# Let's be the inspiration to Alzheimer's patients by raising \$100,000 for CART

#### BY DG CAROL BURDETTE

Rotary Club of Anderson

As we begin our Rotary year, I want to thank Governor Ed for his leadership and service during the past year. He and Carol took time away from family, hobbies and much more to serve our district. Thanks to both of you!

As for me, I am honored to have a second chance to get this "governor thing" right. Having served in 2008-09, I knew what I

was getting into, and I am more excited than ever about Rotary.

Goals are very important to me, and my highest goal this year is to inspire each of you to join me in reaching new heights in membership, Foundation giving, service and promoting Rotary's public image.

I've added to that challenge the goal of raising \$100,000 for CART, building leadership and funding a ROPES course at Erskine for RYLA.

These are team efforts...I can't do this alone. Please join me as we "rock the Rotary world" this year.

Last, but certainly not least, I want to thank Pam Weaver, Faith Line and District Trainer Terry Weaver for their assistance in helping me get prepared for our upcoming year.

Join me in "being the inspiration"!

# PDG Lorraine Angelino receives Rotary's Service Above Self Award

A member of the Rotary Club of Emerald City, PDG Lorraine Angelino has received Rotary's highest honor, the Service Above Self Award.

The award recognizes Rotarians who demonstrate Rotary's motto, Service Above Self, by volunteering their time and talents to help others. The award is internationally competitive and is granted to no more than 150 Rotarians worldwide, and no more than one from each district each year.

Lorraine has been involved in many Rotary activities since joining Rotary. She has held several offices in her club, including president. As District Governor, she was instrumental in bringing the Josh the Otter program to District 7750 and served as the lead person for a Stop Hunger Now event. She has perfect attendance since 2002 and is a graduate of RLI.

On the District level she serves on the CART, Club Youth Exchange Chairs, COG/PDGS and District Committee & Resource Chairs committees. She is also Multiple Paul Harris Fellow +9, a member of the Paul Harris Society, the Foundation Bequest Society, a Benefactor and a Major Donor. She was awarded the Meritorious Service Award in 2015. On the Zone level she serves as a Zone 33 Assistant Regional Rotary Foundation Coordinator and a faculty member of RLI. She was also District 7750's representative to the Council on Resolutions in 2017.

Lorraine participates in Rotary events around the globe. In 2004 and 2006, Lorraine traveled to Olanchito, Honduras with several Rotarians from District 7750 to establish matching grants for two water wells and to participate in several medical missions. In February 2011, Lorraine traveled to Marcalas and Copan, Honduras with Rotarians from District 7750 to participate in a Medical Brigade, visit water projects, and attend Rotary meetings to discuss future projects.

Lorraine is a member of the Rotary Global History Fellowship (RGHF) and Rotarians on the Internet Fellowship (ROTI). Lorraine has attended RI Conventions in Thailand, Portugal, Australia and Korea and many in the United States. She is a charter member of the Pins on Rotary Fellowship and is working to introduce others in District 7750 to the Fellowship.

# NON-ROTARY SERVICE ACTIVITIES

Lorraine is a member of The Lander University Foundation Board of Trustees and the Alumni Association Board of Directors. She is the recipient of the Lander University Grace Iler Norman Award in 2016, recognizing significant achievements within the Alumni Association and Lander. She has taught Lander's HCMT classes online and in the classroom.

Lorraine has supported fundraising activities of the following organizations: Greenwood United Ministries, Greenwood Humane Society, Volunteers in Medical Missions, Greenwood Soup Kitchen, Pretty in Pink (Sponsored by Self Regional Healthcare Cancer Center).

She donates plasma and platelets to the Blood Connection in Greenwood, and participates in the American Cancer Society's Relay for Life.

In nominating Lorraine for the award, immediate past governor Ed Irick said: "Lorraine consistently gives/shares her God

given time, talent and treasures to those in need or to help communities around the world.

Lorraine is considered the "Rotary Go To" person in her club. She consistently promotes and informs her club all about membership, PR, Foundation, RLI, Polio Plus, club service, projects, Grants, Interact, Youth Exchange and Community, District, Zone and international events. She is also a frequent speaker at other clubs on all these areas of Rotary.

During her installation ceremony as District Governor in 2013 Lorraine said her main goals were to "Do Good in the World, Engage Rotary and Change Lives, and Have Fun." She continues to live these goals in her daily life. She promotes Rotary in all that she does and truly lives her life as service above self."

Lorraine is the Contracts
Management Coordinator for Self
Regional Healthcare in Greenwood. She has degrees from the
University of South Florida and
Clemson University. She graduated from Lander's health care
management certificate program
and teaches three courses in the
program.

# Amelia Nelson receives Rotary's Citation for Meritorius Service

A member of the Rotary Club of Greater Anderson, Amelia Nelson has received Rotary's Citation for Meritorious Service. This award recognizes individual Rotarians who have demonstrated outstanding active service to

The Rotary Foundation for more than one year.

Amelia has served four District governors as the District PolioPlus Chair. She has been and continues to be one of the greatest advocates for the eradication of polio. Under her watch the District has improved its contributions to PolioPlus each year and is approaching another record year this year.

"Amelia's efforts to promote the ideals of the Rotary Foundation are essential to the success of its programs worldwide, and we thank you for all that you have done to ensure the continued success of Rotary," said immediate past governor Ed Irick.

Amelia has been the chair of the 7750 District PolioPlus, and her club' PolioPlus Committee, since 2014. She has been passionate in her support and has come up with a variety of ways to promote PolioPlus, while raising funds and awareness.

One of her first efforts as Chairman was a group tour of the Franklin Delano Roosevelt's Little White House in Warm Springs, Georgia. This tour, open to all Rotarians, was a vivid reminder of the devastation that polio causes. Even those club members who weren't able to go on the tour were given information about the site prior to the tour and photos were made available after the tour.

In February 2015 District 7750 celebrated Rotary's 110 years of service with a goal of raising funds for the eradication of polio. Amelia chaired the event, along with PDG Barbara Shayeb-Helou, and planned the activities. RIPN John Germ was the guest speaker. The event raised \$73,244 for PolioPlus and 288 Rotarians and guests attended. It was a festive evening that brought together Rotarians to celebrate a special anniversary while raising funds for PolioPlus.

Amelia continued to raise awareness and funds for PolioPlus at the District Conference in 2015 with a Tacky Hawaiian Shirt contest which raised a total of \$644 for End Polio Now! Amelia also created a Polio-Plus display for the House of Friendship. She was a constant presence in the House of Friendship so that she could share information with attendees.

The November 2015 Foundation Banquet and Seminars was an opportunity to raise funds for Polio-Plus. Amelia asked clubs and members to donate to the World's Greatest Meal (WGM) program.

PDG Tom Faulkner's quote at the banquet was "District-wide, our PolioPlus giving topped \$88,000 last year. Together with a 2:1 match from The Gates Foundation, that's over a QUARTER MILLION DOLLARS to finish the fight against Polio. As Steve Jobs would have said, "Just another 30-year overnight success story". Amelia's planning and hard work was a big part of this success.

In February 2016, Amelia worked with the District Interactors to raise money through a Swamp Rabbits Hockey game. All proceeds for fingers that were painted for \$1.00 as exemplary of vaccinated children went to PolioPlus. This gave another opportunity to share the message about the importance of vaccination and the work that Rotary is doing the end polio with not only Rotarians, but also with all those attending the hockey game.

Our All Club Conference was held in March 2016 and Amelia was again front and center with a display at the Friendship House on PolioPlus, working tirelessly to share information. She also worked with the Silent Auction to raise funds for PolioPlus, with over \$8,610 raised. Add in the Gate Foundation match of two to one and the total was \$25,830. That works out to 43,050 vaccinations.

In October 2016, Amelia promoted "Skip a Meal" for Polio. She encouraged club members throughout the District to send the cost of a meal, at a minimum, to PolioPlus. All funds raised were matched by an anonymous gift and that was then matched by the Gates Foundation. While funds were raised through this program the awareness that was generated was even more valuable.

Amelia continually works to spread the message about PolioPlus and is always on the lookout for ways to raise money. She has been a strong advocate for PolioPlus and worked tirelessly in the District during her time as Chairman. Our District is better informed about the work of PolioPlus because of Amelia Nelson. She truly has exemplified Service Above Self.

# PDG Terry Weaver receives Service Award for a Polio Free World

A member of the Rotary Club of Greenville, Terry Weaver is a long-time advocate for PolioPlus both at the Club and District levels. He speaks on a regular basis to clubs and encourages them to give to this important project. While District Governor he supported fundraising activities during his year as Governor, including his District Conference, and his PolioPlus Chair, Amelia Nelson, won this award last year for all her hard work. Terry's leadership and support helped Amelia succeed in her efforts.

In 2015, Terry and his wife Pam went to India on a Polio Immunization trip. They spent 2 days of the 10-day trip taking part in clinics and door-to-door immunizations, immunizing more than 200 children in the name of Rotary for the World Health Organization and other groups in India. During the rest of the trip they did a river cleanup project and met with multiple Rotary clubs promoting PolioPlus and Rotary's work around the world. Spending time in India brought home the need for the work of PolioPlus to continue as

they saw first-hand the results of those who had contracted polio. He saw the need to make other Rotarians less complacent and to encourage them to give more to ensure that PolioPlus finishes the job.

After returning to the United States Terry took what he learned in India and developed a presentation called "Keep India Polio Free" that he shares with other Rotarians. Terry has made it his mission to share the need for Rotarians to continue to support the PolioPlus project. For the past two years he and his wife have been traveling to clubs in District 7750, as well as other districts, to talk about PolioPlus and to share their story and how their 10 days in India changed their lives. They have put a personal face on the disease by sharing their experiences in India with other Rotarians. It makes a real difference when one can hear the real story and see the work that is being done to eradicate polio. It's easy for Rotarians in the United States to "forget" about

polio since we are not affected, so the work that Terry is doing to promote PolioPlus keeps the message front and center for South Carolina Rotarians.

Terry also supports PolioPlus through his gifts to the Foundation. Terry and his wife Pam are Major Donors to The Rotary Foundation, Paul Harris Society Members, Benefactors & Bequest Society members

# **Get ready for Membership Month in August**

There are many ways to join in the celebration, but here are a few thoughts to get you started:

**5**Let everyone in your social network know that you are a proud member by changing your Twitter and Facebook profile to the I'm a Proud Member graphic. Copy and save the graphic as your profile picture for August.

4Rotary clubs are known for the high-impact service projects they undertake locally and globally. Share stories every way you can think of: social media; newspaper, bulletin board. Blow your horn in your community.

3Plan now to have a special activity to either attract new members or celebrate your current membership or both,

2Make sure your club meetings, service activities, and social events are interesting, fun, and worthwhile.

**1#1 thing you can do:** Social media has had a field day criticizing the RI board after a composite photo of the board showed a group of men, mostly older and mostly white. Membership month is a good time to think about what people would say if they saw a photo of all of your members together. **How inclusive are you? What do you look like?** 

### Pam Weaver recognized as she leaves position of District Administrator

Pam Weaver of Greenville served nine years as our district's first administrator. She retired from that position June 30, as Faith Line from Anderson takes over. Pam was recognized for her service at the Installation and Awards Banquet in Anderson. Here's a little bit about Pam.

She is a native of Winfield, Kansas and graduated from the University of Missouri-Saint Louis with a BS degree in Business Administration. She is a Principal of Chief Executive Boards International (2004-present).

A career volunteer, she is also an avid traveler and passionate about music.

### **ROTARY WORK:**

Honduras—Visits to Copan and Marcala in 2011 as part of a Rotary medical mission trip. Pam engaged with leaders of both clubs, where half of their leaders were women.

Guatemala/Honduras—

The Weavers were invited to the D-4250 District Conference in Guatemala City in 2015, to secure the commitment of D-4250 leaders for water proj-

ects in their District sponsored by D-7750. Pam participated in a "town hall" meeting of community leaders of the village of Los Puentes, the site of D-7750's largest water project, which was completed in Feb. 2018.

Haiti—Pam went to Haiti in 2014 to visit multiple projects funded by TRF Global Grants through D-7750 DDF. Assessed two future Global Grants, one to replace a standby electric generator Oust recently completed) and a Family Assistance project, to breed and raise goats to provide long-term sustenance for Haitian fam-

ilies. Pam & Terry regularly share the Haitian story with D-7750 clubs. Pam has supported multiple service projects in D-7750.

### **VOLUNTEER WORK:**

Pam served on the National Council of Symphony Orchestra Volunteers and is a past president. She was a member of the Volunteer Council of the League of American Orchestras from 2000-2007, President from 2005-2006. She was a Director of the Southeastern Orchestra Volunteer Association from 2004-2010. She is currently a member of The Guild of the Greenville Symphony and has served in a number of roles in that organization.

Her degree in accounting was particularly helpful in her support of a "Bookkeeping for Small Business" training workshop, a project to encourage and develop disadvantaged companies starting up in the Greenville Metro area.

### For Josh the Otter

# Three district clubs win Water Advocacy Award

The Rotary Clubs of Emerald City, Lake Wylie and Laurens received the Water Advocacy Award from the Joshua Collingsworth Memorial Foundation for 2017-18.

All three clubs, among others in our district, have played an important role in teaching water safety through the Josh the Otter program, sponsored by the Collingsworth Foundation.

"The work you do with the Josh the Otter Water Safety Awareness Program is simply incredible. Your club is making a significant impact on children and families in the Greenwood community," a spokesperson for the Foundation said of the Emerald City club. "Congratulations and thank you for keeping kids safe in and around the water. What you are doing matters. It is saving lives."

### LAKE WYLIE'S PROJECT

Lake Wylie brought the Josh the Otter water safety program to the Kindergarten classes at three area schools in May, National Water Safety Month. The Rotarians talked to the children about what water safety means and read the book Josh the Baby Otter that delivers the message of the importance of learning how to float and never going near the water without an adult. Then Josh the Otter stopped by to dance with the Kindergarteners to the song "Learn to Float." Josh gave all the children hugs and high fives before each child received their own copy of Josh the Baby Otter, a coloring book, and sticker.

Ten Rotarians participated in the programs, but the entire club raised funds and put the book packets together. Matt McGarity, who wore the Josh costume, said, "I'm happy to be part of a program that teaches kids about an important and life-saving topic in an engaging and exciting way." Janet Gaglione: "This is one of the most rewarding things we get to do as Rotarians."

### **LAURENS' PROJECT**

A week before Memorial Day, 10 members of Rotary Club of Laurens read about Josh to six kindergarten classrooms at Laurens Elementary School. Rotarians Alice Courtland and James Yarbrough followed the reading by singing and playing the "Learn to Float" song that goes along with the book. Jared Courtland, Alice's son, was mascot, Josh the Otter. The children were so excited to meet Josh from the book and to be able to sing and dance with him.

The teacher in each classroom received a book for their classroom library and a Josh the Otter Puppet. The club asked for each teacher to teach the book and the importance of being safe around water every year to their class. The club has committed to do the project each year for a different school.

This year the club donated:

- 151 Josh the Baby Otter Books
- 145 Josh the Baby Otter Coloring Books
- 145 "I read Josh the Otter today" stickers
- 145 Free Swimming Lessons to with the YMCA
- 6 Josh the Otter puppets

### **EMERALD CITY'S PROJECT**

Josh the Otter is well known in Greenwood and the children just love him. Josh attends the YMCA Water Day and the Kids Safety Day every year.

Josh also can be seen at daycares around Greenwood. The children love to hear the story read to them by an Emerald City Rotary club member while another member is Josh.

This year we even got some of the nursing students at Piedmont Technical College involved and they had a station for Josh at the Safety Day for an Elementary School in Ninety-Six. The nursing students had so much fun they

have already asked if we would sponsor them to do it again next year. Water safety is critical in South Carolina as we have many drownings every year. It is critical to get the message out there and teach the children at an early age to float and to swim.

Four rising seniors from Spartanburg Day School attended RYLA this year at Erskine College. They were sponsored by the Rotary Club of North Spartanburg. Pictured are club member Danny Crout, students William Owens, Cooper Hannah, Robert Lyon, and Noah Beason, and assistant Governor Marc White.

### **ROTARY FELLOWSHIPS AND ACTION GROUPS**

## Peace in Korea can begin with Rotarians

### **BY BARBARA SHAYEB-HELOU**

7750 Fellowships Chair, bsh6890@aol.com Rotary Club of The Foothills, Travelers Rest

Rotary Fellowships provide a great way to make friends and enhance your Rotary experience. These groups range from tennis, marathon running, scuba diving, jazz appreciation and computer technology. There is truly something for everyone. In 78 Rotary Fellowships there is a combined membership of 82, 218 people in 150 countries.

Today with the historic face to face talks between US President Donald Trump and North Korean Leader Kim Jong Un, we see that when Rotarians imagine something; it can actually happen. A member of the RC Cheorwon, Dr. Jung Ji-Seok is Director of the Border Peace School in Korea. He trained to be a Methodist minister at a Presbyterian seminary. He then went to Dublin, Ireland to study peace at the Irish School of Economics. While in Ireland, he was very moved by the peace and reconciliation issues that he witnessed between the north and south.

Dr. Jung says that reunification is not a political matter, but an everyday matter. The purpose of the Border School is to train peacemakers. Join the Rotary Peace Fellowship if this interests you. In fact to join any of the Fellowships, just google them.

# North Greenville turns barren land into usable park; honors fallen police officer; and plants trees

BY RANDY VOGENBERG

2017-18 President Rotary Club of North Greenville

he Rotary Club of North Greenville celebrated the completion of a legacy project undertaken by the club two years ago.

The club worked with the Greenville Police Department and the G.R.E.A.T. (Gang Resistance Education And Training) Summer Camp that was renamed in honor of their fallen officer Allen Jacobs.

Officer Jacobs was a member of the Community Response Team (CRT) and a founder of the G.R.E.A.T. Summer Camp, but did not live to see it to fruition. In collaboration with the Greenville County Schools and Sterling School in Nicholtown area of Greenville, the Rotary Club of North Greenville

> also met the challenge of Rotary International President Ian Riseley in planting trees.

Now in its 3rd year of operation under the administration of Chief Kenneth Miller and Yvonne Davis, over 50 youth participants annually learn the importance of setting goals as they meet positive role models, hear about exciting careers, and learn the skills neces-

sary to pursue a bright future. GPD Officers, volunteers and campers engage in educational and recreational activities, as well as a service project in the Nicholtown community.

Our club planted 19 trees during 2017-18 at Sterling School, including a special memorial tree (located behind the sign) for Officer Allen Jacobs that is now commemorated by the signage unveiled on June 22. Maintained by the Sterling School custodial staff and Greenville County Schools, this area will become part of a larger planned park area that previously has been barren. Now more beautiful and adjacent to a PTO maintained garden with picnic area, Rotarians have provided a valuable community service that will be long lasting while fully integrated into the fabric of the Sterling School recreational outdoors space.

Among the GPD participants were administrator Yvonne Davis, Sergeant Ed Irick, Jr., and officer Michelle Lentz.

Among the Sterling School participants was assistant principal, Jeremy Murphy. Principal Josh Patterson was not able to attend.

Youth campers from their Orange, Yellow, Green teams of the GREAT Summer Camp also participated in the fun on a nice sunny day in Greenville.

Several representatives of USC and USC-Union visited the club in May. One of those was Susan Elkins, chancellor of USC Palmetto College and member of the Rotary Club of Columbia. Club president Annie Smith presented her with a Women in Rotary pin.

# UNION HOSTS ROTARY SCHOLAR DAY

The Rotary Club of Union hosted the annual Rotary Scholar Day to honor top students from Union County High School and Union Christian Day School in grades 9-12. Each recipient received a t-shirt and certificate. Rotary Scholar Day started 26 years ago under the direction of Tom Currie, a Rotarian who was the pastor of First Presbyterian Church.

The speaker, Rotarian Isaac McKissick, congratulated the students on their academic achievements and encouraged them to work hard and apply themselves.

A HUGE thanks to Rotarian Robbie Littlejohn for organizing Rotary Scholar Day!

9th Grade Scholars: Rileigh Inglett, Erin Miller, Macie Gregory, Madeline Gilstrap and Anna Gregory.

12th Grade Scholars: Anthony Esposito, Ashton Cody, Madison Fowler, Keely Messer and Katelyn Petty.

11th Grade Scholars: Kailee Stepp, Makayla Grady, Ben Stone, Caroline Gallman and Tashure Lott.
