## Aiken club awards \$105,000 in college scholarships to 21 high school seniors

BY LYDDIE HANSEN

Public Awareness Chair  
Rotary Club of Aiken

This has been a year unlike any other, but the Rotary Club of Aiken has made it a very special one for 21 high school seniors in Aiken.

Foregoing our traditional luncheon celebration due to COVID 19 restrictions, the squeals of shock and delight heard during the notification phone calls to these deserving students were evidence that the \$5,000 college scholarship each were awarded is a game changer for most of them.

The Rotary Club of Aiken Scholarship Committee carefully considered approximately 120 applicants.

While grades were considered, it was not the major driver for a scholarship determination. Students were evaluated on their extracurricular activities, their

volunteer efforts, the importance attached to furthering their education, the challenges they have overcome, and their own efforts to address their financial needs.

Linda Strojan, Scholarship Committee Co-Chair, explained, "While we looked at the grades of each applicant to ensure they had the ability to be successful in college, we were very interested in helping those students whose actions spoke to their dedication to Rotary's "Service above Self" motto.

These students were engaged in a host of community service activities." She went on to say, "I believe in the power of education to improve lives. If we can help students achieve their goals by making education

more affordable, we have made a difference.”

Many of the stories and the students’ efforts were heartwarming but the Scholarship Committee could easily see how the effects of the COVID 19 pandemic would affect each applicant.

Many of the applicants had depended on their own jobs to help bridge the financial gap for college, but these were quickly eliminated due to COVID 19.

Given the unprecedented change from a booming economy to a high rate of unemployment, we could see many parents would be unable to provide educational support for their high school senior.

Betty Ryberg, Scholarship Committee Co-Chair, rallied Rotarians and community leaders to donate additional funds to expand the scholarship awards

Members of the Rotary Club of Aiken Scholarship Selection Committee were all smiles at a Zoom meeting because they were able to help 21 high school seniors with college scholarships.

from 16 to a record-setting 21 scholarships for Club No. 6187.

She said, “I am so thankful to our fellow Rotarians and friends who stepped up to fund our scholarships. Our winners are future pharmacists, business owners, scientists, teachers, musicians, and athletes. These

students make me look forward to a future in which they will serve on boards, they will start businesses, they will be donors. They may become future Rotarians. This is the future I envision for each of them.”

The students’ commitment to Service Above Self was a primary consideration in their selection.

## THE ENVIRONMENT:

### Rotary’s seventh area of focus

The Rotary Foundation Trustees and Rotary International Board of Directors have unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Grant applications for projects will be accepted beginning on July 1, 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

# ROTARY OPENS OPPORTUNITIES

BY DG BETH PADGETT

Rotary Club of Greenville

**R**otary Opens Opportunities. This is Rotary International President’s Holger Knaack’s theme for our new Rotary year. It’s a theme that I hope every Rotarian embraces as we start a year that has some challenges but so many more opportunities.

We are going to have fun and make a difference in our communities! We have so many great Rotary Clubs in District 7750. Our Rotary Clubs feed the hungry, send backpacks of food home with students on the weekend, clean parks, raise funds for scholarships, read to school children, and provide clean water in Honduras and vocational projects in Haiti. Our Rotary Clubs are making a difference each and every day.

Rotary Clubs face some of the same challenges that we did in early March when I met with our

---

*Governor Rob Hanley has led our District in an admirable way over the past few months as we changed the way in which we meet and serve. Thank you, Rob, for your leadership and dedication during a year that had an ending that none of us predicted when you took office on July 1, 2019.*

---

new class of Presidents for their training. We face challenges of membership, and of extraordinarily busy people who don’t think they have time to volunteer, and of a society where people seem more

divided than they have in recent memory.

We need to look at these challenges as the opportunities that they are. We have an opportunity to make Rotary attractive to people who could never attend a weekly lunch meeting. We can provide service opportunities to people looking for meaningful ways to help others. And just as we promote peace-building efforts around the globe, we need to become peace-builders in our own communities.

As President Holger told my class of District Governors in January in San Diego for our training, “Remember that Rotary is not just a club that you join. It

is an invitation to endless opportunities. It opens opportunities to serve in a project as big and historic as End Polio Now and also in a small community

project, where you just plant a tree. ... Everything we do opens another opportunity for someone, somewhere.”

Rotary must change in an ever-changing world. Our clubs

have made remarkable changes in the few months since the arrival of COVID-19. We have adapted to changes forced on us, and we are better for it.

As we re-open our Rotary Clubs, let’s remember what President Holger said last month, “Don’t try to get your club back to normal. Create a new normal to allow you to go forward in a new world.”

Let’s review how our Rotary Clubs operate. Let’s find ways to attract new members. Let’s make sure that our service projects meet real needs in our community. And yes, let’s make our Rotary Clubs more diverse, equitable and inclusive.

Rotary has been committed for a long time to promoting respect, celebrating diversity, demanding ethical leadership and working tirelessly to advance peace. We have much work to do in this area—as we listen, as we learn and as we take action.

This is an exciting time to be a Rotarian.

Thank you for this opportunity to serve as your District Governor.

**We are inventing a new future for Rotary.**

**Look at challenges as opportunities**

## Feed the firemen!

*New Indian Land member takes homemade cookies to local fire house*

It didn't take long for the newest member of Indian Land Lunch to find a family project to work on. Carolyn Hess with her daughter and grandson took cookies made by her daughter to the Pleasant Valley Fire Company in Indian Land. Carolyn was inspired to do this after Greg Nicholson, Chief of that fire company, spoke to the club.

## Lake Wylie celebrates its 10th anniversary!

**BY ANNE VIOLANTI**

Rotary Club of Lake Wylie

Lake Wylie Rotary celebrated its 10th Anniversary in June. The club wanted to celebrate this milestone, even though we were not able to meet as a group at our regular meeting location due to Covid-19 restrictions.

We secured an outdoor pavilion and had everyone bring their own food and beverages. A beautiful cake was made for the occasion by Rotarian Mark Wilson's wife, Barbara.

The Lake Wylie Rotary Club was Chartered in June 2010 and was sponsored by the Clover Rotary Club. The Charter Members still remaining are Chad Bordeaux, Allan Gregory, David McClure, Mary Sieck and Rob Watson.

Many service projects over the years include; Little Free Libraries, food drives, KIVA loans, and Josh the Otter water safety program. The Lake Wylie Rotary Club looks forward to many more years of fun and fellowship!

## ROTARY MEMBERSHIP NO ROTARIAN LEFT BEHIND

### Scholarships available to help Covid-impacted members remain as members.

I have the opportunity to serve as Rotary District 7750's Membership Chair this year. It is no secret that I love a challenge, and no doubt, we are in challenging times related to our Rotary Club Memberships ... BUT WE CAN DO IT!!

The first step in "doing it" is to ensure that *No Rotarian Will Be Left Behind*. District Governor Beth and I have worked together with the District Finance Committee to put scholarships in place to allow clubs to help Rotarians that have been affected by the Covid-19 crisis.

There is an old saying that "it is easier to keep a

customer than find a new one"... it is so important for each club to reach out to each member to see if a scholarship to assist them during this time will help them remain in our clubs.

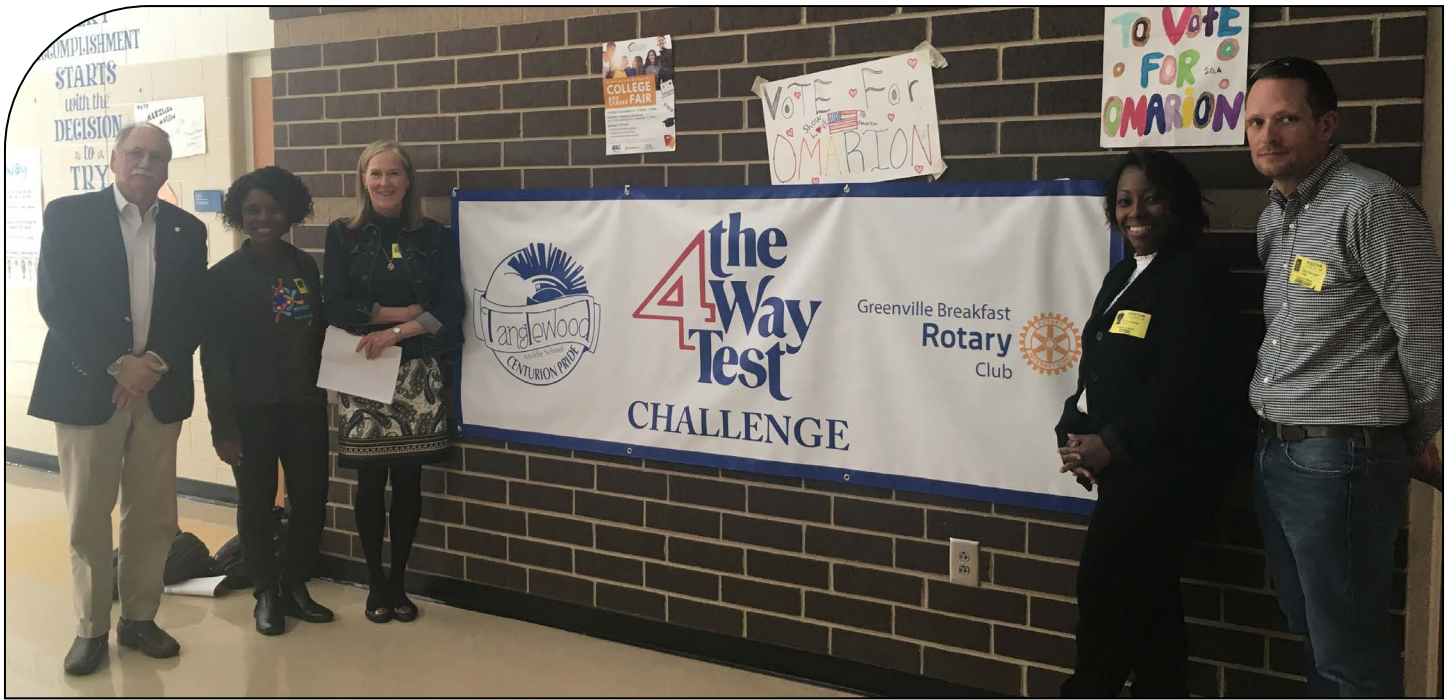

The District's *No Rotarian Left Behind* will assist your club with the annual district dues and the first half of the Rotary International dues. Club Presidents please reach out to District Governor Beth or me about the scholarships that can help your club!

Please feel free to call on me via email or on my cell, both listed above.

## Four-Way Test program helped with teacher turnover and student behavior

**BY ALECIA BREWSTER**

2019-20 President, Rotary Club of Greenville Breakfast

When the Rotary Club of Greenville Breakfast learned about high teacher turnover and a high number of students with multiple Adverse Childhood Experiences (ACEs) at a local middle school, they went to work to help.

Club members decided to develop a partnership with the school, Tanglewood, that addressed Rotary's focus areas of Peace and Conflict Resolution and Basic Education and Literacy.

During the 2019-2020 school year, Greenville Breakfast Rotary Club (GBRC) members facilitated small group sessions with Tanglewood students and select teachers that agreed to teach the Four Way Test.

This program was modeled after a program in the Rotary

Club of Ft. Collins, CO ("Rotary Connects the World").

GBRC members provided teacher-focused 4-Way Test Ambassador training at the beginning of the 2019-2020 school year to initiate ideas for integrating the 4 Way Test into classroom activities and routines.

After this initial training, fifty teachers committed to incorporating the 4-Way Test into their process of conflict resolution.

This was followed by in-school participation of GBRC members and other Rotarians, who worked with small groups of students to incorporate the 4 Way Test in making decisions about how to resolve conflict.

The in-school sessions culminated with a school-wide

assembly with a stunt actor sharing the relevance of the 4 Way Test in vocation and in life.

At the end of the school year, the teachers recommended students who best exemplified the spirit of the Rotary 4 Way Test.

Five students were recognized at the school's virtual awards banquet and each student was presented with a custom laptop, laptop bag, Student of Excellence car magnet and a certificate.

A further example of the 2019 Rotary theme of 'Rotary Connects the World' is that the computers and bags were presented by a Rotarian from Charlotte, NC, who happened to visit the GBRC during a planning session in the fall of 2019.

# Lake Wylie club collects 693 pounds of food to help in the Clover area

The Lake Wylie Rotary Club was thrilled to collect 693 pounds of food and \$1,080. in donations for the Clover Area Assistance Center(CAAC).

Paul Moran was the organizer of this worthwhile and much needed event. Folks from throughout the community stopped by the outdoor site to drop off their donations.

Everyone practiced appropriate social distancing and masks were worn by the Rotarians.

The participating Club members included Paul Moran, David Redding, Karen VanVierssen, Mary Sieck, President Amy Gulig Strong and Anne Violanti.

## Lake Wylie Green With Rotary Raffle drawing held a little later than planned

Lake Wylie Rotarians were very happy to get together (while practicing social distancing!) to draw the winners of their Green with Rotary Raffle.

The raffle was originally scheduled for March 17. Due to Covid-19, they were unable to meet and the drawing was postponed. In mid-May, they were finally able to enjoy fun and fellowship while still social distancing to draw the winners.

The grand prize was \$5,000. cash and there were 25 additional prizes valued at \$100. each. Visit our Lake Wylie Rotary Facebook page to watch the live drawing and see the list of winners. Join us next year for a chance to win!

### City Center gives checks totaling \$15,000

Greenville City Center Rotary Club presented checks to representatives of 15 organizations in June. The \$15,000 in total awards was made possible through the club's Foundation.

Recipients were:

- Soteria Community Development
- Project Host
- Safe Harbor
- Youth Base
- Taylor's Free Medical
- F I K E, Fountain Inn
- Legacy Early College
- SC Native Plant Society
- Students in Action, GVL
- Poe Mill Achievement Center
- Greenville Humane Society
- Christian Learning Centers
- Sustaining Way Nicholtown
- Greenville Literacy Association
- The Rotary Foundation

Pictured are representatives of some of these organizations receiving their checks.

**Blacksburg Rotary Club and Limestone College collect a truckload of food for community**

The Blacksburg Rotary Club and Limestone College in Cherokee County teamed up to donate a truckload of food to Iron City Ministries in Blacksburg. Iron City Ministries has felt the strain of many local food banks during the COVID-19 pandemic. Pictured is Ed Elliott of the Blacksburg Rotary Club making the donation. Not pictured is Stacy Mason, Dean of Student Success at Limestone College.

**Greenville City Center goes hybrid**

Greenville City Center began holding hybrid meetings on June 12. While some of the members gathered for lunch at the Poinsett Club in Greenville, others joined via Zoom. For the past few prior meetings, Zoom had been the only option. It took a little work to set it up but the meeting was a success. Alecia Brewster of Sustaining Way was the speaker. Members in house and online were easily able to see her and her slide presentation. Alecia was also the 2019-20 president of the Rotary Club of Greenville Breakfast.

## From Golden Corner

### Golden Corner hears from county sheriff

Oconee County Sheriff Mike Crenshaw, center, updated the Golden Corner Rotary Club on the Sheriff's Office efforts to enhance training and community outreach programs. Sheriff Crenshaw, who is the president-elect for the South Carolina Sheriff's Association, was first elected to the Oconee County office in 2013. Pictured with him are 2019-20 Club president Cammie Kaiser and Rotarian David Williams.

### Jonah Project supports scouting in Oconee County

Steve Rushton with the Golden Corner Rotary Club and the Jonah Project for the Blue Ridge Council's Oconee District that includes Clemson and Oconee County, updated the Rotarians on the Jonah Project. The project supports Scouting with finances and materials that make it possible for boys and girls to attend various outings and camps. The Oconee District is also home to one of the first all-female troops that recently captured several honors at Camp Old Indian.

## York looks back on club achievements during 2019-20

As the Rotary Club of York closed out 2019-20, president Ryan Blanke outlined the club's achievements during the year.

- York Comprehensive High School's Valedictorian, Shelby Lynn Spencer, has been awarded a \$1,000 scholarship from York Rotary. Lucky for her, we just upped the amount from \$500. Congratulations!
- The District Governor has recognized a few of our members in the Governor's Leadership Society. These are Rotarians who participated in a service project, contributed at least \$100 to the Foundation, and recruited a new member in the current year:

- o Jim Hodnett,
- o Pamela DeLabarre
- o Bill Fisher

- Nellie Cloninger and Gene Ledbetter were recognized as Paul Harris Fellows. Last year our club reached 100% Paul Harris Fellow status for the first time ever. We now have it going for two years running.
- Robert Winkler was recognized as a Paul Harris Fellow +7. He's also the recipient of our 2019-2020 Rotarian of the Year. Robert led an effort to feed over 500 people and support local businesses when the virus first hit. Businesses were struggling or closing, and people didn't know where their next meal was coming from. That's service above self and we congratulate Robert!
- Our District's Area Governor Babette Sabia helped us to install our new Club President for 2020-2021 Shannon Carrigan and her new board of directors.

## Plans change but WE adapt and YOU keep giving!

As the team prepared for the new year, we had plans for a special Foundation Banquet at the end of October but due to COVID-19 we are having to do this event online.

This is not going to deter the team from making the event special. We plan to present Foundation awards including banners from the 2019-2020 year along with Arch Klumph Society, Major Donors, and Bequest Society awards during the online event.

More information will be coming in the August Newsletter.

The Foundation team is putting together some exciting promotions and events for this year and have some lofty goals. Stay tuned next month to see what the goals are for the year and check back for the monthly challenges.

Thank you for all your contributions to The Rotary Foundation and for your work on District Grants and Global Grants. Together we can do more to make the World a better place. Service Above Self!

### — challenges for July

I hope to give you a challenge or two each month to help keep you on track for supporting our Rotary Foundation

#### JULY CHALLENGES

**#1** The 1st challenge for the month of July is for club Presidents to get their Foundation, Service, and Membership goals entered into My Rotary [www.rotary.org](http://www.rotary.org). If you need help please contact a Past President from your club, Assistant Governor, or myself (dg2013@rotary7750.org).

**#2** The 2nd challenge for the month of July is a bit special since this has never been done before. The challenge is for President to make a contribution to The Rotary Foundation AF-SHARE for a minimum of \$25 or have at least one club member make a \$25 contribution to AF-SHARE. This will ensure our District will have 100% of the clubs contributing in July.

## UNION: Reading with Rotarians \$2,500

We will continue our Reading with Rotarians program which includes purchasing and distributing grade level reading books for elementary students at Buffalo Elementary School in Union. Buffalo is considered a high poverty level school with a poverty rate of almost 90%. We will purchase the books. Rotarians will help sort them out by grade level and place Rotary labels in each book with the help of our local Interact Club and Rotaract Clubs. Rotarians and Rotaract Club members will also visit the school to distribute the books and read to the students.

## SPARTAN WEST

PS: I Love You

**\$500**

We will provide resources for foster families which include infant and toddler car seats, strollers, cribs, clothing, diapers and Care Bags. This will benefit 440 foster children.

## SPARTAN WEST

Jesse Bobo Elementary

**\$2,000**

We have adopted a Title 1 school. We will provide 100 dictionaries to third graders that will include a Rotary label and a pair of shoes for 75 students before the school year begins. We will also read to and mentor students, chaperone field trips, provide lunches for teachers monthly and do some landscaping. A Four-Way Test plaque will hang in the library.

## SIMPSONVILLE

Brian's Bags

**\$500**

We will distribute a bag of essential supplies to families checking a child into a hospital. The bags include toiletries, note pad, pens, puzzle books, gum, mints, hand sanitizer, etc will be a note from Rotary with the 4-Way Test.

**More grants will be featured in future newsletters.**

**SIMPSONVILLE**

**Dictionaries**

**\$500**

For the eighth consecutive year, the Simpsonville Rotary Club will distribute dictionaries to the third graders at the 8 elementary schools in the area. Simpsonville Rotarians go to each school for presentations in the classroom or assemblies. This allows us the opportunity to share who Rotary is and what we do. Also, a Rotary plate with the 4-Way Test is attached to each dictionary on the front inside cover and is discussed as part of the presentation.

**SENECA GOLDEN CORNER**

**GED Funding**

**\$1,000**

The GED (High School Equivalency—HSED) is an Education/Literacy Scholarship project. We will assist Adult Learners who have struggled and faced financial barriers to obtain their GED. The involvement of Rotary and Rotarians will consist of securing funds for the project, visitations to the school to help with the implementation, speaking to the Adult Learners about Rotary, and assisting with tutoring or testing as needed, recognizing the selected Adult Learners, and attending the school board presentation of awarding the grant, and attending graduation.

**Tornado Relief Fund**

**\$2,500**

We will continue working in Seneca to repair damage caused by a tornado in April. Many Rotarians immediately began helping with clean up, delivering food to victims, the elderly and poverty stricken areas that were without power and transportation. Now in the aftermath of the destruction, homes and the community need to be rebuilt and funds are needed for supplies, materials and skilled labor. The total project budget is \$11,000, and includes a donation from the Rotary Club of Easley.

**REEDY RIVER**

**Pollinator Environmental Garden**

**\$2,500**

The Pollinator Environmental Garden is a new area of the Roper Mountain Science Center in Greenville that provides hands-on natural learning about resources. It will be used extensively by students in Greenville County. Funds will purchase native landscaping and materials. Some of the others ideas for the garden include sensory components, benches, rocks, etc Rotarians will assist in building the garden and Rotary will be well recognized with an engraved plaque on the Donor Wall. The Roper Mountain Science Center will own the materials and maintain them on site.

# Polio Plus PERSEVERANCE

## *Let's finish the task we started*

I am Doug Kauffmann, a member of the Rotary Club of Greenwood who will serve District 7750 this year as Polio chair. In this initial article, I want to tell you why donating to Polio Plus became so meaningful to me and has been so meaningful to so many.

I served my club as president in 2005-2006. It was during that club presidential year, as it is for so many Rotarians who first serve as club presidents, that I fully came to appreciate the magnificence of Rotary and the Rotary Foundation. I also learned a great deal about Rotary's heroic cause of eliminating polio.

My father, knowing I was in preparation for my year as a Rotary Club president, sent me an April 12, 2005 copy of the Opinion Page of the Wall Street Journal, which included an article on "Polio and Rotary." That date was the 50th anniversary of Dr. Jonas Salk announcing his polio vaccine. A portion of that article that thrilled my heart that day is quoted in the right column.

Of course, that article now dates from 15 years ago and even more has been achieved in eradicating polio, and other organizations, of particular notice, the Gates Foundation, have joined Rotary in this noble (Nobel) effort. However, as close as we have come to eradicating polio, minimal cases still exist in Afghanistan and Pakistan, and we must continue our "Rotarian perseverance" and finish the task we started.

Winston Churchill said of the Royal Air Force pilots who won the Battle of Britain in 1940 against overwhelming odds versus Nazi Germany's air force, "Never was so much owed by so many to so few." Let's make that eloquent statement come alive again in our victory over polio.

So, I ask you as club presidents, Rotary Foundation chairs, and Polio Plus chairs, to make a generous club goal for Polio Plus this year. Please let me know how I can be of service to your club.

Today polio has disappeared from the Americas, Europe and the Western Pacific and is nearly gone from the rest of the world.

A too little known part of this feat is the role played by Rotary, the international (civic) club, which 20 years ago adopted the goal of wiping out the disease. In 1985, when Rotary launched its eradication program, there were an estimated 350,000 (annual) new cases of polio in 125 countries.

Last year, (2004) 1,263 cases were reported. More than one million Rotary members have volunteered their time or donated money to immunize two billion children in 122 countries.

An economist of our acquaintance calls Rotary's effort the most successful private health-care initiative ever... Rotary's unsung polio effort deserves the Nobel Peace Prize.—From 2005

We won't see more children like this in Nigeria. In June the World Health Organization certified Nigeria polio-free. The last new case of polio in that country was in 2016.

## Club not meeting in person? Give to the virtual CART Bucket now online

Our clubs in D-7750 have been big supporters of The CART Fund (Coins for Alzheimer's Research Trust) for many years.

To give to CART online:

1. Go to [www.mycartfund.org](http://www.mycartfund.org).
2. Enter your DACdb User Name & Password
3. Click on the dark blue sign-in (Current User) button
4. You'll create an ID in the CART Online Contribution Portal that's tagged to your club and our District.

If you don't have your DACdb credentials, no worries— just use the light blue button to Create an Account and you'll be asked for our District ID (7750) and your club name.

## Deadline for August newsletter is **July 25**

# COVID-19 risks are real Be aware of guidelines when your club members are together

BY DG BETH PADGETT

Many Rotary clubs understandably are eager to start meeting again and having events, and some clubs already are meeting in person. All clubs need to take adequate measures to keep people safe during this time when COVID-19 poses a serious risk to the health of Rotarians, their guests and the greater community.

Rotary International strongly recommends that U.S. Rotary clubs and Districts follow “all applicable guidelines from the CDC, and their state and local regulations.” RI also has made clear that clubs and districts cannot require a Rotarian to attend any event in person during this new Rotary year. Clubs and districts have been encouraged to have a virtual backup for each event.

COVID-19 presents some special challenges in South Carolina because **cases of the coronavirus are increasing rapidly.** **South Carolina** now is considered a hotspot for the coronavirus. New cases have jumped from 1,000 to 1,300 weekly during the eight weeks from March 24 to May 23, to 4,515 new cases for the week ending June 13 and 5,906 new cases for the week ending June 20.

Some Rotary Clubs meet in cities in District 7750 that have more restrictions on public gatherings than other places in the state. Rotary Club leaders need to know their local and state restrictions.

A wealth of information can be found at the Centers for Disease Control that will guide club and district leaders on how to keep meetings as safe as possible. Please pay special attention to the sections on Gatherings and Public Events, and Community and Faith-Based Organizations.

# Fighting Covid in Rotary

Rotary Clubs are urged to follow recommendations to mitigate the risks associated with COVID-19 when offering in-person meetings or events.

The CDC offers guidelines if groups are planning in-person meetings that include:

- Urge people to stay home when appropriate, such as when a person is sick or has recently had close contact with a person showing COVID-19 symptoms.
- Encourage frequent handwashing and make available a hand sanitizer that contains at least 60% alcohol.
- Promote social distancing at all times during the meeting or event.
- Require cloth face coverings, as feasible.
- Clean and disinfect frequently touched surfaces.
- Have individual, pre-packaged boxes or bags instead of a potluck, buffet, or family-style meal.
- Avoid sharing of foods and utensils.

A complete set of recommendations can be found on the CDC website. We all have a role to play in keeping our communities safe during this global pandemic and protecting the health of our Rotarians and their guests. It's important to prepare and plan for any Rotary meeting or event.
