ROTARY INTERNATIONAL

**ROTARY:
MAKING A
DIFFERENCE**

MAY IS DESIGNATED AS YOUTH SERVICES MONTH

on the Rotary calendar, a time to focus on Rotary activities that support the development of young people up to the age of 30. In D7750 every month our clubs are working with youth and our youth are actively engaged with our clubs. These three examples are from Pleasantburg's Spring Sing; the Interact Club of TL Hanna High School's Rise Against Hunger event; and the Tri-State Relays sponsored by Seneca Golden Corner. More about these events inside.

Help your club finish strong in membership and Foundation giving

By DG Ed Irick

Rotary Club of Greenville Evening

At the beginning of the Rotary Year, your club president developed goals for your club to ensure that the club would finish the year stronger than it was at the start of the year. Goals were set for Membership, Foundation Annual Fund, and PolioPlus.

As a proud Rotarian, you want to do your part to help your club achieve these goals. We are entering into the final two months of this Rotary Year. With two months left, we cannot afford to be complacent.

Currently, there are sixteen clubs in the District that are experiencing a loss in membership. In addition to these, clubs with 0-3 membership gains are at risk of ending the year with a membership loss. This is due to the normal increase in attrition we experience at the end of the year. This loss of membership is already beginning to show itself. Also, several clubs have contributed very little towards their Annual Fund and PolioPlus goals.

ROTARY CITATIONS

Congratulations to the nine clubs in the District that are currently eligible for the Rotary Citation. These clubs are:

Aiken Sunrise
Emerald City
Fort Mill
Greater Anderson
Greenville
Greenville East
Inman
North Greenville
Pleasantburg

What can you do to help your club?

1. You can recruit new members by asking a friend or acquaintance to join your club. If all current members ask at least two friends or acquaintances to join the club, historical data tells us that this could turn the tide of attrition. It is very conceivable that your club can end the year by finishing strong with an increase in members and meeting its membership goal.
2. You can contribute to the Foundation and PolioPlus. If you have already contributed, consider increasing your contribution.
3. You can encourage each other to help the club achieve its goals.

To get a good look at where your club currently stands, scroll down to the Rotary District 7750 Membership Gain & Rotary Foundation Monthly Progress Report. These charts compare the clubs progress to date with respect to their goals for Membership, Annual Fund, and PolioPlus.

Strong clubs finish stronger. Please do your part and help your club finish stronger.

BE PROUD TO BE A ROTARIAN!

District 7750 leadership continues to place MEMBERSHIP DEVELOPMENT as the TOP priority.

Rotary Membership: Keep inviting prospects and follow up

By John Kimbell

Rotary E-Club of the Carolinas
7750 Membership Chair
jkimbell46@gmail.com

It's been a great year of accomplishment locally and globally.

But hang on, it's too early to claim success and achievement of important goals, especially the growth and strength of your Rotary club. Robin Sharma, a well-known Canadian author and motivational speaker, says it best, "Starting Strong is Good, Finishing Strong is Epic." It takes all of us with our oars in the water in unison to succeed.

The reality of membership development is that strong follow up with prospects is essential. Many prospects will join in due course as they experience the fun, fellowship, service and great value of being a Rotarian. There is still valuable time in the remaining months to grow your club now and to jump start the new Rotary year.

Two suggested actions for sponsors, key leaders and all Rotarians on membership:

1. Follow up with all prospects, invite them to another meeting, social or service. Ask them to join and help start another year in your club.

2. Keep inviting friends and contacts to come share in the value of being a Rotarian.

You can impact final year results. How you finish also determines your club's mojo and momentum as we begin a new year. So, finish strong and jump start the new year.

RI President-elect Barry Rassin's theme for 2018-19—Be the Inspiration—asks Rotarians to inspire change in the world and in each other. Says Barry: "I ask all of you to be the inspiration to help Rotary move from reaction to action."

Take Action Now.

THE JOINT ALL CLUB CONFERENCE: MAY 18-20

HEAR SOME PLAIN SOUTHERN TALK FROM JOHN AND DAVID

It will be worth your time (and money) to come to the All-Club Conference just to hear past RI president John Germ and incoming Zones 33-34 director David Stovall. Both speak our language (southern), will be entertaining, personable, and most of all passionate about Rotary.

Beyond these two great Rotarians, you will also become much more informed about the current issues of human trafficking and the opioid crisis from South Carolina Attorney General Alan Wilson. Business consultant Peter Chatel will speak about leadership.

And, as we make our final push to have a great year in membership and Foundation giving in our clubs—as DG Ed has asked us to do in his article on page 2—we can learn from each other as clubs showcase their significant activities.

Remember that clubs in 7680 will also be there so that's an even better opportunity to pick up new tips that will lead your club to greatness.

But we're not all about business. There will be lots of fun too. Charleston's famous 17 South Band and Travis Allison Band will be providing a wide repertoire of live evening musical entertainment to have everyone on the dance floor.

Free time on Saturday afternoon is for tours, cruises, shopping, etc. to savor the ambience of one of America's oldest historic cities. [Click](#) to reserve your choice of tours and/or for shuttles to downtown Charleston.

The conference will be held at the Charleston Convention Center, with hotel accommodations at immediately adjacent [Embassy Suites](#) Charleston Airport.

[Register now](#) to enjoy a

weekend of enlightenment, fun, and camaraderie with your Rotarian friends. The registration page includes a link to discounted hotel reservations to be made separately and individually at Embassy Suites with overflow at adjacent Hilton Garden Inn and/or The DoubleTree.

To register, log in, click on Calendar, scroll to May 18-20 Joint All Club Conference.

We look forward to your joining us in Charleston May 18-20. Your attendance and active participation are key to making our Joint All Club Conference a roaring success and one to be remembered. All of us will have a fun, interesting time with Rotarian friends old and new, as well as the opportunity to enjoy the southern charm and beauty of historic Charleston.

Don't miss it. REGISTER NOW.

Anderson Interact students pack more than 13,000 meals for the hungry

May is officially designated as Youth Service Month but clubs and youth in our district don't wait for May to arrive to provide service to their communities.

The photos are some of the 35 Interact students from TL Hanna High School in Anderson who packed 13,392 meals for Rise Against Hunger in 3.5 hours on April 21. Sarah Rinker (front row

center in the top left photo) is the faculty advisor for the Interact Club. To her right in the red shirt is Davin—the representative from Rise Against Hunger. Principal Shawn Tobin and his family joined the students for the service project, too.

As an active Interact Club, TL Hanna has also nominated five students to attend Rotary Youth

Leadership Awards weeklong camp at Erskine College in June. Greater Anderson and Anderson Rotary Clubs have committed to fund three students. —Mike Darby, Youth Services Chair, The Rotary Club of Greater Anderson

Students in this year's Spring Sing perform to sold-out house

By Susan Spencer

Rotary Club of Pleasantburg

Pleasantburg's 38th annual Spring Sing—a choral showcase for elementary and middle school students in Greenville County—was performed to a sold-out house at the Peace Center for the Performing Arts in downtown Greenville.

Several hundred students participated.

For the past 38 years The Rotary Club of Pleasantburg and the Greenville County School District have worked together on this annual concert that provides a fantastic night of music from some of the most talented students in Greenville County.

Spring Sing was started as a way to help young children find their way in music. "This was so important for me to be a part of this because this not only boosted my confidence but helped me begin a career in music," said Anne Elrod, a former Spring Sing participant.

This event would not be possible without the support of the members of the Rotary Club of Pleasantburg, the sponsors and the many teachers and administrators

On April 19 we celebrated the 150th anniversary of Paul Harris' birth. If we had not had Paul; we would not be serving in clubs and districts today.

Paul was the catalyst for the movement of service above self. Paul had the vision. He said " Rotary allows ordinary people to do extra ordinary things." I agree.

Aiken Rotary holds Basketball Smackdown

The seed was planted while attending the Rotary International convention in Atlanta last June.

It bloomed earlier this year in Aiken as the Aiken Rotary Club partnered with the Aiken Public Safety Department, the Aiken County Sheriff's Office and Leadership Aiken County to present "The Basketball Smackdown: The Harlem Wizards vs. The Aiken Sirens."

The event, led by Rotarian JanePage Thompson who met with Harlem Wizards representatives at the international conference, raised money to support the creation of a memorial wall honoring lost-in-line of duty first responders.

The wall will be included in a new public safety building now under construction. Working with Rotarians and Interact and Rotaract students, the event treated nearly 2,100 in attendance at the University South Carolina Aiken Convocation Center with a fun evening for families and youth in Aiken.

Aiken Rotarians encourage Interact students to plot their futures

ANOTHER YOUTH SERVICES PROJECT

Aiken Rotarians took time off from their busy schedules to urge more than 40 Aiken High School Interact Club members to prepare for success and plan for their futures.

Aiken Club president John McMichael led off the Aiken High School Interact Leadership Retreat which featured presentations by 15 Rotary Club members including Aiken Mayor Rick Osbon.

During the three-hour long

session, Interact members heard Rotarians explain the need for student to create a "road map" for their futures along with the leadership skills needed to attain success in personal and professional lives.

The event was coordinated by Rotarian Linda Strojan, a retired Aiken High teacher, and Art Lader, the Interact Club faculty advisor and an honorary Paul Harris Fellow.

Makulinskis first D7750 Arch Klumph Society members

Mark and Rosemary Makulinski, members of the Rotary Club of the Foothills in Travelers Rest, have contributed the minimum \$250,000 to the Rotary Foundation to qualify for the Arch Klumph Society.

Mark is president of the club and has a passion for The Rotary Foundation.

The Makulinskis have made a major commitment to District 7750 by starting the Makulinski Family Endowed Global Grant. This will give District 7750 the opportunity to use approximately \$10,000 each year for a Global Grant starting in 2019-2020.

The money must be matched by clubs and the district to create a greater impact.

Mark is past chairman and former owner of Lockrey Manufacturing. Mark sold the business to his employees in 2016, at which time he and Rosemary relocated to Greenville.

Mark was born in Flint, MI, and graduated from General Motors Institute. He worked at General Motors as a process engineer and at Bunting Bearings LLC as an Engineering

Manager before purchasing Lockrey Manufacturing.

Mark leads by example as he:

- Serves with merit and distinction
- Develops acquaintances as an opportunity for service while leading by example
- Displays high ethical standards in his business & profession
- Advances the ideal of service through his participation and leadership
- Promotes worldwide understanding, goodwill & peace
- Has established a reputation for business and professional ethics, serving others in charitable, educational cultural & business leadership roles

Mark and Rosemary have three children, Jennifer, David and Robert.

Thank you, Mark and Rosemary Makulinski for believing in District 7750 to "Do Good in the World" with your endowed Global Grant.

If you are interested in making a Major Gift to The Rotary Foundation similar to Mark's and Rosemary's, please contact Lorraine Angelino, District Rotary Foundation Chair at dg2013@rotary7750.org or 864-554-0598.

Mark Makulinski

Makulinski Foundation also will match polio gifts above our goal

Mark challenged the District last year to beat our polio eradication goal and then matched any dollars over that goal.

We ended with a record breaking year for Polio in 2016-2017 with contributions totaling \$164,872.

This year's Polio goal is an average of \$1,500 per club x 53 clubs = \$79,500 and we are currently at \$66,450.

Hopefully, in the next couple of months we will have contributions over \$79,500 and receive a match again this year from the Makulinski Foundation..

Please consider making a contribution to Polio so together we can make a greater impact in the world.

Power in matching: Gates, Makulinski, Irick

Every time you make a contribution to Polio The Bill and Melinda Gates Foundation matches you \$2 for every \$1 you contribute. For example: You donate \$100 to Polio (credited to your Rotary Foundation account) and The Bill and Melinda Gates Foundation donates \$200 (credited to The Rotary Foundation) for a total of \$300 for Polio.

Once the District gets to \$79,500, The Makulinski Family Foundation will match dollar for dollar any contribution over our goal of \$79,500.

For example: You donate \$100 to Polio (credited to your Rotary Foundation account) and The Makulinski Family will contribute \$100 (credited to Mark Makulinski's Rotary Foundation account) and then The Bill and Melinda Gates Foundation donates \$400 (credited to The Rotary Foundation) for a total of \$600 for Polio.

And, remember DG Ed's offer to match your points for gifts to the Annual Programs Fund and/or Polio. (See that article on the next page.)

During the month of May consider having a Polio event such as Pints for Polio or Skip a Meal for Polio. If you need any ideas or would like to talk with the District Polio Chair please contact Amelia Nelson at amelianelson007@gmail.com or the District Rotary Foundation Chair, Lorraine Angelino at dg2013@rotary7750.org.

April not a good month; three new cases of polio reported

By Amelia Nelson

Rotary Club of Greater Anderson

7750 Polio Chair

Unfortunately, there is bad news this month. As of April 20, Afghanistan (with five previously reported cases) reported two new cases of polio and Pakistan (with zero cases this year) reported one new case of polio bringing the total to eight for 2018. This surpasses the total of five cases in 2017.

But the good news is that

we are not abandoning our fight to eradicate polio. It is imperative that we continue our fight so that polio does not gain ground and become an epidemic again.

As for our district's giving, we are currently at \$34.60 per capita.

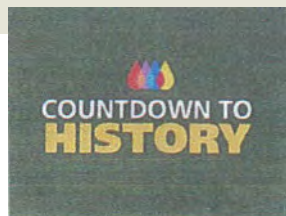

The top district in our Zone 33 is District 7770 and its per capita is \$56.10.

Our sister district for the All Club Conference, District 7680, is

currently number two in the zone with \$51.13 per capita.

We have less than two months to donate to PolioPlus and increase our per capita for the year.

The district goal is at least \$50 per capita. WE CAN DO IT! Please consider participating in any club fundraiser for Polio and giving generously so that our countdown to history becomes a reality in the near future

OUR GOAL IS FOR EVERY ROTARIAN IN 7750 TO GIVE AT LEAST \$50 TO POLIO ERADICATION THIS ROTARY YEAR.
