary Club hosted 16 local and international organizations to receive grants totaling \$78,000.

Each year the club holds a fundraising event, this year a Masquerade Ball attended by 250.

A \$10,000 raffle prize winner was awarded, and the club cleared over \$78,000 in one night of fun. Dinner, dancing, auctions and wine pulls allowed party goers to help the Fort Mill Rotary Club raise funds.

These grants will allow many of the recipients the opportunity to continue providing for individu-

als with needs, children with learning, clean water in Honduras, a roof in Haiti and a teen relaxation location at the Children's Home for abused and neglected children just to name a few.

Thank you to our Rotarians that worked so hard to make this such a special event, to our sponsors and attendees that help each year while we give so generously to so many.

#ServiceAboveSelf is alive and well in the Fort Mill.

At the Pleasantburg meeting: Sara Mansbach, Susan Spencer, Marie Flore Chipps, DG Ed Irick, Rita Yarbrough

↑ At Rotary Club of North Greenville: Cassandre Règnier; Marie Flore's daughter, Marie Flore Chipps, Haiti; club president Randy Vogenberg; Sara Mansbach, Rotary Club of Pleasantburg; DGE Carol Burdette, Rotary Club of Anderson; DGN Robert Hanley, Rotary Club of North Greenville.

Teacher education vital for Haitian students to succeed

By Sara Mansbach

Rotary Club of Pleasantburg

Marie Flore Chipps, a former member of the E-club of the Carolinas and native of Haiti, spoke to the the Rotary Clubs of Pleasantburg and North Greenville during a visit to the district in March. She spoke about the strong need for a Teacher Training Center and Resource Library in Central Haiti because 85% of teachers lack basic teaching qualifications and teachers have never been trained to teach reading skills.

Pleasantburg's Partners in Literacy Haiti (PILH) committee would like to organize a project that will train 365 teachers with 9,790 students from 40 rural schools. The district will work with literacy partner Summits. Summits is providing the building and rooms for the Center. The club hopes to raise funds to provide furniture, a projector and screen, computers,

tables and laptops for training, and books and materials in transportable packets to check out to schools with the teachers.

HOW TO HELP

Care about putting books in deserving young hands? Get involved with PILH. Our next work trip may occur in mid-May, tentatively set for May 10-16, depending on interest. Experience Haitian schools, students, teachers, and culture and see the sites for our new projects. Other ways you can help:

1. Invite us to present at your club.
2. Serve on the PILH Steering Committee, which meets 5-6 p.m. Sundays in Greenville.
3. Donate to this project.

To join our efforts, contact Sara Mansbach, Project Advisor, 864-414-0875, saramansbach@gmail.com.

Seneca Rotary's Poker Run raises money for local charities

This year's Poker Run is June 9. Enjoy a great day on Lake Keowee while taking your chances at a \$2,500 grand prize. Money raised supports Oconee County charities and the Seneca Rotary Education Foundation that funds student scholarships. You may decide to travel by boat Lake Keowee or enjoy our beautiful landscape and mountainous areas via the highway on motorcycle, jeep or any vehicle of your choosing! Any route you choose will guarantee a day of fun in the sun and a chance to win \$2,500. The route starts and ends at The Lighthouse Restaurant – The Cabana at 1290 Doug Hollow Rd, Seneca, SC. For more information, to register, or to sponsor, visit

www.SenecaRotaryPokerRun.co.m

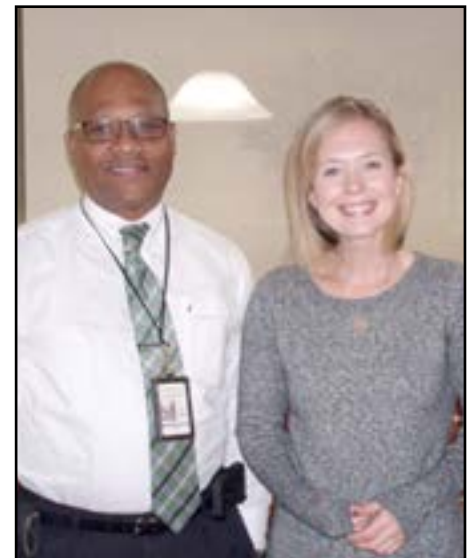

Award-winning author speaks to Golden Corner

Andra Watkins spoke to the Seneca Golden Corner Club recently. She is a Florence native now living in Charleston. She is a New York Times best selling author who recently released her third novel, "Hard to Die," an afterlife story of Theodosia Burr Alston, tragic daughter of Aaron Burr and subject of the song "Dear Theodosia" from the Tony-award winning hit "Hamilton: An American Musical." Watkins spoke to the Golden Corner Rotary Club about her second book "Not Without My Father," the story of her 444-mile walk along the Natchez Trace and her first book, "To Live Forever: an Afterlife Journey of Meriwether Lewis." Watkins was accompanied on her Natchez Trace experience by her 80-year-old father and she encouraged the Rotarians to create memories with their loved ones no matter how small or brief.

INCOMING PRESIDENT RELATES LOCAL PROJECTS TO RI GOALS

Steve Rushton, incoming president of the Golden Corner Rotary Club, recently spoke about the founding of Rotary International and how Rotary supports such worldwide efforts as the eradication of polio and how local projects like the Our Daily Bread Kitchen and scholarships for GED students in Oconee County fit into the picture.

UPDATE ON YOUTH CONNECTIONS

Loren Carr, right updated the Golden Corner Rotary Club on Palmetto Youth Connections, which provides one-on-one career coaching and intensive training for youth between the ages of 17 and 24 in Anderson, Oconee and Pickens counties. Carr said the goal is to have all participants become educated and prepared for self-sufficiency in work and in life including job training, resume writing and interview skills. Pictured with her is Rotarian Gene Williams, director of the Code Learning Center.

USC Union begins Rotaract Club

The Rotary Club of Union has begun a Rotaract Club at USC-Union. The first meeting was held on February 21.

Rotaract clubs bring together college students to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

Meetings will be held every third Wednesday at noon on campus and all college-aged students are encouraged to join.

The club will host fundraisers, do community service projects, and will assist the Rotary Club of Union with projects.

Rotaract caters to college age students to help them evolve with their leadership and professional skills to use after they graduate. There are currently 250,792 Rotaractors in 10,904 Rotaract clubs in 184 countries in the world.

The Rotary Club of Union sponsors the Union

From left, Union Rotaract Club members Mary Scarborough, Mary Beth Hanvey (Vice-president), Deion Eison (Secretary), Lacey Guerry (President), Sally Jo Wrennall, AJ Eison, John Michael Greer (Treasurer), Bryana Vaughan.

High School Interact Club and is proud to sponsor the Rotaract Club now, as well. The Rotary club will offer support, opportunities, and project work. Rotary members are business and professional leaders that make up a global network of 1.2 million Rotarians that belong to more than 34,000 Rotary Clubs in over 200 countries.

Golden Strip Sunrise member helps victims of human trafficking find jobs

By Randy Gordon – President

Rotary Club of Golden Strip Sunrise

Our club is continually active in helping others in our community. I want to share with you something that is new for our club and an example of how a member can fulfill the vocational service component of Rotary.

In our community there is an organization called Switch, setup to help people come out of Human Trafficking & Sexual Exploitation (HTSE). At one of our meetings Curtis Harper, a volunteer with Switch, presented to us the ugly facts of this terrible crime and how it is rapidly growing in our region. Curtis was invited to our meeting by one of our club members - Jim Cashion (PHF+5).

After hearing his presentation, I decided to pursue ways my company (Express Employment Professionals) can help those who are in the program by finding them employment to support themselves. One of the keys to success is for those in the program to have jobs whereby they can support themselves. My office has recently helped two people find work and is poised to help others.

At right is a testimonial from Curtis on our efforts.

FROM CURTIS HARPER,

representing Switch on human trafficking

Dear Randy,

Thank you so much for your team's efforts in helping our participants find employment in the Upstate.

In just a short period of time you have already placed one person who is doing well on her new job and others have interviews lined up.

Many of our participants have criminal records. Gaining meaningful employment outside of the sex industry is a critical step in their journey to restoration and healing.

You are and will continue to grow as a valued partner in our fight to end human trafficking and sexual exploitation in the Upstate – www.swithsc.org. We truly appreciate the efforts of your team as it will change and save lives in the Upstate of SC.

FOUR FOR THE PRICE OF THREE.

If your club sends four members to the same location then \$95 will be reimbursed to the club after the session has been completed.

Why we should continue to raise money for and give money to polio eradication

By Amelia Nelson

Rotary Club of Greater Anderson

7750 Polio Chair

Rotary undertook the challenge to eradicate polio in 1988. At that time, there were 125 polio endemic countries. Today, more than 450 million children have been vaccinated multiple times (it takes more than one vaccine) using over two billion doses of oral polio vaccine. Only three countries remain polio endemic.

In 30 years 122 countries have benefited from PolioPlus grants. Thus far this year, we have had only five cases of polio as of March 20 and all occurred in Afghanistan.

Although only three countries remain polio endemic, polio is highly infectious, spreads rapidly and afflicts mainly children. It is

transmitted via contaminated water and food supplies with 5-10% of the cases causing death. As long as polio threatens one child, children everywhere are at risk. Only the global eradication of polio will ensure that no child will suffer this devastating disease.

Future funding needed is estimated at \$7 billion to fully implement the activities of the Polio Eradication and Endgame Strategic Plan. By the time we reach our goal of a polio-free world, Rotary will have contributed \$2.2 billion with \$985 million coming from Bill & Melinda Gates Foundation's matching funds.

LET'S ALL DO OUR SHARE

Will you do your share? Each Rotarian is asked to contribute \$50 to polio this year. Of course, additional donations are more than welcomed as our District 7750 is in competition with 14 other districts to see whose District will be recognized at the International Convention in Toronto.

Currently the top district is at \$53.90 per capita; we are at \$28.64 per capita and next to the last. We need to step up our game. In addition to individual contributions, please encourage your club to hold a fundraiser specifically for polio – i.e. the Find-A-Pint challenge.

DISTRICT FUNDRAISER COMPETITION FOR POLIO

To generate renewed emphasis within District 7750 for polio awareness, we are asking clubs to partner with a local brewery or other establishment to host a "Find a Pint" event before May 31.

This is a challenge among our 12 areas so get with your AG or club president to plan an event. The winning area will be recognized at the All-Club Conference.

Events such as this one also provide a great opportunity to invite prospective members to learn more about what Rotary does.

For more information, contact your AG or District polio chair Amelia Nelson at amelianelson007@gmail.com.

OUR GOAL IS FOR EVERY ROTARIAN IN 7750 TO GIVE AT LEAST \$50 TO POLIO ERADICATION THIS ROTARY YEAR.

Finish Foundation giving strong

Check the figures to be sure your club meets its goal

By Lorraine Angelino

7750 Foundation Chair

Rotary Club of Emerald City

Finish Strong! There are only three months left in the Rotary year and I would like to see all clubs meet or exceed their Foundation goals for both AF-Share and Polio Plus. Do you know where your club stands for the year? Have you reviewed your "rainbow report" in the District Newsletter?

Currently, the District has only two clubs that have not contributed to AF-Share and 16 clubs that have not contributed to Polio Plus. Please make sure to turn contributions in at least quarterly and make sure credit is given to the member who made the contribution. Please be sure to read the newsletter monthly to see how your club is progressing toward its goals in AF-Share and PolioPlus.

In the past year I have visited almost half of the clubs in the District. I have thoroughly enjoyed speaking to the clubs about The Rotary Foundation. Through our Foundation Rotarians are making a difference in their communities and around the world!

If you have any questions about The Rotary Foundation or making a contribution for the Million Dollar Reception, please send me an email at dg2013@rotary7750.org.

MILLION DOLLAR RECEPTION

An exciting announcement was made at PETS in March. District 7750 will be having a Million Dollar Reception prior to our Foundation banquet at the end of November.

While everyone will be invited to the Foundation banquet, there will be a reception before the dinner that will be for donors that make Major Gifts of \$10,000 or more, new Major Donors or next level, new Bequest Society members or next level, also we will include Paul Harris Society members who make contributions of \$3,000 or more during the 2018 calendar year (January 1, 2018 – December 31, 2018).

In the 1st quarter of the calendar year, we have already recorded close to \$300,000 toward our one million dollar goal.

The guest speaker for the event will be The Rotary Foundation Trustee Chair and Past Rotary International President Ron Burton. We also will have many guests from outside the District invited to the event, to be held in Spartanburg.

FOUNDATION GOALS FOR THE LAST QUARTER

During the next three months let's focus on the following four goals.

- 1** Strive to obtain the 100% Every Rotarian Every Year (EREY) banner for your club – Every member makes a contribution of a minimum of \$25 to AF-SHARE and the club has a \$100 or more per capita giving to AF-SHARE.
- 2** Strive to have all members contribute a minimum of \$100 per year to AF-SHARE and \$50 per year to Polio Plus.
- 3** Make The Rotary Foundation your club's charity of choice. When having club fundraisers make sure The Rotary Foundation is one of the recipients of the proceeds.
- 4** Consider sponsoring one of our District's Global Grants and/or sponsor a District Grant. Keep in mind reports for District Grants for 2017-2018 are due by March 31, 2018 and applications for District Grants for 2018-2019 are due by April 30, 2018. Please look at <https://rotary7750.org/club-leader/presidents/district-grants/> to apply for a District Grant and check club eligibility.

Toronto Convention 2018

Island park is in the middle of this large city

by Peggy Brock

Rotary Club of Greenville

District Governor Ed Irick asked me to tell you about some places near Toronto that are special to me.

I previously wrote to you about the Bruce Trail ([February 2018 Newsletter](#)). The Toronto Islands is another special place that is very accessible. Surrounding Toronto harbour are several islands, one of which is a municipal airport. Municipal parks, a beach and the Royal Canadian Yacht Club are on others. These islands are accessible by ferry and private boat. Ferry tickets are inexpensive.

Home on Ward's Island, typical of style

Municipal beach

One of the islands is a residential development. It's the largest car-free community in North America. A classmate of mine at the University of Toronto lived there. When she planned a late evening out, she had to stay with her grandmother on the mainland overnight because the ferry service stopped early in the evening. In the winter ferry service was sometimes limited because of ice. Now, thank-

fully they have icebreakers.

A few years ago, this community was at risk of being demolished for more parkland. The homes were built on leased land and when the leases expired in the 1990s, the city did not plan to renew them. The residents and others protested the potential loss of this way of life and saved the community for at least another 100 years.

Toronto Island Ferry

TORONTO ISLAND PARK is spread over 3 islands, Center, Ward's and Olympic Islands. Besides the beach, the park offers bike and canoe rentals, a marina, amusement park and restaurants. You can spend the day walking the 5 mile length of the park and not know you're in the middle of a huge city.

Register now for the Rotary International Convention in Toronto, Canada, June 23-27.

Membership Champions (37 new members and their sponsors in February)
