# 8 WAYS to strengthen those Rotary bonds

BY DG BETH PADGETT

Rotary Club of Greenville

I got a question at one of my first Rotary Club visits that I hadn't expected. The concern wasn't about attracting new members because the club had already inducted a couple new Rotarians.

Instead, the fear was that the club may have an unexpectedly high attrition rate later in the year because quite a few Rotarians weren't coming to meetings. That's a legitimate concern, and it's one I've started talking about when I meet with the board of directors of each Rotary Club.

With only a few exceptions, most Rotary Clubs fear they are losing a connection with some members who do not want to attend an in-person meeting and also aren't keen on connecting to a virtual meeting. (By the way, if fear of technology is the reason, get in touch with me because we will help provide support for those club members.)

Over the past month, I have collected some ways to keep in touch with club members and ensure they are engaged in the life of a Rotary Club. Some ideas were shared by club presidents or membership chairs in the first Third Thursday Tips & Topics (join us on October 15th for the next one). Other ideas came from some of my District Governor classmates.

- 1 Ask each of your board members (and possibly committee chairs) to contact a few club members each month. Let fellow Rotarians know that we care about them and ask if they need any assistance with anything.
- 2 Have the Club President write a weekly (or even monthly) recap of what's going on in the club.
- 3 Make sure members who cannot attend meetings have a copy of the program.
- 4 Start Pen Pals within your Rotary Club or possibly another Rotary Club.
- 5 Provide a "phone-in" option for members who do not want to attend the meeting in person or via Zoom.
- 6 Highlight members at each meeting through a "getting to know you" segment. Include members not attending in person.
- 7 Have service projects that members can do at home such as collecting food for the local pantry, gathering clothes for the thrift store, purchasing gift cards for people in need, or writing notes to people in nursing homes who are lonely.
- 8 Record members reading a book for children at a local school or daycare center.

**Stay in touch with your friends in Rotary even if you aren't seeing them as much as you did before our world turned upside down in March. These Rotary bonds are more important now than they ever were.**

# District 7750 Foundation and Grant Training Oct. 26 and 28

BY DGE FRANK COX

Rotary Club of Clemson Sunrise

Each year the District provides training and updating on Rotary International's Foundation.

The Foundation enables us as Rotarians to advance our good will locally and globally through our gifts.

We recommend that each Club's Foundation Chair, President and President Elect participate in the training which includes an update on the Foundation and the District Grant program. Each Club is required to have a member participate in the training to qualify for a District Grant each year.

The training will be virtual similar to the Membership Series. We will conduct the training on Monday, October 26 at 5:00 pm and offered a second session October 28th at Noon. We look forward to your participation.

The registration information is being sent by PMAIL and the registration information is on the DACdb calendar.

# ROTARY MEMBERSHIP DISCOVER ROTARY—BECAUSE ATTRITION IS LURKING

October begins the second quarter of our Rotary year, and we are at plus 2 in the most recent membership report...BUT WE ALL KNOW THAT ATTRITION IS LURKING BENEATH THE SURFACE!

There is no time like the present to work on creating a culture of growth in your club. That means using growth strategies that work. One of the proven strategies is Discover Rotary which is an opportunity to introduce prospective members to Rotary in setting where they learn about the incredible organization we joined and love. These Discover Rotary sessions can be done in person and they can also be done virtually.

So what does a Discover Rotary look like? First you start out with introductions of those who are prospects and the club members who have invited them to attend.

The leader tells them that Rotary is a membership organization that does service. We are 1.2 million strong in over 200 countries with a motto of Service Above Self; and we are People of Action. Rotarians are willing to be mentors and help you build your business network.

Rotary has over a hundred years of service in communities and in the world. The Four Way Test is our moral code for personal & business relationships. Covering the Object of Rotary and the seven Areas of Focus. Telling them about The Rotary Foundation,

community service projects and club fun. Giving them financial details so that they are not caught off guard about the cost of being a member of Rotary. Giving them an official invitation to join, follow-up email letting them know how much you'd like to have them join.

This should be of interest to every club because it really works. Wanting more details? Check out the link on [rizon33-34.org](http://rizon33-34.org) and for club presidents, president-elects and membership chairs join us for the next 4 Ts... **Third Thursday Tips & Topics at 5:00 on October 15 via Zoom.** We will go through the steps of setting up a Discover Rotary for your club!

Growing your club has nothing to do with the numbers but everything to do with sharing the Rotary experience.

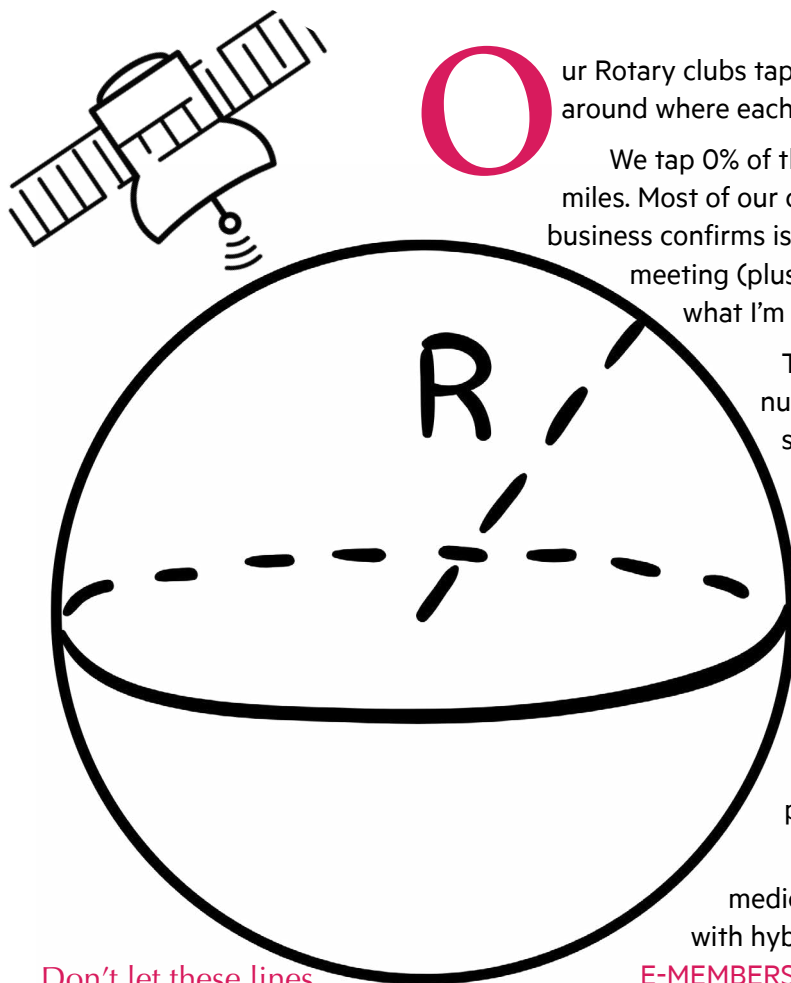

## Luke McPhail comes home to Golden Corner

Luke McPhail, right, is a new member of the Golden Corner Rotary Club. He was installed and presented with his membership packet from club president Gene Williams. Luke has come home from Charleston, S.C., and said he is looking forward to helping the Golden Corner Rotary Club with its community service projects.

# Consider a satellite club to tap potential members outside your radius

BY PDG TERRY WEAVER

7750 Innovative Club Advocates Team

Don't let these lines get in the way of your club's growth. Remember that a small satellite has a long reach.

**O**ur Rotary clubs tap barely 1% of the population in a radius of about 15 miles around where each club meets.

We tap 0% of the population where we don't have clubs within 10-15 miles. Most of our clubs are lunch clubs, which data from the restaurant business confirms is a time when fewer people can get away for a 1½ hour meeting (plus travel time). Please [watch this video](#) to get an idea of what I'm talking about.

Those constraints alone mean that we're missing a huge number of people – literally a million people in D-7750 – some of whom could and would be Rotarians if we offered a meeting option more to their liking, rather than our traditions. What's the answer?

**SATELLITE CLUBS** – An extension of your club that meets at an alternative time (most popularly happy hour, 5 pm or so) or an alternate place, perhaps several miles from the current club meeting location.

See <https://growrotary.org> (log in with your My Rotary credentials) for a “heat map” of where those populations are.

Satellite clubs can also meet at a workplace, such as a medical center or University campus. Beyond Satellite clubs, with hybrid meetings becoming the norm, clubs are able to offer

**E-MEMBERSHIPS** where members can attend virtually, which also reduces 2/3 of the cost of Rotary – the meals.

Your D-7750 Innovative Club Advocates team, led by PDG Terry Weaver, is available to discuss the idea of extending your club's reach through a Satellite club or alternative membership types. Contact [DG2015@Rotary7750.org](mailto:DG2015@Rotary7750.org) for a no-obligation conversation.

# York Rotarians go hands-on to organize thrift store

BY RYAN BLANCHE

Immediate Past President  
York Rotary Club

The Rotary Club of York Rotary helped organize and clean a local non-profit agency's thrift store that serves the York community.

Rotarians had a blast sorting clothing, bedding, housewares, and other items in need of a good refreshing and loading a trailer of items that goes out to impoverished groups throughout the world.

PATH, Inc. exists for the purpose of helping or ministering to those in need: finding temporary aid in times of crisis, guiding those in need to appropriate social agencies, receiving contributions and donated goods, providing clothing, food, and other goods without cost to those in need.

### Update on local football

Andy Bay, right, Seneca High School Athletic Director, updated the Golden Corner Rotary Club on the school's preparations for the upcoming football season and fall sports. Bay noted that less than 1,000 tickets will be made available for the stadium that can seat more than 5,000. Parents of players will be given top priority, Bay said. Bay is also seeking business and industry sponsors to help fund the Bobcats' teams transportation and other expenses. Pictured from left are Golden Corner Rotarian Louis Holleman, club president Gene Williams and Bay.

### Golden Corner hears from Humane Society

Dianne Sosnowski, center, with the Oconee County Humane Society, updated the Golden Corner Rotary Club on the operations of the society that includes animal control. The Oconee County Sheriff directs animal control while the society on U.S. 123 is also the hub for animal adoptions. Dianne said the society took in approximately 4,000 dogs and cats last year while 1,500 animals were adopted.

The society was also recognized as one of just ten Angel Award winners by the South Carolina Secretary of State. Angel Awards are presented to charities that use 80 percent or more of their funds for their projects. Pictured from left, are Golden Corner Rotary Club president Gene Williams, Dianne and Rotarian Vic Holley.

# Action Group for Family Safety focuses on insecurity coming from many factors

**BY BARBARA SHAYEB-HELOU,**

7750 Fellowship and RAGS

Chair

The Action Group for Family Safety wants us to know that family insecurities can stem from factors outside the home and within the home: natural disasters, earthquakes, a child with a poor report card and pandemics are all life changing events. And they can result in violence, to others or to oneself.

Healing the Hurt is a Rotary Program that supports Trauma Relief. Training is given on this worldwide. Clubs recruit local therapists and the training has proven effective for First Responders also. What a great way to give back to our First Responders.

If you are reading this and enjoying a glass of wine, you owe it to yourself to join the RWAF the Rotary Wine Appreciation Fellowship. Annual membership is about \$26 p.y. , but Lifetime membership is about \$100. and well worth it. Considering the fabulous

dinners they put on for life members at RI Conventions.

I guarantee they are events you will never forget.

I just joined the RAG for Blood Donations; there is no charge. Also having just arranged a donation drive for my Club; I now know how easy it is. Give blood; you will never miss it. And it will build your self esteem. Our Drive is October 30 at the Green Valley Country Club starting at 10a.m.

Our special guest that day is Dracula. He loves to come out on Halloween. Who knows, he may give you some treats.

This action group has about 2,000 members in 121 countries. We are all aware of the need for blood due to surgeries, accidents , not to mention the ongoing need by hemophiliacs. This is a worldwide problem we all share. And Rotary is showing us ways to help.

If you want to donate, or have a Club drive, e-mail me: [barbara.shayeb076@gmail.com](mailto:barbara.shayeb076@gmail.com)

We have received the grants funds in the district and they are currently being distributed to clubs. On the next couple of pages are snapshots of some of the grants. The figure for each club is the amount of the grant, not the total amount of the project. Some grants were featured last month and others will be featured in coming months.

Rotary will help purchase the supplies and help to build the new dugouts and the batting cages.

### **EMERALD CITY** **Inspire a love of reading** **\$5,000**

The project promotes early childhood literacy in Greenwood

Miss Kendra Programs aims to reach these highly stressed students before they break down. This is accomplished through methods of early identification, in which every child is asked what is happening in their lives on a regular basis. literacy.

## October Challenge:

October 24, 2020 is Polio Day. Have a Polio awareness event, Polio minute at a club meeting, and encourage club members to meet the Doug and Sally Kauffmann Polio Challenge.

One suggestion is Skip a Meal for Polio. Even if you are meeting virtually members can make their contribution directly to The Rotary Foundation at [www.rotary.org](http://www.rotary.org) or call the Rotary Support Center and make your contribution over the phone 1-866-976-8279.

If they make a contribution of \$100 or more it will also meet the Doug and Sally Kauffmann Polio Challenge. Contact Lorraine Angelino if you have any questions.

# World Polio Day: Doug and Sally Kauffmann Challenge

This 2020-2021 Rotary year, our 50 clubs of District 7750 have set their individual goals which come to a joint district goal of **\$110,238**.

Between July 1, 2020 and November 15, 2020 Doug and Sally Kauffman will match every gift of \$100 or more given to Polio Plus by individual Rotarians up to \$15,000 for the District.

The Bill and Melinda Gates Foundation will match that money two more times.

That way for every Rotarian that gives \$100 or more, each gift will be increased four times (example Rotarian contributes \$100 for PolioPlus, Doug and Sally will contribute \$100 to PolioPlus, and Bill and Melinda Gates Foundation will contribute \$200 to PolioPlus).

Every Rotarian who gives \$100 or more will also receive that many Rotary Foundation points.

If you make that contribution online or over the phone with the Rotary Support Center 866-976-8279 you will double your points (example Rotarian contribute \$100.00 to PolioPlus through their club, they get 100 points, but if they contribute \$100 to PolioPlus online, they get 200 points).

## Kauffman Challenge Update

- **\$6,255 has been contributed toward the \$15,000 match by 19 members.**
- **This number includes all members who contributed \$100 or more to Polio between July 1, 2020 – September 27, 2020.**
- **Points for the first group should be posted in the next several days. There were 8,000 points given away so far!**

### Here's the math!

Your gift	\$100
Kauffman 1 to 1 Match	\$100
Gates 2 to 1 Match	\$200

## Plan a polio program for October

In October, plan a special Polio Plus program on or near World Polio Day, Saturday, October 24. Particularly for new Rotarians, but for all of us, we must continue to raise awareness of our noble fight to reduce the new cases of polio from what was over 350,000 new cases a year when Rotary started the fight in the 1980s to zero.

Keep informed of basic polio facts, accurate news of recent developments, and fundraising ideas by referring to the helpful website, [www.endpolio.org](http://www.endpolio.org) and to our District 7750 newsletter.

If you would like to have a special program on Polio Plus and need experienced speakers, or have any other questions please contact me.—Doug.
