ROTARY INTERNATIONAL

NOVEMBER 2019 ■ WWW.ROTARY7750.ORG

NOVEMBER: Rotary Foundation Month
DECEMBER: Disease Prevention and Treatment Month

Members of the Rotary Club of Aiken get to know one another better at the Margarita Makeup held Oct. 30. This is just one reason why the club is leading the district in membership growth this year.

"I didn't like our club being labeled as fragile."

—How Aiken is getting rid of that label

BY MALLORY HOLLY

Membership Chair
Rotary Club of Aiken

As the Membership Chair and Vice President of the Rotary Club of Aiken, I see membership as a vital part of our club's future. Last year, John Lindsay (our 2019-2020 President) and I attended the District Membership Summit and we both learned so much about recruitment, retention and the purpose of Rotary Clubs. While there, I heard someone say, "Rotary is a membership

A lesson in growing

BY PDG ED IRICK | D7750 Membership
Chair | DG2017@Rotary7750.org

This month's membership note showcases one of our clubs that gets it. The Rotary Club of Aiken has grown by nine members since July 1, 2019, and is showing no signs of letting up.

The article at left describes how the membership team of the Aiken club with the strong support of club president John Lindsay has been intentional in approaching club growth.

They have a plan and strategy for growth that focuses their efforts. They ensure club members are informed and involved in recruiting new members. They conduct regular monthly membership meetings as a means to introduce potential members to Rotary and the club. They employ several of the intentional strategies found on the district's website.

The Rotary Club of Aiken is leading the district in growth because it gets it. The fact that we are a little over a quarter into this Rotary year means that there is still time for any club that is behind to regroup and intentionally focus its efforts to grow. However, you must start now. Let me know if we can help.

Let's grow Rotary together.

← How Aiken is growing its membership—from page 1

organization and its product is service” and with that in mind, on our drive back to Aiken, John and I discussed what would fit in with our club’s recruitment strategy.

Our by-laws have membership requirements and we wanted to keep those in mind, but we also recognized that we needed to have a strategic plan.

We decided to implement one of the district suggestions—a Monthly Membership Meeting. Our membership committee believes this is one of the reasons we have had success recruiting this Rotary year.

During the meeting, we cover Rotary International, the six avenues of service, as well as our club history, dues structure and opportunities for involvement. I have found that the meeting is a great place to share why I joined Rotary and the value I see in being a member.

We are also hopeful that covering these topics before induction will help with retention of new members.

Another helpful tactic was a short PowerPoint during one of our club meetings about membership and the importance of recruiting new members.

We had a number of club members that were unsure of how to propose a new member and we wanted to encourage all of our club members to help

recruit. I provided a step by step guide on what our by-laws state on membership, how to propose a new member and what goes on behind the scenes once an application has been submitted (board approval, 7 day comment period and scheduling the induction).

As a competitive person, I started that

presentation with the fact that the district considers us “fragile.” I don’t like having our club labeled as “fragile” and I thought that might spur on some other competitive people to start thinking about who would be a great member of our club.

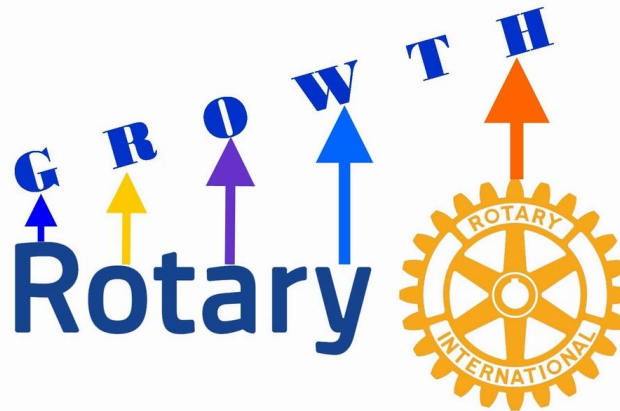

Finally, we are also asking our members to look over the Membership Survey that the district put together.

We want our members to

think about the people that they interact with – their doctor, accountant, preacher, IT person, etc. and consider asking them to join the club.

Within our own membership committee meeting, a number of potential members came to mind just based off of looking over the Membership Survey.

I encourage each of you to implement some of the strategies that the district has shared, but also remember that you have the flexibility to adopt and tweak strategies to fit your club’s recruitment style and by-laws.

Deadline for December newsletter is **Nov. 25**

Send items to newsletter editor Sue Poss, editor@rotary7750.org.

Articles received after Nov. 25 will be used in January.

CONNECTIONS

It's Rotary Foundation Month

Be the inspiration. Connect the world.

BY DG ROB HANLEY

Rotary Club of Greenville City Center

November, Rotary Foundation Month. For over 100 years the Rotary Foundation is been a means by which Rotarians connect locally and globally to do good in the world.

Earlier this year Rotary clubs in District 7750 received almost \$120,000 as Rotary Foundation District Designated Funds, which our clubs then used for District Grants. District Grants are made possible by your contributions to the Rotary Foundation Annual Fund.

The good news is that this year every grant application submitted was fully funded. Some of these grants will be used locally to provide books, to support non-profit agencies, to benefit a community. These are grants that will connect Rotarians to their community.

Other clubs will use their district grant to support an international project, whether it be providing clean water in Honduras, promoting sustainable agriculture in Haiti, or teaming with other districts to support education in the horn of Africa. These are grants to will connect Rotarians to the global community.

I don't need to wow you with what our Rotary Foundation accomplishes and how well our contributions to the Rotary Foundation are managed. You merely need to read *The Rotarian* or go onto Rotary International's website to see that. But the chart on this page shows some reminders about how your contributions to the Rotary Foundation connect to our communities and change

Examples of our Foundation projects

The Rotary Club of **Abbeville** teamed with three community agencies to provide food to families and, more importantly, offer training in budgeting, job skills and time management to empower these families to be self-sufficient. Rotarians connected with these families through their participation.

The Rotary Club of **Easley** connected with other local agencies to provide a summer learning program to students with test scores below the national average. The program served all fourteen Pickens County elementary schools and targeted reaching over 450 children.

Once again the Rotary Club of **Fort Mill** used a District Grant to support its annual Literacy Picnic, an outdoor event that provides a learning experience and age appropriate book for third grade students in the Fort Mill school district. Did I forget to mention this is also a picnic where Rotarians connected to these children and their families by serving them a meal?

The Rotary Club of **Emerald City** will build a family recreation area for the Faith Home. The recreation area will serve as a way for family members and residents to connect during weekend visits.

The Rotary Club of **Newberry** will provide updated computer equipment to the Newberry to allow Newberry residents, students and visitors to research family and local history, and to connect their interests with Newberry's history.

The Rotary Club of **Union** will use a District Grant to connect Rotary and the arts. The grant will support three exhibits, one on silk scarves, one on graffiti (hosted by the Interact Club of Union High School), and one on the Catawba pottery tradition.

Several Rotary clubs use district grants to support backpack programs, provide dictionaries to third graders, support adults who are working to achieve a General Education Degree, or organizing meal packing events.

Forgive me if I didn't mention your Rotary club, but rest assured that **your giving and serving is making a difference.**

NOVEMBER IS

EVERY
ROTARIAN
EVERY
YEAR

TAKE ACTION: www.rotary.org/give

Foundation month—continued from the previous page

lives:

I would be remiss to not mention End Polio Now. I am asking Rotarians in District 7750 to dig deeply into your pockets and to be creative on how to support the End Polio Now campaign. I was able to attend a Pints for Polio event in Rock Hill organized by the Area 6 Rotary clubs. I missed a similar event in Seneca the next day (darn work getting in the way of fun). I heard that RC Emerald City gave up food for polio. For me, that's a meaningful sacrifice. Continue to support the End Polio Now campaign and let's make good the promise that Rotarians made in 1987 to eradicate polio.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. Your contributions are important to allow Rotarians, through the Rotary Foundation, to continue to do good in the world. While you may never see the beneficiaries or your

contributions, you can be assured that through your generous support to the programs of the Rotary Foundation you will be connected to those who benefit from Foundation funds.

Remember, it's not just the Rotary Foundation, **it's your foundation.** It's one way that Rotarians Connect the World.

The annual Foundation Training and banquet will be held on **November 7** in Greenwood.

Clubs that wish to receive a District Grant next year must have at least one member who has been trained on the grant process, and that training must be repeated annually. Club Presidents Elect and Foundation Chairs should, at a minimum, attend this event.

ROTARIANS FIND AN ALLIGATOR IN LAKE WYLIE!

The Lake Wylie Rotarians participated in the annual fall Riversweep clean up in Lake Wylie on October 5. Ed Lindsey organized and lead the group as they enjoyed fun and fellowship. Among the trash collected that day was a green toy alligator. Riversweep is was a successful event that ended with:

750 volunteers	2 refrigerators
10 collection sites	2 dilapidated docks
1200 bags of trash	1 discarded roof
90 old tires	22,000 pounds of trash

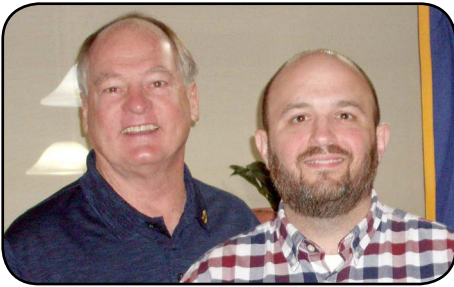

Lake Wylie Rotarians with their alligator: Eddie Lukowski, Janet Gaglione, President Amy Gulig Strong, Anne Violanti, Zack Bordeaux, Chad Bordeaux, Paul Moran, Mary Sieck and Ed Lindsey.

SPARTAN WEST LEARNS FROM LEADERS

On October 3, the Rotary Club of Spartan West heard from District Governor Rob, Assistant Governor Marc White and RYLA Chair Pete Crandall. President Jacqueline Brummell presented the Grand Pooh-Baa with all of the Rotary Club's accomplishments so far this year. It was a fun, fact-filled Rotary meeting. Spartan West Rotarians are on the move in Spartanburg!

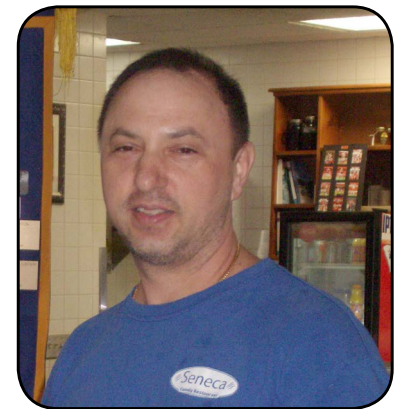

David Harris updated the Golden Corner Rotary Club about Oconee Winds, the area's band open to all, either musicians or supporters. Oconee Winds holds free concerts, summer music camps for junior high students, and plays at community events. Pictured with David is Golden Corner Rotarian Eddie Perry.

Golden Corner Rotarian Gene Williams was recognized as the club's president-elect and will serve his term in 2020-2021. Gene is the retired director of the School District of Oconee County's Adult Education Center.

Chris Cobb with Eye and Contact Lens Associates in Commons Square, Seneca, updated the Golden Corner Rotary Club on the latest innovations in glasses and contact lens. Pictured from left are Golden Corner Rotarian Neal Nimmons, Chris Cobb and past club president Steve Rushton.

Golden Corner Rotarian George Bakogiannis, whose family owns Seneca Family Restaurant, was presented with a Paul Harris Fellow by DG Rob Hanley during his official visit.

GOLDEN CORNER SUPPORTS OCTOBERFEST

Members of the Golden Corner Rotary Club joined forces with Oconee County Rotary Clubs to support Walhalla's Rotary Oktoberfest 5K run. Walhalla celebrates Oktoberfest to mark the 1850 founding of the county seat by the Charleston-based German Colonization Society. Pictured from left are Steve Rushton, Eddie Perry, Gene Williams, Don Estep, club president Cammie Kaiser, Pam Dowd and Stephanie Blake.

GOLDEN CORNER GETS MUSEUM UPDATE

Nick McKinney and Shelby Henderson updated the Golden Corner Rotary Club on two of the City of Seneca's museums: The Lunney and the Bertha Lee Strickland Cultural Museum. The Lunney, one of the first homes in Seneca with electricity, now has a meeting room for small gatherings. The Bertha Lee Strickland museum, named for the housekeeper who went to work for the Lunnys at age 14 and stayed for more than 45 years, has a new exhibit called The Back Door about African American domestic workers who were the catalysts that blurred the lines of social order by place and race. Seneca has completed a walking path between the Lunney and the Strickland. Pictured from left, are Golden Corner Rotarian Teddy Martin, Nick McKinney, Shelby Henderson and Club president Cammie Kaiser.

Tickets are Also Available at Howard's On Main and Frank's Car Wash

Emerald City's Annual Christmas Cash Raffle will support numerous projects

300 TICKETS AVAILABLE @ \$100 EACH

1ST PLACE \$5,000 | 2ND PLACE \$2,500 |

3RD PLACE \$1,000

Drawing will be December 5 at 7:30 pm. You do not need to be present to win. Contact – Lorraine Angelino – dg2013@rotary7750.org, or rotarycash@gmail.com, or other club members for tickets

Tickets will be available at the Foundation Event on November 7.

Funds raised are used to fund our District Grants including:

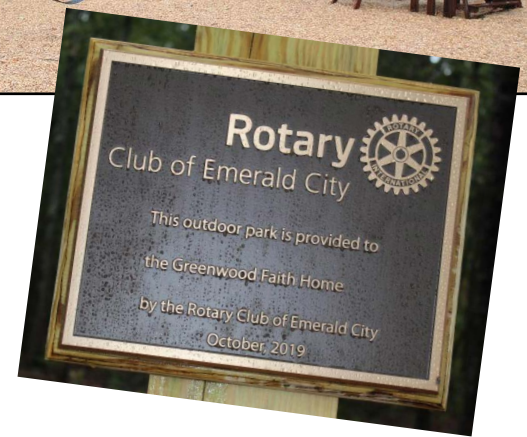

- Connie Maxwell Playground and Family Visitation Area – 2019-20
- Lakelands Toro Field Bleachers and Canopies – 2019-20
- The Dolly Paton Imagination Library for Children's Literacy – 2019-20
- Faith Home Family Visitation Area
- Pathway House Homeless Shelter Outdoor Space
- Automated External Defibrillators for Community Agencies
- Grace Street Park Natural Playground
- Victory Field at Greenwood Christian School
- Josh the Otter Water Safety Programs for Children
- Rotary Field at the Greenwood Family YMCA
- Rise Against Hunger

Emerald City's Annual Christmas Cash Raffle is featured in Money Pages magazine.

NORTH SPARTANBURG HELPS AT INTERNATIONAL FESTIVAL

The Rotary Club of North Spartanburg served beverages at Spartanburg's International Festival. Sam Raney, Paul Corden, Gerhard Seyffer, Marc White, Gayle Sprow, and Danny Crout.

Emerald City dedicates playground made possible by a District Grant

MAGGIE MCMAHON

Rotary Club of Emerald City
President Elect and Public Image Chair

Emerald City Rotary Club had a meeting Oct. 16 at Faith Home in Greenwood to dedicate the newly constructed family visitation area and playground.

This area was built as a part of Emerald City Rotary Club's 2018-19 service project. The new visitation park and playground dedicated will provide family members with a family friendly area with shelters, benches, picnic tables and a recreational area with a safe playground for the children to run and play.

This will allow visits with the

families be more memorable. This area has been needed for families when visiting their love ones and the park will provide them a place to enjoy their families and the outdoors in a peaceful area and more importantly privacy when the family visits.

At the dedication ceremony, members of the Rotary Club were provided breakfast on the Faith Home campus in Greenwood. Jerry Rentz, Emerald City's past president, thanked everyone involved with the project especially Brent and the Faith Home staff and residents that provided most of the labor however there were designated workdays scheduled

so Emerald City Rotary members were able to work together with the residents.

A special note of thanks to Dwight Funderburk who provided the heavy equipment to bulldoze and clear the area for construction, and also appreciation was given to all the club member for their donations, which included the matching gift from Rotary International that enables the project to be fully funded. Last of all, we want to thank Steve Riley at Emerald Ink and Stitches for the sign and plaque commemorating the dedication and joint efforts of all involved.

In addition to members of the Emerald City Club, some of the guests in attendance at the dedication ceremony were past District Governor Carol Burdette; Steven Baggett, assistant district governor for the Greenwood area; Ailine Barnes, director of Faith Home; James Gowan of Faith Home; Brent McCurry, project supervisor; some of the Faith Home staff and residents; and Emerald City Rotary Club members.

More district grant recipients for 2019-20

These are more District Grants that have been approved for clubs in 7750. The figure at the end of each is the amount of the grant, not the total amount of the project. These grants are possible because of your contributions to the Rotary Foundation.

LANCASTER/LANCASTER BREAKFAST

The "Blue House" is a former drug house that was gifted volunteer-based Promise Neighborhood group. This group has been renovating the house to provide services and shelter for those in the community. The Lancaster Breakfast Rotary Club and the Lancaster Rotary Club have decided to work together to turn a room into a Rotary Reading Room. This room will provide books for children and adults in the community who might not have books at home. It will provide a comfortable place to sit and read, or be read to, and some of the furniture will be indoor/outdoor to provide the opportunity to enjoy nature during warmer days.

The project is designed to encourage reading and provide the resources to do so. Within the plans for the "Blue House" are programs designed to assist community residents. By providing a reading room, it would give parents a place to read with their children while they wait on a program or meeting to begin, or a place for school children to work on reading or research for school. The usage will be monitored through activities provided during the day. **\$2,000**

LAURENS

Laurens Rotary has taken on the task to ensure that children from E.B. Morse Elementary School have food to eat over the weekend. Food Packs are packed every Friday at First Baptist Church in Laurens, taken to EB Morse and distributed to 35 students by the guidance Counselors. **\$2,500**

NEWBERRY

The Free Medical Clinic of Newberry County does great work for the medically underserved in our community with 1,200 client

visits in 2018, but it struggles financially. They struggle to meet their operating budget and have very little money for improvements to their facility or grounds. The sidewalk to the front door is crumbling, a hazard and needs repair. Our Rotary Club will hire and supervise a contractor to break-up the old sidewalk and install a new one. This will create a safer entrance and be more attractive. **\$1,100**

Statistics show Newberry County has an older population and one that is below average in health and activity measures. The Newberry County YMCA has a senior program with exercise classes but the equipment isn't satisfactory and is outdated. Newberry Rotary will provide the YMCA and seniors with new equipment that will enable them to enlarge the senior program and reach more people. With new equipment, more Newberry County seniors will be active, which benefits them physically, mentally and socially. **\$1,750**

Rich Hagins

TWO GREENVILLE ROTARIANS RECOGNIZED FOR THEIR WORK

RICH HAGINS, a member of the Rotary Club of Greenville, won the Southeast regional Ernst & Young Entrepreneur of the Year Award for government services for his role as founder and CEO at Us & S Inc., a Greenville-based facility-support services company that provides maintenance and repairs to government agencies through contract work. The award honors the most innovative entrepreneurs in the country. Rich is the first winner from Greenville since 2005.

SunTrade Financial has been named the Greenville Chamber's September Small Business of the Month. **SUNNY HANDA**, a member of the Rotary Club of Greenville, is principal in this company.

Sunny Handa

More district grant recipients for 2019-20

NEWBERRY

The City of Newberry has improved its parks in recent years and has increased usage. But the Fire Department, which coordinates public safety emergencies, is very concerned there are no Automated External Defibrillators at any of the parks. The Fire Chief asked the Rotary Club to help. This project would put AEDs in seven parks. Those include basketball parks, a tennis park, the festival park that welcomes thousands of people several times per year, the new recreation complex, and a nature/hiking park. **\$4,984**

NORTH AUGUSTA

Jackets for Jackets is a project to ensure that all K-12 children in North Augusta (Yellow Jackets)

schools have a coat. With the grant, club money, and donations from the community, Jackets for Jackets will endeavor to ensure that all kids in North Augusta are warm during the winter. We will also team up with our minor league baseball team (Greenjackets) for coat drives at the stadium.

We believe this is not only a service to mankind in our community, but a great way to introduce Rotary to our community because of the visibility of the project. We will work with the schools to identify the students in need, most likely through the free and reduced lunch enrollees. This will be a seasonal project that we hope will become a tradition for our club. While we know that grant money will not be available each year, we think that a

successful first year will be a springboard to future coat drives and fundraising. **\$2,400**

NORTH SPARTANBURG

Children of poverty enter school with a vocabulary deficit. They may have heard 30 million fewer words and score two years behind the typical child in language skills upon entering school. In addition, background experiences are vital to reading comprehension. Experiential learning has a direct impact on vocabulary development and establishes experiences within which students organize conceptual understanding. Both of these deficits are addressed through hands-on, inquiry-based learning of this initiative. **\$2,053.44**

PICKENS

Pickens Rotary Club will provide repairs to and provide additional features at the Rotary Park on the Doodle Trail, a previous District Grant funded project. The projects include:

Repair the roof of the information kiosk that was damaged in a storm. These repairs will be made by Pickens Rotarians.

Purchase a commercial grade picnic table and benches with shelter and install. Rotarians will select, purchase and deliver the table/benches and shelter. A company will need to be hired to pour the concrete and install the table.

Purchase gravel to be laid under and around the picnic table. A company will need to be hired to lay the gravel.

Purchase bushes to plant in several areas of the park. Rotarians can purchase and plant the bushes. **\$2,500**

FELLOWSHIPS AND ROTARY ACTION GROUPS

Put some magic in your Rotary world

BY PDG BARBARA SHAYEB-HELOU

Rotary International has a plethora of Fellowships and Action Groups for you to join, where you can find like-minded people to communicate with and learn from.

The Fellowships of Rotarian Magicians is one. How would you like to pull a rabbit out of a hat at a meeting? You would leave every one speechless and wondering how you did it.

The Action Group ESRAG is the action group for environmental sustainability. They have been concerned with the pollination that is vital for plant growth.

Australian Rotarians know that 75% of their food crop con-

tributes 14.2 % to the Australian economy. Hence Rotarians for Bees evolved. Now all around Australia bee hives are being kept. We could do that here.

I know that our E-Club has a bee keeper. Where else do we have one? Let me know. (barbarashayeb076@gmail.com)

Likewise, we have action groups for polio survivors, diabetics, blindness, addictions, health education, MS, hepatitis, club foot, water & sanitation.

Research these groups and I guarantee you will find something that fits you. Or just keep pulling rabbits out of hats & doing card tricks to entertain. Either way you will be entering the magic world of Rotary.

MARCH OF QUARTERS

GREATER ANDERSON USED MARCH OF DIMES SPIN-OFF AS A FUNDRAISER ON WORLD POLIO DAY.

We know March of Dimes today as a United States nonprofit organization that works to improve the health of mothers and babies. However, March of Dimes was actually started by FDR.

Franklin Delano Roosevelt,

flooding the White House with 2,680,000 dimes and thousands of dollars in donations.

In following years, fundraisers for March of Dimes included using “slotted

DG visited Greater Anderson on Oct. 10th and took photo of club members with their March of Quarters folders...kicking off World Polio Day fundraiser.

Amelia Nelson, right, Greater Anderson polio chair with Nancy Blakely, Foundation chair Cathy Golson and John Wilson.

an adult victim of polio, founded the National Foundation for Infantile Paralysis, which he later renamed the March of Dimes Foundation. In 1938, Roosevelt decided to appeal to the general public for help. At one fundraiser, celebrity singer Eddie Cantor jokingly urged the public to send dimes to the president, coining the term March of Dimes. The public took his appeal seriously,

cards” to fill with dimes. Thus, the idea for March of Quarters.

Polio is an infectious disease

that can spread rapidly and mainly affects young children. It can cause muscle weakness, paralysis and, on rare occasions, it can be fatal. There is no cure for polio, but it can be prevented with multiple doses of polio vaccines.

A country has to be three years without a new case of polio being diagnosed. Until September of this year, Rotary and its partners had eradicated Polio in all but three countries: Pakistan, Afghanistan and Nigeria – although Nigeria may soon be back on the non-endemic list as it has had no case since 2016.

We don’t want polio to come back and if we don’t finish our goal of eradicating polio in Afghanistan and Pakistan travelers crossing borders could spread the virus to neighboring countries as well as bring it back to the U.S.

Greater Anderson raised \$800 with quarters for WORLD POLIO DAY last month.

DISTRICT FOUNDATION CELEBRATION

Thursday, November 7, 2019

Medford Family Event Center at Piedmont Technical
College in Greenwood

SCHEDULE:

2:00pm	Registration
2:30pm	Rotary Foundation 101 Workshop
3:45pm	District & Global Grants Workshop
5:30pm	Reception - Beer and Wine - Cash Bar (5:30pm-6:30pm)
6:00pm	Dinner - Buffet with Carving Stations (Caterer: Talk of the Town, Abbeville)
7:00pm	Program - Recognitions Keynote Speaker: Regional Rotary Foundation Coordinator Nancy Barbee

Cost - **\$45** per ticket for reception and dinner
No cost for seminars.

Do you want to reserve a table for eight? Get a group of eight people to register and send everyone's name to Faith Line (faline57@charter.net) and Lorraine Angelino (dg2013@rotary7750.org) and we will reserve a table for your group.

During dinner we will have an opportunity for those attending to see how the **SKIP A MEAL FOR POLIO** works and how you can do this a club meeting. More on this a little later.
