ROTARY INTERNATIONAL

INTERACT STUDENTS HELP WITH BIG FUNDRAISER IN SENECA

West-Oak High School Interact Club members Jenne Peters and Kathryn Breland, left, both juniors help sell popcorn in the concession stand at the Southeast Regional Rotary Small School Track and Field Invitational March 30 at Seneca High School. The event is an annual fundraiser for the Seneca Golden Corner Rotary Club.

CART Challenge Progress:
\$162,682.78 OF \$150,000

My life-long passion for serving others along with a desire to comprehend the inner workings of humanity has cultivated within me a growing desire to further explore a career in the healthcare field. I have found myself particularly interested in psychiatry which would provide me the opportunity to advocate for others in a manner which would be both challenging and rewarding.—*Jaden Beek, Service Above Self Scholar. See page 10.*

Membership Notes

BY PDG ED IRICK

District Membership Chair

When a potential member visits your club what do you think his or her first impression might be? Will it be positive or negative? We certainly do not want a bad first impression possibly causing a potential member not to return to our club for a second look. It is said, "You never get a second chance to make a first impression" and "First impressions are the most lasting".

What can we do to eliminate bad first impressions?

First of all, we must recognize that we cannot eliminate all sources of bad first impressions. People are different and therefore see things differently. What bothers them may not bother you or the majority of the club's members.

There are, however, a number of things that can and many times do lead to bad first impressions that we can do something about. Things such as bad food, poor venues, poor programs or lack of a program are obvious factors that lead to bad first impressions.

Lack of fellowship, a poorly run meeting, and sometimes conduct by an individual or a small group of members that disrupt the meeting are also potential sources for a bad first impression. These are things that can be corrected.

The problem is that over time clubs become oblivious to some of these things because they have grown comfortable in doing things they have always done. They are afraid of change because it might rock the boat or tick off an influential member or two.

Affecting change is not easy, but it can and will come about when individual members decide that change is necessary and collectively move forward calling for change and bypassing the opposition.

Sources of bad first impressions can be corrected with concerted effort. **BE A CHANGE AGENT IN YOUR CLUB.** Your club will benefit and growth will be realized.

**Deadline for June newsletter is May 20
(NOTE EARLY Deadline because of RI Convention).**

Send items to newsletter editor Sue Poss, editor@rotary7750.org.

Articles received after May 20 will be used in July.

Membership: Goals vs Achievement

This membership chart focuses you on how your club is doing toward achieving its membership goal and the impact that anticipated attrition has on that achievement. If your club fails to factor in expected attrition, it will more than likely fall short of its goal.

ANOTHER MEMBERSHIP RECRUITMENT IDEA

Corporate and Family Memberships a hit in Greenville

BY PDG TERRY WEAVER

Rotary Club of Greenville

Corporate and Family Memberships are now allowed in Rotary, and the Rotary Club of Greenville, among others, has found great interest in these membership types.

What are Corporate and Family members? Basically, just Active Rotary members. The main difference is in clubs where meals are prepaid by Active members. In those cases, the "Active-Corporate" member prepaays meals, where 1 or 2 other members from the same company (Active-Corporate Associates) do not. If one of those attends when the "Active-Corporate" can't, they're allowed to use the prepaid meal. Of course, if more than one attends the same meeting, they can pay at the door just as guests do.

Family membership works the same way. The "Active-Family" member is treated the same way as the "Active-Corporate" member, as are the "Active-Family-Associate" members.

Why is this attractive? Many companies and families would like to have another person in Rotary.

Keeping in mind that meals are about 2/3 of the cost of membership in most clubs, this provides a huge potential savings where members sometimes miss meetings due to travel or other activities. In those cases, prepaying for a second meal that may go uneaten is an unnecessary expense and a cost barrier to membership.

In just 3 months after kicking off these member types, we have:

- **3** members changed from Active to Active-Corporate
- **2** members changed from Active or R-85 to Active-Family
- **3** new or proposed Active-Corporate-Associate members
- **3** new or proposed Active-Family-Associate members

This has been a groundbreaking success for the Greenville club. For more information on these member types, have a look at: [Corporate Membership Examples](#).

L to R: Shannon Carrigan, assistant director at the vocational center; engineering teacher Angie Covington, students Cody, Chris, Gunter; center director Lee Green, club president Amy Hagner, Ag teacher Josh Williams, Superintendent Kelly Cox.

Carol and Amy.

Chartered in 1944, York celebrates its 75th anniversary

The Rotary Club of York celebrated its 75th anniversary on April 11. DG Carol Burdette presented club president Amy Hagner with an anniversary certificate from RI. The special program that day was presented by Lee Green, the director of the Floyd D. Johnson Technology Center. With him were agriculture teacher Josh Williams and Angie Covington, an Engineering/Manufacturing teacher & Robotics Club sponsor. Several students in these programs also attended and presented the club with a metal and wooden plaque made by students at the center

From DG Carol: Where we stand with our goals

As we begin the descent of another Rotary Year...I am so excited about what we have accomplished but know there is still much to be done. As we plan for the All-Club Conference to be a celebration, it is very important for us to look at where we stand on goals. We have exceeded all my expectations for CART, but these are some places we need to concentrate:

- Membership: Thanks to all the clubs who have made an effort to meet or exceed your goals, but please don't sit on your laurels because the end of the year when clubs drop members who aren't paying or attending will bite you! Please keep looking for new members and inviting them to be a part of this great organization. There is still time to meet your goal for the year.
- In Annual Giving to The Rotary Foundation we are at 74%...please encourage last quarter giving and make sure your funds are being sent to TRF in time to be counted this year.
- In Polio Giving, we are only at 60% of goal. Look up your goal, set up a Pints For Polio or another event if you are lagging behind. Let's meet our goal!

So what else before the end of the Rotary Year?

On May 3rd, the Rotary Club of Greenville will host a Peace Conference with outstanding speakers and the opportunity for us to grow in our knowledge of how to create peace in our families, neighborhoods, communities and the world.

May 17th, 18th and 19th we are going to have the best All-Club Conference ever...featuring Dabo Swinney, presenting a "BIG" check to the CART executive director, enjoying great music, learning more about Rotary, fellowshiping with fellow Rotarians and having a lot of FUN.

Don't forget to sign up youth from your community for RYLA.

Lastly, I hope you will join me on June 28 as we install our new Rotary District 7750 Governor, Robert Hanley at the Poinsett Club in Greenville. Also, I will be announcing the "Over Achieving Club" Awards and naming Club of the Year...so keep working to meet your goals!!

All-Club Conference May 17-19 Clemson

Let's finish strong and celebrate at the All-Club Conference in Clemson on May 17, 18 & 19.

The conference starts with Clemson football coach Dabo Swinney and his mother speaking about polio at lunch on Friday.

We will also be packing meals for Rise Against Hunger and celebrating our great success with CART giving this year.

There's time for fellowship at meals, in the House of Friendship, and in the hallways of the Madren Center.

It's not too late to register. A tentative agenda is on page 13.

JUNE 28

Poinsett Club Greenville

Installation of

ROB HANLEY

as District Governor

Rob is a member of the
Rotary Club of
Greenville City Center.

GOLDEN CORNER AGAIN SPONSORS MAJOR TRACK EVENT

Golden Corner Rotarian Eddie Perry, who serves as executive director of the Southeast Regional Rotary Small School Track and Field Invitational, offers instructions to competitors in the boys elementary 400 meters race at the March 30 event at Seneca High School. Funds from the event support the Golden Corner Rotary Club projects including scholarships to those taking the GED and the local soup kitchen. Fourteen high school teams from Alabama, Georgia and South Carolina competed in the meet that included special races for elementary students and an open Masters mile run.

Golden Corner Rotarian Pam Dowd displays the Southeast Regional Rotary Small School Track and Field Invitational T-Shirt that was sold as part of the fund-raising project for the Golden Corner Rotary Club. Funds support such local projects as the soup kitchen and scholarships for GED students. The GED test can cost a person trying to obtain the educational certification as much as \$150.

Jerry Mize, right, executive director for The Tribble Center updated the Golden Corner Rotary Club on the many programs the center offers to help persons with disabilities and their families experience a higher quality of life including living in the community, employment and social experiences. Pictured with Jerry is Golden Corner Rotarian Teddy Martin.

Oconee County's adult education director and Rotarian Steve Moore updated the Golden Corner Rotary Club on the school district's programs to encourage adult education. Steve works with the club's GED scholarship program that helps fund the cost of GED testing.

Seneca Fire Chief Richie Caudill, center, updated the Golden Corner Rotary Club on many of the outreach programs of the Seneca Fire Department, including nursing homes, businesses and area schools. Pictured with him are Golden Corner Rotarian Neal Nimmons, and club president Steve Rushton.

Lake Wylie Rotarians Chad Bordeaux and Eddie Lukowski pose in the CAAC warehouse with the first of many deliveries of food collected for the Lake Wylie and Clover Rotary Club collection contest.

ROTARIANS COMPETE IN FOOD DRIVE!

Never underestimate the power of just a few people and the difference they can make! The Lake Wylie and Clover Rotary clubs challenged each other to collect the largest weight of food donations for Clover Area Assistance Center (CAAC). The contest ran from March 11 through April 11. When the final numbers were revealed on April 11, the biggest winner was CAAC! Combined, the two Rotary clubs collected 4,084.55 pounds of food. The Lake Wylie Rotarians won the challenge by collecting 2,567.95 pounds of food, while the Clover Rotary brought in 1,516.60 pounds. Both clubs demonstrated "Service Above Self" and helped folks in Clover and Lake Wylie during two of the slowest food collection months of the year.

Carolinas' PETS—Making Connections to achieve a common goal

BY ROB HANLEY, District Governor Elect

Rotary Club of Greenville City Center

On March 21, 22 and 23 43 Presidents Elect from District 7750 attended Carolina's Pets.

Carolinas' PETS is a thirty-five year-old training seminar that prepares upcoming Rotary club and district leaders for their terms in office.

What began in 1986 has become a premier Rotary training event and used as a model for many others. Carolina's PETS brings Rotary club leaders from seven districts (six in North Carolina and 7750 from South Carolina) together.

The program includes in-depth seminars that emphasize participation in conjunction with fun and fellowship make for a powerful learning experience for Rotary's leaders.

Because of its reputation, Carolina's PETS at-

tracts world-class speakers.

This year's attendees were treated to a visit from RI President Elect Mark Maloney, who served as the keynote speaker for Friday's lunch. As he did at the International Assembly, Mark brought meaning to the theme for his year as RI President, Rotary Connects the World.

More important, Mark took time to meet with each District to bring his message closer to home. Rotary affords each of us opportunities to connect with a global network of servant leaders, and through these connections Rotarians can take on meaningful and lasting endeavors.

In the words of Mark, "Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal."

President-Elect Ryan Blanke was presented with his Paul Harris pin by President Amy Hagner.

Students from the York School District One were recognized by the Rotary Club of York for their leadership skills, character and academic achievements. Each principal selects a student to represent their respective school and presents them to the Rotary Club. Pictured L to R: Superintendent Kelly Coxe, Richard Ball (Principal, York Middle School) with Landon Ogden; Trent White with Shannon Carrigan (Ass't Director, FD Johnson Technology Center); Noelle Owens standing next to Ryan Poston (Principal, York Comprehensive High School) and Lee Green (Director, FD Johnson Technology Center).

The York Rotary hosted our annual dinner dance with a live band, the famous Catalina's! This is a fund raiser in support of the club's focus on early literacy in the York School District where proceeds are donated to the school district. Over 200 people attended to enjoy good eats and dancing. Picture d are the Beach Bash welcoming committee and the of Catalina's Band,

Fellowships and Action Groups will meet in Hamburg

BY PDG BARBARA SHAYEB-HELOU

RAGS and Fellowship Chair

The Rotary Action Group for Endangered Species reports that one of their main projects is protecting pygmy orphaned elephants. These animals are often pushed from the jungle by development and into unknown territory that is open and unfamiliar. **RAGES REPORTS 838 MEMBERS IN 61 COUNTRIES.**

August 12 is world Elephant Day. Why not engage a speaker from a Zoo or Professor who can discuss the relationship with environment alteration and animal productivity. Or invite me to discuss the RAGs and Fellowships.

The Rotary Action Group for Peace reports the many Rotary Programs are Peace building programs. This is never more evident than with Youth programs. Youth sustain RI membership and they exemplify how Rotary inspires others to follow their dreams. These programs provide service and offer needed programs to marginalized peoples. They also inspire Peace through education and help to build lasting friendships between like minded youth.

As you know, we have Interactors, Rotoractors, RYLA, Rotary Exchange and Rotary Peace Scholars. All of these programs serve to keep the

Rotary story alive.

RAGAS, The Rotary Action Group Against Slavery, held a Symposium at the University of Nottingham. for Rotarians throughout Great Britain and Ireland.

Conclusions were:

1. Provide increased awareness
2. Dispatch profiles on suspicious peoples to authorities and to Clubs , thus building humanitarian activities
3. Build awareness and action within Rotary membership on anti-slavery Human Trafficking issues.

The Rotary Wine Appreciation Fellowship (RWAFF) has added several dinners in Hamburg for members.

1. Sat. June 1: Kleines Jacobres @ 7 p.m.
Cost \$140.
 2. Mon. June 3rd: Restaurant Eisenstein cost \$135.
 3. Wed. June 5th: Lifetime Members only cost \$140. p.p. East Hamburg Restaurant in the East Hamburg Hotel
- This is a popular fellowship. You may want to join. For reservations email clarson@mail.telepac.pt. For membership email: rwaf1@yahoo.com (Founder, Conrad Hede)

Peace & Conflict Resolution
Conference 2019

Friday, May 3

Greenville Convention Center

Find more information and to register: www.PeaceAndConflictResolution.com.

The cost for Rotarians is \$35, non-Rotarians, \$45.

Council on Legislation makes changes to governing docs

BY PDG LORRAINE ANGELINO

Rotary Club of Emerald City, D7750 COL Representative

Every three years, Rotarians meet at the Council on Legislation to review and vote on proposed changes to the legislation that governs Rotary. They consider enactments, which change Rotary's governing documents, and position statements by the RI Board.

The Council on Legislation met April 14-18, 2019 at the Hyatt in Chicago. There were 117 enactments that were voted on during the 4 day session. I was proud to serve as the representative from District 7750.

We voted to Adopt 47 enactments, while 70 enactments were either rejected or withdrawn.

Among the most important, the Council elevated the status of Rotaract clubs. The change broadens the definition of membership in Rotary International to include Rotaract clubs. The change is intended to increase the support that Rotaract clubs receive

from RI and to enhance their ability to serve. This enactment was presented by the President of Rotary International, Barry Rassin.

The most controversial enactment was 19-117 presented by the Board to make Rotary International a 501(c)3. By a vote of 374-120, the Council has authorized the Board to pursue changing RI's status to a section 501(c)(3) tax-exempt organization under the US Internal Revenue Code.

If you have any questions once reading the documents please feel free to ask me questions. I will answer them to the best of my ability. If you are interested in writing an enactment for the 2022 Council I can help you get started. Also, if you are interested in putting anything before the Council of Resolutions in October 2019 please make sure to do so before June 30, 2019.

For more in-depth information about the 2019 Council on Legislation

The live Blog page can be found at <https://www.rotary.org/en/live-up-dates-council-legislation-2019>. Go to the bottom of the blog and go forward to see everything from start to finish. This is interesting as it goes through some of the enactments and tells you what happened.

Additional information along with the vote tallies can be found at <https://my.rotary.org/en/learn-ing-reference/about-rotary/councils>. Go to bottom of page under Archive.

Highlights on Council on Legislation - <https://www.rotary.org/en/highlights-2019-rotary-council-legislation>

TIME FOR FELLOWSHIP TOO

Besides the Council meetings we spent time with other members, which was really nice since I knew so many members that were there. On Tuesday afternoon during our free time I went on a tour of 1 Rotary Center. I really enjoyed the tour as this was my first time to 1 Rotary Center. On Tuesday night all council members from Zones 33 – 34 went to dinner together along with President Barry and Ester Rassin. We did get quite a bit of time to meet other council members between meals, breaks, and receptions.

Lorriane and Barry at the COL.

THE ROTARACT VOTE

The COL vote to allow Rotaract members to be members of Rotary was promoted and welcomed by RI president Barry Rassin "We need to be an inspiration to our young partners, so they will continue doing the great service that they do," Barry said when he presented the measure. "This sends a strong message that they are truly our partners in service."

In many ways, the Rotaract experience will not change. Rotary clubs will still charter and sponsor Rotaract

clubs. Rotaract clubs will still have their own standard constitution and their own unique club experience. Members of a Rotaract club will not be called Rotarians. And Rotaract clubs will not immediately pay dues or receive other benefits, such as the official magazine that Rotary members receive. The Board will determine a dues structure over time.

The measure simply expands the definition of membership in Rotary International to include both Rotary and Rotaract clubs.

Rotary
LAKE WYLIE

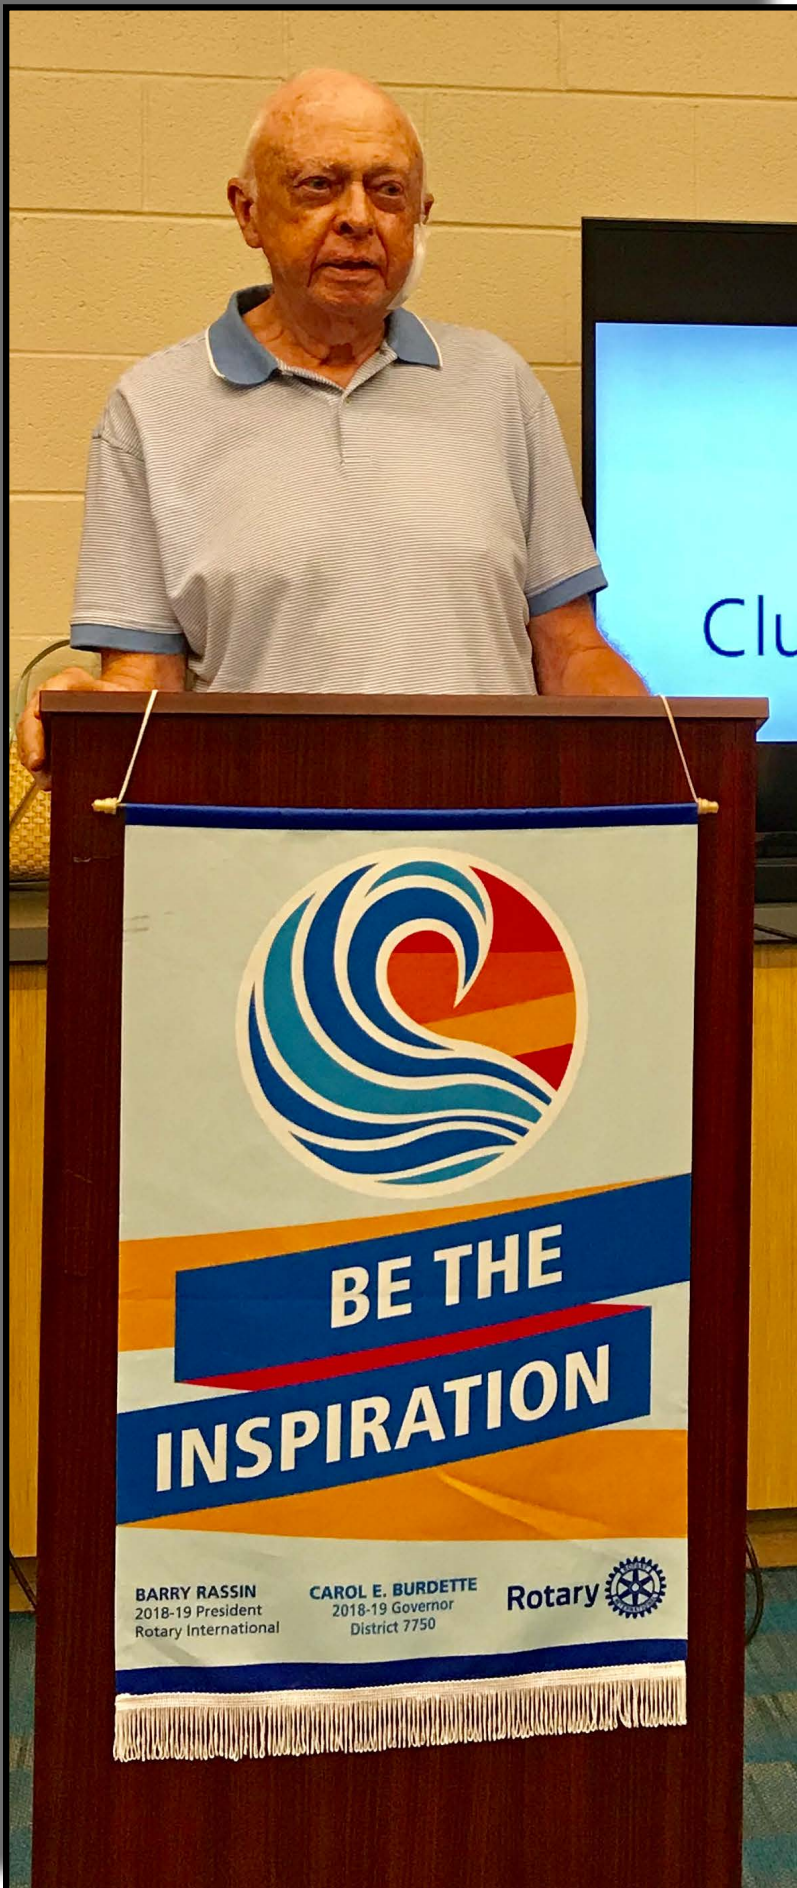

AARP volunteer tax preparer named Lake Wylie's Unsung Hero of the Year

The Rotary Club of Lake Wylie awarded Gene McCarthy with the 2018-19 Unsung Hero of the Year Award. The Award is given annually to a non-Rotarian in our community that exemplifies the motto, Service Above Self.

Gene McCarthy began volunteering for the AARP Foundation Tax-Aide Program in 1999. The AARP Foundation Tax-Aide Program has more than 5,000 locations in neighborhood libraries, malls, banks, community centers, and senior centers. There's no fee and no sales pitch for other services and AARP membership is not required.

Gene, through this service, offers free tax preparation help to anyone especially if you're 50 and older, and can't afford a tax preparation service. After seven years he took over the local coordinator duties. He "manages" 12 Tax Consultants and helps prepare hundred's of individual's taxes. He makes sure there are enough consultants available to assist clients. He also sets up the equipment, makes sure the software is installed and operational, and the Library is set up properly.

Gene is onsite at the Clover library two days a week and many hours before and after the actual client work making sure the client's taxes are processed correctly and in a timely manner. This program helps hundreds of local residents every year. He has been the coordinator for twelve years and has participated in the program for a total of 19 years.

Jadin Beek selected as the 2019 Rotary “Service above Self” Scholar

BY JUDITH PRINCE

Rotary Club of Greenville

The Rotary Club of Greenville has chosen Jadin Gail Beek, a senior at Greenville Technical Charter High School (GTCHS), as its 2019 Rotary “Service Above Self” Scholar.

Jadin will graduate in May. Because of a dual enrollment program, she will receive an Associate of Arts degree from Greenville Technical Honors College as well. At Greenville Technical College, Jadin is a member of Phi Theta Kappa Honors Society.

Since August 2018, Jadin has completed over 290 hours of community service and 90 hours of service to her church while maintaining a 5.0 average and earning 68 college credits.

The youngest daughter of a Jamaican immigrant and a South Carolina native, Jadin says that she has “had the privilege of experiencing what life is like in seeming similar but inherently different cultures. More than anything my upbringing and personal convictions have guided me into a life of service.”

Jadin was founder and president of HOSA: Health Occupations Student Association, 2017-2019. She served as vice-president of the National Honor Society and was a member of the BETA club, where she engaged in Tech with Teens, an initiative to pair teens with the elderly to assist with technical issues such as accessing apps on cell phones and tablets to managing folders on laptops and working with digital cameras.

Other service includes coordinating and chairing a Relay for

Life event through the American Heart Association, organizing hurricane relief drives, hosting blood drives for the Blood Connection, assisting with school-wide CPR training, and participating in the Duck Derby for the Rotary Club of Reedy River Greenville.

As a member of the Students in Action Team at GTCHS, the Career Connect Conference was their major project for the year. Attending the conference were over 150 students from marginalized populations and from families for whom they would be first-generation college students. Jadin wrote grants and raised \$3000 in funding to bring this three-part career development event to fruition.

During 2018-2019, Jadin interned at the Phoenix Center in Greenville, whose mission is the prevention, treatment, and recovery from substance abuse disorders. As an intern, Jadin helped set up “town halls” for students and planned a community-wide event focusing on the crossroads of men-

tal health and drug addiction. She addressed this initiative to Greenville County City Council and through an opinion editorial with Haley Schmidt in the Greenville News entitled “Student’s event offers ‘Dose of Reality.’” The experience at Phoenix Center helped solidify Jadin’s desire to major in psychology in college.

In the fall, Jadin will be joining OneLife, an innovative year of service and learning offered by Southern Wesleyan University. Following that year, she will continue her education at High Point University where she will pursue a degree in Forensic Psychiatry and continue various outlets for community service.

Jadin says service is an “intricate part of who I am, and I have always known that my community service efforts will remain an important part of my life.”

Jadin was selected from among the most competitive applications ever reviewed for the Rotary “Service above Self” Scholarship.
