## CLUBS SUPPORT BOOK COLLECTION PROJECT FOR RIPPLE OF ONE PROGRAM

Some of the Rotary clubs in Oconee and Pickens Counties contributed to the annual book drive that benefits the children in the Ripple of One program. More than 285 of the books collected went to children ages 5 to 11 who learn such life skills as earning, saving and preparing for the future at the Ripple of One center at the Seneca Presbyterian church.

Pictured from left are Kris Irmiter with Clemson Calhoun Rotary Club, Magan Luzzi, community outreach coordinator for Ripple of One, Ralph Nix, literacy chairman for the Seneca Rotary Club and David Williams, with Golden Corner Rotary Club.

# Happy New Year: Clubs have done/will do amazing things

BY DG CAROL BURDETTE

I don't know about you, but I can hardly believe that 2018 is now in the history books, but for me it has been one of the most rewarding of my life.

As I look back I have enjoyed so much...Rotary, my family, my job, my friends, reading sprinkled with a little bit of travel.

Spending time with all of you as I visited your clubs was special. You are doing amazing things to help make your communities better, and I can't say enough about your generosity to make the world a better place through The Rotary Foundation. I am thrilled with your "coins" for Alzheimer's research. I am so pleased at how you have responded to the challenge of raising \$100,000 this year...we're going to do it.

Looking to 2019: there is still much work to be done to finish off this very successful Rotary year we've started!!! Presidents, please look at the goals you set for your club this year and lead your club to victory!! Rotarians, please share your Rotary story and ask others to join your clubs; continue your giving to The Rotary Foundation, Polio eradication, CART

## D7770 SAYS THANKS FOR THE HURRICANE RECOVERY ASSISTANCE

During the year our neighboring district (7770) was hit by hurricanes. Thanks to our District Finance Committee, I presented a check for \$2500 to them. I thought if we were going to help anyone, helping our fellow South Carolinians was the right thing to do.

7770 District Governor David Tirard sent me a thank you note saying that our money is going to the North Myrtle Beach area. It was used in conjunction with some other donations to help build a kitchen that is being used to feed hundreds of people displaced by the storms who still cannot cook at home along with feeding the many volunteers that keep working to help the area recover. Recovery efforts are likely to take years.

and please keep up those amazing service projects. I look forward to visiting as many of your clubs again as possible.

## DISTRICT CONFERENCE 2019 MAY 17-29 IN CLEMSON

Oh yeah, one more thing...make plans to attend the very best All Club Conference ever. It is May 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> at the Madren Center in Clemson, and will open with keynote speaker Dabo Sweeney, coach of the Clemson Tigers.

### COUNTDOWN TO HISTORY

Since 1988, we've seen a worldwide reduction in polio cases of 99.9%. In 2018, we saw wild polio cases in two countries, Afghanistan and Pakistan.

## GOVERNOR CLASSMATES REUNITED

PDG Bob Squaltriglia, member of the Rotary Club of Fort Mill, was happy to see past RI president Ron Burton at the Foundation Banquet in Spartanburg on Nov. 29. The two were Governor classmates in 1987-88, when the theme was Rotarians United in Service—Dedicated to Peace. Chuck Keller was RI president that year.

## Membership Notes

# CRITICAL KEYS TO DEVELOPMENT AND RETENTION

BY IPDG ED IRICK

D7750 Membership Chair

864-420-1052 | dg2017@rotary7750.org

As we begin the second half of this Rotary Year, I want to take this opportunity to highlight two aspects of membership that in, many cases, do not receive the emphasis they require. Development and retention of members require as much attention as does recruiting. By focusing on all three, our clubs will become stronger, healthier, and more vibrant

### DEVELOPMENT:

Each member possesses a different level of Rotary knowledge and experience. Therefore, every Rotarian is always in the development phase.

The club leadership should continuously monitor the involvement of its membership and ensure that opportunities for further development are made available.

Participation at the District Conference, District Mid-year Review, and District Training Assemblies are key to the development of Rotarians.

Participation in club projects and self-education are critical aspects of development. If all Rotarians in the club increase their participation and expand their knowledge of Rotary, the club will become more effective.

### Board's role in development and retention

The club's board plays an active and critical role in development and retention. Some of the board's responsibilities for development and retention are to:

- Provide ongoing education and orientation of all current members
- Ensure high quality programs
- Seek new and varied venues to publicize the club
- Present meaningful and interesting programs
- Develop fun-filled and meaningful service projects designed to get every club member involved during the Rotary year
- Ensure good communication between Rotarians and club leadership
- Have fun (include families and invite guests).

### RETENTION:

Retention is tied to development. Member involvement in the club's activities and increased member knowledge of Rotary are also keys to retention.

We must be attuned to the fact that some members may be leaning towards dropping out of Rotary and, therefore, we must be proactive in efforts to retain them. The last thing we want is to lose a Rotarian due to a misunderstanding or unknown/unresolved problem.

If a Rotarian is fully engaged with his or her club, he or she is more likely to remain in the club.

### NEW MEMBER AT YORK

New member Shannon Carrigan was welcomed into the York Rotary Club by President Amy Hagner

↑ Contributions from the October & November Happy Jar went to the York DSS Empty Stocking Fund. President Elect-elect Chris Liles presented a check for \$341 to Kendra McCray, Dianne Stevenson, and Lynn Wallace. Kendra spoke briefly explaining what the funds provided at Christmas for foster children.

← Baucom Nursery again made a delivery of around 100 poinsettias for one of the York Rotary's annual fundraisers. Proceeds go toward special projects the club supports during the year. Rotary helpers pictured are (L to R): Greg Greiner, Jim Hodnett, Maria Duncan, Russell Propst and Tom Sherer.

## A new year for Fellowships and Action Groups

BY PDG BARBARA SHAYEB-HELOU

7750 Chair, Fellowships and Action Groups

The Rotary Global History Fellowship (RGHF) reports that in 1923 Rotarian Russell Greener said the following:

One day last week the cleaner of battles of long ago echoed across my desk in the form of a letter from an old Rotarian friend.

“What has happened to politics in Rotary?” he asked. “You and I are partners in crime in opposing the ancient hokum of ‘let the office seek the man.’ We know that the office never seeks the man, unless a lot of people get together to elect. In 23 years of Rotary I have only missed 4 Conventions—enough intrigue to fill a thick book.”

For more poignant quotes from Rotarians, please google RGHF.

The International Fellowship of Canoeing Rotarians is open to anyone interested in canoeing, kayaking, out-rigger or self-propelling craft. If that includes you, please e-mail : [canoe@mts.net](mailto:canoe@mts.net).

The Fellowship of Law Enforcement Professionals, which includes Honorary Rotarians or POLEPFOR was established in 1994. It provides great networking opportunities for law enforcement professionals and consultants. For more details please contact [polepfr@bigpond.com](mailto:polepfr@bigpond.com) or direct to it's founder [Geoffrey@polepfr.org](mailto:Geoffrey@polepfr.org).

The International Federation of Railroading Rotarians (IFRR) is composed of Rotarians with an interest in railroading in any format, size or related interests. This may consist of steam, diesel, electric, model railroads, rail photography, rail travel, collectibles, private rail cars, trolley and whatever else exists for membership.

### ROTARY IS EVERYWHERE: IN SPAIN...

Lenna Young and PDG Lance Young, members of the E-Club of the Carolinas, docked in Cartagena, Spain while on a cruise in December. This Rotary sign welcomed them. Fantastic way to spread Rotary in a beautiful city! That's Lenna in the photo.

### ...AND IN GALAPAGOS

Our Interact students will form the basis of our Rotary clubs in the not-too-distant future and having a world view will be important for them. This year, William Owens, a Spartanburg Day School Interact member, was in Galapagos over the holidays expanding his vision of life beyond South Carolina—and he found Rotary at work there.

# Rotary Leadership Institute

## LOOKING FOR NEW OR EXISTING FACULTY MEMBERS

### BY PDG LORRAINE ANGELINO

We are looking for faculty members from District 7750. If you are an existing Faculty member and need to be recertified (must attend one faculty meeting every two years) or if you want to become a new Faculty member, we invite you to attend the Annual Winter Meeting in Kannapolis, NC on January 11-12. This is the closest Faculty training has ever been for our District.

Go to [www.rli33.org](http://www.rli33.org) to register. If you have any questions please contact Lorraine Angelino, [dg2013@rotary7750.org](mailto:dg2013@rotary7750.org), 864-554-0598, or Bert Strange, [bertstrange@yahoo.com](mailto:bertstrange@yahoo.com).

## INCOMING LEADERS, TRAIN NOW

Are you a President, President-Elect, or President-Nominee? The number one thing you can do to prepare for your year as President is to attend RLI as soon as possible. RLI will give you ideas on what you might want to do during your year as President. You will also learn more about Rotary, The Foundation, Membership, Leadership, Public Image, and Beyond the Club. I think the best part is networking with other Rotarians and exchanging ideas.

## NEW TO ROTARY? LEARN MORE ABOUT US

Are you new to Rotary? This program is a perfect way to get oriented with Rotary and network with other Rotarians.

## OTHER IDEAS

Graduates of Rotary Leadership Institute can let others in your club know about RLI and select at least two members from your club to send through all 3 sessions of RLI during 2019.

Rotaract members are invited to attend RLI. We have had several Rotaract members attend in the past.

## Upcoming RLI Classes

## REGISTER FOR CLASSES ANYWHERE

You may register for any classes offered by Mid-Atlantic RLI or any other RLI division. Some members from the District have attended RLI in Augusta, GA in the Sunshine division [www.rlitraining.org](http://www.rlitraining.org). If you attend RLI in the Sunshine division please let 7750 RLI Chair Bert Strange ([bertstrange@yahoo.com](mailto:bertstrange@yahoo.com)) or PDG Lorraine Angelino ([dg2013@rotary7750.org](mailto:dg2013@rotary7750.org)) know so we can get your class recorded.

You can only register for one class at a time and take only one class per day. If you want to register for all three classes at the same time you will need to get with PP Bert Strange ([bertstrange@yahoo.com](mailto:bertstrange@yahoo.com)).

Consider carpooling with other members in your club or a neighboring club. Carpooling is fun and you get to network and get to know each other. Several great projects were developed during the ride back from RLI.

Ask your club Treasurer if your club will cover the cost for you to attend RLI. The cost is \$95 per class. Come to RLI and have some fun!

Lorraine is qualified to give blood for babies and has committed to give platelets once a week for babies at Duke University Hospital.

## Our Foundation chair gives the gift of life so that babies in need can live

BY PDG LORRAINE ANGELINO

Rotary Club of Emerald City

Donating platelets has become a part of my life. I try to donate at least once every couple of weeks. In November, I hit my 100<sup>th</sup> donation.

About the same time something happened that changed how I feel about making donations. I got a call from the Blood Connection asking if I could make a special donation for a baby. I was not able to at first because my hemoglobin level was not high enough but they asked me to keep trying. A couple of weeks later I was successful and my platelets were sent to Duke University and used for a baby. I am now a baby donor. When I give platelets they are sent directly to Duke University for babies. Not everyone can be a donor for babies, but I was told I qualified.

For Christmas this year I decided to give platelets once a week to give babies that are low birth weight or not fully developed a chance to live. I think the best gift you can give anyone is The Gift of Life. Consider in the New Year, if you are able, making a contribution to your local Blood Connection and give The Gift of Life.

## Former Peace Fellow to be guest of Greater Anderson for Peace Sings!

Free but reservations required

The Rotary Club of Greater Anderson invites you to join them for Peace Sings! with David LaMotte on Thursday, Feb. 21, at 7:30 p.m. at the Anderson Arts Center.

LaMotte is an award-winning songwriter, speaker and writer. He has performed all over the world and released 12 full-length CDs, but his 18-year long music career was suspended at its peak in 2008 when he was chosen as a Rotary Peace Fellow to study International Relations, Peace and Conflict Resolution.

Since then, he has continued to develop his music, engage audiences as an inspiring speaker and keynotes peace conferences. He has facilitated conversations about race, privilege,

and positive change, and founded a non-profit organization that supports literacy, critical thought, and artistic expression

He will be a guest of the Rotary Club of Greater Anderson to offer an inspiring evening exploring the avenues of peace through his music and offering insight into his experience as a Rotary Peace Fellow.

The event is free to the public, but reservations are required. To RSVP, visit [Eventbrite.com](http://Eventbrite.com) and search Peace Sings.

The Anderson Arts Center is located at 110 Federal Street in Anderson.
