YORK ROTARY HIGH ON COMMUNITY SERVICE

Members of the Rotary Club of York prepared and sold 8,000 hot dogs at the York Electric Co-operative's annual meeting (left). The club receives a "work fee" from the Co-Op of approximately \$2,000 which the club uses to support other annual projects. On another Saturday, club members (below) helped P.A.T.H. (Positive Affirmation to Helping) outreach program by organizing boxes of clothes in the storage area for the clothes bank.

MESSAGES FROM THE GOVERNOR...

Rotary light is shining bright

BY DG CAROL BURDETTE

It is amazing how quickly time goes by. The first month of the Rotary year has already come and gone.

I am happy to report to you that I have visited 15 of the 52 clubs. I have been received with gracious hospitality and have seen some "inspirational" evidence that the Rotary light is shining bright in South Carolina. With that being said, there is much work to be done.

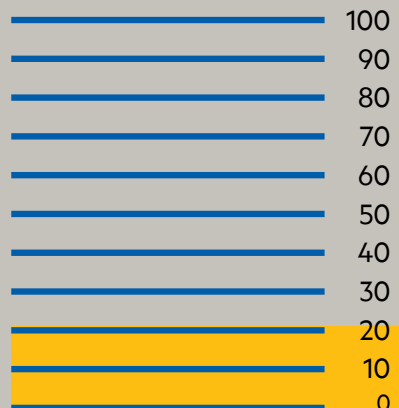

I am a very goal oriented individual, and I have set some lofty goals for myself and for the district...why is this? Because as Rotarians we have the opportunity to make a difference, but it takes us being at our best around sharing the gift of Rotary with others in the form of asking them to join, giving to The Rotary Foundation, participating in service projects and promoting Rotary's public image. Doing all of that will also make you eligible for the Governor's Leadership Society.

Can't wait to get to your club. *DG Carol*

CART Challenge at 20%

You saw on the front page of the newsletter last month that I have set a high but possible goal for CART of \$100,000 by April 30, 2019. We are already at 20% of goal. Thanks to those who have taken me up on my challenge and the positive responses from the clubs I have visited.

Membership Summit will give you ideas to grow your club

For Rotary to be relevant in the future, we must continue to grow our clubs; therefore, membership is the top priority for the year. To fill your toolbox with ideas of how to grow your membership, please join me at the Membership Summit on September 20th in Greenwood, SC. Details for registration are on DACdb. This is not just for club presidents, president-elects and membership chairs, but for every Rotarian in the district. I want us to have a full-house, it will help our effectiveness. You will not want to miss it.

Greer club was impetus for woman from UK joining Rotary

BY WANDA K. MOORE

Rotary Club of Greater Greer

Cate Whitewood, immediate past president of the Tintinhull, Somerset Rotary Club in England, spoke at the Rotary Club of Greater Greer, recognizing the club for being the stimulus she needed to join the club in England.

Cate had attended the Greer club over the years when she was visiting her upstate friend, club member Robin Johnson. She enjoyed the Greer club's fellowship, its family atmosphere, learning what Rotary was all about, and hearing about the various projects of the club.

She says that Rotary International's "Service Above Self" became her own personal adopted motto, and that she hoped she exemplified it during her presidential year.

Cate reviewed with the Greer club some of the highlights of her year as president in England, especially those which involved helping others, such as: Raising funds for local town of Yeovil's Food Bank at Christmas, packing school bags, fundraising for Kids Out (to be able to take

disadvantage children to a fun park), supporting the Purple Community Fund to help children out of poverty, supporting financially the Children's Hospice South West, supplying the Primary School in Tintinhull with a dictionary for each student.

England's District 1200 International Projects has so far funded six wells. She gave a brief presentation at the meeting on the well project: "Choices: Clean or Dirty Water."

Other recent speakers at Greer have included former State Senator Lewis Vaughn, National Director of the Korean War Veterans Association, who spoke on the Korean War Memorial; and Cecelia Rodriguez and Austin Barrett with the Homeless Management Information System (HMIS) who spoke on "The Fight to End Homelessness."

Cate Whitewood of Rotary Club in England and Diana Parker, president of Rotary Club of Greater Greer.

THE ROTARY CLUB OF GREATER

GREER has changed its weekly meetings from breakfast to lunch which seems to better fit the members' schedule, and is anticipated to attract new members. The club meets on Tuesdays from 12:30 – 1:30 p.m. in the private dining room of Wild Ace Pizza in downtown Greer.

GREATER ANDERSON MAKES INTERACT ADVISOR PAUL HARRIS FELLOW

The Rotary Club of Greater Anderson presented a Paul Harris Fellow to Sarah Rinker, the Interact Club Advisor for T. L. Hanna High School.

Greater Anderson wholly supports Sarah's efforts, and the club's board approved making the award from club points, to include every member in giving the award.

In the past year, Sarah received Teacher of the Year recognition for her work with AP level classes, and is doing outstanding work with Interact—getting students involved and leading them through fund raising and service projects—including Rise Against Hunger (13,000 meals packed) and Lights of Hope (largest group participating).

Sarah's parents attended the presentation, and Sarah's mom Nancy is a past president and member of the Rotary Club of Winchester, VA, and was honored to pin her daughter. Sarah's father, Dudley, is a member of the Lions Club. Both are Paul Harris Fellows.

Sarah Rinker receives her Paul Harris Fellow. Her mother Nancy, a Rotarian from Virginia, was present to give Sarah her Paul Harris pin; and she gets a big hug from her dad, Dudley.

Alan Swavely, a T. L. Hanna Interact Club member, rising senior, and 2018 RYLA participant attended the meeting at which Sarah was recognized.

Who's a member of a Fellowship or RAG? Let Barbara know

BY BARBARA SHAYEB-HELOU,

7750 Fellowship and RAGS Chair

I have a big thank you to the Rotary Club of Rock Hill for inviting me to speak about Rotary Action Groups and Fellowships. Nobody got sick or fell asleep. See—inviting me to your club could provide an interesting and entertaining meeting.

I am still looking for

Rotarians in our District who are members of a Fellowship or RAG who can share their stories with me and others in 7750.

Rotary has had a Peace Corps partnership in the USA. Please view Peace Fellow Summer Lewis in her Ted Talk (via YouTube). She explains how Rotary partners to create pockets of Peace. I originally met this woman at the Rotary International

Convention in Sydney. She is very focused, looks for more in life by assisting others.

A member of the Peace Fellowship, Mark Zober from Israel was in the Peace Corps from 1995-99. At that time he was one of 24 Peace Corps volunteers in Mongolia. Today we have 1,275 Peace Corp volunteers there. How the world has changed.

Traveling to Haiti's Central Plateau offers an opportunity to do good work and see beautiful settings. We will tour artistic and historic sites in Port au Prince, then ride up-country through mountains and villages along Route #3, the National Highway, completed in 2012 by the European Union. The route passes through Mirebalais, a growing city, and alongside the pristine mountains surrounding Lake Péligre.

We will visit the libraries Partners in Literacy Haiti has started and meet the children they serve. As time permits, we'll visit the PILH Cange Library and the Artisan House founded by Jackie Williams (e-club member) and the farms and technical school established and run by Charles (Greenville Club) and Giullaine Warne.

One of the initiatives of Governor Carol for this year is to "Be an Inspiration" to improve the name recognition on the Rotary brand. Part of this effort is to expand the use of Rotary custom license plates.

It is easy and inexpensive to carry the Rotary brand on a vehicle that is licensed in our state. There is a simple form to complete and a cost of \$50 for the initial plate and a lesser cost each additional year. If you are driving a truck, the fee is slightly higher. Note that this fee is in addition to the normal fees.

For complete details, go to Rotary7750.org/document/rotary-license-plates. While you are on the computer reading this, would be a good time to look at the very simple form!!

If you have any questions,

Whether you are driving a sporty Z4, being admired by Sarah Mansbach, Rita Yarbrough and Carol Burdette, or a pick-up, the Rotary license tag says a lot about who you are! Get yours now for just a small upcharge to the regular cost of a tag.
