## Clubs all over the district are showing their love for Rotary

BY DG CAROL BURDETTE

Welcome to February, the month of love! Isn't that what Rotary is all about...you can't be committed to service without a love for what you do. It continues to excite me as I visit the special events and service projects of our clubs because I see the love for Rotary come through on the faces of those involved.

In January I attended a Rotary Leadership Institute in Kannapolis, NC, and I found out that Rotarians who go through RLI are 50% more likely to stay in Rotary. So club leaders, let's get our new members in RLI soon after joining so that they can begin to develop knowledge of this great organization they have joined. If your club doesn't pay for it, please consider doing so!

You know I set a lofty goal of \$100,000 for CART, and thanks to the Rotary Club of Fort Mill's check of \$30,000 we have exceeded that goal; but we're not finished, a member in the district challenged me to raise an additional \$25,000. If we meet that amount, he will match with \$25,000. Please help us reach that amount. That would bring our CART giving this year to \$150,000! Thank you Fort Mill for getting us past the \$100,000 goal!

The Rotary Club of Twin City

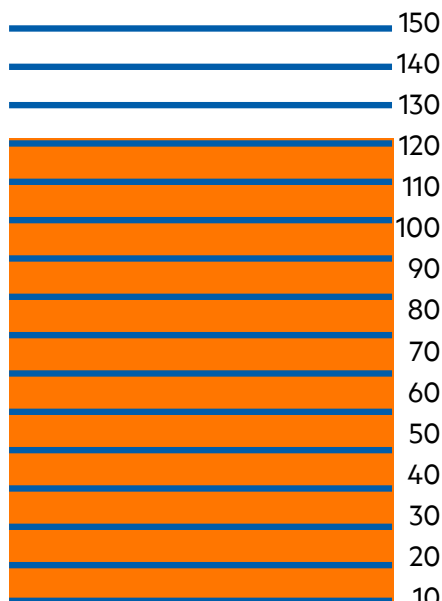

hosted an Oyster Roast on January 25th. Batesburg Leesville is a small town, but the Rotary Club sure brought out a large portion of community members to help them raise nearly \$5,000 to benefit children and seniors. I was so happy to be with them!

This past weekend I was in Greenwood for a Rise Against Hunger Event sponsored by the Rotary Club of Greenwood and the Rotary Club of Emerald City. The Interactors and other youth there was so refreshing... they are the future of Rotary. Let's always remember to include them in our club's projects.

Oh yes, make plans to attend the all-time best ALL CLUB CONFERENCE in Clemson, SC. It is May 17th, 18th and 19th. Opening with speaker, Dabo Sweeney (anyone know who he is??) and closing with a phenomenal speaker who will make you think about this question..."what will be your story?". There will be delicious food, fun, fellowship, other great speakers, Rise Against Hunger and much more...you do not want to miss it! I'll see you there!!

A little more from Carol on how you can help finish off a strong Rotary year on page 2.

### CART Challenge Progress Meter: \$120,070.54

Notice our meter got a little longer!  
DG Carol has upped the goal to \$150,000 because of a new challenge.

## DISTRICT CONFERENCE 2019 | MAY 17-19 IN CLEMSON

Keynote speaker is Dabo Sweeney, coach of the National Champions Clemson Tigers.

## Membership Notes

# THE NEED FOR CHANGE

BY IPDG ED IRICK

D7750 Membership Chair

864-420-1052 | dg2017@rotary7750.org

What is a dynamic Rotary Club? It is a club in which all its members are engaged in carrying out the Object of Rotary. It has multiple projects going on that satisfy the individual needs of each of its members. Its members want to come to meetings, and people are asking to join to engage in their passions along with other like-minded individuals. It is a forward-looking club, one that strategically plans for the future.

Ask yourself how does your club stack up to the above definition of a dynamic Rotary Club? Does your club meet the level of engagement described above? Are people actively seeking to join your club? Do you have a strategic plan that is being followed? If you are honest, I know you will find areas for improvement. Even our most highly functioning clubs have room to improve. Some of our clubs require drastic change.

Be an agent for change in your club. Work with other like-minded club members who are willing to make the necessary changes. Become a dynamic Rotary Club, one that is strong, healthy, and vibrant. Wouldn't you like to be a member of a club like this? **BE THE INSPIRATION FOR CHANGE.**

## Five months left and plenty yet to do

### HOW YOU CAN HELP BY DG CAROL BURDETTE

As I look at the calendar, I realize there are only 5 months left in this Rotary year, and I will not stop working until time is up. Why? Because I want this to be the best year yet for our District. How can you help??

1. Invite someone you know to join Rotary.
2. Give to The Rotary Foundation.
3. Give a little extra to CART.
4. Attend Rotary's Birthday Party in Greenwood on February 23. [See page 9.](#)
5. Support a water project.
6. Attend RLI in Anderson on March 2.
7. Make sure your president-elect attends PETS.
8. Support literacy in Haiti.
9. Go with Missy Lehand and me to Warm Springs, GA to learn more about the story of polio and how we continue to work to eradicate it from the face of the earth.
10. Give a special gift to The Rotary Foundation for polio eradication.
11. Attend and support the Peace & Conflict Resolution Conference in Greenville on May 3. ([See page 5.](#) You will not want to miss this event.)
12. Send students to RYLA.
13. Attend the Rotary International Convention in Hamburg, Germany and on the Baltic Cruise afterwards!!

**RLI may help your club become more dynamic by helping your members better understand how your club fits into the greater Rotary world.**

## Powdersville MS Early Act First Knight Student Council supports TUTUdesk Project

The Powdersville Middle School Early Act First Knight Student Council has taken on a new International Project this year. The TUTUdesk Campaign is providing classroom desks to schools in developing countries. Functional literacy – the ability to read and write, is the goal of this project.

Over 95 million children in schools across sub-Saharan Africa have no access to a classroom desk.

The Valentine Week activities of the Powdersville Middle School EAFK Student Council will raise money for this international project. They will sell “Valigrams” that students can send to each other, and they will sponsor a Valentine’s Day Dance.

The Student Council has been a very active club. They have

had a canned food drive where they collected canned fruit, applesauce and jelly for the United Christian Ministries in Pickens and Anderson County. They had a donut sale during Spirit Week where they collected over \$450 for service projects. They offered a Teachers Night Out in December which provided free babysitting for the children of their teachers.

This club is supported by the Rotary Club of the Reedy River

Greenville. Early Act First Knight is a character building program that follows the Rotary 4-Way test. The Rotary Club of the Reedy River supports this program in both Powdersville Middle School and Robert E. Cashion Elementary School.

## ROTARY CLUB OF FORT MILL DONATES \$30,000 TO DISTRICT 7750 CART FUND.

DG Carol Burdette accepted a \$30,000 check from Rotary Club of Fort Mill President Patrick White for the District 7750 CART fund.

The funds were generated by the club's Annual Gala. Pictured (l to r) are: Steve Black, District CART Chair, DG Carol, Club President Patrick, Club Gala Chair Karl Runge, club member Barbara Ivey, past Director, National CART Board.

The \$78,000 generated by the 2018 Gala support a variety of community projects, including the District CART Fund. The event has become a popular community tradition and a great means of publicizing the club's motto of “Service Above Self”.

## CLOVER INTERACT RAISES FUNDS FOR POLIO AND WATER PROJECTS WITH ANNUAL BAKE SALE

The Clover High School Interact Club surprised the members of the Rotary Clubs of Lake Wylie and Clover with a check for \$1,000 for polio. The students presented the check to Clover Rotary President Michael Schonfeld, and Lake Wylie President Elect Amy Gulig Strong at a joint meeting of the two clubs on Jan. 22 at Clover High School. Students from the Culinary Arts Program prepared the lunch and several school district administrators, including Superintendent Sheila Quinn and High School Principal Rod Ruth, attended the meeting.

The Interact club officers explained their PolioPlus fund-raiser and Honduras School Water Projects to the Rotarians. They presented a student-produced video showcasing the water purification and bathroom sanitation improvement projects the club has sponsored at four rural

schools in Honduras the past 4 school years.

These projects are funded by a school-wide bake sale held every January so when the presentation ended, Rotarians were

invited to support the project by purchasing their dessert from a cart filled with items brought to the banquet room from the bake sale taking place outside the school cafeteria the same day the meeting occurred.

"I am really proud of our students for successfully supporting two areas of service that complement the efforts our 7750 Rotarians are involved in," said Jimmy Roach, a member of the Rotary Club of Clover and the Interact sponsor at Clover High School.

Lake Wylie Rotarian and Clover School District Public Information Officer Bryan Dillon led Rotarians on tours of the Culinary facilities and Applied Technology Center after they enjoyed their desserts. This was the end of a pleasant afternoon of Rotarians uniting to enjoy lunch, friendship, community and the fellowship of Rotary! —Jimmy Roach and Anne Violanti

## GOLDEN CORNER ROTARIAN GETS THIRD PAUL HARRIS

Golden Corner Rotarian Eddie Perry, right, executive director for the Southeast Regional Small School Invitational track meet, receives his third Paul Harris Fellow for his contributions to the Rotary Foundation. Club president Steve Rushton presented the Paul Harris Fellow pin with three blue stones.

## LEARNING ABOUT GOVERNMENT

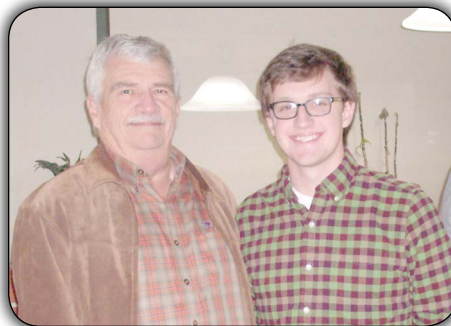

Holly Douglas, left with her daughter Tessa, is a board member for Leadership Oconee and updated the Golden Corner Rotary Club on the benefits of the ten-month program that educates participants about Oconee County, its government, justice system, education, health and human services, arts and cultural outlets and economic development. Pictured with Golden Corner Rotarian Jesse DeShon.

## HOW TO GIVE TO THE FOUNDATION

Golden Corner Rotarian and Edward Jones representative

Jon Adams updated the club on simple ways to contribute to Rotary including installment payments for a Paul Harris Fellow and being a benefactor to the Rotary International Foundation with a gift of \$1,000 or more from your estate.

## OCONEE'S ONLY HOMELESS SHELTER

Sam Holleman, right, updated the Golden Corner Rotary Club about Our Daily Rest shelter, Oconee County's only homeless shelter. Sam said that more than 1,600 men, women and children have been served by the shelter that strives to get jobs for people who are eligible to use the shelter.

## Theme announced for next Rotary year

RI President-elect Mark Daniel Maloney's theme for 2019-20, Rotary Connects the World, asks Rotarians to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

"The first emphasis is to grow Rotary — to grow our service, to grow the impact of our projects, but most importantly, to grow our membership so that we can achieve more," Mark said.

Mark believes that connection is at the heart of the Rotary experience.

Mark is a member of the Rotary Club of Decatur, Alabama.

## TED Talk speaker Azim Khamisa to speak at Peace Conference

Azim Khamisa's only son, Tariq, 20, a university student who worked a part-time job as a pizza delivery man, was killed by 14-year-old gang member Tony Hicks in a gang initiation ritual. Since then, Azim has authored four books and speaks worldwide to students and adults on nonviolence, forgiveness, and peace-building.

Committing his life to halting the continuing cycle of violence among youth, Azim became a social activist after his son's death. Out of grief and despair, Khamisa was inspired to transform his loss through the miraculous power of forgiveness. Believing that there were "victims at both ends of the gun," Azim forgave Tony and founded the Tariq Khamisa Foundation to break the cycle of youth violence by saving lives, empowering positive choices, and teaching the principles of nonviolence and peacemaking.

Soon after establishing the foundation, Azim invited Ples Felix, Tony's grandfather and guardian, to join him. Since November 1995, the two have reached over a million elementary and middle school children live and several million through video programs, guiding youth to choose a peacemaker's life of nonviolence and forgiveness.

Because of his work in impacting social policy and norms, Azim is a highly regarded and respected leader and a sought-after speaker nationally and internationally. Azim has given more than 1,000 presentations to grade schools and university students and over 550 keynote speeches at conferences worldwide, including an audience of 300,000 at the "Stand for Children" rally in Washington D.C. in 1996.

Azim has received regional, national and international awards. These include the National Crime Victims Special Community Service Award presented by President Bill Clinton and Attorney General Janet Reno; the prestigious "Search for Common Ground" international award for "Building Peaceful Communities"; "California Peace Prize," and "Freedom Heroes Award."

Azim Khamisa

Azim's work has been featured in the The New York Times, Oprah Magazine, People Magazine, and many other news outlets.

Azim is author of the book, From Murder To Forgiveness – A Father's Journey. He followed up this book in November 2007 with From Forgiveness to Fulfillment, showing the continued evolution in an unfolding story that is his path, his passion and his life. In February 2009, Random House published The Secrets of the Bulletproof Spirit: How to Bounce Back from Life's Hardest Hits.

Azim says, "We continuously confront defining moments in life. Sometimes these events are joyous; sometimes they are tragedies. At these moments it's

# Orthopedic equipment will help patients in the south of Haiti, thanks to Global Grant

BY J.M. ROBERT LÉGER

2017-18 DG in District 7020

The Rotary Club of Les Cayes (Haiti) officially handed over to the hospital of Les Cayes on January 25 a C-ARM medical imaging device worth more than \$182,000.

This piece of equipment will make it easier for orthopedic surgeons to have a better surgical approach, allowing the physician to monitor progress at any time during the operation and make any corrections immediately. With this device, the results of treatment are better and patients recover more quickly. The hospital and also patients will benefit from savings through fewer follow-up operations.

The hospital of Les Cayes being a center of reference for all the Great South of Haiti will now be able to better serve the population affected by so many accidents of motorbikes and cars. It will also be able to receive teams of orthopedic surgeons coming from other hospitals nationally or internationally allowing academic exchanges. We hope this hospital will become one of the most modern Trauma and Orthopedic Centers in Haiti.

This Global Grant project has been achieved through the Rotary Club of Les Cayes thanks to the contributions of Rotarians at their Club level but especially the contributions of 15 Districts, 4 Rotary clubs,

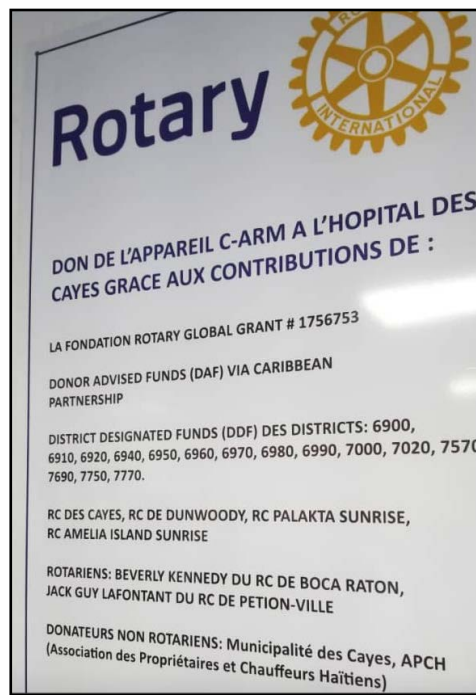

Doctors in Haiti receive new equipment to help the many patients involved in highway incidents.

**District 7750 contributed District Designated Funds during the 2017-18 Rotary year under the leadership of DG Ed Irick. "This is a good example of how districts work together to help each other with larger Global Grants," Ed said.**

Donor Advised Funds of the Rotary Foundation via the Caribbean Partnership, two Rotarians Dr. Guy Lafontant of the Rotary Club of Pétion-Ville and Beverly Kennedy of the Rotary Club of Boca Raton, Florida, and two non-Rotarian contributions from the Association of Haitian Bus Owners and Drivers and the Municipality of Les Cayes.

**On behalf of the population of Haiti, particularly from the South of Haiti, I want to thank all of you who made this project become a reality, allowing once again Rotary to Make A Difference and Be An Inspiration.**

←7750 is one of the districts in Zones 33-34 that contributed to this project.

## Happy Birthday, Rotary

District 7750 celebrates

**ROTARY'S 114TH BIRTHDAY**

**Saturday, Feb. 23**

**Noon-2 p.m.**

**Expo Bowling Alley Greenwood**

**Family Friendly.**

**Watch for an email with more details.**

Since 1988, we've seen a worldwide reduction in polio cases of 99.9%. In 2018, we saw wild polio cases in two countries, Afghanistan (21 new cases) and Pakistan (12 new cases). So far in 2019 no new cases have been reported. But **WE STILL HAVE WORK TO DO!**

**Polio mainly affects children under age 5.  
There is no cure, but polio is  
preventable with a vaccine.**

By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$2.2 billion, including \$985 million in matching funds from the Bill & Melinda Gates Foundation. Rotary's contribution to the Global Polio Eradication Initiative since 1988 accounts for nearly 14% of all contributions
