ROTARY INTERNATIONAL

PEOPLE OF ACTION MAKE CLUBS STRONGER

What is happening in this photo is just one reason why the clubs in 7750 are meeting Rotary's expectation of being stronger at the end of the year than at the beginning. These are students from the Interact clubs sponsored by the Rotary Club of Inman who are packing meals for a Rise Against Hunger project. It could have come from any club because as you can see inside the pages of this newsletter, our clubs are full of people of action. Look inside and see how clubs are making a difference in 7750.

Approaching year-end, our clubs are meeting RI's expectations

By DG Ed Irick

Rotary Club of Greenville Evening

As this Rotary Year comes to a close, I want to tell you that I am extremely honored and proud to have served as your District Governor. Rotary is truly making a difference in the Upstate of SC. You have made the communities of the District and communities around the world a better place.

Rotary International's expectation was that all clubs end the year stronger than when they started. Many of our clubs will be stronger at the end of the year. How did they do this? They did this by increasing their membership, increasing Humanitarian Service, enhancing Rotary's public image and awareness in the communities, and keeping their members engaged.

The clubs' member-

ship focus this year has been on being intentional in the use of proven strategies designed to achieve growth and improve the membership experience of all club members. Not all clubs will end the year with a membership increase. At this point in time, 31 clubs are showing an increase in members, 3 are showing no change, and 19 have lost members. With a month to go in this Rotary Year, these numbers will change. The important thing to note is that clubs have come to realize that intentional strategies result in Club growth.

The District's support of Humanitarian Service is something of which you can be proud. We are presently within striking

Rotary Membership: Time to go fishing for some great catches

By John Kimbell

Rotary E-Club of the Carolinas
7750 Membership Chair
jkimbell46@gmail.com

South Carolina Just Right says “There are so many amazing places to go fishing in South Carolina” and I agree. However, it touts just 11 great fishing spots in the state, and although that has merit, I differ with that when it comes to Rotary. I assert there are 53 great spots to catch what you’re looking for. That’s 53 local Rotary clubs in the beautiful Upstate communities where we make a difference.

Our catch in membership growth is limited by too few of us going fishing regularly, yet we have an amazing open season with 365 days and no limits. Only 5% of us are regularly prospecting for potential new members that will add value and strengthen the club. So, let’s go fishing; fellow members will help you—your charter captain (Your President) and deck hand (Your Membership Chair) will help you.

Does it matter what you go fishing for? Absolutely, your club has its

own very special culture, service, fellowship, needs and impact. So, get the right gear and seek the ones you want to find in those local fishing holes.

Rotary has had a history of casting a wide net to capture almost anybody. It hasn’t worked too well.

Our catch in membership growth is limited by too few of us going fishing regularly, yet we have an amazing open season with 365 days and no limits.

Lots of catch and release, too many fish that don’t fit on the club’s primary menu; yes, the turnover and some attrition early on.

So, let’s be strategic as we fish with the special lure and bait that attracts what you are looking for, the keepers. Set the GPS finder for prospects aligned with and a great catch for your club. That includes the fellowship, service impact, fun, and giving of oneself-time, talent and resources. It also includes using the best proven intentional strategies, none of which

are “rocket science”. But like fishing, they do require discipline and ongoing opportunities to make the good catch.

Jonas Salk who created the polio vaccine said, “I feel that the greatest reward for doing is the opportunity to do more”.

Our Rotary founder, Paul Harris said, “I’m real disappointed. It really hurts because it’s one of the goals I really

wanted to accomplish.” It had nothing to do with fishing but does apply to growing Rotary.

And finally, Pro Golfer Lee Trevino quipped, “If your concentration is getting bad, take up bass fishing. It will really improve your ability to focus. If you aren’t ready when that fish hits, you can’t set the hook.”

So, let’s do more to grow your Rotary club, honor our founder’s vision, let’s “Go Fishin” and firmly set the hook with great new Rotarians.

From DG Ed—

distance to last year’s record levels of giving to the Foundation’s Annual Fund and PolioPlus. Club support to local and global service projects is to be commended. Every time we give to the Foundation or PolioPlus or participate in a service project, a world of peace and goodwill comes closer to reality.

You worked together . . . You were people of action . . . You made a difference. You should be proud of Rotary’s accomplishments. I am!

I hope to see you at the Awards and Installation Banquet on Jun 14 in Greenwood. We will celebrate this year’s accomplishments and install our 2018-2019 District Governor, Carol Burdette, and the District’s new leadership team. Let’s have FUN being Rotarians.

Rotary Citation Status

Congratulations to the 14 clubs in the District that are currently eligible for the Rotary Citation. Five clubs were added to the list in May. There is time for other clubs to achieve the citation. In some cases, the only thing between them and the citation is reporting.

Inman's Interact clubs sponsor ShelterBoxUSA fundraiser —due in part to school administration's global and philanthropic perspectives

By **Cathy McMillan**

Rotary Club of Inman

The Inman Rotary Club enjoys a robust partnership with our high school students who are part of the Interact Clubs at Chapman High School and Landrum High School with outstanding teacher sponsors Amy Ballentine (CHS) and Kelly Murray (LHS).

The clubs are very active in their schools and communities. Recently, the two clubs wanted to do a service project to support ShelterBoxUSA and held fundraisers at their schools to raise money to buy a shelter box. District One Schools in Spartanburg County has established a culture so that students and staff participate in several district-wide service projects during each school year. When discussion started about the shelter box

project, it was decided to encourage all schools and students to participate in raising funds. The Interact students, along with the Communications and Public Relations department of District One Schools, produced an informational video outlining the project and showing the components of a shelter box. Teachers used the initiative to highlight global awareness and philanthropy.

Ann Crandell, member of the Rotary Club of Spartan West and spouse of Inman Rotarian Pete Crandall, is very involved in ShelterBoxUSA and assisted the young people in this project. We are proud that the schools and students in District One Schools raised more than \$2700 for ShelterBoxUSA.

The Inman Rotary Club rewarded the top money-raising homerooms at

all schools with Krispy Kreme donuts and distributed 60 dozen donuts to winning classrooms.

Under the leadership of Interact Club sponsors Amy Ballentine and Kelly Murray, as well as school administrators, teachers, and district leadership, our students in District One are learning how to be community leaders, philanthropic, and have a global perspective. Our club is very proud of these students and their involvement in humanitarian efforts as part of Rotary International's partnership with Shelter Box. They are putting "service above self" in action.

By **Cathy McMillan**
Rotary Club of Inman

Fifty volunteers joined ranks at Inman Intermediate School to pack more than 10,000 meals in just under two hours.

It was amazing to watch what can be accomplished when people of all ages have a common goal, work together, and unite to help their fellow man. We are

especially proud of our Interact students and other students who came on a Saturday morning to have fun and participate in a global initiative.

Thanks to all the amazing volunteers from Inman First Baptist Back Packs of Hope Team, Chapman High and Landrum High Interact Clubs, Inman Mills, Rotarians from Inman Rotary and several other area clubs and their families. Awesome job everyone.

Westminster awards scholarships at end of 'exciting' year

by **Trey South, President**

Rotary Club of Westminster

May was a significant month for the Rotary Club of Westminster as we neared the end of one of our most productive and exciting years yet, as well as celebrating 90 years as a chartered Rotary Club.

One of our more recent highlights was on Monday, May 21 when we awarded \$9,000 in academic scholarships ranging from \$500 to \$2000 to nine West Oak High School graduating seniors during their Awards Night at West-Oak High School.

Earlier in the month, the Rotary Club of Westminster held its annual Rotary Scholars Banquet where the top three academic achievers for the 2017-2018 school year from each sixth through twelfth grade class in the West Oak School system were recognized. An additional \$1000 in scholarships was divided among graduating seniors who had been previously recognized by the club for their achievements over their middle and high school careers.

President Trey South presenting Erin Page Redmond with a Rotary Scholar award as Club Secretary Rev. Audrey Reese looks on.

As education is one of our club's primary passions as well as a Rotary area of focus, our club holds several fundraisers over the course of each year to fund these scholarships, including the Westminster Apple Festival Golf Tournament we held last September, our Spring Fling Fundraiser we held in April, along with a dedicated Dewey Bowen Scholarship fund. We are very proud for these students and their achievements and are proud to contribute to their future.

STUDENTS FROM RUSSIA AND SPAIN SPEAK TO PLEASANTBURG CLUB

Youth Exchange students Vlad Rusakov from Russia sponsored by the Rotary Club of Pleasantburg, North Greenville, Laurens and Greenville Evening Clubs and Alvaro Ruiz from Spain sponsored by the Rotary Club of Pleasantburg exchanged flags with the host clubs.

The Rotary Youth Exchange Program does so much more than giving the students an opportunity to experience another country. It creates long lasting friendships and helps develop peace between countries which this world needs now more than ever. Sharing our world with them which they take back to their world. This is what Rotary is all about—peace and love and making a difference.

Rotary wins BEST NONPROFIT ACT for its polio eradication work

Rotary's commitment to eradicating polio worldwide won Best Nonprofit Act in the Hero Awards of the One Billion Acts of Peace campaign, an international global citizens' movement to tackle the world's most important issues.

The campaign is an initiative of PeaceJam Foundation and is led by 14 Nobel Peace Prize laureates, including the Dalai Lama, Desmond Tutu, and Rigoberta Menchú Tum, with the ambitious goal of inspiring a billion acts of peace by 2020.

Each year, the campaign picks two finalists in each of

six categories for their work to make a measurable impact in one of the 10 areas considered most important by the Nobel laureates. Winners are chosen by people from around the world.

Rotary and Mercy Corps were the two finalists in the Best Nonprofit Act category. Rotary and the five other winners will be recognized at a ceremony on June in Monaco. Betty Williams, who won the Nobel Peace Prize in 1977 for her

advocacy for peace in Northern Ireland, will present the award.

OUR GOAL IS FOR EVERY ROTARIAN IN 7750 TO GIVE AT LEAST \$50 TO POLIO ERADICATION THIS ROTARY YEAR.

Lake Wylie members teach water safety at three schools

If you're in Lake Wylie and you spot an otter, look a little closer, it's Josh the Baby Otter and he's here helping local children learn about water safety.

The Rotary Club of Lake Wylie brought the Josh the Otter water safety program to the Kindergarten classes at three area schools—Oakridge, Crowders Creek, and Bethel Elementary—in the month of May, National Water Safety Month.

The Rotarians talked to the children about what water safety means and read the book *Josh the Baby Otter*. The book delivers the message of the importance of learning how to float and never going near the water without an adult in a fun and age appropriate way. Then a special guest stopped by, Josh the Otter, to dance with the Kindergarteners to the song "Learn to Float." Josh gave all the children hugs and high fives before each child received their own copy of *Josh the Baby Otter*, a coloring book, and sticker.

Ten Rotarians participated in the programs, but the entire club raised funds and put the book packets together. "This is one of the most rewarding things we get to do as Rotarians," said club member Janet Gaglione.

Laurens host Josh the Otter Water Safety and Literacy Project

Rotary and the Josh the Otter Water Safety and Literacy Project's goal is to educate children with a fun and simple message: **STAY AWAY FROM WATER UNLESS ACCOMPANIED BY AN ADULT**

The "Josh the Baby Otter" book was created by the Joshua Collingsworth Memorial Foundation to help children comprehend and remember this important message. Ultimately, we want to create a water safety behavior for all children that will be passed on from generation to generation. Rotarians help spread the life saving message of water safety by reading the book to children and providing "Josh the Baby Otter" books for every child to take home.

On May 21, just a week before

Memorial Day, the Rotary Club of Laurens hosted a Josh the Otter Service Project. The club sponsored all the Kindergarten classes at Laurens Elementary School. Ten Rotarians participated by reading to six different classrooms. Rotarian Alice Courtland and James Yarbrough followed the reading with live music. James Yarbrough learned the song "Learn to Float" that goes along with the book by guitar and played for all six classrooms. Jared Courtland, Alice's son, was our mascot, Josh the Otter. The children were so excited to meet Josh from the book and to be able to sing and dance with him.

The Rotary Club of Laurens donated a copy of the book for each child to take home with them. The

children also received a Josh the Otter Coloring book, sticker and Free Swimming Lessons from the YMCA of Laurens.

The teacher in each classroom received a book for their classroom library and a Josh the Otter Puppet. The club asked for each teacher to teach the book and the importance of being safe around water every year to their class. The club has committed to do the project each year for a different school.

Over 80,000 "Josh the Baby Otter" books and over 100,000 Josh the Otter Stickers and activity sheets have been distributed to children worldwide through this partnership. Together we can save lives!

The Rotary Club of Laurens has been nominated for the 2017-2018 Joshua Collingsworth Memorial Foundation Rotary Water Safety Advocacy Award.

MAULDIN ROTARY DEDICATES FOUR-WAY TEST BENCH

ROTARY FELLOWSHIPS AND ACTION GROUPS

During June, celebrate our RAGS and Fellowship month

By Barbara Shayeb-Helou

Rotary Club of The Foothills, Travelers Rest

June is RAGs and Fellowship Month. Let's celebrate,

If it wasn't for WASRAG, Rotary wouldn't have completed all of the water projects that it has around the world.

If it wasn't for RAGHT, we would have had the awareness of Human Trafficking that now exists.

If we didn't have RAGES, we would not have the sensitivity that we now have for saving animals. Don't kill them. Appreciate them.

During the 2017-2018 Rotary Year we completed 11, 015 Vocational Service Projects, 8,730 International Service Projects and 71,759 Community Service Projects. Do those statistics tire you out? Rotarians can always do more.

All RAGs and Fellowships will be having meeting in Toronto. When you register check the listings. I will be at Booth # 803A. Come say hello.

FOUR NEW FELLOWSHIPS:

1. Surfers Unite Rotarians Fellowship
2. The Global Yoga and Meditation Fellowship
3. The International Water Polo Fellowship
4. European Philosophy Rotarian Fellowship

Rotary Club of Greater Anderson raised more than \$116,000 with Dancing for our Heroes

The Rotary Club of Greater Anderson's Dancing for our Heroes event raised more than \$116,000 for charitable organizations.

This event has become one of the largest charitable fundraisers in Anderson County and supported 10 local organizations this year as well as Rotary International's Polio Plus.

The event is formatted similar to the Dancing with the Stars television show. Each charity competed in two ways: to raise the most amount of dollars for their organization before the event itself and during the night of the event; and to perform the best dance of the evening and win the judges' votes.

This year's theme was A Night at the Movies, and each song selection was required to be from a movie soundtrack.

Mary Haley Thompson and Miles Bryan, dancing on behalf of the United Way of Anderson County, were selected for Judges' Choice. Sarah Shumpert & Virgil Hobbs, dancing for the Cancer Association of Anderson, won People's Choice for raising the most funds at \$15,406.

The net total amount raised from the event, which includes money raised by each organization, a silent & live auction held at the event, ticket sales, and sponsorships was \$116,308.

PARTICIPATING CHARITIES AND DANCERS:

- AIM – Lance & Becky Easton
- Anderson Free Clinic – Matt & Jenny Pray
- Cancer Association of Anderson – Sarah Shumpert & Virgil Hobbs
- Foothills Alliance – Tanya West & Dennis Adams
- Habitat for Humanity – Terri Anderson & Hoke Powell
- Hospice of the Upstate – Jay Meehan & Katherine Walker Zocchi
- Junior League of Anderson County – Katie Beth & Ed Johnson
- Meals on Wheels – Mandy Gaither & Jason Starnes
- America Red Cross – Ty Sumner & Riley Sumner
- United Way of Anderson County – Mary Haley Thompson & Miles Bryan

Judges for the event included Mary-Ann McBride, Yvonne Conover, Amy Coleman and Rotary District 7750 Governor Ed Irick.

Polio vaccinations must continue

By Amelia Nelson

D7750 Polio Chair

Rotary Club of Greater Anderson

We can eradicate polio: Efforts to protect children from polio take place all over the world, in cities, in villages, at border checkpoints, and amongst some of the most difficult-to-access communities on earth. Vaccinators make it their job to immunize every child, everywhere.

We are 99% of the way to eradicating polio globally since our campaign started in 1988 with an estimated 350,000 cases reported down to eight cases so far this year. More than 16 million people have been saved from paralysis.

There are just 3 countries which have never stopped transmission of polio: Afghanistan, Pakistan and Nigeria. Nigeria is on its way to being removed from the endemic list with no new case since 2016.

The global effort to eradicate polio is the largest public-private partnership for public health: The World Health Assembly launched the Global Polio Eradication Initiative (GPEI) with the support of key health organizations and Rotary in 1988 to focus on creating a solution to polio.

Unlike most diseases, polio can be completely eradicated. Cheap and effective vaccines are available to prevent polio. Vaccines can be given by non-professional workers (volunteers).

LARGE-SCALE VACCINATION ROUNDS HELP RAPIDLY BOOST IMMUNITY:

In places where families are displaced and on the move due to

conflict, it is especially important to ensure high population immunity, to protect all children and to prevent virus spread.

EVERY CHILD MUST BE VACCINATED TO ERADICATE POLIO: Every child needs to be vaccinated to protect them from poliovirus. To achieve this, detailed plans are prepared for vaccination teams. The aim is to find each child under 5 years of age—in Afghanistan that is around 10 million altogether—and to reach them with vaccines.

Polio-funded staff, strategies and resources are also used to advance other health initiatives such as routine immunization: In most countries, the global effort has expanded capacities to tackle other infectious diseases by building effective surveillance and immunization systems.

WE CAN ERADICATE POLIO: The solution is the same for all polio outbreaks: immunize every child several times with the oral vaccine to stop polio transmission, regardless of the origin of the virus.

As long as a single child remains infected, children in all countries are at risk of contracting polio. Failure to eradicate polio from these last remaining strongholds could result in as many as 200,000 new cases every year, within 10 years, all over the world.

WHERE WE STAND

AFGHANISTAN: During the May immunization campaign, vaccinators worked to reach over 9.6 million children with bivalent oral polio vaccine. Seven new cases this year, the most recent in March.

NIGERIA: The most recent case (by date of onset) was Aug. 21, 2016,

PAKISTAN: During the May immunization campaign, vaccinators worked to reach over 20 million children with bivalent oral polio vaccine. Teams at transit points and borders successfully vaccinated 1.6 million children. Rotarians are also reducing the chance of the virus spreading by providing clean drinking water. One new case this year, in March.

AMELIA NELSON IS COMPLETING FOUR YEARS AS OUR DISTRICT POLIO CHAIR.

A YEAR (or 4) IN RETROSPECT

This will be my last article as District Chair for Polio. It has been a pleasure serving you—and begging you for more—for the past four years.

I have had the honor to work with four great District Governors who were dedicated to Rotary's worldwide eradication of polio. Starting in 2014-15 under DG Tom Faulkner, celebrating Rotary's 100th birthday, \$73,000+ was donated to polio; 2015-16 under DG Terry Weaver \$85,000+ was donated; 2016-17 under DG Lance Young \$159,000+ was donated; and 2017-18 as of May 11th \$73,000+ has been donated with several contributions not yet posted.

So you see, District 7750 is a dedicated contributor to eradicating polio. These figures do not include the District Designated Funds which are also earmarked for polio.

LET'S CONTINUE THE FIGHT!

Give generously to The Foundation-PolioPlus during the month of June and make this another banner year for District 7750's fight to END POLIO NOW. Thank you all for your support and generosity. Julie Tovey will now be your District Polio Chair, so please continue your support in 2018-2019.

SAVE THE DATE: NOVEMBER 29, 2018

Invitation only Foundation Million Dollar Reception

Nov. 29, 2018 around 1 p.m.

at Spartanburg Methodist College

Featuring Past RI president and Foundation Trustee
Chair Ron Burton

To qualify, meet one of the following between January
1-December 31, 2018:

- Become a first time Major Donor or next level Major Donor
- Be in the Paul Harris Society and contribute \$3,000 or more
- Make a Major Gift of \$10,000 or more
- Become a new Bequest Society member leaving \$10,000 or more in your will (or other methods) or increase a current Bequest by \$10,000 or more
- Become an Arch Klumph Society member by contributing \$250,000 or more

If you are interested in making a gift to The Rotary Foundation that qualifies you to attend the Million Dollar Reception please contact the District Rotary Foundation Chair, Lorraine Angelino at dg2013@rotary7750.org or call 864-554-0598.

MATCHING UPDATE: We have met our goal of \$79,500 in Annual Fund gifts and currently have \$85,253 in Polio contributions. The Makulinski Foundation has agreed to match all contributions above our goal through the end of June. And, of course, the Gates Foundation match will kick in too.

Also, DG Ed Irick will continue to donate 100 points to anyone (except Major Donors) making a contribution of \$100 or more to Polio. If the contribution is made online then DG Ed will contribute 200 points.

Please make a year-end gift to support the work of Rotarians in Action all over the world.

Joint conference: Quality all the way around

By DG Ed Irick

Rotary was alive and well in Charleston, May 18-20. The 2018 Joint District All Club Conference was a time of good food, good fellowship, and great FUN all wrapped up under the umbrella of Rotary. We had some quality time with, not only Rotarians from our district, but from District 7680 also.

SPEAKERS

Our speakers were outstanding. Immediate Past Rotary International President John Germ and Incoming Zone Director David Stovall

and his wife PDG Kim Waters spoke to us about Rotary today and their Rotary experiences. SC Attorney General Alan Wilson opened our eyes to the very great and growing problem of human slavery here in SC and across the country. Peter Chatel gave a very interesting presentation on leadership, which highlighted many of the points of emphasis that we have

South Carolina Attorney General Alan Wilson.

been applying to our efforts to increase membership. Most notably, on Saturday morning six clubs from each district gave presentations on topics specifically chosen from the different areas of the Rotary Citation. Some of the innovative things going on in our clubs are amazing. I wish all of you could have heard them.

OUTINGS

We had time Saturday afternoon to take advantage of various outings in the Charleston area. What a wonderful city Charleston is.

SILENT AUCTION

The Silent Auction raised over \$11,000 for CART, thanks to the generous donations of items from clubs and individuals. A special bottle of wine signed by 9 PRIPs was put up for auction. Our auctioneer was John Germ. By combining assets, members of the E-Club of the Carolinas and the Rotary Club of Newberry were the high bidders. Thanks to this generous

Past Rotary International president John Germ recognized Rosemary and Mark Makulinski, members of the Rotary Club of the Foothills, Travelers Rest, for becoming members of the Arch Klumph Society with a minimum donation of \$250,000 to the Rotary Foundation.

bid, the Rotary Foundation received a donation of \$2,000. Keep your eyes and ears open for a special wine tasting in Newberry in the near future.

MANY HELPERS

It was a great conference. My thanks go out to all who helped make this possible. Lindsay Walker, Rotary Club of Rock Hill, our conference chair did an outstanding job in putting together a first rate team and keeping everything on track. We also owe a great deal of thanks to the clubs listed below who generously provided monetary sponsorships for the conference. Their help was very much appreciated.

NEXT YEAR

District Conferences are a great way to meet other Rotarians and learn about Rotary. The 2019 All Club Conference will be held in Clemson. Be sure to plan to attend. It will be another Rotary experience you won't want to miss.
